America's Promise Ministries Newsletter

November 2014

Pastor Dave Barley

Founder: Pastor Sheldon Emry

FROM THE PASTOR'S DESK:

Dear friends:

As we enter the Thanksgiving season, we need to remind ourselves of the tremendous hardships our Pilgrim and Puritan forefathers went through to plant Israel on this great North American Continent. It is amazing all the things that God did for our people.

I want to highly recommend the documentary about the Pilgrims produced by Kirk Cameron titled: ***Monumental: In Search of America's National Treasure.*** I

have never in my life had a documentary so impact my life. If you think you know about the Pilgrims. ***Think Again!*** You can order this documentary from us for a gift of \$15 postpaid. It is also available on many website. The \$15 amount is our cost. Please share it with friends and family. If you want us to send it to family members, just enclosed their names and addresses so that they can get it before the Thanksgiving holiday.

I also want to recommend Pastor Sheldon Emry's work titled ***Thanksgiving: Restoration of an Ancient Israel Feast Day.*** #211 It is in print (\$2.50 suggested gift postpaid).

We are seeing more and more the decline of white Christian culture because of our sin. Please continue for God to pour out His Spirit on His undeserving Israel people. May we be use of Him to reach more and more of our Brethren with the Truth.

We are looking to put ads on the internet to reach the young people of America with the truth of their Identity and about how America is in the Bible. Please submit any ideas you have to that end. We are new to doing this and can use all the help we can get.

Blessings,

Pastor Dave

Homosexual Agenda in Idaho

The battle is afoot between the antichrist forces and the Christians forces. As of writing this on October 21, 2014, last week the Supreme Court refused to hear an appeal of Idaho's same-sex marriage ban. The antichrist forces near our area in Coeur d'Alene, Idaho, declared Donald and Evelyn Knapp (who are both ordained ministers), owner of a wedding chapel called The Hitching Post, in violation of the city's anti-discrimination law. We were originally told that, if they refuse to deny their religious beliefs, by not marrying sodomite couples, they'll face – brace yourself – up to 180 days in jail and a fine of \$1000 a day. Good for the Knapp's in publically declaring they'll shut down their business first!

Now I know that some of you will say "**Well, they shouldn't be open for profit,**" missing the point that the Knapp's are nonetheless being persecuted for standing up for their Biblical beliefs. It is their and our Biblical values and beliefs that are increasingly coming under attack by the antichrist forces in whatever form and it is not getting any better. The sodomites do not own the capitalist law system or any system for that matter. The sodomites should not be free to openly flaunt their formally illegal perversion around anywhere in the United States of America.

It's time we Christians draw the line and quit saying, "**Well, evidentially the sodomites are right about their legal argument of whatever variety, and therefore we should just**

back off and let them hold on to whatever legal standing their crying crocodile tears over.” **No sir! It’s time we Christians stop vacating our position in Christ and start standing on His Word and solid Rock Promises period.**

Martha and I will be heading down there, giving them a donation and thanking them for their stand to say the least. More may be forth coming.

Donald and Lynn Knapp stress that they only do “Biblical marriages” and that this is what they believe in. In fact, in the 25 years of owning the Hitching Post, they have officiated around 1,400 weddings a year. Like it or not, believe in it or not, this is how and the way they believe marriage should be, and as far as I’m concerned the faggots should leave Donald and Lynn Knapp alone. Queers should not even be able to use a state or federal judges to legitimize their sodomite relationship. Now I’m sure more information on this will be coming forth, but I find it more than just a little odd that they are now using city, state, or federal ordinances to prosecute Bible believing people, churches, or businesses. The American people should have the right, the freedom, and liberty to refuse business or religion to anyone they so choose. I refuse to jump every time some sodomite says “**jump.**”

THE HOUSTON AWAKENING

Secondly, are you aware that Houston, Texas, has a new city ordinance banning discrimination against LGBT (gay and Lesbian) people? Let’s see, does this mean I can’t discriminate against sodomites, but they can discriminate against what I believe from the Word of God? Well, thank you for letting me know, I will never discriminate or say anything against the sodomites because I now know there is a city, federal, or state ordinance against discriminating against such people despite what the Word of God tells me. **On second thought, NO, I will not be silent, and I will say NO to the sodomites of whatever variety they maybe because the**

Word of God tell me so, AMEN and PERIOD!

Now the Houston Chronicle supposedly reported that some Houston pastors are being forced (about 5 of them) to hand their sermons over to the city. The original subpoenas are said to demand to see any preaching related to homosexuality and gender identity. However, the pressure is apparently being turned back on lesbian mayor Annise Parker, who has been open about her sexuality. Opponents say they have collected well over 50,000 signatures in support of placing this new HERO (Houston Equal Rights Ordinance) edict in a more toned down version. HEY, HOW ABOUT ABOLISHING IT ALL TOGETHER?

OK, HOLD YOUR HORSES!

I said all of that, and you are rightfully upset about it all, but apparently, there is more to the story. There seem to always be more when you are dealing with man's relative legalistic system of Babylonian laws.

Apparently, these subpoenas issued by the city's attorneys were not specifically a move to monitor sermons. The city is actually responding to a lawsuit against it by "standard powers" of discovery by five pastors. You see, once you file a lawsuit, you open up yourself and possibly others to "broad powers of discovery." Of course this should not be, at the very least, they should only have "very limited, or specific powers of discovery."

This does not mean that the mayor or her attorneys do not have ulterior motives in what they are doing, after all, they are far from saints. But we should understand that there is a legal Pandora's Box involved in this whole thing. No doubt, this situation is something to wake-up over, and if nothing else, rally around and to keep our eyes and ears upon. To put it mildly, but bluntly, the sceptic tank is backed up, and the sewage is flowing out of our toilets.

Interesting, four decades ago, Phyllis Schlafly of Eagle Forum predicted that the passage of the Equal Rights Amendment would lead to homosexual marriages. People made fun of her and laughed at her, but sadly she has been proven correct. Schlafly correctly noted that in this amendment it said you couldn't discriminate because of sex rather than using the term woman. She recognized that this

was going to be used to further the homosexual agenda back in the 70's. We need to learn from this modern day Deborah who understood that our enemies are very careful with their words and their words have very different meanings than we understand.

A TEXAS – LOUISIANA QUICK TRIP

Recently my wife and I had to go on a quick one-week trip to Texas and Louisiana. Part of what we did was visit the Blanchard's, see Pastor J.V. Foster, and my brother, but also to visit friends like Hardy and Kathy Martin, Harmon Taylor, and Debi Fields, and, of course, we needed to stop in and visit my mother and take care of some personal and family business.

While we were in the Dallas area, Debi Fields gave about a 3 hour lecture on the Israel truth, the Harbingers, and the Tent in America. The sessions were recorded and we hope to have the DVDs soon.

THE JUDEO-CHRISTIANITY, MULTI-CULTURALISM, TRICK OR TREAT?

All in all it was a good trip, but my goodness, the depth of multiculturalism is rampant and practically everywhere in Texas and Louisiana. When I grew up in Texas in the 50's, 60's and part of the 70's I could see the gradualism of multiculturalism taking hold but at a much slower pace. You

can forget all that now, because it is happening at a much higher pace than I dreamed was possible.

The sad thing to see was the acceptance of it by some (certainly not all), to the point that they said, "**Well who can stop it, and you might as well accept it Pastor because it's coming your way whether you like or not.**" My answer to them would be, "**That's not my point, my point to you is, wake-up!**" First, understand that multiculturalism is not a blessing, it is a curse. Secondly, understand that multiculturalism is a judgment from God upon this nation, not a blessing, just as the sodomite problem is not a blessing, but a curse. Thirdly, please, please understand that multiculturalism is what we have been fed through Judeo-Christianity and Spiritual-Israelism, and that we need to quit supporting and participating in this damn-da-ble lie called Judeo-Christianity, or, Baal-Christianity. In other words, stop drinking the Jonestown (Spiritual-Israel) Kool-Aid. It will kill you and your race, just as it is killing our nation. I was also saddened to think of the generations after me that are growing up in this multicultural cesspool and think it is not a planned New World Order Society, but a normal society.

How God Deals With Multiculturalism

Pastor Emry, God bless him, said in his book **THERE ARE DISCIPLES OF BAAL IN AMERICA**, page 5 the following:

"In Judges, chapter ten, is another instance of Israel's turning against the Lord. This occurred after they had been sent into captivity and then saved out of their captivity.

6 And the children of Israel did evil again in the sight of the LORD, and served Baalim, and Ashtaroath, and the gods of Syria, and the gods of Zidon, and the gods of Moab, and the gods of the children of Ammon, and the gods of the

Philistines, and forsook the LORD, and served not him.

⁷ And the anger of the LORD was hot against Israel, and he sold them into the hands of the Philistines, and into the hands of the children of Ammon. Judges 10:6-7

Notice, God's punishment was to actually sell the children of Israel into the hands of the people who were the Baal worshipers. You would think God would try to get them away from there. No - God's punishment was actually to give them into the hands of those people who worshipped Baal and these other gods."

Dear friends, the fact that we have thousands upon thousands of churches in America, Canada, Europe, England, Australia, and so forth, does not in any way negate the fact that Baalism is alive and well in various religions including Judeo-Christianity. We cannot come out of the problems we are facing in our nation until or unless we first understand what the problems are in the first place so that we do not get involved in them again. You see, many have been thinking, that if we are disobeying Jesus Christ and His Word, He would simply deliver us from evil by taking us out of the hands of our Baal captors and worshippers, but this is not how He works. Jesus Christ (**who is *the same yesterday, and to day, and for ever*. Hebrews 13:8**), does not hit and miss with His Word. Most people are simply misapplying, and misunderstanding His Word and are turning it into Judeo-Christian mush. What He told us in **Genesis 1:1** is just as pertinent as **Revelation 22:21**. When God's Covenant People disobey His Word to them, Jesus simply turns them over to the hands of their oppressors, or in this case, their Baal worshipping, multicultural gods, or, their Judeo-Christian deception.

These spiritualists, or, false shepherds, spiritualize the Gospel

to Israel to make it sound more palatable and loving. They preach multiculturalism, diversity, GMOizing the true Gospel to the point that it can hardly be recognized until the people actually start taking a hard look at our nation to see what it has become and the sad results of the false gospel of Judeo-Christianity.

You see, a half truth is still a full lie no matter how you dish it out. **Judeo-Christianity is Talmudism under the guise of Churchianity** packed in “Christian” appearing worship and adulation, but a half truth is still a full lie, no matter how you may package it or color it up. Get rid of Judeo-Christianity and be Solid Rock Christians. I am not kidding or beating around the bush in some speculative way. We must repent of Judeo-Christianity and become Christians, People of the Way, Truth, and Life.

People are always asking me what they can do to help get our nation on the right track? Well for one thing, you can stop supporting and behaving like Judeo-Christians. If that’s what you are doing, just say, **“No, I love our nation and I will quit being a Judeo-Christian and I will quit supporting that which is destroying our beloved nation.”**

You can see it folks, and you are part of the same Adamic family. America, and our other beloved nations of regathered Adamic Israel are being destroyed from within much more than we are being destroyed from without. Yes, I am certainly concerned about the influx of Muslims into our country and what they are doing to us in the name of Allah, but I am even more concerned about what the Talmudic Jews are doing to us that simply goes unmentioned for the most part.

Pardon me for asking this, but do you actually see and understand what the Talmudic Jews are doing and have been doing against true Biblical Christianity for well over one-hundred years and practically nothing is being said about it or

against it? It's as though a police officer is directing traffic, and saying to all the cars passing by, "**Nothing to see here, keep on driving, nothing to see, just keep on driving.**" And while the Talmudic Jews weave their *pharmakeia* (sorcery) the masses keep dancing to the tune of their Judeo-Christian comfort zone. This in reality, is what is destroying our nation, more than the people realize. **Judeo-Christianity, the solution, or, the problem?** I'm warning you dear friends, it is one of the major problems we face as a people and as a nation. It is a lie, it is a cancer, and it is our dilemma.

Here is a picture and text that appeared on blueletterbible.org. It epitomizes the mindset of Judeo-Christianity or Spiritual-Israelism.

Never did this Southern California girl imagine that she would one day leave her native country to marry a Ugandan pastor. Her plan was to remain in Africa only six months, but God had other plans.

Judeo-Christianity, Multiculturalism, Baalism, GMOism is sin., ***COME OUT OF HER AND BE NOT PARTAKERS OF HER SINS.*** Let me be more specific, as I do not want there to be any doubt, Judeo-Christianity is a major part of the Mystery Babylonian Deception that is over people today. Read the following verses:

Acts 11:26

“...And the disciples were called Christians first in Antioch.”

1 Peter 4:14-16

¹⁴ If ye be reproached for the name of Christ, happy are ye; for the spirit of glory and of God

resteth upon you: on their part he is evil spoken of, but on your part he is glorified.

¹⁵ But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters.

¹⁶ Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf.

NOTE, WE ARE TO BE “**CHRISTIANS**” NOT JUDEO-CHRISTIANS OR BAAL-CHRISTIANS, OR ANYTHING BUT “**CHRISTIANS**”.

Numbers 25:1-3

¹ And Israel abode in Shittim, and the people began to commit whoredom with the daughters of Moab.

² And they called the people unto the sacrifices of their gods: and the people did eat, and bowed down to their gods.

³ And Israel joined himself unto Baal-peor: and the anger of the LORD was kindled against Israel.

Notice how “race-mixing” is what God told Israel previously not to get involved with, and low and behold, “***the people began to commit whoredom with the daughters of Moab.***”

Revelation 2:14

But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

Judges 2:11-13

¹¹ And the children of Israel did evil in the sight of the LORD, and served Baalim:

¹² And they forsook the LORD God of their fathers, which brought them out of the land of Egypt, and followed other gods, of the gods of the people that were round about them, and bowed themselves unto them, and provoked the LORD to anger.

¹³ And they forsook the LORD, and served Baal and Ashtaroth.

2 Kings 17:6-9

⁶ In the ninth year of Hoshea the king of Assyria took Samaria, and carried Israel away into Assyria, and placed them in Halah and in Habor by the river of Gozan, and in the cities of the Medes.

⁷ For so it was, that the children of Israel had sinned against the LORD their God, which had brought them up out of the land of Egypt, from under the hand of Pharaoh king of Egypt, and had feared other gods,

⁸ And walked in the statutes of the heathen, whom the LORD cast out from before the children of Israel, and of the kings of Israel, which they had made.

⁹ And the children of Israel did secretly those things that were not right against the LORD their God, and they built them high places in all their cities, from the tower of the watchmen to the fenced city.

2 Kings 17:15-17

¹⁵ And they rejected his statutes, and his covenant that he made with their fathers, and his testimonies which he testified against them; and they followed vanity, and became vain, and went after the heathen that were round about them,

concerning whom the LORD had charged them, that they should not do like them.

¹⁶And they left all the commandments of the LORD their God, and made them molten images, even two calves, and made a grove, and worshipped all the host of heaven, and served Baal.

¹⁷And they caused their sons and their daughters to pass through the fire, and used divination and enchantments, and sold themselves to do evil in the sight of the LORD, to provoke him to anger.

2 John 8-11

⁸ Look to yourselves, that we lose not those things which we have wrought, but that we receive a full reward.

⁹ Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

¹⁰ If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:

¹¹ For he that biddeth him God speed is partaker of his evil deeds.

Psalms 44:10-26

¹⁰ Thou makest us to turn back from the enemy: and they which hate us spoil [rob] for themselves.

¹¹ Thou hast given us like sheep appointed for meat; and hast scattered us among the heathen.

¹² Thou sellest thy people for nought, and dost not increase thy wealth by their price.

¹³ Thou makest us a reproach to our neighbours, a scorn and a derision to them that are round about us.

¹⁴ Thou makest us a byword among the heathen, a shaking of the head among the people.

¹⁵ My confusion is continually before me, and the shame of my face hath covered me,

¹⁶ For the voice of him that reproacheth and blasphemeth; by reason of the enemy and avenger.

¹⁷ All this is come upon us; yet have we not forgotten thee, neither have we dealt falsely in thy covenant.

¹⁸ Our heart is not turned back, neither have our steps declined from thy way; [May this be our prayer as well]

¹⁹ Though thou hast sore broken us in the place of dragons, and covered us with the shadow of death.

²⁰ If we have forgotten the name of our God, or stretched out our hands to a strange god;

²¹ Shall not God search this out? for he knoweth the secrets of the heart.

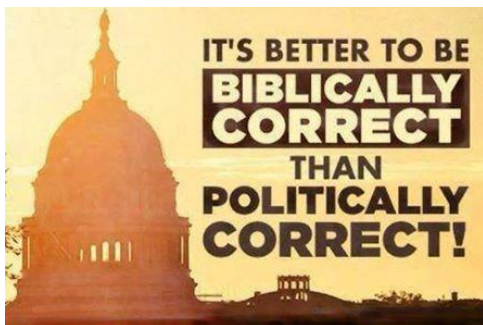

²² Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.

²³ Awake, why sleepest thou, O Lord? arise, cast us not off for ever.

²⁴ Wherefore hidest thou thy face, and forgettest our affliction and our oppression?

²⁵ For our soul is bowed down to the dust: our belly cleaveth unto the earth.

²⁶ Arise for our help, and redeem us for thy mercies' sake.

HOW'S ROMANS 13 WORKING FOR YOU, PASTORS?

By Coach Dave Daubenmire - NewsWithViews.com

I guess I don't understand all the hubbub. Why are Houston's pastors objecting to turning over their sermons to the government? Haven't they told all of us to **"obey the authorities?"**

Doesn't **Romans 13** demand that we obey un-Godly government?

That is what I thought of when I heard the pastors get all riled up about the lesbian mayor in Houston demanding to see their sermons. Hand it over, girls. The government is established by God to do good...remember?

It made me chuckle. Aren't these guys supposed to be "watchmen"? Isn't it part of their job to see the wolf coming and warn the folks? Instead, they have told us that God wants us obeying lesbian mayors...unless it directly involves them.

I'm sorry, but there is a part of me that wants to tell them that they got what they deserve. Funny, isn't it? They only get mad when **THEY** are the ones violated.

The time to close the barn door has long since passed. They thought they were safe hiding from the world inside their stained-glassed fortresses. The devil's spawn has found where they hide and they have finally breached the wall.

"God has not appointed us unto wrath", the pastors foolishly instructed their flocks. **"All we need to do is hide inside this building and wait for Jesus to come and rescue us. Let's keep ourselves unstained by the world."**

"Religion and politics don't mix", they told us. "Our job is to

preach the Gospel, get souls saved, and not pollute our pulpits by talking about worldly matters. This world is not our home."

But, unfortunately, they forgot that we have to live in this world. They neglected the mandate to ***"occupy until I come."*** They ignored the precept that ***"when the righteous are in authority the people rejoice; But when the wicked bear rule the people mourn."***

Jesus hasn't come yet, but the government officials are beginning to. The modern day preaching of Romans 13 has forfeited the Church's authority. The pastor's exhortation to obey wicked government leaders and edicts has opened the gates to a hellish assault upon all things good.

This may come as a shock to you, but Jesus is above Caesar. Render unto Caesar what is Caesars? God owns everything. Caesar owns only what we yield to him.

I'm sorry, but this is not what the Lord had in mind when He went to the Cross.

"Behold, I send you forth as sheep in the midst of wolves; Be ye therefore wise as serpents and harmless as doves. BUT BEWARE OF MEN FOR THEY WILL DELIVER YOU UP TO THEIR COUNCILS AND SCOURGE YOU IN THEIR SYNAGOGUES. And you shall be brought before governors and kings for my sake for a testimony AGAINST them and the gentiles. But when,(NOT IF) they deliver you up, take no thought how or what you shall speak; for it is not you that speaks but the Spirit of your Father which speaks in you...and you shall be hated of all men for my Name's sake."

You shall be hated of all men...when was the last time

that was preached in Houston?

America's pastors have become so heavenly minded that they are of no earthly good. If the devil and his minions are not interested in controlling the world, why is it that everywhere I look...our money, government buildings, entertainment...I see symbols of their Luciferian activities?

Why is the devil so interested in controlling **THIS** world if the Gospel is only about the next world? Why did Jesus call us the salt of the earth and the light of the world if the Gospel has no relevance to the battle for Truth raging in **THIS** world?

Better yet, how can a lesbian get elected to the highest office in the city of Houston in the first place? If we are ***“not of this world”*** what does it matter? If the pastors in Houston are so hell-bent on following **Romans 13**, then why would they object to turning over copies of their sermons? Come on girls, turn over the evidence. Uncle Sam wants to see what you have been saying about him.

I don't know why they are worried. Most of them have not said a damn thing about lesbianism and the frontal assault on Christianity the homosexuals have been engaged in for the last three decades. How do I know? The mayor ran as an ***“out and proud”*** lesbian and got elected. Why would the pastors be surprised when she swings the strong sword of government against her enemies?

The barn door can no longer be closed. The homosexuals own the barn.

It's just the beginning, girls. They are coming for your churches.

You didn't stand up when prayer and Bible reading were removed from the schools. You didn't fight when they legalized the murder of the unborn. You remained silent

when homosexual sodomy was legalized and force fed to your children. You offered nary a peep when our Constitutional rights to free speech and privacy were suspended in the name of security. You blathered on about how **"it will be a cold day in hell when they force me to marry homosexuals."**

Better get your ear muffs and long underwear out; things are beginning to cool off.

They are going to make you marry homosexuals. They are going to throw you in jail and seize your church if you don't. The devil and his kids do not play fair...they play dirty. You're going to experience first-hand whether or not you will avoid **"the wrath"** you assured us we would not have to endure.

Is it possible that the world will continue on without America? Is it possible that our nation is about to be overrun by the enemies of God? Is it possible that our children and grandchildren will live in bondage because their forefathers didn't have the courage to stand and fight while they still had a chance? May I remind you of what Winston Churchill said:

"If you will not fight for right when you can easily win without bloodshed; if you will not fight when your victory is sure and not too costly; you may come to the moment when you will have to fight with all the odds against you and only a precarious chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, because it is better to perish than to live as slaves."

History will record that at no time in world history were a group of pastors more complicit in the advancement of evil than the current crop of man-pleasers currently filling America's pulpits.

Forty million "Christians" voted for the most pro-homosexual,

pro-abortion candidate in the history of America. Twenty million more didn't even bother to vote. Politics is dirty business. Let's not mix the sacred with the secular, pastors tell us. Christians gave us the government we have.

Silence isn't golden...it's yellow.

Sorry girls...obey **Romans 13** and turn over your sermons. It's only the beginning of what is coming.

Clinton Era Email Cited Jewish Law as Defense in Lewinsky Scandal

These were the headlines on a NY Post article that appeared on October 11, 2014. As many of you may recall, Miss Lewinsky is Jewish. Here is what one of the aides who is also Jewish said.

"According to classical Jewish law, President Clinton did not commit adultery; adultery is defined as a married man having intercourse with a married woman, and Monica Lewinsky is single," said the Jan. 27, 1999, e-mail that ended up with White House adviser and political fixer Sidney Blumenthal.

Big Pharma Seeks Legal Immunity for Damages from Experimental Ebola Vaccines

Wednesday, October 29, 2014 by: Ethan A. Huff, staff writer

The same drug manufacturers that stand to profit immensely from the sale of Ebola vaccines say they require full legal immunity from any potential lawsuits that might arise when people are harmed by various adverse effects from these "emergency" drugs.

GlaxoSmithKline (GSK) CEO Andrew Witty told World Health Organization (WHO) Director-General Margaret Chan that his corporation, which is currently leading the way in producing Ebola vaccines, shouldn't have to shoulder any of the burden of responsibility for their safety.

Witty maintains, in other words, that GSK should be allowed full access to the financial benefits associated with selling Ebola vaccines to the public, but with absolutely none of the risk. And his company and others will likely get what they want, since they hold remarkable sway in the political realm.

Man without God always leads to crony capitalism. We should not be surprised by this because God tells us very clearly in **1 Timothy 6:10**, ***“For the love of money is the root of all evil: . . .”*** and that under man's corrupt systems men's lives are valued at the bottom.

The Christian Israel Truth

How to Introduce it Without Scaring the Judeo-Christian

Another perspective by Martha Barley

When talking to Judeo-Christian it is important to remember **that our goal is to share the truth in a way that causes them to question what they have been taught.** Jesus tells us in **Matthew 10:16** *be ye therefore wise as serpents, and harmless as doves.* How many of us have really done that? Don't most of us want to show off what we know rather than carefully lead a friend to the truth? ***Let's change that!***

Jesus calls those who do not know the truth as babes. So we need to feed them milk not strong meat. I want each of you to pray and think before you speak. Please realize the person in front of you is loved by our Father and He has given us the sacred trust of His Truth. He wants us to take that truth to every person He brings to us and as a parent feed the babes ***very very carefully!***

Since most Christians believe that the Jews are God's chosen people, let's not start out telling them that they are not. By doing that we cause them to disregard everything we say from that point forward as Jaye Torgerson laid out so clearly in his article of last month. Saying that the Jews are not Israel is feeding them strong meat rather than milk. When people say we have to bless the Jews, look at them very shocked and say, ***"I didn't know you were a racist."*** The person is going to be dumbfounded at you saying that. They will probably respond that they are not or say, ***"Why would you say that?"***

Share with them that Jesus tells us to judge people ***by their***

fruits. Matthew 7:16; 20. Then have them turn to **Genesis 12:1-3** and point out to them that God is talking to Abram in these verses and not about the nation of Israel. **The nation of Israel does not exist at this point!!!!** Stress to them that God judges people by their fruits and no one gets a free pass because of their ethnicity. Also let them know that nowhere does He say that we are to bless anyone who denies Him. In **Jude 1:4**, we are plainly told:

For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness, and denying the only Lord God, and our Lord Jesus Christ.

Tell them that in fact God gives us very specific instructions when dealing with those who deny Christ.

1 John 1:9-11

9 Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

10 If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed:

11 For he that biddeth him God speed is partaker of his evil deeds.

Then ask them, **"Do some Jews at this time deny Christ?"** They will probably respond that they do, but they will accept Christ later." **DO NOT ARGUE that point.** Instead ask another question, just as Jesus did. Ask them **"When in the Scriptures did God bless Israel when they were denying**

Him?" Share with them that God became the enemy of Israelites when they disobeyed him. Remember when Saul disobeyed God? Samuel told Saul that God was his enemy.

16 Then said Samuel, Wherefore then dost thou ask of me, seeing the Lord is departed from thee, and is become thine enemy?

Then show them the truth about being fruit inspectors even of their ministers!

Matthew 15:16-20

15 Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves.

16 Ye shall know them by their fruits. Do men gather grapes of thorns, or figs of thistles?

17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.

18 A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit.

19 Every tree that bringeth not forth good fruit is hewn down, and cast into the fire.

20 Wherefore by their fruits ye shall know them.

Now at this point in the conversation, you need to do something really, really, hard. **STOP TALKING!** Let everything you have shared sink in. Also, you must listen to them, not just be forming your next argument in your head. Do not interrupt before they are finished. (Something I am very guilty of, but I'm learning!)

If you listen to them, they will then listen to you. Be prepared for them to go on to other points, but always leave the witnessing in hopes of a second, third, and fourth conversation. Don't expend all your bullets in one fight!

Remember our goal is to get them to question the doctrines they have been taught with great kindness, so that they want to talk to us again and again!

Isaiah 43:10

Ye are my witnesses, saith the LORD, and my servant whom I have chosen: that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me.

India Holds Bill Gates Accountable for His Vaccine Crimes

<http://vactruth.com/2014/10/05/bill-gates-vaccine-crimes/>

As Bill Gates faces a lawsuit for the illegal testing of tribal children in India, it appears that his crimes against humanity have finally caught up with him.

A recent report published by *Health Impact News* has reported that the Gates Foundation has found itself facing a pending lawsuit, due to an investigation that is being carried out by the Supreme Courts of India.

Health Impact News stated:

“While fraud and corruption are revealed on almost a daily basis now in the vaccine industry, the U.S. mainstream media continues to largely ignore such stories. Outside the U.S., however, the vaccine empires are beginning to crumble, and English versions of the news in mainstream media outlets are available via the Internet.

One such country is India, where the Bill & Melinda Gates Foundation and their vaccine empire are under fire, including a pending lawsuit currently being investigated by the India Supreme Court.” [1]

The *Health Impact News* article centered largely on a four-page report that was recently published by *Economic Times India*.

Eager to know more, I investigated their story and discovered that the World Health Organization, the Gates Foundation and two organizations funded by them, PATH (Program for Appropriate Technology in Health) and GAVI (Global Alliance for Vaccines and Immunization), have found themselves under fire, after a writ of petition originally submitted to the Supreme Court of India, by Kalpana Mehta, Nalini Bhanot and Dr. Rukmini Rao in 2012, was finally heard by the courts.

The petitioners submitting the petition stated:

“BMGF, PATH and WHO were criminally negligent trialling the vaccines on a vulnerable, uneducated and under-informed population school administrators, students and their parents who were not provided informed consent or advised of potential adverse effects or required to be monitored post-vaccination.” [2]

Young Tribal Girls Tested With HPV Vaccines

The *Economic Times India* published their report August 2014. They stated that in 2009, tests had been carried out on 16,000 tribal school children in Andhra Pradesh, India, using the human papilloma virus (HPV) vaccine, Gardasil.

According to the report written by KP Narayana Kumar, within a month of receiving the vaccine, many of the children fell ill and by 2010, five of them had died. A further two children were reported to have died in Vadodara, Gujarat, where an estimated 14,000 tribal children were vaccinated with another brand of the HPV vaccine, Cervarix, manufactured by GlaxoSmithKline (GSK).

Shockingly, the report stated that many of the consent forms used to vaccinate the girls were signed “illegally,” either by the wardens from the hostels where many of the girls resided, or using thumbprints from illiterate parents.

This travesty was not discovered until a team of health activists from

the non-government organization SAMA, an organization specializing in women's health, decided to investigate what had been going on.

According to the report, they were shocked to discover that a total of 120 girls had been taken ill, suffering from a variety of symptoms, including “epileptic seizures, severe stomach aches, headaches and mood swings.”

The *Economic Times* stated:

“The Sama report also said there had been cases of early onset of menstruation following the vaccination, heavy bleeding and severe menstrual cramps among many students. The standing committee pulled up the relevant state governments for the shoddy investigation into these deaths.

It said it was disturbed to find that ‘all the seven deaths were summarily dismissed as unrelated to vaccinations without in-depth investigations ...’ the speculative causes were suicides, accidental drowning in well (why not suicide?), malaria, viral infections, subarachnoid hemorrhage (without autopsy) etc.”

This information is even more shocking when you discover that the organization funding the study was none other than the Bill and Melinda Gates Foundation, who declared the project a total success.

Read the rest of the article at <http://vactruth.com/2014/10/05/bill-gates-vaccine-crimes/>.

It is difficult to believe that, despite the mounting evidence outlining the many crimes against humanity that have been committed by the Gates Foundation, GAVI, UNICEF and PATH, Bill Gates is portrayed as a hero among many. However, according to the definition of hero in the Oxford Dictionary, the word hero means:

“A person, typically a man, who is admired or idealized for courage, outstanding achievements, or noble qualities.” [12]

The dictionary I used said nothing about vaccinating innocent, vulnerable children with untested and unsafe vaccinations, causing them to suffer agonizing, untimely deaths.

US Foreign Aid by Amount 2012

http://en.wikipedia.org/wiki/United_States_foreign_aid

<u>Country</u>	<u>US Total Economic & Military Assistance \$US Millions</u>
Afghanistan	12,885.50
Israel	3,100.10
Iraq	1,940.10

We received an interesting email and I have put the latest figures I could find above.

I always thought our closest allies would be the ones like England, Canada, Australia, New Zealand, South America that were there with their military as true allies when it was necessary to defend the West. Where was Israel and how many of their planes were shot down, their military ships sunk with thousands of lives lost. Where are they now except to egg us on against their enemies in the Mid-East?

Let us look at some facts that seem to never be a part of the news by any of the screened media and so requires some effort and labor on the part of the individual who is trying to find "the truth, the whole truth, and nothing but the truth." Read if you will some light shed on the subject and do your own homework for confirmation.

Israel receives from the US. the following and more not counting the past.

2010 \$2.75 billion

2011 3 "

2012 3.07 "

2013 - 2018 The US., dept. MOU commitment of \$30 billion

A 45 plus Billion dollar loan from 74 to 03 was waved in 2006

Israel has the very latest and best of military technology and weapons of war that even our allies mentioned do not have and that including nuclear weaponry. The US made available to Israel some very classified military engineering technology that Israel in turn, as reported sold to China for approx. \$4.4 Billion. Since 85 the report is Israel having been granted \$3 Billion a year. They are seeking an additional \$2 Billion from the US for 'land expansion. In 92 there was a 9 Billion loan guarantee.

The question has been asked, why we, the US have been doing this for such a long time? This is not an anti Israel attack but rather making known what has been ignored or deleted so the rest of the story can be had.

Jew and Non-Jew Israelites

Those Who Accepted Jesus and Became
Known as Christians, the Prophesied
New Name for God's Covenant People

Thou seest brother, how many thousands of Jews
there are which believe. Acts 21:20

Why, in following the footprints of the first Christians,
do we discover a paradox? Read how the author explains
why millions of descendants of those "thousands of Jews"
assume they are not Israelites! Are you among them?
