Pastor Dave Barley

Founder: Pastor Sheldon Emry

FROM THE PASTOR'S DESK:

Be it Known

YouTube has attacked America's Promise Ministries and taken certain video's and others down. Communism is happening now. Stay awake. I want to say also that if I am wrong. I hope that I end up with egg on my face. I hope that President Trump is reelected. I hope there is a coup. I hope our side wins, but I have to say the following.

NO MATTER WHAT PEOPLE BELIEVE, THE COMMUNIST DEMOCRATS ARE OUT TO DESTROY PRESIDENT TRUMP AND HIS LEGACY LIKE THEY TRIED TO DO WITH PRESIDENT ANDREW JACKSON. THEY ESPECIALLY HATED PRESIDENT JACKSON'S ATTACK ON THE CENTRAL BANKING SYSTEM. THIS MEANS, WE THE PEOPLE ARE BEING SCRUTINIZED BY THE BIG TECH MAFIA. THE US CAPITOL ATTACK WAS A RUSE AND THIS SET-UP EVENT WAS STAGED BY ENEMY POLITICIANS FROM BOTH DEMOCRATS AND REPUBLICANS AND THEIR MULTITUDINOUS CRIME SYNDICATE AGENTS!

I do want to add that we must hold to the Kingdom Truth no matter what transpires. I think back on Pastor Sheldon Emry, Pastor Robert Record, Pastor Karl Schott, Archeologist E. Raymond Capt, Pastor Ewing, Pastor Bertrand Comparet, Pastor Pete Peters, Pastor Earl Jones, Colonel Jack Mohr, Pastor Howard Rand, Pastor George Southwick, and so many others I have failed to mention. They were all found faithful.

They were all dedicated to exposing deception and letting the TRUTH be told. Let us also be found faithful and true to God's Word and Promise in this present time of Jacob's Trouble. This too shall pass and should not deter any of us from being faithful followers of the principles of our Lord Jesus Christ.

Nahum 1:2-7

² God is jealous, and the LORD revengeth; the LORD revengeth, and is furious; the LORD will take vengeance on his adversaries, and he reserveth wrath for his enemies.

³ The LORD is slow to anger, and great in power, and will not at all acquit the wicked: the LORD hath his way in the whirlwind and in the storm, and the clouds are the dust of his feet.

⁴ He rebuketh the sea, and maketh it dry, and drieth up all the rivers: Bashan languisheth, and Carmel, and the flower of Lebanon languisheth.

⁵ The mountains quake at him, and the hills melt, and the earth is burned at his presence, yea, the world, and all that dwell therein.

⁶ Who can stand before his indignation? and who can abide in the fierceness of his anger? his fury is poured out like fire, and the rocks are thrown down by him.

⁷ The LORD is good, a strong hold in the day of trouble; and he knoweth them that trust in him.

The late President Ronald Reagan is said to have destroyed communism, but this is a misnomer. Communism is alive and well, especially here in the once great United States of America. Communism, almost everywhere we turn, is enjoying hands off to their utter joy. Nancy Pelosi, for one, has created and instigated more lawlessness and mayhem during the many years of her reign than we could have imagined. She is once again calling for the impeachment of President Trump even though he has only a few days left in his presidency. Everything the Democrats are doing; they are accusing President Trump of doing. It's the pot calling the

kettle black. We are witnessing the greatest take over in the world; the conquering of America. In the last fifty years, this communist take-over has never gone away.

President Trump was taken to the cleaners, and the truth is, he does not fully understand why. The Washington DC Presidential gathering occurred, and the BIG SCAM happened! The good part is that many Rhinos and others have been exposed. Let's face it, this is just water under the bridge, and I would say, it's just a trickle. All types and kinds of things have happened, and yet, NO POLITICIAN HAS BEEN SENT TO PRISON, TRIED FOR TREASON, AND THEIR SCHEMES HAVE REALLY NOT CHANGED! At least so far.

Republicans and Democrats both stink. I can smell them. Senate Majority Mitch McConnell, Senator Lindsey (McCain) Graham, Senator Ted Cruz (in a speech the other day in Houston Texas basically said, he stands against President Trump, because he believes Trump was behind this attack on the Federal Congressional building. In fact I could add most Senators to this list. We should already know about all the Congressional Democrat traitors like Pelosi and Schumer, again, that list includes all of them and their traitorous, treasonous methods. This Georgia election (like our national election) was fraudulent. This election blatantly had its purposeful stall in the vote perpetrating more voting fraud. That Georgia woman running for Senate (Loeffler) stated that she felt the Georgia vote was on the up and up and she would comply. She's showing her true colors, which is blue, or maybe Edomite Red fits her style? Do you think I'm too harsh and unfair? Gee, I wonder if Jeff Sessions or the latest William Barr was like this?

The Democrats called (with their lying eyes) for unity when they offer NO unity to President Trump or his followers. They have attempted in every possible way to destroy President

Trump or impeach him or entrap this man.

On the outset, let me remind each of you that none of the present and future events would be possible without this created demon, the Covid-Virus. Practically all our calamities have been assured through the various manipulations of this said Pandemic, which includes the masks, behavioral politics, voting scam, election of Biden, and so forth.

People are being led around by paid, controlled, global communist instigators. This Trump rally on the sixth of January in Washington DC was a predictable mess for our enemies both foreign and domestic to use for their advantage. President Trump and his supporters were used as the scapegoat and setup to place President Harris and Biden into office. Our nation under Communist Harris and Biden (I did get that right) will “change America” fundamentally. We better all prepare the best way we can for this most troubling event. Christians are never promised to be immune from trouble. God walks with us through our trials and it is how we go through such trials. But I’ll be very truthful with you friends, it looks like the fix is in.

We all know that the US Capitol fiasco most assuredly was staged and some of the Trump supporters could even have been used as pawns to be blamed. But, let’s not be fools, ANTIFA was in on this and others like a man from Arkansas who was filmed on camera in Pelosi’s chair clowning around.

President’s Trumps various enemies and counsellors were probably in on this from the very beginning just waiting for this trap to be set. Then they would all pounce on him the minute this trap was activated. They are as like lapping dogs, begging for whatever “crumbs” they can get. After all, they ALL want to be part of those taking and exerting more power over the people in their many regulations, taxes, wars, programs, schemes, and shady deals.

Unless God delivers His people through some miracle, we are in for, shall I say, a hellacious time. We should, on certain levels be battering down the hatches, storing, and planning for various outcomes. No matter what may transpire, if you think America, Canada, Europe, England, South Africa, Australia, and other end-time nations of regathered Anglo-Israel have repented (and yes, they have to a degree), then you need to rethink this idea. Abortion, Sodomy, Race-mixing, Immigration, federal reserve bank, Sex-trafficking, Political corruption, Voting Scam, Treason, Biblical lawlessness, on-going antichrist Jewish favoritism and support, and let list goes on.

By the way, Vice President Pence, some believed he would stand courageous to the end and do the right thing with this Electoral College vote, and yet, he wimped out. As most of us know, President Trump has stated "**...there will be an orderly transition on 20th of January 2021.**" He has said though, that he will not be attending the inauguration ceremony. Let's face it folks, he could have been more bold in fighting BLM and ANTIFA. They did far more damage than the so-called Trump people. In fact Antifa types have already been exposed in the US Capital raid—but come on everyone, we certainly see through this scam!

One last quick thing, but very serious matter. Chinese have been spotted in Oklahoma buying up land and offering more than twice the value for it. But wait, even in the Bahamas it has been reported this same thing is going on very aggressively. China is moving forward with their take over plans. Folks, be wise as serpents, but harmless as doves in how you chose to respond to this. And let me know if you hear any more about this.

As I have said, we really do not fully know what will be happening over the next several months or years; as they say,

God only knows such things. But our security and hope lies in staying close to the Lord Jesus and trust Him implicitly!

Psalms 97:10

Ye that love the LORD, hate evil: he preserveth the souls of his saints; he delivereth them out of the hand of the wicked.

It's still true.

More and more people finally are coming to the conclusion that they do love the LORD/YHWH, and they now HATE evil. Well, it is about time because the Bible tells us to do this, hate evil. We are not to compromise with evil, but denounce it and take a strong stand against it. Playing games with evil, saying, well, there is both good and evil in this world so God must have created both for us to mix and dabble in them is unbiblical. Some people will say, after all, if we want to be fair, we will blend and mix them as certain people are now doing in mixing words, genders, races, and worse, including politics Republican and Democrats.

Evil is not there for us to get mixed up in, but for us to conquer, overcome it, and expose it. Yes, learn what evil is, learn to expose, and stand against it. If you embrace it, it will undermine your authority, it will destroy relationships and only cause more evil.

This present world is all about mixing and amalgamating unnatural things and people. They love to take things which our Creator, the Lord Jesus has organically Created and corrupt it by mixing and twisting it into something unnatural. We know that Nancy Pelosi (one of the wicked witches out of California), and others have changed "AMEN" to "AWOMEN" and other words to fit their gender equality agenda. Don't any of you in any way shape or form participate in such evil prone machinations. Yes, I know there are some which say "AMEN" is a corruption out of Egypt and we should never say "AMEN,"

because it is worshipping a false Egyptian god called by that name. Well this is just another spiritual distraction because it is certainly not worshipping another god. Amen is from the Hebrew and means certainty, truth, verily.

It's like (let's say "Hillary") calling another woman whose name is the same as Hillary, that it means something evil. If a minister says "AMEN", he is basically, in his mind and understanding saying, this is TRUTH, or "come into agreement." A person can corrupt many things in their mind, but this does not necessarily make it so. There are many absolutisms of evil that we should attack rather than creating more things to fight over.

Today, we are seeing multiple forms of corruption and evil perpetrated by governors, mayors, and a vast array of politicians. God's Israel people need to heed the Biblical Way, Truth, and Life as King Jesus stated. People are being used by this so-called pandemic, evil bankers, lying media, propaganda vaccination reports, distorted polls, manipulated numbers forecast, fake voting algorithms and systems, etc. There are many ways in which people can be manipulated and lied to. Don't let them alter what YHWH has organically made you. We are not to be all things to all people. We are to be what God has ordained us to be, empowered by the Light, Spirit, and Law of His Bible Word.

I will say this again and again, we are hated because we are Anglo-Israel and we are White Adamites. Therefore, we are called Deplorables, White supremacists, and various other terms against Caucasian people, the most productive and blessed people on planet earth. Why? Because we are the Bible people, a Christian people, God's Israel people.

I have heard a number of preachers (I don't believe any of ours) recently and over the last few months declare that President Donald Trump will emphatically be reelected. That

there have been arrests taking place of many political individuals. We know that Supreme Court John Roberts and others are in the Epstein camp, including US Attorney General Bill Barr.

Our FBI, CIA, plus other alphabet agencies are in on the taking and more corrupt than people would believe including murder and treason. By the way, many including Attorney Sydney Powell, tell us that Epstein is still alive which would not surprise me. We do know most of these types of events have happened and there will be more such disclosures.

Let's not forget that Mitch McConnell is married to a Chinese woman, so, how hard would it be to get to him? There will be more deception to make everyone think things will be somewhat peaceful. But when they say, ***“Peace and safety; then sudden destruction cometh upon them.”***

1 Thessalonians 5:3

Our nation's capital is inundated with various forms of enemies, most of them being Edomites. Evil and corruption will most assuredly continue even if President Donald Trump is somehow reelected for another term because Washington DC is a very deep cesspool.

Here's some good advice we were given by James Madison, the Father of the Constitution, stated:

“We have staked the whole future of American civilization, not upon the power of government, far from it. We have staked the future of all of our political institutions upon the capacity of mankind for self-government; upon the capacity of each and all of us to govern ourselves, to control ourselves, to sustain ourselves according to the Ten Commandments of God.”

John Adams wrote, and please take notice of his ending:

“We have no government armed with power capable of contending with human passions unbridled by morality and religion. Avarice, ambition, revenge, or gallantry would break the strongest cords of our Constitution as a whale goes through a net. Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”

Just a few added thoughts:

Dinar (for the few) ridiculousness has been going on—they say, any day now (practically for well over 20 years) this craved revaluation of the Iraqi money will be worth amazing amounts of US dollars. How long will some people endure such fraud? Apparently for many decades. Well I say to such people, Biblical values far exceeds such triviality. Our money will not save us folks, nor gold, silver, or bitcoin. Our true Deliverer is the Lord Jesus. He will bring the enemy against us by putting a hook in their jaw, and for sure they will feel empowered, but in the end YHWH is our Saviour and Deliverer. He will make the darkness, LIGHT.

Which brings me to my last point for this opening article.— How long will some people including some ministers continue believing in UFO aliens, unsubstantiated arrests (we want real arrests), and certain misleading reports? To some I say, prove it, or, well, let me say kindly don't offer up such unsubstantiated opinions.

Yes, we all from time to time make mistakes even making claims we cannot necessarily verify, but let's make every effort not to formulate such claims. Let's not sound like we are reading directly from the ***National Enquirer Magazine***. Let us seek and teach Truth from the Bible. Mostly let us stay in Truth and not in unsubstantiated misguided and misleading falsities. Let us at least declare any unsubstantiated reports, that they

are so far unsubstantiated or unverified as of yet. Be declarers of the Truth. I know this may seem rather harsh, but in love, let us stay on the right Biblical track.

We have plenty of real enemies about us today, we don't need ever to create unjustified enemies, or give them room to criticize us with. Remember, we represent the Lord Jesus, let us try to remain clean and present ONLY what we can prove to be true. I myself have failed and made plenty of mistakes in these and other areas, from time to time we need to have a good house cleaning.

There are some reports coming out that the drug ivermectin is curing covid. Ivermectin is a product given to horses to kill worms and is available from feed stores. Here is a report of 6,000 people cured with it.

<https://dominantoday.com/dr/covid-19/2020/09/29/doctors-cure-6000-patients-with-covid-19-with-ivermectin/>

At least 6,000 Covid-19 positive patients have been treated with excellent results using the drug ivermectin, by doctors belonging to the Rescue group, with health facilities located in Puerto Plata, La Romana, and Punta Cana.

The antiparasitic and antiviral drug, known in the market for 50 years, has been used by doctors in the country since the beginning of the epidemic to treat patients with the SARS-CoV-2 virus that causes the Covid-19 disease; when the first cases began to appear and in the absence of a specific treatment.

Isn't it crazy that the CDC is being honest that the recently released vaccine won't stop you from getting covid, you will need more than one dose, and you will still have to mask and social distance and people are still lining up to get it?

Lesson from Obadiah

Believe it or not, the **Book of Obadiah** holds much truth for our day and time. It is a vision of the evil being perpetrated by Red Edom and their evil is still being carried out today in massive ways. They very much have Jacob's descendants, the Anglo-Israel People as their target.

Obadiah

¹ The vision of Obadiah. Thus saith the Lord GOD concerning Edom; We have heard a rumour from the LORD, and an ambassador is sent among the heathen, Arise ye, and let us rise up against her in battle.

“Let us rise up against (Red Jewry Edom) in battle?” Battle can take many forms and fighting spiritually is one of them. It is not all of Israel that is needed, but His remnant are Spiritually called to prayer and intercede for the nation of Israel and this means calling upon God Almighty, for indeed it is His battle.

² Behold, I have made thee small among the heathen: thou art greatly despised.

Has not the Lord Jesus caused Anglo-Israel through America's corrupt immigration and traitorous border policies to grow smaller and smaller? Let's face the truth, our nation has grown darker and darker with all the various alien hoard entering this nation. I was getting treated by a white woman in her seventies the other day, and to my utter amazement she said, **“I think it's terrible how white people have mistreated the blacks, slavery and such...the bill of rights, the constitution are responsible for much of the white supremacy going on these days.”**

I almost fell out of my chair with shock at how stupid people can be. She proceeded to talk about her Berkley education in San Francisco and how wonderful her education and background is, including how much she has learned over the

years. I tried to keep somewhat quiet, because I knew the fallacy of her statement, but I realized too much truth would greatly upset her mental stability, however, I did say, **"Don't you realize that many of these fires, break ins, rioting, mayhem, looting was perpetrated by black-lives-matter, and liberals?"** I did go on for a bit more, but knew I had to spoon feed her because of her liberal education. The point here is, we surely do have a tremendous amount of deceived people in this nation who don't know their head from a whole in the ground. Oh, and I should mention, she claimed to be a Christian and that Jesus treated all people the same, that He would be all for a one-world government. Due to her deceptive teachers, she believed that Jesus would be a Globalist.

Well Christian brethren, those of us who have studied the bad fruit of Red Edom know well the stronghold they have upon this nation and the corruption they have unleashed. They have taken the Bible and twisted its righteous standards to the point that most Christians believe many falsities, believing they are in keeping with the Word of God. Such deception alters the thinking and outlook of most Christians to the point that they become one with their Edomite perspective.

People have to come out of their Edomite delusion. We can have an impact, but ultimately it is God Almighty who must and will bring this to fruition.

3 The pride of thine heart (RED EDOM) hath deceived thee, thou that dwellest in the clefts of the rock, whose habitation is high; that saith in his heart, Who shall bring me down to the ground?

4 Though thou exalt thyself as the eagle, and though thou set thy nest among the stars, thence will I bring thee down, saith the LORD.

Archeologist E. Raymond Capt and others have written about Petra, the location at one-time of the Red Edomites in their cliffs, tunnels, and rocks. Red Edom in many ways are living

in New York City skyscrapers and high buildings including Chicago, Atlanta, Dallas, Seattle, Los Angeles, and such. They still arrogantly ask **"Who shall bring me down to the ground?"** They still plot against Christianity, the purposes of God, and His Covenant people. Be assured King Jesus shall bring them down.

5 If thieves came to thee, if robbers by night, (how art thou cut off!) would they not have stolen till they had enough? if the grapegatherers came to thee, would they not leave some grapes?

6 How are the things of Esau searched out! how are his hidden things sought up!

Edom had so much stolen wealth, false money, stocks, and such "...how are thou cut off!" There would be such stolen goods through taxes, wars, international treaties, corporations and such these other thieves would not be able to exhaust such wealth. Can you imagine such wealth? Yes, how can the things of Edom be searched out?

7 All the men of thy confederacy have brought thee even to the border: the men that were at peace with thee have deceived thee, and prevailed against thee; they that eat thy bread have laid a wound under thee: there is none understanding in him.

All the men of your crime syndicate (confederacy) have gone to the ends of the world with your schemes. Your fellow criminals, Rhinos, Democrats, communist, Zionist, and such seemingly were on the peoples' side.

We are now being told that Wikileaks recently released all their files, somewhat shocking, which included Hillary's emails, the Las Vegas shooting was done by an FBI sniper, Podesta was a pedophile, WHO pandemic involvement, and many, many other things. But regarding these plotters, your fateful end is coming. because ***"...the men that were at peace with thee have deceived thee, and prevailed***

against thee.”

8 Shall I not in that day, saith the LORD, even destroy the wise men out of Edom, and understanding out of the mount of Esau?

9 And thy mighty men, O Teman, shall be dismayed, to the end that every one of the mount of Esau may be cut off by slaughter.

The gravy train shall stop. God will put a stop their schemes and evil purposes. They shall be **“destroyed,”** in addition, their so-called mighty men attached with all the corruption of their Zionistic ways shall be **“dismayed,”** meaning destroyed most likely. These Red Edomites want it to continue. They love the corruption. They want the corrupt money, power, and theft to keep flowing to their pockets. Red Babylon will come under judgment and their towers of power shall all fall. The Red system in all of its corruption shall be destroyed.

10 For thy violence against thy brother Jacob shame shall cover thee, and thou shalt be cut off for ever.

11 In the day that thou stoodest on the other side, in the day that the strangers carried away captive his forces, and foreigners entered into his gates, and cast lots upon Jerusalem, even thou wast as one of them.

12 But thou shouldest not have looked on the day of thy brother (Jacob) in the day that he became a stranger; neither shouldest thou have rejoiced over the children of Judah in the day of their destruction; neither shouldest thou have spoken proudly in the day of distress.

Red Edom is still doing this today. They are speaking proudly or arrogantly against Jacob/Israel and Edom is behind much of their distress. They have unleashed an overabundance of plots against Christianity. Meaning these enemy agents are in control of most of our hospitals, pharmacy, industry, communication devices, media, money system, military systems, sports, churches and their doctrines, school

systems, and much more. They do not realize that in the end God's remnant will turn to His Word, and that they are, in fact, driving God's people to the very answer to their problems.

13 Thou shouldest not have entered into the gate of my people in the day of their calamity; yea, thou shouldest not have looked on their affliction in the day of their calamity, nor have laid hands on their substance in the day of their calamity;

14 Neither shouldest thou have stood in the crossway, to cut off those of his that did escape; neither shouldest thou have delivered up those of his that did remain in the day of distress.

The Anglo-Israel people are certainly in distress today in many ways and their turmoil is still mounting. An enemy is most surely behind this and using Israel's crisis against them and they are not providing answers and solution – why? Because they want to keep Israel in captivity. Do not expect any relief from the Edomite or any other enemy of Israel, for their purpose is to deceive and destroy. Their purpose is evil. But the Lord Jesus our Christ is our King and Deliverer.

15 For the day of the LORD is near upon all the heathen: as thou hast done, it shall be done unto thee (RED EDOM): thy reward shall return upon thine own head.

16 For as ye have drunk upon my holy mountain (THE NEW JERUSALEM), so shall all the heathen drink continually, yea, they shall drink, and they shall swallow down, and they shall be as though they had not been.

In a sense, they are drinking to their own demise. This drink represents their toil and folly, their partaking of the many things of Red Babylon its false (30 Trillion) debt, pharmakeia, drugs, voting fraud, stocks, bonds, bribes, ill begotten favors, treason, and such. In addition, we know quite well, there are many plots against Christianity and God's called out and

chosen people.

17 But upon mount Zion shall be deliverance, and there shall be holiness; and the house of Jacob shall possess their possessions.

In the Kingdom, among Zion, the blessing of Righteousness upon Israel will also be deliverance. Because they have God's Word on this. His truth is His Holiness, and His Promise, His Covenant will be upon His heritage people.

Also, Israel, as an example, when they were delivered from their Egyptian captors were given gold, silver, and other forms of wealth, these were made possible by Divine blessings. But from my understanding, this shall not happen upon Israel departing from the ways of Red Edom. We shall be delivered in such a way that the stench of Red Edom (meaning the riches of Red Edom) will no longer be desired. Israel will have a blessed taste for the wonderful things of God.

18 And the house of Jacob shall be a fire, and the house of Joseph a flame, and the house of Esau for stubble, and they shall kindle in them, and devour them; and there shall not be any remaining of the house of Esau; for the LORD hath spoken it.

Isn't it interesting how the names of Jacob (Israel) and Joseph (Ephraim and Manasseh) are used. I believe this is telling us that all the tribes of Israel and Judah will be used in the burning of Red Edom. Edom will become a stubble. Some people say this has already happened to the Edomites, that God's not going burn them again.

First of all, when in the past was Edom burned? Some say it was when Titus and his Roman army invaded Jerusalem in 70 AD. This may be seen as a minor fulfillment, but, clearly, Red Edom is still alive today and carrying out their many forms of treachery and mayhem. The total destruction of Edom did not happen in 70 AD, so it still is a future event.

The Edomites were not all located in the Old Jerusalem. They were also in Rome, the Vatican, England, Greece, France, Spain, Egypt, Iran, Bagdad, Russia, Germany, and such. Remember, there were Khazars, and many of them converted to Judaism. Edom is still among us and their day of judgment shall come. Even if they have gone through a time of judgment in the past, does not excuse them from a future time of judgment.

19 And they of the south shall possess the mount of Esau; and they of the plain the Philistines: and they shall possess the fields of Ephraim, and the fields of Samaria: and Benjamin shall possess Gilead.

20 And the captivity of this host of the children of Israel shall possess that of the Canaanites, even unto Zarephath; and the captivity of Jerusalem, which is in Sepharad, shall possess the cities of the south.

21 And saviours shall come up on mount Zion to judge the mount of Esau; and the kingdom shall be the LORD's.

These **“saviours”** are, in a sense, Biblical freemen. They hate the corrupt ways of Red Edom. **“Saviours”** mean:

OT:3467

“to be open, wide or free, i.e. (by implication) to be safe; causatively, to free or succor:”

“KJV - at all, avenging, defend, deliver (-er), help, preserve, rescue, be safe, bring (having) salvation, save (-iour), get victory.”

Red Edom has implicitly been attacking Anglo-Israel. She has not stopped unleashing sin and wickedness toward Israel. Therefore, God's people should be steadfast against her real enemies, which obviously include their many forms of evil.

From time to time, we hear things of forgiveness, even how

someone has been greatly wronged, hurt, even perhaps death. But we are told to forgive as Jesus forgave. After all they will say, any good Christian would forgive because Jesus said *forgive seventy times seven*. As always we need to look at these verses in the context that they are given.

Matthew 18:21-22

21 Then came Peter to him, and said, Lord, how oft shall my brother sin against me, and I forgive him? till seven times?

22 Jesus saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.

This commandment is not about every Tom, Dick, and Harry. It is about how we are to treat our brother! We know these verse in **Obadiah** are God's Words, but do they only have one interpretation? This burning of Red Edom includes their Talmudic Babylonian writings, their Talmudic ways, Talmudic plots against Christianity, and blatant forms of cursing. Does God forgive and pass over evil and injustice? Does He ever allow hurricanes, tornadoes, fires, water shortages, earthquakes, storms, floods, and such, or is everything peaceful and tranquil?

Is not God Almighty also in charge of evil or do some of you merely believe God is only one-half of the equation, the Judeo concept of this devil being the other half of the equation? Then you believe in other gods and dualism and do not question what the *“devil”* means or how this *“devil”* is applied in the Scriptures.

Isaiah 42:24

Who gave Jacob for a spoil, and Israel to the robbers? did not the LORD, he against whom we have sinned? for they would not walk in his ways, neither were they obedient unto his law.

Isaiah 45:5-7

5 I am the LORD, and there is none else, there is no God

beside me: I girded thee, though thou hast not known me:

⁶ That they may know from the rising of the sun, and from the west, that there is none beside me. I am the LORD, and there is none else.

⁷ I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things.

It is important to note that Lucifer is **NOT** another name for Satan. Lucifer is the name of the King of Babylon, and he is just a man. The name Lucifer only appears in **Isaiah 14**. Let's see what the Word actually says, not what men teach falsely.

Isaiah 14:4-6

*⁴ That thou shalt take up this proverb **against the king of Babylon**, and say, How hath the oppressor ceased! the golden city ceased!*

⁵ The LORD hath broken the staff of the wicked, and the sceptre of the rulers.

⁶ He who smote the people in wrath with a continual stroke, he that ruled the nations in anger, is persecuted, and none hindereth.

Isaiah 14:10-16

*¹⁰ All they shall speak and say unto thee, **Art thou also become weak as we?** (DOES THIS SOUND LIKE A MAN TO YOU?—IT SURE DOES TO ME) **art thou become like unto us?***

*¹¹ **Thy pomp is brought down to the grave**, (YOU'RE GOING TO DIE SOME DAY—YOUR DAYS OF RULING BABYLON ARE COMING TO AN END) **and the noise of thy viols: the worm is spread under thee, and the worms cover thee.***

*¹² **How art thou fallen from heaven** (ruling), **O Lucifer**, (THIS IS THE NAME OF THE KING OF BABYLON) **son of the morning! how art thou cut down to the ground, which didst weaken the nations!** (YOUR BABYLONIAN KINGDOM IS GOING TO FALL, AND WHEN IT FALLS,*

THIS WILL WEAKEN THE NATIONS. JUST LIKE WHAT WOULD HAPPEN TO THE NATIONS IF AMERICA FELL).

13 For thou hast said in thine heart, I will ascend into heaven (THIS KING OF BABYLON, HIS DESIRE WAS TO ASCEND TO THE HEAVENS TO BE THOUGHT OF AS A god AND RULE LIKE GOD), ***I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:*** (PLEASE NOTICE FROM THE NORTH.)

14 I will ascend above the heights of the clouds; I will be like the most High. (OR THOUGHT OF AS A god)

15 Yet thou shalt be brought down to hell, to the sides of the pit. (IN OTHER WORDS, YOU'RE GOING TO DIE, THE WORD HELL MEANS GRAVE.)

16 They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms; (PLEASE NOTICE, IT CLEARLY REFERS TO THE KING OF BABYLON AS A MAN).

Did the “***devil***” make you do evil or do you have a carnal mind that must be brought unto the Will of the Holy Spirit? Might the “***devil***” be our carnal ways and thinking which must be conformed to the Will of God? Are not our carnal minds, enmity or adverse to God’s Will? Do not our minds need to be renewed?

Romans 8:7

Because the carnal mind is enmity against God: for it is not subject to the law of God, neither indeed can be.

Romans 12:2

And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.

The Bible declared this – our renewal depends upon how we interpret this truth.

Comprehensive analysis of 50 States Shows Greater Spread with Mask Mandates

by Daniel Horowitz December 21, 2020

ronpaulinstitute.org/archives/featured-articles/2020/december/21/comprehensive-analysis-of-50-states-shows-greater-spread-with-mask-mandates/

For months, we've been lectured to by the political elites that cases of coronavirus are spreading too quickly and that we must wear masks to stop the spread. The obvious fault with their act of desperation is that they can no longer mask the fact that most parts of the country have already been fully masked for months, long before the ubiquitous spread this fall.

Researchers at RationalGround.com, a clearinghouse of COVID-19 data trends run by a grassroots group of data analysts, computer scientists, and actuaries, did an analysis of all 50 states divided by those that had mask mandates and those that did not. Justin Hart, co-founder of the website, posted the results in a Twitter thread and shared with me the data analysis:

Do mask mandates work?

They studied the number of cases over a 229-day period from May 1 through Dec. 15 and divided the results of the two study groups by days with mask mandates and days without mask mandates. The non-mandate data group includes both states that never had a mandate and those that did at some

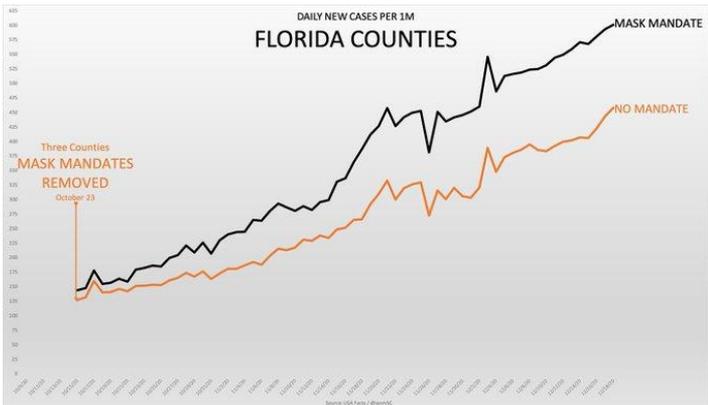

point, but data set included only the days they did not have a mask mandate.

The results: When comparing states with mandates vs. those without, or periods of times within a state with a mandate vs. without, there is absolutely no evidence the mask mandate worked to slow the spread one iota. In total, in the states that had a mandate in effect, there were 9,605,256 confirmed COVID cases over 5,907 total days, an average of 27 cases per 100,000 per day. When states did not have a statewide order (which includes the states that never had them and the period of time masking states did not have the mandate in place) there were 5,781,716 cases over 5,772 total days, averaging 17 cases per 100,000 people per day.

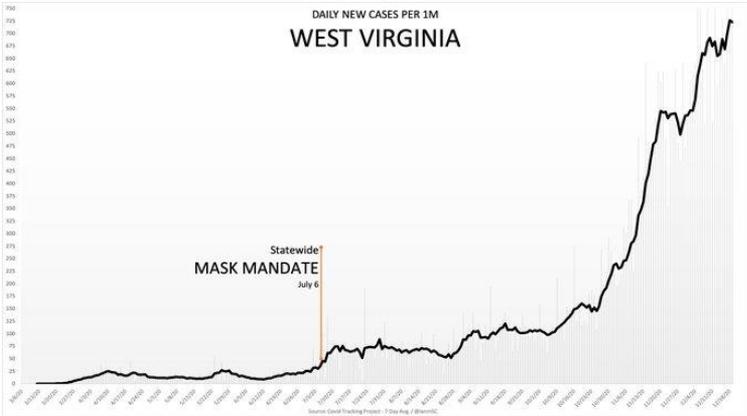

The reverse correlation between periods of masking and non-masking is remarkable.

The 15 states that did not have a statewide mask mandate for the duration of this analysis were Alaska, Arizona, Florida, Georgia, Idaho, Iowa, Missouri, North Dakota, Nebraska, New Hampshire, Oklahoma, South Carolina, South Dakota, Tennessee, and Wyoming.

Importantly, for purposes of this study, the analysts gave the

mask mandate states a 14-day grace period from the time of implementation in order to begin counting cases against mask efficacy. This gives time for the existing spread from the original policy to become obsolete, in order to more accurately assess the efficacy of the mandate. Proponents of the mask mandate might suggest that mask mandates were often imposed once cases already spread quickly, so there is a negative bias of increased cases in those areas (or times) that had mandates in place. However, there was no evidence of any reduction in cases or even better outcomes many weeks later. In fact, Ian Miller, one of the researchers at RationalGround.com, found that three counties in Florida (Manatee, Martin, and Nassau) that allowed the mandate to expire after having implemented it had fewer cases per capita than those counties that kept the mandate.

Nor has the

mandate worked in states where it was implemented long before the surge in cases began. California is the ultimate example of a state that had a mask mandate in place forever — long before its turn for spread hit in earnest.

The simple reality is that there is no legitimate data showing the mandates worked.

My first question when reading this analysis was that perhaps

there is a bias in case counts against those areas with mask mandates because, by definition, most areas without them are more conservative and tend to have lower population density. After all, dense areas seem to be associated with more spread, and therefore, those areas must be judged by a different standard.

First, it's important to recognize that over the past few months, as the virus has spread rapidly to the low-population states and counties, the gap between the urban and rural areas has really closed as the virus appears to be giving everyone equal treatment. Also, included in the top-line number of 17 cases per 100,000 in the non-mask states are also the larger states that did eventually adopt a mandate, but had prior days without the mandate in which the cases were counted among the non-mandate data set. Thus, the study is more apples-to-apples than simply taking places that never had a mandate vs. those that always did over the entire study period.

More fundamentally, this study analyzed Florida by county data and shows no correlation between mask mandates and fewer cases, even adjusting for population density. Gov. Ron DeSantis has notoriously declined to issue a statewide mandate in the Sunshine State; however, of the 67 total counties in Florida, 22 have implemented an executive mask order at some point during the study period. Two of them (Miami-Dade and Osceola) were in effect for the entire period, while the other 20 began in the spring, summer, or fall.

What are the results?

When counties did have a mandate in effect, there were 667,239 cases over 3,137 days with an average of **23 cases per 100,000 per day**. When counties did not have a countywide order, there were 438,687 cases over 12,139 days with an average of **22 cases per 100,000 per day**.

What Iran Taught Me About Stolen Elections

By Marziyeh Amirizadeh Friday, January 8, 2021

This is a powerful article written an Iranian who writes from firsthand experience living in Tehran during the 2009 bloody presidential election protests in which many Iranians were killed and imprisoned.

<https://thecrossinthedesert.blogspot.com/2021/01/what-iran-taught-me-about-stolen.html?m=1>

Millions of Americans went to the streets on January 6th because they believed that their votes were stolen. They came to stand with President Donald Trump who was fighting for them to show their unity and objections to the Fraud and corruption. It is so sad and heartbreaking to see how some innocent and brave Americans lost their lives during the peaceful protest in DC. It is so disappointing to see how the peaceful protest turned violent through a predetermined conspiracy. Unfortunately, most of the Republican leaders (RINOS) who were chosen by We the People, in order to be our voice, not only stabbed the President in the back, but also betrayed the people who are paying them to work for them and to be their voice. They also ignored the voice and the blood of those innocent Americans who were demanding the integrity of the election, for the sake of their own benefits. In addition, some religious leaders who were strongly showing that they stand for Christian values changed their words and now decided to stand and support those who are destroying God's values with their corrupt policies.

These leaders shamelessly call their betrayal '**unity and democracy**' while ignoring the opinion of millions of Americans.

The peaceful protest in DC on Wednesday reminded me of the Iranian Green movement that arose after the 2009 presidential election in which the protesters demanded the removal of Mahmoud Ahmadinejad who took office by cheating. Thousands of peaceful protesters came to the

streets to show their objections to the fraud and cheating in the election. The Government shot many people in the streets, tortured, and killed hundreds more in prisons. I was in Evin prison at that time, fighting for my Christian faith and values. I witnessed how many people were imprisoned and tortured for protesting the election fraud.

When the Iranian government turned the peaceful protest violent and started killing protestors, the Iranian people asked for help from the United States. They were chanting “**Obama are you with us or with them?**” ‘Obama’ in Farsi means, He is with us; O (he) ba (with) ma (us).

Despite people’s hope and expectations, Obama stood with the criminal regime in Iran. He not only failed to help the Iranian people who were fighting for their freedom, but he later made the worst deal in history with Iran (JCPOA), shook the bloody hands of Mullahs, and transferred thousands of dollars into the pockets of the criminal Mullahs which was used to expand terrorism in the Middle East. Iranian people will never forget such betrayal by Obama. He is the most hated president among a majority of Iranians for his foreign policies toward Iran and for his support of the criminal Islamic republic regime in Iran.

Dictatorships like the Islamic republic regime in Iran never care about people’s voice or their choice; they make decisions for their people and suppress any objections. Dictators like the monstrous leadership in Iran always resort to force or fraud to gain political power and maintain it through the use of intimidation, terror, and suppression of basic civil liberties. They also employ the technique of mass propaganda through their fake news in order to sustain public support.

Ignoring the voice of millions of Americans who showed their objections to cheating, fraud, and corruption is truly an act of a dictatorship. Closing their eyes to the blood of those

innocent heroes who were murdered, with their voices never having been heard is the same thing that happening in dictatorships such as Iran. Democrats and the RINOS did not bring unity, but caused more division, disappointment, and caused people to lose trust in each of those who betrayed them. People will never forget.

True democracy is when the leaders hear the voice of millions of people, try to bring clarification, and prove the integrity of the election to those who believe that their vote was stolen. Bringing Joe Biden to the office without considering the voice of millions of people and resolving the issue of fraud is a true dictatorship system not a democracy. Millions of Americans will never trust their leaders anymore.

True leaders are those who hear the voice of their people, stand with them and fight for righteousness; those who risk their own safety and benefits to fight corruption, not cover it up: those who always stand for the truth no matter what the consequences may be.

President Trump is one of the greatest presidents in the history and I will always respect him. He is a true leader who has never been appreciated by the many people of whom he has served.

When persecution comes to the United States, which I see it very close, many will regret and appreciate those who truly fought for them. May the Lord open the eyes of those who are in power and who ignore the truth for the sake of their own benefits.

This is my opinion and I do not let anybody lecture me if I am right or wrong. My true leader is Jesus Christ who taught me how to be bold, tell the truth, and stand for the righteousness even at the cost of losing my own life.

Gaslighting -

Author unknown

Have you ever asked yourself, 'Am I crazy?' If you have ever asked yourself that, you're not crazy. You're most likely being gaslighted. Gaslighting is a form of psychological abuse aimed at controlling a person by altering reality to the point where the person will doubt their own sanity. The term "gaslighting" comes from a 1930's play called Gas Light. The main character in the play literally tries to drive his wife crazy by gradually dimming the gas-powered lights in their home. When she notices the lights dimming, her husband not only denies that the lights are dimming, but he convinces her that she is imagining it to the point where she questions her own sanity.

We are living in a perpetual state of gaslighting. The reality that we are being told by the media is at complete odds with what we are seeing with our own two eyes. And when we question the false reality that we are being presented, or we claim that what we see is that actual reality, we are vilified as racist or bigots or just plain crazy. You're not racist. You're not crazy. **You're being gaslighted.**

New York State has twice as many deaths from Covid-19 than any other state, and New York has accounted for one fifth of all Covid-19 deaths, but we are told that New York Governor Andrew Cuomo has handled the pandemic better than any other governor. But if we support policies of Governors whose states had only a fraction of the infections and deaths as New York, we're called anti-science and want people to die. So, we ask ourselves, am I crazy? **No, you're being gaslighted.**

We see mobs of people looting stores, smashing windows, setting cars on fire, and burning down buildings, but we are told that these demonstrations are peaceful protests. And when we call this destruction of our cities, riots, we are called racists. So, we ask ourselves, am I crazy? **No, you're being gaslighted.**

We see the major problem destroying many inner-cities is crime; murder, gang violence, drug dealing, drive-by shootings, armed robbery, but we are told that it is not crime, but the police that are the problem in the inner-cities. We are told we must defund the police and remove law enforcement from crime-riddled cities to make them safer. But if we advocate for more policing in cities overrun by crime, we are accused of being white supremacists and racists. So, we ask ourselves, am I crazy? **No, you're being gaslighted. . .**

Capitalist countries are the most prosperous countries in the world. The standard of living is the highest in capitalist countries. We see more poor people move up the economic ladder to the middle and even the wealthy class through their effort and ability in capitalist countries than any other economic system in the world, but we are told capitalism is an oppressive system designed to keep people down. So, we ask ourselves, am I crazy? **No, you're being gaslighted.**

Communist countries killed over 100 million people in the 20th century. Communist countries strip their citizens of basic human rights, dictate every aspect of their lives, treat their citizens like slaves, and drive their economies into the ground, but we are told that Communism is the fairest, most equitable, freest, and most prosperous economic system in the world. So, we ask ourselves, am I crazy? **No, you're being gaslighted.**

Gaslighting has become one of the most pervasive and destructive tactics in American politics. It is the exact opposite of what our political system was meant to be. It deals in lies and psychological coercion, and not the truth and intellectual discourse. If you ever ask yourself if you're crazy, you are not. Crazy people aren't sane enough to ask themselves if they're crazy. So, trust yourself, believe what's in your heart. Trust our eyes over what we are told. Never listen to the people who tell you that you are crazy, **you're being gaslighted.**

Israelite History you Need to KNOW!

by Steven M. Collins **Sugg. Don.: \$20.00 each \$5 postage/order**

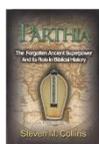

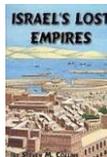

Book 1: 814 – THE ORIGINS AND EMPIRES OF

ANCIENT ISRAEL – A look at the early history of Israel with emphasis on the little known important events that helped to shape our modern world. Here is the evidence that God's People visited distant lands in Europe and America in ancient times.

Book 2: 813 – ISRAEL'S LOST EMPIRES –

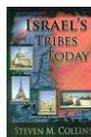

Not only did King David's land empire stretch clear across the Mid-East to Mesopotamia, but Israel dominated the Phoenicians. Hebrew ships plied the Mediterranean, establishing colonies along the European and North African coasts.

Book 3: 815 – PARTHIA – The forgotten ancient superpower and its role in Biblical History. It was one of the greatest kingdoms of the ancient world and feared by Rome.

Book 4: 818 – ISRAEL'S TRIBES TODAY– This book

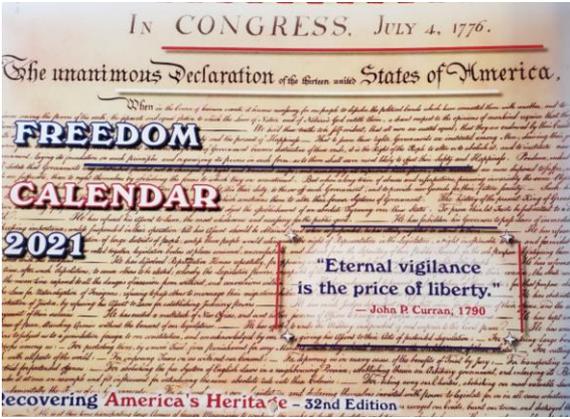

identifies true Israel and contains 140 maps, charts, and illustrations. Biblical prophecies about each tribe are shown fulfilled in the modern world and that these nations enjoy the promised blessings of the Abrahamic Covenant.

“This is an awesome series!!! I have known of the Identity truth since around 1985, but I never knew what a vast empire Israel was! Modern historians really mainly touch on Rome and Greece, but there was a vast world before them! Mr. Collins does a super history lesson in these four books! For anyone wanting to know more of Israelite history along with pre-American history, these are definitely the books to read. They added so much to my understanding of Israel!”

The COVID Vaccines

By Martha Barley

There is a lot of information telling the truth about the COVID vaccines if you know where to look. Robert F. Kennedy's site: childrenshealthdefense.org reports this:

"In December, 3,916 COVID vaccine-related adverse events, including 13 deaths, were reported to the Vaccine Adverse Event Reporting System (VAERS). As more adverse events — ranging from life-threatening anaphylaxis to death — occur, it will be tougher to 'sell' the experimental injections."

Mr. Kennedy goes on to explain, **"In the U.S., the primary mechanism for reporting adverse reactions is the Vaccine Adverse Event Reporting System (VAERS), a flawed passive surveillance system that relies on the willingness and ability of parents and professionals to submit reports voluntarily."**

As Children's Health Defense Chairman Robert F. Kennedy, Jr. wrote on Dec. 18, 2020 to the co-chair of the new COVID-19 Advisory Board, VAERS has been an abject failure, with fewer than 1% of adverse events ever reported, according to a 2010 federal study.

Given the abysmal track record of VAERS in capturing serious adverse events, it is noteworthy that 13 deaths — a subset of 3,916 total adverse events reported following COVID-19 vaccination — had already been recorded by the system by the end of December (as per the MedAlerts search engine).

Nine of the deaths followed the Pfizer vaccine and four followed the Moderna shot (see table below). Nearly all of the deceased were institutionalized (primarily in nursing homes), although one 63-year-old male received the injection at work.

Another good source for information is from **Dr. Doug Corrigan** at his website - sciencewithdoug.com. Here is his background given on his site.

I have a Ph.D. in Biochemistry and Molecular Biology, a master's in Engineering Physics (concentration: Solid State Physics), and a bachelor's in Engineering Physics (concentration: electrical engineering.)

As a NASA Graduate Fellow , I worked with NASA on a series of material science microgravity missions that were conducted aboard the Space Shuttle, and I conducted research with Oak Ridge National Lab on new materials in their Solid State Physics Division.

I switched to life sciences and went into Biochemistry and Molecular Biology. I started a biotech company that developed new tools for discovering drugs to combat drug resistant forms of HIV. I now love researching ways we can fix the body more naturally.

He has two articles that are worth reading and below is just a small sample of each.

Is a Coronavirus Vaccine a Ticking Time Bomb?

<https://sciencewithdoug.com/2020/08/01/is-a-coronavirus-vaccine-a-ticking-time-bomb/>

“Right now, the fatality rate of the virus is estimated to be approximately 0.26%, and this number seems to be dropping as the virus is naturally attenuating itself through the population. It would be a great shame to vaccinate the entire population against a virus with this low of a fatality rate, especially considering the considerable risk presented by ADE (Antibody Dependent Enhancement). I believe this risk

of developing ADE in a vaccinated individual will be much greater than 0.26%, and, therefore, the vaccine stands to make the problem worse, not better. It would be the biggest blunder of the century to see the fatality rate of this virus increase in the years to come because of our sloppy, haphazard, rushed efforts to develop a vaccine with such a low threshold of safety testing and the prospect of ADE lurking in the shadows. I would hope (and this is a big hope), that this vaccine WILL NOT BE MANDATORY.

Hopefully, you now know a little more about the topic of Antibody Dependent Enhancement, and the real, unpredictable dangers of a coronavirus vaccine. In the end, your health should be your decision, not some bureaucrat's that doesn't know the first thing about molecular biology."

Will an RNA Vaccine Permanently Alter My DNA?

<https://sciencewithdrdoug.com/2020/11/27/will-an-rna-vaccine-permanently-alter-my-dna/>

"It's probably good to point out at this stage of the discussion that an RNA vaccine has never been approved for use in humans. This would be the first time in history that such an approach would be used on a massive scale. Approximately 50 clinical trials have been conducted on RNA vaccines for cancer treatment, and about a dozen RNA-based vaccines are under development for SARS-CoV-2. Two candidates, one from Pfizer/BioNTech (BNT162b2) and the other from Moderna (mRNA-1273), are the furthest along, and have shown decent efficacy in Phase III clinical trials (although I would argue strongly the sample sizes of infected individuals in both experiments were so small that making this efficacy claim is rather dubious at this stage). If you have read the news lately, these vaccines are being rushed headlong to be deployed on a massive scale with little attention being paid to the potential ramifications.

My professional opinion is that since RNA vaccines are a new mode of delivering vaccines, they should be tested for 5-10 years to demonstrate that genetic modification is not a major concern. In addition, all coronavirus vaccines, regardless of type, should be tested for an equal duration to show that ADE is not a concern. It is absolutely impossible to rule out these safety concerns in less than a year.

I only share this information so people are informed and can weigh the potential risks and benefits. The bottom line is the choice is up to you; however, for people to make such an important decision, they need to possess all of the information.”

I also highly recommend that people read the white paper put together by many scientists explaining how vaccine safety works today and how it has been highly corrupted by the pharmaceutical industry. It is 34 pages and has 240 supporting footnotes. The paper is available at <https://www.icandecide.org/wp-content/uploads/2019/09/VaccineSafety-Version-1.0-October-2-2017-1.pdf>

If you do not have access to the internet, just write and we will send printed copies of the above articles. Below is an article my father, Pastor Sheldon Emry wrote.

Bible Principles on Vaccines

The following is a statement on the teachings of LORD'S COVENANT CHURCH/AMERICA'S PROMISE MINISTRIES in relation to immunizations, inoculations, vaccines, and related so-called cures, preventatives, or medicines given by injection into the body. We believe Christians are not to demand or accept any such injections for the following reasons as gleaned from God's Holy Bible.

The church is to be holy. **Ephesians 5:27**, ***That He might present it to Himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be holy***

and without blemish.

Individuals are to be holy. **Romans 12:1** , *I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy, acceptable unto God, which is your reasonable service.* Also, **1 Peter 1:15-16**, *But as He which hath called you is holy, so be ye holy in all manner of conversation [life]; because it is written, Be ye holy; for I am holy.*

Holy means not only to be in service to God, but to be "*clean.*" We have a saying, "**Cleanliness is next to godliness.**" That that is true is verified in the Old Testament passage Peter was referring to in his quote in the preceding paragraph. It was from **Leviticus 11:44-45**, *⁴⁴ For I am the Lord your God: ye shall therefore sanctify yourselves, and ye shall be holy; for I am holy: neither shall ye defile yourselves with any manner of creeping thing that creepeth upon the earth. ⁴⁵ For I am the LORD that bringeth you up out of the land of Egypt, to be your God: ye shall therefore be holy, for I am holy.*

These verses are at the end of the list of clean and unclean beasts in the chapter where God's people are commanded NOT to eat the unclean. The implication here is obvious—that if they were to eat that which is unclean, they would not be holy. This same doctrine is in **Deuteronomy 14**. It begins, *Ye are the children of the LORD your God; ye shall not cut yourselves, nor mate any baldness between your eyes for the dead* [these were common heathen religious practices in that day], *for thou art an holy people unto the LORD thy God, and the LORD hath chosen thee to be a peculiar people unto Himself, above all the nations (people) that are upon the earth. Thou shalt not eat any abominable thing,* and then follows the command again NOT to eat things God calls unclean. Also, in **verse 21**, we read, *Ye shall not eat of any thing that dieth of itself. . . for thou art an holy people unto the LORD thy God . . .*

There are two other things in that last passage quoted above that are further reasons for refusing vaccines. Firstly, we are not to cut ourselves. Inoculations, vaccinations, etc., include puncture or cutting of the body. (See also **Leviticus 19:28** and **21:5**.) Secondly, we are not to eat, i.e., partake of, anything that *dieth of itself*. Vaccines are often made of, or in, bodies; fetuses, or, the eggs of creatures that are *unclean* according to the plain Word of God. Moreover, the process of producing the so-called "vaccine" often causes the body, fetus, or egg to die in the process. Therefore; it is further forbidden us.

We are also commanded not to eat the blood of animals. *But flesh with the life thereof, which is the blood thereof, shall ye not eat.* **Genesis 9:4** This was made a statute at Mt. Sinai and repeated, several times as in **Leviticus 3:17, 7:26, 17:10, 19:26, Deuteronomy 12:16**, and others. It was commanded to Christians in the New Testament in **Acts 15:20, 29**. Many vaccines are made in or of the blood of diseased animals and the injection is, in effect, a blood injection into the human body.

In **1 Corinthians 3:16**, Christians are asked, *Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?* The Word then continues, *If any man defile the temple of God, him shall God destroy; for the temple of God is holy, which temple ye are.* Vaccine is an alien substance, unclean by Scripture definition, and injected into the body in a manner condemned by God in His Holy Word.

Conclusion

Christians are commanded by God not to accept anything into their bodies that would tend to defile them and make them unclean. The vaccines are such substances and are therefore forbidden. Written for instruction to obedience in Jesus Christ,

Pastor Sheldon Emry
