## FROM THE PASTOR'S DESK:

### This World is Not My Home

Oh, how true those words are. This world in all of its corruption is almost too much to deal with. I say, let us return to Biblical guidelines for all, and I do mean all aspects of life, meaning dominion. The Bible is the Light and Life for us all. It applies to our daily lives in so many ways. Worldly wisdom leads to lesser and lesser intelligence in the long run. It actually makes people less responsible, plus more immature. They lose sight of what is important in life. The way of man is death, but The Way of God is life.

The Bible puts things in their proper perspective. The idiocy of this world and its reasoning makes literal lunatics out of people. They literally are driven into basket cases, because they are living in a fool's paradise. For instance, we have accepted the Babylonian money laws which cater to man's greed, and trickery that is based on the manipulation of the law which has led to extreme debt for most people.

Mostly we are governed by the golden rule. He who owns the most gold rules. Much of what we are told as history are ancient Babylonian falsities even taken from ancient so-called scripts of the Bible. Antichrists try to trick us by making us think we are to believe every heresy that is supposedly based on the Bible. Do not believe everything that uses the Bible. We must be Bereans who check out these doctrines because the antichrists use propaganda said to be based on the Word

of God, but is a twisting and outright lying about what the Word says. This is nothing new. It started in the Garden of Eden when the serpent corrupted the commands of God.

God told Adam in **Genesis 2:16-17** *“...Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.”*

The serpent told Eve the exact opposite in **Genesis 3:4**: *“And the serpent said unto the woman, Ye shall not surely die:”*

As the old saying goes, **“The victors write the history books.”** Remember history from the beginning has mostly been slanted to fit the perspective of the ruling class. Even so-called angels or kings or prominent people presented as angels or messengers just may be angels or creatures of mysticism. So, be careful who or what you believe is a fallen angel.

We cannot be sure, but the kings of Sodom and Gomorrah more than likely were Sodomites. Some claim the Spirit came with the King of Sodom. This is ridiculous, but it was with the King of Salem, and Abraham paid a tithe to this Melchisedec. God told Abraham that if he could find ten righteous men in Sodom and Gomorrah that He would spare those cities. But Abraham could not even find ten. Think about today in American cities. Could you find even a small remnant amount of people who are truly righteous followers of God’s Biblical Word, Laws, and Judgments as real Christians? I wonder.

Cities and even small towns are inundated with Sodomites these days. Yes, the King of Sodom was highly tainted in nature and character, meaning unrighteous. Why else would he be King of Sodom? He did not live there as a righteous influence leading people in the ways of right doing.

Here is an example of truth mixed with falsehood which may

at first appear true. It is taken from Dr. Wesley Swift's book on Melchezidec, page 10.

**"Also Abraham brought back the goods and spoils that were taken even from the Kings of Sodom and Gomorrah for these kings had been defeated by the hosts of the Pre-Adamic world, and he had taken spoils of both Sodom and Gomorrah. Thus with three hundred and eighteen men, YAHWEH defeated these fallen people led by the kings of the fallen angels. Now; the King of Sodom went out to meet Abraham after this great battle where Abraham had slaughtered Chedorlaomer and the kings with him at the Valley "of Shaveh, which is the King's Dale. And as the King of Sodom approached there suddenly came a tremendous outpouring of Spirit, for suddenly out of the plain of battle came THE KING OF GLORY,"**

Did you get that, the King of Sodom approached Abraham **"there suddenly came a tremendous outpouring of Spirit...."** **GIVE ME A BREAK.** He does not back up these claims with Scriptures and facts. Now, I do not mean to be critical of this man, but this "error" cannot be overlooked.

The enemy is the antichrists. Those people are opposed to the Lord Jesus Christ and His Principles of LIFE. The Jews want INTERNATIONAL law or globalism, which is just another way of saying world integration or miscegenation. We have been lied to on so many levels that truly we are in many ways not thinking straight. The enemy, the antichrists, are doing everything in their power to do away with Biblical Light and structure. In other words, they do not want Biblical Dominion in any form or construction presented. Yes, they want an increase in education, but NOT Biblical knowledge, because they (the antichrists) control the educational system. We have to start looking at this quick-moving future with Biblical

foresight instead of a TODAY'S NEWS PERSPECTIVE. We see things in part and so we only know TODAY'S NEWS POINT of view, therefore we are tossed around by every wind of doctrine our enemies chooses to place in front of us.

ZIONISM is all over this world, politics, churches, schools, conversation, news, and so forth. In other words, people are so full of Jewish interests and ideology that it is like they are robots automatically moving and responding to Jewish propaganda. I am not here to coddle you. I am here to feed you some vital truth that will not go along with this world's image or philosophy. We have to break free from Zionist antichrist dominion, and power structure. What they did in WWII to Germany, they are doing again globally. They want international control, and these chains have to be broken that are upon us today. God's Word and Truth is our double-edged sword our enemies do not want to hear or be placed in practice.

I was sent some information that states that President Trump converted to Judaism and therefore he is now (really) an open antichrist with a Zionist leading. I tried to verify that claim and I could not do it. I totally agree that Trump is very pro-Jewish and has made the Zionist Christians very happy with what he did while President. He has a lot of friends and connections throughout the world and I have always said he was a mixed bag. I do appreciate the many things he did that were beneficial to our economy and how he stopped the influx of aliens across the southern border, but I do not underestimate or overestimate who he is. His family connections to Judaism through his children are obvious. We already know what that idiot liberal, communist Biden is capable of doing. Remember Trump pushed and still is pushing these COVID vaccinations, because big money is behind this, and make no mistake about it Trump is controlled by BIG MONEY.

By the way, why are we shown films of the troops of the Third Reich, but no films of the British or of the forces of the American troops, except those war movies made by Hellywood? Believe me, they do have massive amounts of British and American troops on film, but they mainly only want to show the enemy as they see it. Well, in part, I believe this is because Hitler though he made some costly mistakes, had one of the greatest economies. Germany during WWII built a massive empire that almost dominated the world and that was noticed and not tolerated by the Jews. The International Banks fight to make sure that they are the only MONEY CREATORS and sources of money. Hitler had to go because he was undermining their (the Zionist) power and showing the world how to build an empire without Jewish money. Germany built an empire pretty much second to none, with amazing advances in technology no one else possessed at that time.

Their amazing growth had to be stopped. If Hitler and Germany had relied fully on Jesus Christ and the principles of God's Word, and not tried to expand as they did, things would have turned out differently. Human effort is doomed to fail for God's Covenant People every time they try going it on their own. The antichrists always gain the upper hand if the Lord Jesus is left out. Our enemies win out every time we do things without Biblical Divine Guidance.

We have a Covenantal Dominion Calling. Remember Martin Luther the Reformer? Because he solely relied on God, he did amazingly before tremendous odds (the Pope) and his counsel. Looking at what he was up against through carnal eyes, he should have lost. But instead, he stood his ground with the authority of God's Word, and God blessed him and all of us because of Martin Luther's faith.

Touch your hands, touch your face, and remember that you are made in the image of God. You are wonderfully and

uniquely made. You are not junk. There are special things about you. We do amazing things every day and most of the time we take ourselves for granted, but we should examine ourselves because we have a higher purpose and calling if we extend our thoughts beyond the superficial, or natural to real spiritual sight and understanding. Meaning, Jesus Christ in you the HOPE of Glory. Again, we were made in His image and likeness. Our place is of a greater purpose than we realize. God's Law provides the know-how and where-with-all that we need. We are to reach beyond ourselves to the Divine for help and inspiration in our endeavors. For God is with us to see us through unto a higher goal and purpose. If the world can move to higher and greater levels in their evil, we surely can do so much more with God's help and leading because His Law Word is instructing and inspiring us. In OTHER WORDS, we have a Divine direction and purpose the world does not have. It is our edge, towards the Kingdom of God and our Divine Destiny.

The culture of their glorified cities of today is Jewish-inspired. They want Babylon to glorify its insanity. Every city revels in SIN. Especially that of multiculturalism and immorality. America has gradually become a Zionist state, doing the bidding of the Jews. Attacking these antichrists through humanistic morals will not, and never will be our deliverance. We will only drive ourselves further into the hands of our enemies and Jesus Christ's enemies. Therefore our enemies must do everything in their power to censor us.

WE WANT THE White race to get ahead and it must, because our demise is looming when the strangers are in leadership. The White race has always had the higher standards and is quite visible in their action and behavior. It is Divinely built into their nature and their character, but it has been mostly distorted by our antichrist enemies. Society degenerates the more Biblical standards are torn down. Did you know the

enemy spies and sells whatever secrets to our controllers? The enemy is all about us today OR PAY-OUTS and especially in all branches of our government and military. High praises or pay-outs are lavished upon them for their sellout. We are God's Covenant people, meaning, we are the people that are called to deal with this fiasco and we had better be on our knees asking for God's help to do just that.

Non-Israel people have a place and perhaps role to play, but to those with Bible understanding meaning Covenant Israel has this higher role to play in this duty. A major downfall of true Israel is getting engaged or involved in mixing their Christian beliefs with the dogma of this world which in turn leads them into further perversion and letting their moral values yield to thinking that, going along with race-mixing, which is an attack against our Biblical DNA is Biblical, but it is worldly illusion.

### **Feelings are Fleeting**

Feelings can be good or bad. But often they are misleading.

#### **Jeremiah 17:9**

*The heart is deceitful above all things, and desperately wicked: who can know it?*

Feelings can twist and turn us, playing with our minds and emotions. Scriptures tell us to be wary of our feelings, but the world tells us to listen to our feelings.

#### **Psalms 12:2**

*They speak vanity every one with his neighbour: with flattering lips and with a double heart do they speak.*

People are so misdirected today by their feelings. People speak flattering words to them and tell them to "follow your heart." This is the exact opposite of what God tells us. God tells us the heart is wicked, which is an old way of saying that you cannot trust your feelings. But the evil ones tell the world

that feelings should be their god and to follow their feelings. It is a trap unto them. So many things are presented as a feeling or emotions and they rely on their feelings as a god and they value things according to their feelings. They steal, murder, riot, and live contentiously due to following their feelings. In other words, they are lawless.

### **Hiding our Identity?**

Still, in every nation of Saxondom, our people know very little about their Biblical Identity or heritage. In fact, in one aspect our people are hiding from their Biblical identity. They are in denial of the Bible. We are inextricably linked to our Biblical Ancestry, Covenants, and Promises. They lackadaisically attend some denominations like Baptist, Catholic, Lutheran, Methodist, and so forth, hearing dribble. They are hiding out, meaning they could care less about their real Biblical place and position. They are told that they are goyim or mere gentiles and sadly, they accept that with no study on their part.

Their real identity is withheld from them and most do not know their true Biblical Place and Purpose. Salvation is constantly dangled in front of them rather than the Kingdom which Christ came preaching. But, Churchianity is not Christianity. The true ekklesia, meaning church or assembly of believers, must come together to consider Bible-related issues, and to hear the preaching of God's Word.

### **Hebrews 10:25**

***Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.***

Again many people have not even a clue as to their past, present, or future. The Scriptures help put us on the right track, for instance, **Romans 9:1-5**.

***<sup>1</sup> I say the truth in Christ, I lie not, my conscience also***

*bearing me witness in the Holy Ghost,*

*<sup>2</sup> That I have great heaviness and continual sorrow in my heart.*

*<sup>3</sup> For I could wish that myself were accursed from Christ for my brethren, my kinsmen according to the flesh:*

*<sup>4</sup> Who are Israelites; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the law, and the service of God, and the promises;*

*<sup>5</sup> Whose are the fathers, and of whom as concerning the flesh Christ came, who is over all, God blessed for ever. Amen.*

**“My kinsmen according to the flesh.”** We are to hold dear these words. They speak to God’s Calling and Purposes, not a hodgepodge, multicultural gathering. We have a Biblical calling. We are not to behave as Talmudic Jews, who are antichrists. We must come to the truth; this must happen.

We do not have a white privilege; we have a white responsibility. Our real value is Bible-oriented, placing faith, and reason in life in Bible standards that truly lift us up. We have to get back to our Biblical roots including getting back to the Garden of Eden, meaning, our dominion calling. Most are not taking dominion. We are not taking true dominion. True dominion involves our getting back to the Bible, meaning Biblical principles, or what God values. Mostly we have been worldly wonders, doing worldly things, meaning non-Biblical values.

### **Every Seven Years a Sabbath and Land Rest?**

Here are the Scriptures.---

**Leviticus 25:3-7 RSV**

*<sup>3</sup>Six years you shall sow your field, and six years you shall prune your vineyard, and gather in its fruits;*

*<sup>4</sup>but in the seventh year there shall be a sabbath of solemn rest for the land, a sabbath to the Lord; you shall not sow your field or prune your vineyard.*

***5 What grows of itself in your harvest you shall not reap, and the grapes of your undressed vine you shall not gather; it shall be a year of solemn rest for the land.***

***6 The sabbath of the land shall provide food for you, for yourself and for your male and female slaves and for your hired servant and the sojourner who lives with you;***

***7 for your cattle also and for the beasts that are in your land all its yield shall be for food.***

Wouldn't it be great to take a holiday every seven years? Could you use a break? I know I sure could and following God's Law provides for this. Because of our disobedience, we do not have this rest. Instead, man wants all our time and effort it seems. The Bible looks after our best interest. We think it is great when we get a three-day holiday weekend now and then. But wouldn't it be great and refreshing to have a significantly longer period of time every seven years?

### **Is Our Economy in Trouble?**

In short, YES. Food prices keep climbing. Gas prices are insane. Housing is astronomically climbing, along with everything else. There is corrupt politics, and greed through vain investors, money manipulation, as well as many other forces (they are abnormal) meaning they are adverse to what the Word of God tells us. We have got to get back to the Bible. We are so astray from the Bible that a great ECONOMIC judgment is upon us. SOMETHING bigger than the last housing crash is coming because we will not NATIONALLY REPENT. Judgment must first come to True Israel.

### **Fast for Health**

I have been getting more acquainted with the benefits of fasting for better health and mental clarity. Sugar is a no-no, and we just do not stop eating sugar alone, but we also must stop eating carbohydrates. The benefit of fasting is fighting

cancer. Some of you have cancer and one of the main things to do in dealing with this fight against cancer is fasting. It is the upcoming weapon against cancer. In fact, fasting can overcome diabetes, heart disease, Alzheimer's, and many other inflammatory diseases. I have been on a fasting approach for better health for several days as well as intermittent fasting having only one meal a day.

Spiritually God is putting America and other nations on a FAST. It is a struggle, but in the end, it will bring healing to ISRAEL. Going through a fast, there will be a certain amount of suffering. Nationally we have sinned of course. We need to fast from the ways and systems of man. This will develop a renewed outlook within man. All areas have been tainted, to say the least. A Divine attitude adjustment is coming. This will give us a renewed perspective.

In fact, this will help us see the KINGDOM. Let us face it folks we are sick, bloated, inflamed, loving the leeks and onions of Egypt/Babylon. We have been Babylonianized. We have made gods out of man, systems, sports, news media, politicians, government, events, and the list is endless. Also, voting has never been our savior. We will never be able to vote our way out of Babylon. We must be starved or fasted long enough to remove the taste of Babylon out of our current sad American National diet. So bring this needed fast on America, Lord Jesus.

**FASTING.**

@3rdeyehealers

Fasting (when done correctly and for the right reasons) does something to you that cannot be explained with human language. You become very aware of just how habitual the act of eating has become. Many of us do not eat for hunger, we eat for pleasure. Absence of perpetual pleasure seeking (in all forms) exposes you to the emotions you mask with your habits, and you are finally exposed to who you truly are. This is where the healing starts. Physically, emotionally, and spiritually.

## Zero to Hero

By Pastor Kevyn Reid

I recently found out about a book titled: ***The Hero Code*** by William H. McRaven. The book lists ten virtues of a hero and devotes a chapter to each one. This is such an excellent book, that I would recommend it to anybody in my life despite differing beliefs, line of work, walk of life, or political affiliation.

This is not just another self-help book from the top forty in the nation's book clubs or a generalized coaching book about life and its potential problematic cases. It is instead a very practical read for those who wish to sharpen their life's work and see actual productivity and well-being in serving others while we all are doing our best work in the vineyard for the Lord of Hosts.

The ten virtues of a hero according to McRaven are as follows:

1. Courage (Joshua 1:9)
2. Humility (James 4:10)
3. Sacrifice (John 15:13)
4. Integrity (Proverbs 20:7)
5. Compassion (1 Peter 3:8)
6. Perseverance (Eph. 6:18)
7. Duty (Ecclesiastes 12:13)
8. Hope (Romans 12:12)
9. Humor (Proverbs 17:22)
10. Forgiveness (Eph. 4:32)

Even though he does not take the time to list a Bible verse that pertains to each of the virtues, I did, and I have found at least one for each in the KJV that fits. This is because it happens to be that these virtues are intrinsically CHRISTIAN values!

I understood as I read that if we are to be Christ-like, then these attributes must certainly be found in ourselves as we walk in the WAY. To me, a hero is one that would exemplify these traits and thus be a Christian man or woman beyond

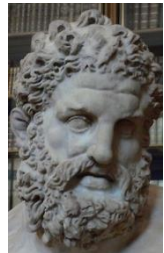

reproach as well. We could all be heroes to one another, and as our nation's birthday approaches I am reminded to be patriotic and honor our heroes who displayed these selfless values making a way for the Promised Land to be inhabited by God's covenant people regathered in the land of Joseph.

As we all need our faith to be restored in humanity, I have found that the best way to do so is by reading the Word of God and actually applying it to ourselves and our lives EVERY DAY. This is very encouraging to me as I have come to realize that this is the behavior of a true hero, something I have aspired to be ever since I was a little boy. A hero is someone we look up to and what better role model than that of a strong Christian man or woman. The younger generation needs this in their lives now perhaps more than ever. We should always remind ourselves that we, as professing Christians, are constantly being watched and regarded.

A Hero is not negative or caught in doing wrongs or doing harm to others. Instead, a Hero is someone who protects the Word of God and demonstrates the virtues of a God-fearing follower of Jesus Christ the King.

A Hero is within all of us. It is written on our hearts. For some, living by the code of a hero comes more naturally. However, we can all benefit from these ten qualities, and together we can continue to build a Kingdom society starting from the bottom, up.

**"For a true hero isn't measured by the size of his strength, but by the strength of his heart." Hercules**

## 31 Patriot Front Members Arrested in a False Flag in Idaho or True Protest?

<https://www.actionidaho.org/post/what-to-think-about-the-couder-d-alene-arrests>

*Who was arrested?* Young men came from all over the country to protest CDA's raunchy Pridefest. These young men find purpose in protecting the sexual purity of innocents and in opposing the corruption of a population. This would not be an ignoble purpose at all! Thinking that this is an FBI operation detracts from the nobility of their purpose. Kidnapping a governor is wrong. Protesting raunch is hardly wrong. Pictures of the men

have peppered the internet. The pictures reveal several things.

As Joe Rogan first noticed, none of these guys are fat. In fact, none have noticeable tattoos. The men appear clean-cut, in-shape guys. They were on their way to oppose a corrupt and corrupting performance at "Pride in the Park." As can be seen from the video, the arrested see themselves as victims of a wrongful arrest, but they handled themselves with uncommon self-control in the face of it. Most of those arrested were probably bailed out by members of the northern Idaho chapter of Patriot Front. *Why were there charges?* No weapons were found.

This group has protested without incident several times in the past year, according to their *website*, at pro-life rally in Chicago and at rally against Purdue Pharma. They have also walked the streets of CDA handing out literature quietly. They expressed no violent intentions in their video.

If the 31 men can be prosecuted on such flimsy grounds, then anyone can be prosecuted on them. Everyone is a **potential** rioter since anything can be used as a weapon. Prior restraint of the right to protest also looks especially arbitrary in the wake of the summer of Floyd, where riots themselves were hardly enough to get people arrested. The Patriot Front did nothing wrong in this case. There appears to be no conspiracy to riot. The fact that CDA is going through with this the prosecution shows the new standard that defines American law: the left uses the law to help their friends and harm their enemies.

Period.

## Secure Your County and the Country Will Follow

By Col. John Mills (Ret.) May 30,22

I've dedicated myself to learning about the voting process in the United States ever since I lived through the disastrous Virginia elections of November 2019. The outcome for my specific House of Delegates race didn't make any sense. I wanted to find out more and understand the true mechanics of how U.S. elections are conducted. I'm retired from the U.S. government, and I'm quite familiar with federal statutes, guidance, policies, and other federal matters, but I've really ignored matters below the federal level.

I've learned a number of things since 2019. First, there's actually limited U.S. law on the conduct of elections. The preponderance of the law, guidance, and responsibilities in regard to the U.S. voting process resides at the state level and are really executed at the county level. The foundation of the U.S. election process and, therefore, the Republic, is the county. There are roughly 3,140 counties or county equivalents in the United States and roughly 120 more in the U.S. territories. I spent an entire career in uniform and civil service at the federal level facing outward and protecting the United States from external threats.

The 2020 election, however, turned my world upside down. Like it or not, if the election process is questionable at the county level, it won't get better as the results move upward to be certified. Many weren't happy with Vice President Mike Pence's actions on January 6, 2021, but the reality is, if the certified votes from the counties are in question, they must be addressed by citizens in that county.

### **The 2020 Election Chaos Started at the County Level**

Out of the 3,100 or so counties and county equivalents, much of the questionable conduct regarding elections resides in

approximately 50 counties across the country. Many of these have become well known (or infamous), such as Maricopa County, Arizona; Fulton County, Georgia; Buck County, Pennsylvania; and so on. As I've broadened my understanding of voting in the United States beyond my own county through training seminars with hundreds of activist groups across the country, there has been one consistent data point: election issues at the county level. County election issues always revolve around the person elected or appointed as the election registrar or equivalent. Closely related to this finding is that the predominant issue with the election registrar centers around his or her ability (or really, lack of ability) to keep a clean and accurate voter roll. Keeping the all-important voter roll is the primary sworn duty and responsibility of the election registrar or equivalent. Without a clean, transparent, auditable roll, there can be little trust in any election in the county.

### **Reassert Decisive Influence Over 7 Key Centers of Gravity in Your County**

What I've further found is that all counties or county equivalents across the nation, although operating with substantively different state constitutions and state laws (and even within the same state there's potential latitude to structure and operate differently), there are seven common functions consistent across U.S. counties. All seven of these governance "centers of gravity" as I call them, are the key touchpoints for citizens of our counties.

These seven functions are the county council, the county election board, the county election registrar, the school board, the county sheriff, the county judges, and the prosecuting attorneys (the Commonwealth attorneys as we call them in Virginia). Each state may have different titles for these roles, and sometimes the roles are merged or split, but all counties

have these seven governance processes. Citizens must know, in detail, the roles, missions, and charters for these seven centers of gravity. Citizens must tirelessly read state law, especially election law; show up at all meetings; speak passionately and intelligently at all open mic sessions; and become “Loudoun County parents” to relentlessly reassert control over their county processes.

Many instinctively shout, “Precinct Project” when I talk about the seven centers. The Precinct Project is wonderful, but it’s focused on changes to a political party, which is outside the seven centers of gravity. Everything in our constitutional republic begins with U.S. citizens getting off the couch and apportioning some of their valuable time to ensure that their voices are heard in these seven critical functions.

### **Nothing Else Matters but Your County**

Many Americans are tired, angry, frustrated, or mobilized for action over the November 2020 election. All energy, attention, and action must be focused by citizens on the seven centers of gravity to address November 2020 and all matters in the future. Getting angry on social media is nothing but a drag coefficient. The first thing I almost always hear from citizen activists is, **“I need a lawyer to help me.”** Any honest lawyer will tell you that you’ll go broke or die of old age if you bring in a lawyer. If you can read English, you can read state law and interpret it, likely better, than any self-appointed lawyer claiming to be an election expert. Everything begins with our counties. Nothing else matters in any other county other than our own. Secure your county and the country will follow.

## Daniel's Prayer

By Dr. J. Franklin Snook from the 1970s which fits even more today!

Have you ever seriously considered the prayer which Daniel prayed as he was held captive in Babylon? Remember the setting. Ten tribed Israel and 200,150 from Judah had been taken captive by Assyria. Then Babylon had taken Jerusalem and carried the inhabitants to Babylon. Daniel was among them.

To apply a modern application, the Assyrians and Babylonians might be likened to the Communists of today in that they were Israel's enemies as Communism is our enemy today. We, today, have not been militarily invaded, but the threat exists, and internal subversion is a fact. We do have many undesirable conditions in our country today, all of which are but a prelude to military invasion by the Communist powers UNLESS we turn from our national sins, and obey God's national laws.

So let us look at Daniel's prayer in **Daniel 9:4-19**, paraphrased to apply directly to America today; with emphasis added.

O LORD, the great and dreadful God, keeping the covenant and mercy to them that love Him, and to them that keep His commandments; We HAVE SINNED, and have committed iniquity, and have done WICKEDLY, and have REBELLED, even by DEPARTING FROM THY PRECEPTS AND FROM THY JUDGMENTS: Neither have WE hearkened unto Thy servants the prophets, which spake in Thy name to OUR Presidents, OUR Congressman, OUR Governors, and OUR fathers, and to all the people of the land.

O Lord, Righteousness belongs unto Thee, but unto US confusion of faces, as at this day; to the men in every state and to the people's servants in Washington, and unto All Americans, that are near and that are far off, in the military posts where they have been stationed, because of OUR TRESPASSES that WE have trespassed against thee.

O Lord, to US belongs confusion of face, to OUR Presidents kings, to OUR Congressmen, and to OUR fathers, because we have sinned against thee.

To the LORD our God belong mercies and forgiveness, though WE HAVE REBELLED against Him; neither have WE obeyed the voice of the LORD our God, to walk in His LAWS, which He set before us by His servants the prophets.

Yea, ALL AMERICA have transgressed Thy law, even by departing, that THEY might not obey Thy voice; therefore THE CURSE IS Poured OUT UPON US, and the oath that is written in the law of Moses, the servant of God, because WE HAVE SINNED AGAINST HIM.

And He hath confirmed His words, which He spake against US, and against OUR JUDGES that judged us, by bringing upon US a great evil: for under the whole heaven hath not been done as hath been done upon AMERICA.

AS IT IS WRITTEN IN THE LAW OF MOSES, ALL THIS EVIL IS COME UPON US: yet made WE NOT our prayer before the LORD our God, that WE might turn from OUR INIQUITIES, and understand Thy truth.

Therefore hath the LORD watched upon the evil, and brought it upon US: for the LORD our God is righteous in all His works which He doeth: for WE obeyed not His voice.

And now, O LORD our God, that hast brought Thy people forth into this North American Continent with a mighty hand, and hast gotten Thee renown, as at this day; WE have SINNED, WE HAVE DONE WICKEDLY.

O LORD, according to all Thy righteousness, I beseech thee, let Thine anger and Thy fury be turned away from Thy nation America, Thy holy mountain: because for OUR SINS, and for the iniquities of

OUR fathers, America and Thy people are become a reproach to all that are about us.

Now therefore, O our God, hear the prayer of Thy servant, and his supplications, and cause Thy face to shine upon Thy people whom Thou hast redeemed, for the LORD's sake.

O my God, incline Thine ear, and hear; open Thine eyes, and behold our great debt, inflation, and our violence, and Thy people which are called Christian Americans: for we do not present our supplications before Thee for our righteousness, but for Thy great mercies.

O LORD, hear; O LORD, forgive; O LORD, hearken and do; defer not, for Thine own sake, O my God: for Thy city and Thy people are called by Thy name.

Note That Daniel never once mentioned the evil of the Assyrians or Babylonians. He did not ask God to take vengeance upon them. He confessed ISRAEL'S sins and acknowledged that the evil upon Israel was RIGHTEOUS AND JUSTIFIED

Since America IS modern Israel and is guilty of the same sins which brought ancient Israel into their sad state of affairs, do you not think it time we also pray Daniel's prayer; and cease and desist from the violation of God's economic, financial, social, moral, and political laws?

Daniel referred to kings and princes which today would be presidents and congressmen. His reference to the prophets that spoke to those officials is applicable to those ministers who have visited Congressional offices with God's Word.

The sins of America include, but are not confined to the following:

We have taken usury (interest – the two terms are synonymous) in violation of **Deuteronomy 23:19-20**. The ramifications of this are manifold. The taking of usury, in the

United States, which, of course, includes the chartering of private banking interest and the Federal Reserve System, is the DIRECT cause of panics and depressions, INFLATION, public debts, overwhelming private debt, the overburdened welfare system with all its inequities and abuses, poverty, the almost unbearable tax load, unemployment, mortgage foreclosures, and bankruptcies.

Following close on the heels of these, we see a high crime rate, broken homes and divorce, juvenile delinquency, probably sixty percent of the illness in the nation, youth rebellion and street demonstrations, a goodly portion of the racial strife, decaying cities, labor strife, inroads of communist ideology, and many items of foreign policy inimical to the United States. With just a little thought you can tie a great many other problems to the sinful practice of usury taking. Those who PAY interest are also guilty; because they contribute to the perpetuation of the crime.

The present money system, whereby money is created and owned by the Federal Reserve Banks has brought the fulfillment of **Deuteronomy 28:43-44**.

***<sup>43</sup>The stranger that is within thee shall get up above thee (international bankers) very high; and thou shalt come down very low.***

***<sup>44</sup>He shall lend to thee, and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.***

All these problems can be remedied by the outlawing of the interest charge, and all institutions who charge interest, beginning, of course, with the Federal Reserve Banks. These should be taken over and operated by the government.

Then will **Deuteronomy 28:12-13** be fulfilled.

***<sup>12</sup>The Lord shall . . . bless all the work of thine hand: and thou shalt lend unto many nations, and thou shalt not borrow.***

***13 And the Lord shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath; if that thou hearken unto the commandments of the Lord thy God, which I command thee this day, to observe and to do them:***

Congress sinned in ever allowing private banking institutions in the United States. Congress sinned again when it passed the Federal Reserve Act of 1913. Congress has been in sin ever since in not repealing (repenting of) that act. The American people have been in continual sin for not insisting that Congress act according to God's Word, and the Constitution of the United States. So now we daily suffer the consequences of those sins.

America has sinned in removing Bible reading and prayers from the schools. We are told in **Deuteronomy 4:5-9**:

***5 Behold, I have taught you STATUTES and judgments, even as the LORD my God commanded me, that ye should do so in the land whither ye go to possess it.*** (the vast North American wilderness)

***6 Keep therefore and do them; for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people.***

***7 For what nation is there so great, who hath God so nigh unto them*** (He would be if we obeyed Him), ***as the LORD our God is in all things that we call upon him for?***

***8 And what nation is there so great, that hath statutes and judgments so righteous as all this law, which I set before you this day?***

***9 Only take heed to thyself, and keep thy soul diligently, lest thou forget the things which thine eyes have seen, and lest they depart from thy heart all the days of thy life: BUT TEACH THEM TO THY SONS, AND THY SON'S SONS;***

But now, rather, we are forbidden by the Supreme Court to

teach these things to our children. Prayer and Bible reading have been replaced, in the schools, by drugs, violence, and legalized pornography under the guise of sex education.

In the above our JUDGES sinned, every elected official, including school board members, who concurred have sinned, and the American people sinned in not raising such a clamor that Congress and the courts would have repented by restoring prayer and Bible reading to the schools.

America has sinned in allowing a debt build-up to be inherited by the next generation. **Deuteronomy 15:1-5** says:

***<sup>1</sup> At the end of every seven years thou shalt make a release.***

***<sup>2</sup> And this is the manner of the release: Every creditor that lendeth ought unto his neighbour shall release it; he shall not exact it of his neighbour, or of his brother; because it is called the Lord's release.***

***<sup>3</sup> Of a foreigner thou mayest exact it again: but that which is thine with thy brother thine hand shall release;***

***<sup>4</sup> Save when there shall be no poor among you; for the Lord shall greatly bless thee in the land which the LORD thy God giveth thee for an inheritance to possess it:***

***<sup>5</sup> Only if thou carefully hearken unto the voice of the LORD thy God, to observe to do all these commandments which I command thee this day.***

With debt, public and private, approaching two trillion dollars [in the 70s when this was written], consider the magnitude of the sin of the American people and their elected officials. This sin is against our children as our God.

Doesn't this tell you that debt displeases Him even more because it works a hardship on the debtor? Divine Law limits ANY (even national debt) to seven years. **1 John 3:4** says, ***“Sin is the transgression of the law,”*** Therefore any debt running beyond seven years becomes a SIN to the creditor.

A great deal of suffering and anguish would be avoided if America would follow the Divine penal code. It calls for the death penalty to be executed on those convicted of first-degree murder, and doesn't allow a "not guilty" verdict because of insanity. Many argue that the death penalty is not a deterrent to murder. Whether or not that be true, it does eliminate repeaters. National obedience to God also requires the death penalty for the crimes of kidnapping, forcible rape, adultery, sodomy (homosexuality), habitual criminality, assault on parents, bestiality, treason, and fornication (interracial marriage). **Hebrew 12:16** with **Genesis 36:1-3**.

Divine law requires that those guilty of theft, extortion, or fraud make restitution to their victims of two to five times the amount taken, plus having a session at the public whipping post.

These are only a few of the areas wherein America has sinned, and is sinning, nationally. It would take a huge book to detail them all. It is plain to see that these things, even though individual persons participate in the activities, and suffer the penalties, are not exclusively personal sins; they are sins of the nation which by its laws permits such activities contrary to God's Laws.

The whole nation is guilty; individual citizens and the nation as a political entity. The individuals and the nation must repent (turn from wrongdoing to doing right according to God's Laws).

So let us all fervently pray Daniel's prayer, then act to cease our sinning, obey God's Laws and enjoy His blessings of life, health, and prosperity. Remember God's Laws operate on principles of cause and effect and require no direct Divine action to produce the promised result – that is built-in.

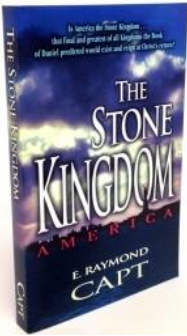

**O LORD, forgive; O LORD, for Thine own sake; for thy nation and Thy people called by Thy Name.**

**391 – THE ABRAHAMIC COVENANT.** By George R. Hawtin. It is extremely important that we grasp the fact that God’s promise and covenant with Abraham is wholly, and completely unconditional to one man and his descendants so that “*all families of the earth be blessed.*” **Genesis 12:3** **Sugg. **757 – SYMBOLS OF OUR CELTO-SAXON HERITAGE.** By W. H. Bennett. Color pictures show that the tribes maintained their emblems after the captivity and dispersion until their development into the various Celto-Saxon nations of today. **Sugg. Don.: \$27.00** [Hardback]

**793 – THE WOLF AND THE SHEEP.** By Richard Hoskins. Wolves eat sheep – that is what they do. Sheep must learn that wolves cannot be changed into sheep and they must keep them out of the sheepfold. **Sugg. Don.: \$10.00**

**817 – THE STONE KINGDOM.** Contains compelling evidence that the United States of America is that final kingdom! He traces the birth of America from thirteen small colonies to the greatest nation in history a nation chosen by God for a special destiny. **Sugg. Don.: \$15.00**
