While studying the ancient world, Tom Holland, Historian, Atheist, author, writes, he realized something. Simply, the ancients were cruel, and their values utterly foreign to him. The Spartans (Greeks) routinely murdered "imperfect" children.

The bodies of slaves were treated like outlets for the physical pleasures of those with power. Infanticide was common. The poor and the weak had no rights.

How did we get from there to here? It was Christianity, Holland writes. Christianity revolutionize sex and marriage demanding that men control themselves and prohibiting all forms of rape. Christianity confined sexuality within monogamy. **Christianity elevated women. In short, Christianity changed the world.**

FROM THE PASTOR'S DESK:

Happy July the 4th. Not only is this America's birthday, but it was my father-in-law's (Pastor Sheldon Emry) as well. He would have been 95 this year. He is truly missed.

For America, July 4th is supposed to represent America's Independence from tyranny, taxes, all that goes with this. Today our founding including Christianity is being attacked. Remember our Pilgrim and Puritan forefathers came to this New Found Land for Liberty, Freedom, and Religious Independence. They wanted desperately to escape the King's oppression and they were willing to trust God in this very precarious venture to America. Most of our communistic fed

Americans know little or nothing of America's beginnings and the many hardships and struggles they had to go through because our enemies in the public school system have been systematically removing this since the 1920s! Our founders eventually had to go to war with the greatest war machine on earth, the British Empire. They had the best warships, cannons, guns, commanding officers, forts, financing, and military experience, but they didn't have God's leading.

Only a remnant in America today does have God's Divine leading, Holy Spirit backing, Biblical Direction, Biblical Law, Faith in the Lord Jesus Christ, and a firm commitment in Righteousness. Most of America and the other nations of regathered Israel have turned to that which is called "evil". They do not understand that only a Biblically founded "good" can lift them out of their dire straights. Our solution is the Bible, which is Jesus the Word.

I said it before, I will repeat it again and again, the main duty of the Church of Anglo-Adamic-Israel is to show the House of Jacob their sins and point them to their Redeemer Jesus Christ. The White descendants of Israel are malnourished.

In **Isaiah 58:7**, we read these very interesting verses.

Is it not to deal thy bread to the hungry, and that thou bring the poor that are cast out to thy house? when thou seest the naked, that thou cover him; and that thou hide not thyself from thine own flesh?

The "**bread**" is representative of the "**word of God.**" Our Israel people are starving for God's Word, especially in these end times. They are starving for the Bible to be taught. This verse uses the term "**house.**" Well, the Church is also referred to as the House of God. The Church also represents the house where Israel is fed Bible Truth. But Israel is portrayed as "**naked,**" meaning they are without Word or Biblical covering. Our kindred are without the necessary Bread (the

Bible); therefore they are naked without the covering of the Bible to feed upon. They are starving for God's Word. So Israel ***"hide not thyself from thine own flesh."***

Once upon a time, there were real wars, when Generals were mostly in charge of these battles. In other words, Generals were fighting Generals. Politicians for the most part took a backseat to these events, mostly working through a few Generals, recognizing that such wars demanded quick decisions and politics could, at times, not wait. This New World Order is all political.

Whether people realize it or not, the NWO (New World Order) is growing through world conspiracy plans and secret meetings. We could list these people as Edomites, Canaanites, Babylonians, communists, democrats, RINO republicans, our own misled people, and many others who are essentially against the Bible Plan and Purposes. The NWO is upon us whether we like it or not, and as Christians we should certainly hate it and ban together praying for its destruction. We should love Biblical freedom and liberty which only comes from the Lord Jesus and His unrecognized Order of the Ages.

We have sadly arrived at this juncture in time which the "enemy" has been planning for decades, even from their inception. We must have this type of tenacity as well to our Biblical Owners' Inspired Breathed Covenantal Directive. What if we had this all along?

Our enemy knows our weaknesses (the works of our flesh) and they major in this failure of the lost sheep and they use it against us. They are having great success, for now, but in reality, their "mad-god-like-science" success will be their downfall. You see, Israel has always come against their enemy when their backs are against the wall in mostly utter-depravity and moral debauchery. For some reason sin has to be tried and tested and as always such sin gets away from

them and they go even deeper before they turn back to God. Israel's "answer" does not come in a worldly-maze of confusion (Babylon). To the contrary, it comes from the straight-forward Truth of God's Word. We are to stay in the Bible and continue in the marvelous work of the Kingdom. In a sense if you will think about it, we are prolonging our suffering in that we keep giving in to the world's demands rather than God's. We must put God and His Order of the Ages first, realizing that He, in part, created us for Divine Fellowship; meaning the Kingdom of God.

Hebrews 11:8-9

⁸ By faith Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed; and he went out, not knowing whither he went.

⁹ By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with Isaac and Jacob, the heirs with him of the same promise:

Hello, TABERNACLES—Heirs of the Promise!!

The "Non-Vaccination" and Blood

I am going to say a few things about this so-called vaccination. We are being told that this vaccination is so contaminated and polluted by foreign substances including aborted baby cells, that no one should give blood who has been "vaccinated". That's quite an admission that is being made by various doctors. Certainly, we should not drink blood, that's an obvious fact the Word of God states in Leviticus.

Leviticus 7:26-27

²⁶ Moreover ye shall eat no manner of blood, whether it be of fowl or of beast, in any of your dwellings.

²⁷ Whatsoever soul it be that eateth any manner of blood, even that soul shall be cut off from his people.

Israel partaking of blood is an abomination. Biblically, it should not be done and polluted serum like a vaccination transforms

our body into something God did not intend for it to be. We all need to be careful what we put into the body God gave us.

While I'm on the subject, yes, I do believe God can and has helped us, even to the point that He can destroy any transfer or transposing of this said vaccination form or spread. None of us should limit Divine Power from on high in any capacity. Yes, we are in a very serious predicament, but this does NOT leave God out of it. We need to pray more that He will come into our lives and instill His Divine Will as needed. Prayer is our way of intervening for His Blessings to help us in time of need. We also need to claim His Promise that no weapon formed against us would prosper.

Hope you are all doing great in the Lord Jesus our King with our Hope and Faith in His wonderful Will, Plan, and Purposes.

I do get down from time to time, but I don't stay on the "downtime." I read God's Word, I get myself aligned with His Will and move forward to the best of my ability as I'm sure most of you do as well. That being said, I am well aware that some of you are sick, or, in the hospital for various reasons, and we certainly pray for you and wish God's best for you in time of struggle.

We recently learned Dr. Lawrence Blanchard was in the hospital, in the ICU with a serious case of pneumonia, and believe me folks, I have been in that very predicament. You are in, shall I say, confinement and at the dictates of nurses and doctors. He is free and home "PRAISE GOD" from the hospital and is doing better and we are all very happy in this. His wife, Sandi, really had an ordeal and mostly with the hospital on several COVID issues as you can imagine. We need to certainly keep Sandi in our prayers in the care and treatment of Dr. Blanchard. One thing for sure he will need much rest, fluid, and an assortment of good nutrition and let us not forget spiritual prayer.

Israel Come Together

Let's stay as close together as we possibly can Church of Israel. Let us assemble together as much as possible and this is one of the purposes of the Church as well as meeting various spiritual needs.

God wants His people to assemble or gather together to address spiritual matters, even in this political realm because the political does have an effect upon the Spiritual and certainly the Spiritual can and does have an effect upon the political. Some people have no place to gather close by, but some do, and we should make every effort to assemble, even if we have to travel a long distance once or twice a month. Most of us would gladly travel two hundred or so miles to attend a Church of Anglo-Israel. It's not to find perfection, but mostly harmony and spiritual strength. We do have a commitment to our King Jesus. Some people are in no condition to travel, but many can. The worst people can do is stay at home watching TV ministers. Come out, be doers of the Word and not just hearers only. We, the Church of Israel, are a work in progress. We need help and prayer in the awesome work we do for the Lord, but bring what ever you think is missing and help contribute. Stop waiting for others to do your work for you. I had to make this rough decision years ago, and I leaned on the Lord Jesus Christ, Pastor JV Foster, Pastor Sheldon Emry, and many others until I could stand on my own.

I have had the tremendous blessing of getting to know Archeologist E. Raymond Capt, Pastor George Southwick, Pastor Robert Record, Pastor Charles Jennings, Pastor Richard Kirsch, Pastor Frank Dowsett, Pastor Karl Schott, Pastor John Lovell, Pastor Delbert Clayton, Pastor Mike Vincent, Richard Hoskins, Ernestine Young, Howard Freeman, Pastor Pete Peters, Evangelist Ted Weiland, Pastor

Robert Phillips, Pastor Michael Bennett, Pastor Michael Clark, Pastor Henry Stough, Pastor Hank Roelofs, Pastor Arnold Kennedy, Pastor David McLure, Pastor Ewing, Pastor Dan Gayman, Pastor Everett Ramsey, Pastor Earl Jones, Pastor Bertrand Comparet, Pastor Howard Rand, Pastor Dan Henry, Pastor C.O. Stadskev, Pastor Don Elmore, Pastor James Jester, Pastor Richard Strawcutter, Pastor Poch, Pastor Ken Kemble, Pastor James Bruggeman, Pastor Jory Brooks, Pastor Robert Woodworth, Pastor Tom Robb, Pastor Lawrence Blanchard, Pastor Matthew Dyer, Pastor Kevyn Reed, and I know I'm forgetting many others.

People have said to me, **"Where would I be today if you, Pastor Barley, had thrown in the proverbial towel and given up?"** Yes, the Lord Jesus was with me and strengthened me when and where needed. At times I thought I might not be able, for various reasons, to continue this precious ministry good work, but with God's Amazing Grace I did. We all can and should persevere for our Blessed Redeemer and the work He has called us to do. Politics is not our goal, and while I'm at it, Fauci is a moron . . . boy it felt good to say that! OK, that being said, we have the truth, especially in the area of our Identity and God's Laws. In fact, when it comes to God's Word, we have the Bible and we have the Truth which helps bring the Bible to life, through the Lord Jesus Christ our Sustainer, as well as the Adamic Israel Divine Purposes.

Isaiah 9:6-8

6 For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.

7 Of the increase of his government and peace there shall be no end, upon the throne of David, and upon his kingdom, to order it, and to establish it with judgment and with justice from henceforth even for ever. The zeal

of the LORD of hosts will perform this.

⁸ The Lord sent a word into Jacob, and it hath lighted upon Israel.

Israel Truth We Need and it is Our Calling

We should all know that the Bible was written to and for the Adamic Israel people. If we fail to realize this, then we lose Biblical purpose and meaning. The Bible has a connection with the people scorned by the world, and they are the White, Anglo-Saxon, Scandinavian, Germanic, and kindred people, for our Christianity, Caucasian attributes, moral fiber, direction, and purpose. The Bible tells us, and I must say, we should therefore listen:

Genesis 5:1-2

¹ This is the book of the generations of Adam. In the day that God created man, in the likeness of God made he him;

² Male and female created he them; and blessed them, and called their name Adam, in the day when they were created.

All races **did not** come from Adam and Eve. Only the kindred of Adam and Eve which were White and after their offspring, the seed of Abraham, Isaac, and Jacob. The world, and this includes Judeo-Christianity, wants us to believe that all races came from Adam and Eve but this is a deception. That is a very warped form of evolution to believe that all races proceeded from the lineage of Adam and Eve. The Bible only deals with the seed or offspring of Adam kind. The Bible addresses those people to whom it is addressed, not the world, not the Chinese, not the Koreans, the various Black cultures, or Hindus or various Indians as an example. Who are these races? They are pre-Adamites.

I have before me a tremendous book called, **“Preadamites”** by Howard Winchell, written in 1901. It is about the existence

of the races before Adam. It is highly advanced and technical with some of the most detailed racial and geological intricacies I have seen presented.

On page 244, Chapter XVI Negro Inferiority, the author states:

"The theory of the Hamitic origin of Negroes, Hottentots, Australians, and Papuans implies that four races out of seven have experienced a degeneracy. This sweeping backward movement of the work of an all-wise and all-beneficent Creator is appalling to contemplate; and it is surprising that theorists have existed who could deny the inferiority of these races with the same naivete as any other indisputable fact of observation . . . That the Negro race is an inferior race I shall show by an appeal to anatomical, physiological, psychical, and historical facts. I have already pointed out the salient characteristics of the Negro race."

And he goes on to further prove those very pertinent points. The dark races have mostly joined in a pack to immigrate or infiltrate America, Canada, Europe, Australia, and other nations of one time White Adamic regathered Israel. They deeply want to come to these White Israel lands for a reason and that reason is we are the most Blessed lands on earth. God's Divine Hand has been upon us. But today, because an enemy has crept in unawares, and passed legislation on immigration allowing these foreign races (pre-Adamic) to infiltrate our White race and values, the "enemy has come in like a flood." We must again come to understand our blessed heritage and uphold Biblical Covenant.

We are living in unprecedented times in which these people are being multiculturalized to the extent that Anglo-Saxondom does not seem to recognize their race, history, culture, heritage, religion, or Redeemer, the Lord Jesus. They are targeted and many of them don't even know it or have an

inkling of an idea why. The main reason why is because Jesus said:

John 15:18-19

18 If the world hate you, ye know that it hated me before it hated you.

19 If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you.

Oh, that true White Saxon Israel understood the essence of these verses. Because the world hates the Lord Jesus, the world will also hate you, His Chosen people of the White Adamic Israel race. By the way, when they call us White Supremacists, we should not cower in shame or fear, we should stand up against their threats and name calling in that we are not White Supremacists, but we recognize that we are of a higher Divine Order and we respect that Order. Israel is the bride of Christ and chosen of all the families of the earth.

Amos 3:2

You only have I known of all the families of the earth: therefore I will punish you for all your iniquities.

Who hates the Lord Jesus Christ and His people? For the most part, those who are not of Anglo-Israel, the other races which includes Red Jewry Edom, and those influenced by this new world order. The White race has been their unwitting provider for over one hundred years, thinking these people would forgive and forget, but Israel's enemies, called the world does not forgive nor do they forget. White Adamic Israel must be more dedicated to the Bible as the true Provider and Director. Our Answer is not in forgiving and forgetting, but getting on the right Divine Track with the principles of our Divine heritage. God's Israel Covenant is in many ways the key to open Hope in these days of lockdown and twisting our true Calling and Purpose.

The more Israel involves themselves by entangling with the other races we dwindle to lower positions of subordination. The preadamites are not there to serve, be a Bible righteous people, build a better world, but rule over the White man and take away his standing.

Upon the sons of Adam, this awesome task has been bestowed by Divine Decree. But these marks of Israel are being erased to such an extent that the White race can no longer recognize their destiny. We are for the most part no longer known as a Christian people or nation because those qualities and national identifying marks are no longer present. Many things have changed to our detriment. What must we do? We must return to our origins and Divine Purpose for which we were created. That is our Biblical standing.

Romans 9:4-5

4 Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises;

5 Whose are the fathers, and of whom as concerning the flesh Christ came, who is over all, God blessed for ever. Amen.

These are the Spiritual and physical things we were created for as they do pertain to us and our Covenantal Calling. I would be remiss if I also did not point out as the Scriptures do as well, that, “concerning the flesh Christ came.” Christ came concerning the DNA of physical Israel.

The things listed above are also things concerning the flesh of Israel, the adoption, the glory, the covenants, giving of the law, service to God, the promises.” People want to spiritualize most things, but just as the Israelites are physical, so are many things of God, even the things above such as planets, stars, clouds, and heavens. The Promises of God are mostly physical with tangible blessings.

We are missing those Promises because the Israel people have become so lacking in their Biblical standing that many are attempting to transpose their once wonderful status to the dark races. Thus, goes their Biblical place and standing when Israel turns away from their blessings to worldly things. This includes their enemies, all of which cannot possess and are wholly not compatible for such. Israel's propensity to sin is not the predominate issue, it is their character, demeanor, values, disposition, mental cognizant stability, and spirit.

1 Peter 2:9

But ye are a chosen generation, a royal priesthood, an holy nation, a peculiar people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light:

It really says it all in this particular verse. We are a ***chosen generation, a royal priesthood, an holy nation, a peculiar people.*** The Adamic Israel people are such a people. The Bible does not indicate or even in context suggest any other people are part of this marvelous calling.

The fact is that the people called Gentiles are the Northern Divorced House of Israel and the Southern Non-Divorced House of Judah are called Jews. The word Gentile in the Bible **does not mean non-Israelite** as taught by most churches. No, Jews (Judah) and Gentiles (Israel) are the two Houses or sticks of Israel coming together during the time of Christ.

This is not some nebulous Gentile world people and today's so called Jews. This is talking about the true House of Judah and the lost divorced tribes of the House of Israel coming together under the bonds of a New Covenant. Two sticks coming together, or being bonded together for a glorious Divine Purpose. That Divine Purpose is a Spiritual Purpose for a Spiritual Awakening and Order that is Ordered of God towards the Kingdom of God. Time involved in this is

somewhat meaningless, in that at some point it shall fade away and a renewing with a new purpose and outlook will become our awakened outlook.

Our calling is not to be one with this world or to let this world dictate our actions or behavior. We are to be Bible oriented and White Israelites supportive in all of our dealings and considerations. This is our status, calling, and purpose. Mixing and mingling in the affairs of this world and its corrupt alluring deception with its twisted racial values or sodomite pedophilia is alarming. So Israel, God's Word says:

Isaiah 51:1-2

¹ Hearken to me, ye that follow after righteousness, ye that seek the LORD: look unto the rock whence ye are hewn, and to the hole of the pit whence ye are digged.

² Look unto Abraham your father, and unto Sarah that bare you: for I called him alone, and blessed him, and increased him.

Our people, to a degree, are forlorn, but the Remnant, who are aware of the time and molded by the Hand of God, accept this testimony with an open mind and venture to draw valuable conclusions from it. The Bible contains the early stages of the History of Our Race and Nation. The other nations of the earth cannot share in our Heritage. The Adamic family from the standpoint of history stands pre-eminent among the nations.

Edward Hine, a great Israel preacher, wrote in 1871:

"My great desire is to serve my country, giving forth such flashes of light to the people as shall convince them that they are the Heirs to the Greatest Temporal, Political, and Social Blessings our God ever vouchsafed to any one particular and distinct Nation."

Malachi 3:1

. . . The Lord, whom ye seek, shall suddenly come to his temple (His people), even the messenger of the covenant,

whom ye delight in: behold, he shall come, saith the LORD of hosts.

The Quick and Easy Christian

I have many times said that *"if I just had enough time, I, under certain conditions probably could eventually convert that Judeo-Christian over to the Anglo-Israel truth."* But the main problem is having enough time and whether or not such a person will really pay attention. Unfortunately, time is often the factor as well as their attention span, which includes a person's perception of truth.

The problem is such a person most likely will not give you the time required, maybe they might allow you five minutes, if you are fortunate, and they probably will not listen to you with an open mind and heart. We are willing to help them, but in most cases there's a Judeo-Christian wall there to block our message. Of course, the misunderstood term Jew is often placed in front of us as though we were vampires and this term would be placed in our face like some so called crucifixion cross. Let's face it, such people have many obstacles they will use if ever confronted with the truth, and stop such an event.

It will take time, much time, truth, and Holy Spirit application, we all know this. A simple word or phrase will not do, there has to be a willingness and hunger for truth by such an individual. They have to be willing to dare listen to something they have been taught is false before they can be brought into the knowledge of Truth. They can be set free, but they must be open to the Holy Spirit and the Bible Truth that has been there all along but they were blinded and could not perceive the Truth.

You see, although they fail to understand it, they have a deep-seated fear of the Truth. Truth that can and will set them, and certainly us, free from deception, false religion, government,

public-education, and the media, who the real enemy is in most cases. The Pandora's box is open and evil has permeated the world. There would be a fear of losing family, friends, status, and standing. They would find it much more advantageous to stand with the crowd than stand with the Lord Jesus and the Truth of His Word and Promises.

The answer is just keep, for the most part, doing what we have been doing, meaning, letting the Lord lead us, and use His Spirit in what we say and do. The Scripture verses on this issue come back to me:

Isaiah 55:8-9

⁸ For my thoughts are not your thoughts, neither are your ways my ways, saith the LORD.

⁹ For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Psalms 78:5-8

⁵ For he established a testimony in Jacob, and appointed a law in Israel, which he commanded our fathers, that they should make them known to their children:

⁶ That the generation to come might know them, even the children which should be born; who should arise and declare them to their children:

⁷ That they might set their hope in God, and not forget the works of God, but keep his commandments:

⁸ And might not be as their fathers, a stubborn and rebellious generation; a generation that set not their heart aright, and whose spirit was not stedfast with God.

Romans 11:31-32

³¹ Even so have these also now not believed, that through your mercy they also may obtain mercy.

³² For God hath concluded them all in unbelief, that he might have mercy upon all.

... They also may obtain mercy. Yes, we have all “Israel” have been ***“concluded ...in unbelief, that He might have***

mercy upon all.” Do you see, we also are to have “*mercy*” on our brethren, and this is why we are willing to share this blessed hope. At one time this “*mercy*” was bestowed upon us and still is, and we are expected to show forth such mercy when led to do so. Are there many out there who have been deceived and are living in ignorance through worldly dishonesty? Our ungodly prison system is full of such people, and those who were unjustly imprisoned. The Bible straight forwardly condemns such prisons and tyranny.

The point is man’s system and ways does not afford us liberty. It places man’s mind in a prison he cannot see, and that prison gets smaller and smaller the more he feasts upon man’s ways. The Bible is not about simple expansion, anyway, it is about Truth and being set free by Kingdom of God Truth.

As I said in the last Bible newsletter, “*COME, LET US REASON TOGETHER.*” In order for a person to be set free, he must “*come together*” with the Holy Spirit, allowing the Holy Spirit and the Bible sufficient time to **reason** with him. How blessed we are to have received and know the Truth, because as His Remnant, we do not look back as Lot’s wife did, but we look and move forward, for King Jesus is our Destiny and His Kingdom.

Last comment on President Trump. He was deceived and still is in many cases, no man is perfect, but he has a tenacity few possess. On many levels Trump lost the last election because America is getting its proverbial **nose** rubbed in the dirt. The American people still have not awakened to whom their enemy is, **nor** whom their true **Redeemer** is. In America’s realm, many people are starting to see the error of Harris and Biden. Taxes are climbing, gas prices are going up, gender madness, racial quotas (meaning the attack against White people is growing), our fraudulent national debt is way out of control (because money is created out of paper money,

bonds, and notes – not real work, silver, gold, food, manufacturing, and a plethora of God’s Blessing He will bestow when man’s heart is right with Him) and a host of other things including fire-arms.

So much as usual to relate to all of you, but speaking to the assembly in this way is almost like you were here. I must close this Bible newsletter for now, and I do wish for you Blessings that will come in different and special ways from on High.

Also, do pray for us, we always need your prayers, we covet them, for in prayers are our true treasury which sustains us. Do not forget, there are many enemy types among us. We need God’s sustaining Grace and Mercy. But there are Amazing Blessings with the body coming together in fellowship like the cherry on top of the cake.

A Tale of Two Cities

A tale of two cities: I have not said much regarding the poor leadership of our nation over the last year on social media. But last night I took my wife to Spokane for an anniversary dinner. When we arrived downtown, we found a ghost town. What were once bustling streets and packed businesses are now empty spaces, lifeless buildings and restaurants that couldn't seat us because they had no one to wait tables. Our favorite restaurant, that we have gone to for years was open, empty and couldn't seat us because no one was there to work (on a Tuesday night).

We decided to head back to CDA (our local abbreviation for Coeur d'Alene, ID) and every parking lot was full, every restaurant was packed. There was life and bustle. To be fair, even in CDA they were short staffed but the fighting spirit was still alive.

Two cities, **thirty miles apart** in distance but worlds apart in leadership. It is sick what we have allowed our government to do to our nation. The businesses and livelihoods that have been ruined. Life savings gone. Debt accumulated. The slothfulness instilled by incentivizing unemployment. We have inflicted perhaps a mortal wound to our country. It may take years to kill our nation but we are bleeding badly now.

I recently heard that 1/3 of all restaurants in California are closed never to reopen. When I hear that number I think of the sweat blood and tears of men and women like me **who had a dream and dictators took it from them.**

I think it is time for our blue states to revolt against their elected leadership and throw them out. Life can be so much better. It is not a matter of moving 30 miles. It is about moving bad and corrupt and spineless leaders out and strong, ethical, wise, and godly leaders in. Rant over.

Uh... Yeah, But We Are In Babylon!

By Pastor Matthew Dyer

I'm not sure about you, but I have often heard the words "Uh... Yeah, but we are in Babylon" when presenting some kind of Bible truth that requires action by Christians. This normally comes not from "Judeo-Christians" but rather from Christians who know their biblical identity as Israel. I have had it told to me in response of something as simple as eating right accordance with Bible food laws, not going into or a getting out of debt (Usury), sharing the truths of the Bible and the gospel of Jesus Christ with their brethren, and advancing the Kingdom of God in our lives now.

This phrase and attitude is truly what you would call an excuse or "cop-out" for us Israelite Christians to do nothing, except wait for Jesus. Now I am not a Preterist in believing the Bible has been completely fulfilled and Jesus Christ has already returned, and this is as good as it gets unless we can do something about it. But I do believe His Kingdom is here and now and we are commanded to be ambassadors for Christ and that Kingdom. The "perfected" Kingdom is yet to come upon His return.

Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God. 2 Corinthians 5:20

Webster 1828 Dictionary defines an "ambassador" as a minister of the highest rank employed by one prince or state (or we could say King or Kingdom), at the court of another, to manage the public concerns of his own prince or state, and representing the power and dignity of his sovereign.

This attitude of do nothing Christianity is the same attitude that "Judeo-Christians" have with their futurist end time doctrine of waiting to be raptured away to Heaven. Col. Jack Mohr said it best in his book ***To Deceive The Elect - The Rapture Fact or Fiction?*** speaking of this futurist/rapture doctrine where he said...

"There have been more "soldiers of the cross," neutralized and turned into "panty waisted, sissy-britches" religious cowards by the teaching of this heresy, than by any other weapon which the enemy has ever used against us in modern times. For instead of being on the "battle line" where they belong, most of these Christians are hiding in their comfortable, air-conditioned, "spiritual foxholes," folding their holy hands in prayer, while they ask God to handle the dirty work He gave them to do, and rescue them from the mess caused by their apathy. Jesus was talking about religious folks like this when He said in Matt. 5:13 - "Ye are the salt of the earth, but when the salt has lost its savor (the ability to act like salt and hold back corruption) ...it is good for nothing, but to be cast out and trodden under the foot of men."

Are you a salty Christian? Or are you good for nothing in His Kingdom? These are serious questions we should all ask ourselves as Christians? The phrase "Uh... Yeah, but we are in Babylon" is said in a way, that we have no choice, and that our God is powerless in helping us obey Him. Yes, it is true that the worldly system around us is Mystery Babylon, but that does not make us powerless to do His Will and be CHRISTIAN and advance His Kingdom.

Don't you think since Jesus and the apostles spent so much time preaching about the gospel of the Kingdom, that us as Christian Israelites shouldn't take it more seriously? We as Christians should make it our principal objective as ambassadors of the King of kings to please Him and advance His kingdom here with the time he has given us on the earth. We as Christians need to be pursuing His kingdom and take dominion and implementing His perfect Word – everywhere we possibly can.

The antichrist enemy is doing exactly that right now, they are advancing their kingdom, a kingdom against God. This kingdom

comes in many forms, and goes by many names. They have their own preachers, they have their own ambassadors, and they have a vision for their future that doesn't include WHITE CHRISTIANS. So we need to fight back with the tools that the Lord Jesus Christ has given us in his WORD.

Now it says in **Matthew 6:33** ***“But seek ye first the kingdom of God, and his righteousness...”***

Seeking the Kingdom of God is to be the first priority of our activities on Earth, and we can do it by obeying the King and His Word, and sharing it with others.

“Why does a Christian soldier need to put on the armor of Ephesians 6. You don't put on armor to eat, or to go to bed, or to sit in a foxhole. Armor is put on before a fight, and whether you realize it or not, Christians are in a fight to the death, against the very forces of hell.” – Col. Jack Mohr

Ten Reasons I Tithe to God, Through My Church

Pastor J. V. Foster

1. It was God's suggestion to the nation of Israel that each one give God Ten percent of all their increase. **Proverbs 3:9** *Honour the LORD with thy substance, and with the firstfruits of all thine increase:* The word "tithe" translated from the Hebrew means, "*The Lord's Portion.*"
2. Jesus Himself commanded that we should render unto God the things that are God's. **Matthew 22:21** *Render unto God the things that are God's.*
3. Abraham, the father of our faith gave tithes to Melchizedek **Hebrews 7:2** *To whom also Abraham gave a tenth part of all; first being by interpretation King of righteousness, and after that also King of Salem, which is, King of peace;* BEFORE the law of Moses. **Galatians 3:29**, we are Abraham's seed. *And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise.*
4. We need to escape condemnation of God's Word...**Malachi 3:10** *Will a man rob God? Yet ye have robbed me...in tithes and offerings.*
5. To demonstrate my love for Jesus and His ministry in the earth...**John 14:15** *If ye love me, keep my commandments.*
6. Tithing is part of my duty to God and the spreading of the Gospel...**Matthew 23:23** Jesus speaking to the Pharisees, *Ye pay tithe... this ye ought to have done, and not to leave the other undone.*
7. So that I am not cursed with a curse. **Malachi 3:9** *Ye are cursed with a curse: for ye have robbed me.* Things like loss of business, loss of job, loss of health, loss of...Read **Deuteronomy 28:1-60** for a list of all the curses for

disobedience.

8. So that I may enjoy the maximum benefits of God's blessings. **Malachi 3:10** *Bring ye all the tithes into the storehouse, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.* **Luke 6:38** *Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.*

9. So that I may be a role model and a witness of consistency, stability and faithfulness for my family, friends, and the world to see. **1 Timothy 4:12** *Be thou an example of the believer...* **Philippians 3:17** *Brethren, be followers together of me, and mark them which walk so as ye have us for an example.*

10. Because I realize that I can never pay Jesus for what He has done for me, but I can give Him His portion of those things which He gives me life to receive.

Current Data from CDC Vaccine Adverse Event Reporting System

<https://childrenshealthdefense.org/defender/covid-vaccine-injuries-vaers-cdc/>

Every Friday, VAERS makes public all vaccine injury reports received to the system as of Friday of the previous week. Today’s data show that between Dec. 14, 2020, and March 26, a total of 50,861 total adverse events were reported to VAERS, including 2,249 deaths — an increase of 199 over the previous seven days — and 7,726 serious injuries, up 631 over the same time period.

Of the 2,249 deaths reported as of March 26, 28% occurred within 48 hours of vaccination, 19% occurred within 24 hours

and 43% occurred in people who became ill within 48 hours of being vaccinated. In the U.S., 136.7 million COVID vaccine doses had been administered as of March 26.

AstraZeneca suspended in Germany and Canada

On March 31, *The Defender* reported that Germany indefinitely suspended use of the Oxford-AstraZeneca COVID vaccine for anyone under 60 following advice from STIKO, the country's independent vaccine committee and external experts.

The committee investigated reports of blood clots, some fatal, in people who received the vaccine and decided to give the vaccine only to people 60 or older unless they belong to a high-risk category where the benefits outweigh the risk of a serious side-effect.

As *The Defender* reported on March 30, several regions of Germany, including Berlin and Munich, had temporarily paused the vaccine for people under 60 after Germany's vaccine regulator disclosed 31 cases of a rare brain blood clot, nine of which resulted in deaths. The decision was made as a precaution ahead of a meeting with national medical regulators scheduled for later in the day where it was decided to indefinitely suspend the vaccine.

On March 30, Canada announced it was suspending AstraZeneca's vaccine for people under age 55 following concerns it might be linked to rare blood clots, *The Defender* reported.

Health Canada demanded AstraZeneca conduct a detailed study on the risks and benefits of its COVID vaccine across multiple age groups, and suspended the vaccine for younger groups pending the outcome of that review.

On March 24, Health Canada updated the product information for AstraZeneca's COVID vaccines to warn of the risk of rare

blood clots associated with low levels of blood platelets following vaccinations — a stark reversal from Canada's former position.

Dr. Peter McCullough Interviewed by Reiner Fuellmich, June 11, 2021

Excellent interview, required listening for all awaking from the stupor <https://www.bitchute.com/video/plmhi9Zm3X7j/>

Approx. 48 minutes ...

This is **awesome!!!** This is Dr. Peter McCullough being interviewed/deposed by Reiner Fuellmich as part of Fuellmich's lawsuit(s) against certain entities like the CDC, the WHO and numerous others in the World Court and possibly other, individual country venues.

Dr. Peter McCullough is possibly the highest-profile person in the world of medical research to have begun telling the truth about this phony pandemic and extremely dangerous bio-weapon that's being marketed and forced upon the world as a "Covid-19 vaccine."

Fuellmich: *"What is your take on this entire situation?"*

McCullough: *"I believe that we're under the application of a form of bio-terrorism that's world-wide [and] that appears to have been many years in the planning. Bioterrorism Phase 1 was rolled out [and] was really about keeping the population in fear and in isolation and preparing them to accept the vaccine, which appears to be Phase 2 of a bioterrorism operation. I think that, when doctors wake up from their trance, they're going to be shocked at what they've done to people."*

Losing the Plot on COVID

By Dan Rabil, former marine living in Switzerland

What happens when a population of introverts, hypochondriacs, and obsessive-compulsives is continuously bombarded with messages to seclude and disinfect themselves, for fear that COVID-19 prickle-balls lurk everywhere, waiting to attack? What happens is that emotionally damaged people start driving bad politics and bad policy.

"Fifteen days to flatten the curve." That phrase is surely now banned by corporate media, for it reminds us how the supposedly acute health threat of March 2020 was repeatedly re-packaged to keep populations off-balance and out of business not for 15 days, but for 15 months.

Never in modern times has a health issue been so flagrantly politicized, nor wielded as a club, as the Wuhan virus has been. Outside a few rational locales, almost every nation drank the COVID Kool-Aid, competing to see who could enforce the stupidest rules. Naturally, academia would lead the way:

Among Americans aged 15–24, a total of 587 died of COVID in 2020, according to the CDC, representing about 0.16%, or about 1 in 642, of COVID deaths. If you are young, you have essentially no chance of dying of COVID. The low youth mortality impact from COVID was known by April 2020.

Yet many universities now require these low-risk young people to inject the experimental vaccine or be banished from campus. Did you already catch the WuFlu and have antibodies? Too bad. The great pulsating brains of academia cannot differentiate.

Young people who want to serve their country are also targets: the passive-aggressive command at West Point

compels the unvaccinated to sacrifice a week's vacation to quarantine and then to wear masks in the most ridiculous circumstances imaginable — to harass them and make them look like fools. Military leaders do not care whether the experimental vaccines might do more harm than good, especially on a previously COVID-exposed youth. Take the jab and shut up, cadet; Colonel Suckup needs to PowerPoint his 100% compliance success.

Famed baseball pitcher Anthony Fauci claims that he is Science personified, yet anyone can make simple deductions that have eluded the doctor: there is effectively no difference in COVID rates between regions that went full Stalin on COVID rules and those areas that took a more holistic or decentralized approach to the virus.

Great Britain, with its multiple draconian lockdowns, has a COVID case rate of 6.76% of the population, while Sweden, which mostly left schools and businesses open and went soft-touch on mask mandates, has a case rate of 10.7%. But Sweden's death rate is 20% lower than the U.K.'s, so what was the point of Britain's lockdown hysteria?
