*“You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured and slaughtered millions of Russians without a shred of human remorse.*

*The October Revolution was not what you call in America the ‘Russian Revolution.’ It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated.*

*Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators.”*

## FROM THE PASTOR'S DESK:

My dear Christian Anglo-Israel friends:

I would rather say something funny to provide some comic relief in these days, weeks, months, and even years of our national cursing by Divine Decree from the Almighty, but to make a long story short, we really have not done much towards advocating God's Laws, Purposes, or Judgments nationally.

For example, in this newsletter, you will read some powerful articles, but there is one by this man on our mailing list that certainly deserves our attention. He is an elderly man from the Seattle area who was beaten, and his body abused in some grotesque ways. We certainly cannot hide from the multitudinous monstrosities that are going on today. One lady we met with the other day said, **"They are declaring War on us, and we need to take them seriously."** Friends, let me prepare you. We are on the verge of War because they have declared war on us.

You know folks, if bank robbers with guns drawn targeted a certain bank, and you were a get away driver for the bank robbers, but you weren't, so to speak directly involved with the "robbery," and all of you were caught, you would all be charged with the crime of robbery.

Now let us turn our attention to the various kinds of rioters, looters, and so-called protesters. These "protesters" are not innocent. They are willing participants and accomplices in the gang violence going on. They are far from mere observers,

but are deeply involved partners in crime. They also need to be rounded up as the criminals they are and sent to jail for their participation in these riots and looting. I just have to add, that even if that were to happen it is the MONEY-CHANGERS, who are the more blatant criminals, and they are being allowed by God to get away with their true fraudulent conspiracies for a time. All the enemies of Christ, bankers, Big Pharma, protestors, rioters and any one helping, them fully believe that now is their time to take down America, this New Jerusalem.

In reality, now is our time to respond. Yes, we certainly can and should pray. Some of us may be sent to prison. But some of us may have to draw certain lines and “occupy.” There are many possible situations which may occur, and we should deeply pray about them, even being ready to move if the Lord makes it clear about what you should do. I think it is prudent, if you have not already, to gather food, ammunition, close friends, and look at other possible ways of resistance. I am not saying this is a solution, but it may be. Certainly, be careful who you talk to. I refuse, for an example to wear a slavery mask or distance myself for six feet. This lie has gone on way too long, let us depend upon God’s Holy Spirit and His Holy Word.

---

## **Out of Touch?**

Many people are out of touch with God’s Word and Purposes. Most have either drifted away or never taught the Word for many decades. We need to get back to the Word, His Laws, and learn to be led by the Holy Spirit. We may be distracted by all the tomfoolery going on today, but may God’s Word never be a distraction. I truly believe, as an example, that this so-called Covid-19 is but a Goliath that can be brought down by the simplest of Spiritual Weapon. But the masses may very well continue to idolize or fear this “Goliath.” Their fear and the voluntary wearing of masks, are, in a sense “bowing down to

its assorted images.” Those who are forced to wear the masks for their jobs or living circumstances are not in that category. Truly the enemy can come in many forms and disguises.

What we are basically seeing in all of today’s created magic shows is another form of worship. We are being made to bow down in a subservient way to images people know not, nor understand, but they believe, because they are told “it” is real. You have all seen magic shows. Do you believe such magic is real? It looks real; it dazzles people’s hearts with “the unknown,” but is it real, or imagined? If you believe it is real, you make that magician out to be a “god.” The next step is a form of worship and in a sense, you become their slave.

You most likely are not even aware that this is happening. You buy the premise, your mind is fooled, and the next thing you know, you become a type of slave. Why almost anything becomes possible at this point in your perception, and your minds become altered. Drugs can do the same thing. The next thing you know, you are calling that which is “good, evil—and that which is evil, good.”

(See the next article in the newsletter from a Pastor showing how mask wearing, handwashing, social distancing, and lockdowns are occultic initiation rituals.)

Antichrist communism works very much like this. The Bible warns us to stay away from such evil, because it will become an object of worship and control. God’s Word will lead to Biblical freedom; communism and such will lead to slavery and all manner of evil. Communism is basically just another form of mind control. It messes with our senses by taking a “synthesis and merging it with an antithesis—and forming a new thesis.”

Things are manipulated to form a “reality” that is just another communist “thesis.” Karl Marx may be credited with this, but he merely put additional words to what the Jewish-Kabbalah said long ago. Sometime later, the Babylonian Talmud was

also created from such oral traditions. You see friends, in reality, there is nothing new under the sun, as stated in **Ecclesiastes 1:9**. Solomon clearly was, a wise man.

What we are seeing today in all of its various aspects, is original shall I say not sin, but original deception. We are being made to believe what we are seeing is real, and not some form of magic or manipulation.

Look at all the “slaves” wearing masks. Are they not under a form of mind-control. Are their minds not deceived? Is there an end to their gullibility? What will stop such deception? The Bible Truth through the ensuing presence of Jesus Christ’s Holy Spirit. Jesus plainly said, **“I am the Way, the Truth, and the Life”** in **John 14:6**. He also said in **Matthew 6:24**

***No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.***

You must only pick one is what Jesus is saying. If you do not want Jesus the Christ and His Word, then go with any of the multitudinous ways presented by this world. As for me and my house, as the Word declares in **Joshua 24:14** **“we will serve the Lord.”** Period. No if ands or buts. We stay on the straight and narrow path, which is the Christ and His Word.

**Colossians 3:24**

***Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord Christ.***

**God bless you, Amen!**

If you advocate for the murder of unborn babies, you have no moral standing to judge slaveholders. You, too, believe some people are not valuable enough to treat humanely.

## The World is Upside Down?

Well, this is nothing surprising to any of us. The world has always been 99% upside down, calling that which is “evil, good and calling that which is good, evil.” Specifically, the verses say:

### Isaiah 5:20-21

***20 Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness; that put bitter for sweet, and sweet for bitter!***

***21 Woe unto them that are wise in their own eyes, and prudent in their own sight!***

Those outside of Christ think (for the most part) that they are “*wise in their own eyes,*” meaning their own highly limited carnal thinking. Man’s thinking has always been faulty and full of vanity.

### Proverbs 14:12

***“There is a way which seemeth right unto man, but the end thereof is death.***

Put this all together, and you come up with the fact that man desperately needs Jesus. Plain words, programs, teachings, academics of all forms are not enough. We require Jesus. All the types of man’s wisdom will not get it accomplished or satisfy his needs. It will always require the Holy Presence of the Lord Jesus the Christ and our coming into His presence with praise, honor, and glory. Man seems to always think he knows best, but the sad truth is, he is nothing without Jesus. We must abide in His Holy Word, Spirit, and Truth.

The craziness that is inundating man today is filling his soul with all sorts of thoughts, fears, and inclinations of impending doubts and gloom. But Jesus said in **John 12:46:**

***I am come a light into the world, that whosoever believeth on me should not abide in darkness.***

In other words, we are not abiding in the Light of Christ if we

are thinking and trying to do things apart from Jesus. God's called out and chosen are in fact living in darkness if they are trying to do things by their own effort.

This so called virus, again, whether real or imagined, and I am led to believe it is imagined, is a "darkness" that people have given power over them. People are calling that which is evil, good, and calling that which is good, evil. In other words, they are giving power to something to be considered "evil." By their words, they are living in fear of, may I say nothing, or their vain imagination which has created something out of nothing. We have all seen people driving their cars with masks on, and no one else is in the vehicle. What are they doing, trying to protect themselves from themselves? Such insanity can almost not be believed. It is almost a remake of the movie ***Dumb and Dumber.***"

How deceived can people get? Well I hate to imagine, but this type of insanity has been brewing in our purposefully brain-washing institutes, called public educational institutes for well over forty years. By far, the majority of the people have blindly

*I am much afraid that the schools will prove the very gates of hell unless they diligently labor in explaining the Holy Scriptures and engraving them in the hearts of youth. I advise no one to place his child where the Scriptures do not reign paramount. Every institution in which means are not unceasingly occupied with the Word of God must be corrupt. - Martin Luther*

turned their children and youth over to these mind-altering institutes thinking their children and youth would receive a mostly academic education free of political corruption and anti-Christism. But oh, how wrong they were. We are not called to turn over our children's education to some public school system. Think about those words. Public, means in the hands of the masses, not Christ. A school system means a system, or

a mostly political apparatus which is geared to undermine parental authority and the Lord Jesus Christ and put in its place the ideas of the Communist Manifesto.

In other words, the parents were led to believe through a deceptive process that their children would receive the highest form of education. Instead their children and young people were receiving a highly tainted, dumbed down indoctrination, all in the name of a lie called higher education. Education used to be done by the parents or by the teacher(s) the parents actually hired. Sadly, our ancestors fell for the “free” education lie and abdicated their responsibility to the state. Many parents have taken back the education of their children with home schooling and we need more and more parents and grandparents to take on that task. We must replace the communist indoctrination with Kingdom of God theological inspired Truth which will set us and the next generation free. So the Truth which will set us free must come from the Life Giving Word of God and we must stand on its principles.

We either stand for Jesus and His Eternal Word, or we continue to wallow in the depravity of man. I, for one, chose the Sovereignty of God and His Living undeniable principles which have always and will always continue unaltered throughout time immemorial.

This present age of unenlightenment, of which the New World Order glories in its achievements shall one day cease. Hallelujah! The Bible tells us:

**Matthew 13:22-23**

***22 He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.***

***23 But he that received seed into the good ground is he that heareth the word, and understandeth it; which also beareth fruit, and bringeth forth, some an***

*hundredfold, some sixty, some thirty.*

Seed is what the birds feed on “*among the thorns,*” which in part means the wicked or the enemy. What people, the masses are feeding upon comes from their enemy, and they think its good seed, when in fact, it is poison.

They actually think its somehow coming from the Word of God when in fact it is a seed/soup of red-pottage coming from the enemy meant to bring about our demise. It is all rooted in the love of money, false hope, and promises based upon a lie of fraudulent money, where nothing is real.

But the seed which comes from the good ground (The Kingdom of God) brings forth Good Fruit which is based upon God’s blessings and man’s faithful work in righteousness. Thy Kingdom Come are not idle words of hope; they are Words of Promise which go back as far as Adam and Eve. This same Promise unto the seed of Abraham, Isaac, and Jacob (Israel) people will become a glorious reality.

Anglo and Kindred people, if you want to cleanse this New Jerusalem of the heathen, Sodomites, idolaters, communists, and assorted liars and scum, REPENT AND TURN TO JESUS THE CHRIST AND HIS WORD AND START FOLLOWING HIS PRESCRIBED AND PROVEN METHODS OF TRUE FREEDOM AND LIBERTY.

A word before this next article. This is a very revealing article. This is an abridged version. I know it is long, but do please read it in its entirety. It is written by a Judeo-Christian pastor who believes in a coming anti-Christ and literal Satan, but those references do not detract from the truth revealed. Read it all the way to the conclusion as I whole-heartedly endorse what he says about these initiation rites. As I said in my article, and I wrote long before reading this, that we are being played by Kabbalah magic. Let us not be deceived by their Mystery Babylon sorceries! *Pastor Dave Barley*

## **Occult Ritual Transformation and Coronavirus: How Mask Wearing, Hand Washing, “Social Separation” and Lockdowns Are Age-Old Occult Rituals Being Used to Initiate People Into a New Global Order**

by Steve Barwick | May 19, 2020

In previous Bible studies and commentaries, I’ve documented many times now that our global leaders today are largely occultists. So are the owners of many of our country’s largest businesses and sports franchises. Even celebrities push occultism constantly.

And quite frankly, many Christian churches have been infiltrated by practitioners of Kabbalah, which is a book of Jewish mysticism, magick spells, enchantments, man-made numerology and other esoteric and occult practices that the orthodox rabbis use in the course of their daily lives, and now teach Christian leaders to use, as well . . .

So, let’s start by examining the four distinct, but interrelated, occult rituals that make up this massive global occult ritual initiation ceremony:

1. Ritual Mask-Wearing
2. Ritual Hand-Washing
3. Ritual “Social Distancing”
4. Ritual Lockdowns

### **The Ritual Wearing of the Mask**

. . . Have you ever wondered why, in **Revelation 17:5**, Babylon is called “**Mystery, Babylon**”? You already know that the word “Babylon” means “confusion.” But what does the word “mystery” mean? Here’s what the **Strong’s Concordance** tells us:

**G3466 Musterion** — From a derivative of muo (to shut the mouth); a secret or “mystery” (through the idea of silence imposed by initiation into religious rites) — mystery.

**Don't overlook that.** The word *“mystery”* in the Bible has to do with shutting the mouth as one undergoes a secret religious initiation. Again, it's: **“the idea of silence, imposed by initiation into religious rites.”**

### **Isn't that interesting?**

After all, at this point in time, thirty countries, including the United States, are now forcing their citizens to wear face masks over their mouths on a mandatory basis, ostensibly to help stop coronavirus infections. This, even though numerous medical experts, including the Surgeon General of the United States, have openly stated that wearing masks has no beneficial effect whatsoever against coronavirus. . .

So why are the powers-that-be, globally, forcing their citizens to wear these face masks, if the masks simply don't work against coronavirus, and might very well be dangerous to your health? The answer might surprise you: Masking has traditionally played a very important role in occult rituals.

Among other things, the wearing of the mask over one's mouth is a token of submission...a gesture of your willingness to be subject to others who are not your usual Sovereign. But there is more. According to the *Encyclopedia Britannica*, mask-wearing is:

**“A form of disguise or concealment usually worn over or in front of the face to hide the identity of a person and by its own features to establish another being.”**

. . . In the hierarchy of your heavenly Father, you are a sovereign representative of His Word on this earth. And your job is to speak His Word, on His Sovereign behalf to others. .  
. As it's written regarding our primary duty as Christians:

### **2 Timothy 4:2**

***Preach the word; be instant in season, out of season; reprove, rebuke, exhort with all long suffering and doctrine.***

In short, your job is to teach your Father's Word. And you must be ready and willing to do so at all times (i.e., *"be instant, in season and out of season"*). As such, you must always remain unmasked, because your job — in your earthly role as one of His faithful representatives — is to speak and explain His Word to others. And to do so, you must open your mouth. You cannot be muzzled. You cannot be masked. **Wearing the mask is a powerful occult symbol indicating your submission to another power other than the Creator God** who gave you the direct commission to preach His Word to the world:

### **Matthew 28:18-20**

***18 And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth.***

***19 Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost:***

***20 Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.***

So, in God's hierarchy, you are a sovereign representative of His Word on this earth. And your job is to spread that Word to as many others as possible in the course of your adult lifetime. But in the hierarchy of the ritualists, it's quite the reverse: The entire point of occult ritual mask-wearing is to hammer home to your subconsciousness — until it becomes completely true in your daily life — the idea that things are no longer the same, and will never be the same again. Masks hasten the suppression of ego to help facilitate the death of the old identity before the identification with, and the manifestation of, a new identity.

It's an initiation into a new order. But it's also a transformation of the self into a new position in that new order. Under the sway of the occult ritualist, you, being mouth-masked, are no longer the person you used to be. You're no longer a

designated mouthpiece of God on this earth. You're suddenly demoted and re-assigned to the position of obedient subject. Symbolically, you become a serf in the new order. That's your new role...your new identity... as represented by the wearing of mask. The wearing of the mask is simply part of the initiation ritual used to visually and psychologically signal your consent to this new arrangement. Yes, by wearing the mask, you're signaling your consent to accept a new and very different position in a new global order. . .

They're becoming your instead-of-Christ. Your antichrist. And by placing the mask on your face, you're becoming their unwitting faithful servant. You're being ritually initiated into the new order. You may not realize it. But in occult magic, the victim doesn't have to be knowledgeable of the meaning behind what he or she is being told to do. The performance of the ritual itself – on demand — is all that matters.

So, who, exactly, is doing this to us?

**1 John 2:18 — *Little children, it is the last time: and as ye have heard that antichrist shall come, even now are there many antichrists; whereby we know that it is the last time.***

. . .More from the ***Encyclopedia Britannica*** on ritual mask-wearing:

**"The person who wears the mask is also considered to be in direct association with the mask's spirit force and is consequently exposed to like personal danger of being affected by it.**

**...Upon donning the mask, the wearer sometimes undergoes a psychic change, and, as in a trance, assumes the spirit character depicted by the mask."**

. . .If you don't think wearing the mask quite literally changes people, as the ***Encyclopedia Britannica*** states in the quote above, think about all of the masked "Karens" you've seen

online videos of, wildly chasing people who aren't wearing masks down the road, publicly berating them for not wearing masks, and screaming at them that there's **"blood on their hands"** for not masking up like good little boys and girls always should. Here's one, for example, in which the "Karens" are all big, burly, mask-wearing males, quite literally shoving an elderly gentleman out of a store for not wearing a mask:

Through the wearing of the mask, the occult ritualists have created an army of "Karens" – programmed automatons who take the ritual so seriously that they feel personally and physically threatened when you don't. And they don't mind telling you so. Often vigorously. **The Encyclopedia Britannica** goes on to say about the masking ritual:

**"Usually, however, the wearer skillfully becomes a 'partner' of the character he is impersonating, giving to the mask not only an important spark of vitality by the light flashing from his own eyes but also bringing it alive by his movements and poses."**

In other words, in the end, the mask becomes part of the very identity of those who wear it. The occult transition becomes complete. The "new you" is born from the ritual. The **Encyclopedia Britannica** further states:

**"But often the wearer [of the mask] seems to become psychologically one with the character he is helping to create. He seems to become an automaton, without his own will, which has become subservient to that of the personage of the mask."**

. . . But unlike the time of the Babylon Captivity, today's coup against God's People, and today's ongoing overthrow thereof, is, so far, being accomplished without conventional warfare. So, the people, by-and-large, don't even realize the depth and severity of the attempted coup against them, because it's being accomplished almost solely through occult ritual

deception. Which is why God's Word warns us that there will be times we can't even trust our own neighbors. As it's written:

### **Jeremiah 9:4-6**

***4 Take ye heed every one of his neighbour, and trust ye not in any brother: for every brother will utterly supplant, and every neighbour will walk with slanders.***

***5 And they will deceive every one his neighbour, and will not speak the truth: they have taught their tongue to speak lies, and weary themselves to commit iniquity.***

***6 Thine habitation is in the midst of deceit; through deceit they refuse to know me, saith the Lord.***

First, the powers-that-be deceive your neighbors into putting on the mask. Then your neighbors, thinking they're doing right, work to push you into doing the same, using peer pressure and "virtue signaling." And if you refuse to be deceived, as they are, they'll slander you, turn against you, and work to supplant you. Does this sound at all familiar to you? Tell me again, how many cities and states now have highly-publicized "snitch lines" in which your neighbors can call up and report you for not wearing a mask? One U.S. city alone is said to have registered an astonishing 200,000 "tip-off" calls on their snitch line in a single week.

Yes, it is just an updated version of what the **book of Jeremiah** tells us has happened before. Neighbor being turned against neighbor. In this case, over their failure to perform a prescribed ritual. Like the old movie, Invasion of the Body Snatchers, your own neighbors end up as mind-controlled "pod people" who want nothing more than to drag you into the interconnected pod hive with themselves and all of the other victims of mind-control, happily betraying you (and your God-given freedom and position) in the process. . .

And here's one little thing in particular they'd love you to keep silent about: Caption on box of standard face masks: "**This**

*product...will not provide any protection against COVID-19 (Coronavirus) or other viruses or contaminants” ...*

Yes, they even admit right on the box holding the face masks that they don't work for coronavirus. So why would they force you to wear them under penalty of law? **Because**, in the grand scheme of things, **wearing the mask has nothing to do with coronavirus**. It has to do with initiating you into the new global order, and your new place within it. Finally, as the occult website, Occult-World.com, states about the wearing of masks:

*“... Ancient peoples understood well the power of the mask. Evidence of mask-wearing in prehistoric societies shows that masks may have been intended to transform the wearer magically.*

*“... The mask has been revered as a sacred object of power, a living thing that either has its own persona or represents the persona of another being. It enables the wearer magically to bring to life, and even become, the persona or spirit being represented by the mask.*

*“...The mask is a mediator between the ego and archetype, the mundane [i.e., worldly] and the supernatural, the sacred and the comic. It connects the present to the past, the individual to the entire collective of race, culture, country—and humanity.”*

In other words, mask-wearing is symbolic of the silent acceptance of humanistic one-worldism under Satan. What might that eventually look like? How about this: The precursor to **Revelation 13:15**?

***“And he had power to give life unto the image of the beast, that the image of the beast should both speak, and cause that as many as would not worship the image of the beast should be killed.”***

. . . Surely, by now, you understand that the mask-wearing has nothing to do with coronavirus, but instead, with the filthy pagan and occult beliefs of our present overlords who are seeking to make us their willing slaves through psychological programming, aka occult ritual programming. Hey, don't be surprised. This is what occultists do. Like the story of the lady who rescues the hapless snake, only to have it bite her later. But when she asks the snake *"Why did you bite me?"* the snake simply replies, *"Because I'm a snake, lady. That's what we do."* In making you wear the mask, the powers-that-be are initiating you into their new order. They're demoting you from your position as a sovereign representative on earth to the Most High God, to your new position as a dependent slave to their system, aka, their *"Mystery, Babylon,"* which could very simply be translated: silent confusion. **Can the power of this occult ritual be stopped? Yes, it can.** And quite easily, for any Christian. As a Christian, you can simply opt-out of the ritual. Stop participating. Withdraw your consent!

### **Ritual Daily Hand Washings**

. . . So, what about the other rituals they've imposed upon us, such as the daily ritual washing of hands? Perhaps you've dutifully washed your hands eight or 10 times a day now, for months on end, thinking it's a way to keep *"the virus"* from infecting you. And yes, there's indeed some truth to the idea of washing one's hands to help prevent the spread of an infectious microorganism. But... in reality, for the purposes of occult ritual initiation, the powers-that-be have you symbolically washing your hands of your duties to Christ Himself.

**To the occultists, this forced occult ritual washing of the hands reverses Pilate's public handwashing ritual, which, for the last 2,000 years, has put the onus for Christ's death on the hands of the ritualists themselves, and absolved Christ (and the Romans) of all guilt:**

**Matthew 27:24** — *When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, I am innocent of the blood of this just person: see ye to it.*

Pilate performed a ritual washing of his hands in front of all of the people of Israel as a means of placing the responsibility for the Lord's death directly on the heads of those who made sure He would be crucified. Now, the powers-that-be in this day-and-age – who are descendants of those very same earthly powers who slew Christ on that cross at Calvary — have you working each day, in occult symbolic ritual, to reverse the impact of Pilate's original ritual hand-washing, as well as his pronouncement of Christ's innocence.

. . .When you fall for the hand-washing ritual, you're symbolically washing away your old life, under Christ, in willing acceptance of your new life under the new order of the enemy and his "many antichrists" who have been pulling off this coup from the start. [Editor's note: I added the "ist" to Social Distancing because it is socialist not social.]

### **The "Social(ist) Distancing" Ritual**

. . . what does the "*social(ist) distancing*" ritual signify? This one's almost too easy to spot: Right off the bat, the use of the magical number six – as in six feet apart — should set your Spidey senses on edge, meaning, of course, your God-given discernment.

**After all, there's no more widely used occult number in the world than the number "six."** As you know, the antichrist's very number is "six hundred, three score and six," or **6-6-6**.

**"Social(ist) distancing" as state-mandated humiliation.** If restaurants carrying out the governors' edicts can get you do participate in this "new normal," it's a clear message that the government can do anything to you without repercussion. The

powers-that-be assure us that if we'll all walk six feet apart, we won't catch coronavirus. Do you really need me to explain why that's a bunch of hogwash? Are you not aware that there are already MILLIONS of viruses in every breath of air you take? No matter where you walk, those viruses are there – somewhere between 1.6 million to 40 million viruses in every cubic meter of air we pass through as we walk. . .

Well, try this on for size: Each of us are individual, but integral, parts of the many-membered body of Christ. We don't just walk with Christ. True Christians walk in Christ.

***Colossians 2:6-7 Therefore, as you received Christ Jesus the Lord, so walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.***

But symbolically speaking, the ritual of “*social(ist) distancing*” — at the magical “*six feet*” apart – is the part of the initiation ritual that SEPARATES YOU from Christ. Rather than walking in Him, as His personal representative on this earth, you're now symbolically and ritualistically separated from Him. Like Kevin Bacon and his Six Degrees of Separation.

Six feet from the Father. Six feet from the Son. Six feet from the Holy Spirit. Yes, that's **6-6-6**.

The occult ramifications are undeniable. But that's not all: Each individual Christian must remain six feet away from all other Christians. Do you understand what the powers-that-be are doing, ritualistically and symbolically? Let me explain it: As a member of the Body of Christ, you're supposed to be an integral part of the “*whole body fitly joined together and compacted by that which every joint supplieth...*” As it's written in **Ephesians 4:16**.

***From whom the whole body fitly joined together and compacted by that which every joint supplieth, according to the effectual working in the measure of every part, maketh increase of the body unto the edifying***

*of itself in love.*

The term “*fitly joined together*” in the above verse means “*joined, joint-to-joint*” or “*close-jointed.*” The word “*compacted*” in the above verse means “*united.*”

In other words, Christians are supposed to come together, sinew-to-sinew and joint-to-joint, tightly united in the Body of Christ. And through preaching His Word, we’re to help bring others into the tightly-knit body to help the body grow. But the occult ritual initiation rule of six feet of separation symbolically neutralizes this command. (Remember, this is a form of occult magic. Symbols are everything in occult magic.) It puts arbitrary man-made distance between those who are supposed to have no distance at all between them. It rips the metaphorical body of Christ apart at the seams, symbolically speaking. It separates the “*joints and sinews*” that are supposed to be so tightly knit together.

But as a well-studied and faithful Christian, you know there’s absolutely nothing on this earth that can separate you from the love of Christ (**Romans 8:35-39**). And that especially includes some stupid occult ritual. Nevertheless, ritual occult magic is what the powers-that-be do. They glory in it. Their Kabbalah is full of it. It’s what they’ve done for thousands of years. . .

Centuries ago, they brought their occult ritual Kabalistic magic all of the way back from Babylon. Now they’ve opened the ancient books. And they’re unleashing the rituals in the final days of this flesh earth age. And the worst part is this: It’s actually working. People are falling for it because of the sheer depth and breadth of the deception. And all of this over a virus with a 98.5% survival rate! Talk about putting people into a global trance!

In the end, the ritual of forced “social(ist) distancing” is designed to symbolically negate or neutralize God’s Word in a multitude of ways:

By eliminating fellowship between believers...

By stopping church services worldwide...

By causing faithful church pastors to be cited or even arrested for holding church services...

By causing faithful congregants to be cited or even arrested for attending church services...

By symbolically tearing apart the mystical and metaphorical Body of Christ, which is supposed to be “fitly joined together and compacted.”

In **Amos 3:3**, the prophet asks a very simple question:

***Can two walk together, except they be agreed?***

Well, two Christians can't “***walk together***” if the powers-that-be can force them to walk six feet apart. We're building a many-membered body, folks. A living temple of Christ, with each brick pressed up against the next like the sinews running through your physical body. As it's written in **1 Peter 2:5**:

***Ye also, as lively stones, are built up a spiritual house, an holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.***

But you can't put together a many-membered body – a living temple of God on earth — if you can't press the bricks up close to each other in the building process. You know what happens when there are gaps in the seams between the bricks: It gives the “rats” an easy way to get into the temple.

The bottom line is that the “*social(ist) distancing*” ritual is symbolically designed to physically and spiritually limit the impact of Christianity on this earth, and put a halt to the growth of the many-membered Body of Christ in the final days of this flesh earth age. It's a very clever ritual. But here's one thing the powers-that-be have overlooked: ***“What therefore God hath joined together, let not man put asunder”*** (**Matthew 19:6**).

God has been putting together His many-membered body in Christ for some 2,000 years now. And we've all worked hard to help build it further. So that's our command for these times:

***“What therefore God hath joined together, let not man put asunder.”*** And we follow that command by exposing the occult rituals of the powers-that-be. We stop participating in the global rituals and their components. And we resume our work for the Lord. We walk together, in Christ, tightly knit. Never six feet apart, physically or spiritually. And whatever you do, don't let the “Karens” of this world get your goat on “social distancing,” either. It's not their business where, or how, you walk your walk in the Lord. But always know that these thoroughly addled, out-of-work hall monitors are out there, and they despise you for your choice of not consenting to the new order:

### **The Ritual of Lockdowns and “Social Isolation”**

*“Stay home. Stay safe. Save lives.”*

That's what we're being told, anyway. Yet a recent study of NY area hospitals demonstrates that a whopping 66% of all coronavirus hospitalizations have been among people who wore masks, washed their hands, practiced six feet of separation, and stayed home. In other words, the vast majority of the hospitalizations were among people who followed the rules, prompting the Daily Mail to ask in a headline news article, *“Does lockdown even work?”*

Draconian *“lockdowns”* for pandemic flus were rejected as ineffective and destructive, in a seminal 2006 paper, on infectious disease & socioeconomic grounds, by serious, experienced epidemiologists, led by D.A. Henderson, former Dean of Johns Hopkins School of Public Health — the man who eradicated smallpox.

(See <https://www.thegatewaypundit.com/2020/05/study-led-d-henderson-man-eradicated-smallpox-finds-draconian-lockdowns-flu-pandemics-rejected-ineffective-even-destructive/>)

And if lockdowns don't work, then why on God's green earth are our global overlords making us *“stay at home”*? From an occult point-of-view, there's an answer: Lockdowns are little

more than social isolation rituals, performed for the purpose of “purifying” the initiate so he can enter the new order unimpeded by things of the past no longer considered, by the powers-that-be, to be beneficial to the initiate.

There are basically four stages to an isolation ritual:

**Stage 1: Isolation for purification** (you’re cut off from the normal, and thrust into a “new normal” that’s completely different than your past life)

**Stage 2: Surrender to the “new normal.”** This often involves being given a token gift (think “stimulus check”) leading the initiate believe he’s being well-taken care of by his new overlords, so there’s no need to rebel against the new order one is being initiated into.

**Stage 3: Sacrifice.** No gift can be given without something being taken. In this case, your dignity...your sovereign independence...your voice...your individual power on this earth as a representative of the Word of the Most High God – all of these things, and more, are being taken from you in exchange for the cold “comfort” of a new way in a new world.

**Stage 4: Submission.** Think: Mandatory vaccines. Social tracing. The willing acceptance of new rules for a new order.

Once again, the idea is that the “new person” being initiated into the “new order” needs to be psychologically, if not physically, purged of the old way, before gradually being initiated into the new way. . .

### **In Summary**

So, there you have it. The world today is undergoing a four-part occult ritual initiation and transformation ceremony – largely conducted through symbology, as virtually all occult rituals are – and designed to bring everyone, willingly and subserviently, into the new global order.

The global occult ritual of mask-wearing signals your consent to your new, subservient position, under your new masters, and the loss of your position as a vocal representative of, or mouthpiece for, the Word of God on this earth.

The global occult ritual of handwashing represents the washing away of the old order (i.e., the Christian Order you once belonged to), so a new order can be ushered in and firmly established.

The global occult ritual of six feet of “social distancing” symbolizes the breaking apart of the Body of Christ on earth, so it no longer functions as a stable and cohesive unit.

The global occult ritual of lockdowns symbolize isolation from everything normal so you can be “purified” from your old ways...surrender your former status to the new order...sacrifice your very self to the new order...and finally, willingly submit to the new order through obedience to it. . .

The whole thing is being accomplished through a massive, global, theater-like stage play replete with occult rituals that virtually everyone, with the exception of God’s elect, are willingly participating in, ignorant of their true meaning and ultimate purpose.

### **The Mark of the Beast**

All told, these ongoing occult initiation rituals – the wearing of masks...the washing of hands...the six feet of separation...the lockdowns — are the direct precursor, if you will, to accepting the Mark of the Beast. Now, the Bible tells us that the Mark of the Beast is placed in the forehead and on the right hand (**Revelation 13:16-17**) of those who willingly take it. I’ve often asked myself how so many people – the entire world, actually, with the exception of God’s elect — could possibly take the Mark of the Beast, willingly, since it’s quite literally the most well-known occultic “mark” the world has ever known. . .

But what if the infamous Mark of the Beast is not a visible mark, at all? Not a vaccine. Not a tattoo. Not a “*quantum dot.*” Not a scarred brand on seared human flesh. But instead, an invisible, spiritual mark? . . .

### In Conclusion

The short, 12-minute video, titled “***The Characteristics of an Initiation Ritual,***” synthesizes some of the most pertinent points I’ve tried to explain in this commentary. It’s well worth the listen: <https://youtu.be/3RVG8qNLdoY>

The bottom line is this: You can choose to become another brick in the wall of this fledgling global order they’re trying so desperately to usher in (and which, I believe, will ultimately fail, based on **Daniel 11:14**). Or, you can choose to remain a living stone in the Temple of the Most High God (**1 Peter 2:5**), and stand firm in your purpose as a vessel through which His Word is transmitted to others. That is your eternal destiny, IF you’re not talked out of it through deception.

## Front Line Report From Believer in Seattle

“Please pray for me. I am surrounded by very hateful and violent people. Black Lives Matter and Antifa rioters have had my building surrounded for three weeks and are threatening and harassing white tenants. I am so far the first to be violently assaulted. My head is all strapped together and my right ear had to be sewn together and back onto my head. The perpetrators were a black man and a white bull dyke who filmed the assault. These assaults are filmed and shown on YouTube or something. I remember being picked up off the grass and haled off to Harborview Trauma Center.

Our lesbian mayor refuses to do a thing about the rioters and the City Council encourages them. Governor Inslee told President Trump to go to hell when he tried to send help. Day and night, 24/7, horrendous blaring gang banger rap is assaulting my ears. There is NO sleep, No rest and Native people have joined the Fray with Drumming and yowling. All this under my apartment windows as they face the park. An otherwise pleasant place to live in now a living hell on earth. I’m now under care for PTSD and anxiety. It’s very hard to write as my hand shakes. I shake all over and if I eat I can’t keep it down.

I am a 74 year old visually impaired man and only tell you this to warn your congregation to please, please be careful and pray. Things are going to get worse in the fall. These devils are planning to kill many whites and burn cities until then. They are using “psychological

warfare” as they call it to terrorize us and weaken us. We must pray for a Christian Revival in America. Turn our face to God and He will see and hear and heal this land. Please know that I am in an advantageous place to see and hear their plans. I am in the eye of the storm in Seattle. My hope is that President Trump will order Federal Government to step up and put down the nationwide killing, vandalism, and violence. The medical staff at Harborview and the police who came to me were ANGELS. So kind. Pray for them. The News Media is not reporting all.” DF, Seattle, WA

## A Scientific Look at the Mask Fallacy – and Why We’re told to Wear Them

By Daniel Bobinski M.Ed. is a certified behavioral analyst, best-selling author, columnist, corporate trainer, and keynote speaker. He’s also a veteran and a self-described Christian Libertarian who believes in the principles of free market capitalism – while standing firmly against crony capitalism.

<https://uncoverdc.com/2020/07/15/a-scientific-look-at-the-mask-fallacy-and-why-were-told-to-wear-them/>

Imagine a large grizzly bear is terrorizing your neighborhood. You have a powerful bear gun and potent bear spray that will make the bear go away or allow you to eliminate it if it attacks you. But your government tells you not to use those tools. Instead, they insist you camouflage yourself, hunker down, and hope the bear doesn’t get you.

That about sums up Covid-19 in America. We have powerful methods for getting rid

of the virus if one gets a bad infection, but instead we’re told to wear masks and stay six feet apart. Oh, and no large gatherings, either – unless you’re protesting. Let me first briefly discuss reliable tools for getting rid of a Covid infection, and then we’ll examine the efficacy of masks.

## Tools for Fighting a Covid Infection

It is unfathomable to me the number of people who believe fear-mongering politicians and their media cohorts who convey the idea that catching Covid is a death sentence. To quote Dr. Vladimir Zelenko of New York:

**"COVID is very real. But if we treat it early and the right way, it's nothing to fear. I saw early use of zinc, hydroxychloroquine, and azithromycin result in an over 99% survival rate in my COVID patients. Don't let professional scaremongers dictate the narrative."**

The treatment Zelenko is talking about has become known as The Zelenko Protocol, which leads to a 100% survival rate in low-risk patients and a 99.3% survival rate in high-risk patients. What's a high-risk patient? Zelenko says anyone age 60+ with symptoms and those under 60 with comorbidities or shortness of breath. The protocol's success comes from treating on clinical suspicion, which means not waiting for test results. If a high-risk person presents with symptoms, start the protocol right away so the infection doesn't have time to get a strong foothold. And what is the protocol? It's a low-cost (usually \$20) prescription.

**Hydroxychloroquine 200mg 2x/daily for 5 days**

**Zinc sulfate 220mg 1x/daily for 5 days**

**Azithromycin 500mg 1x/daily for 5 days**

Another tool gaining attention is using a nebulizer for inhaling the corticosteroid Budesonide. Normally used for treating asthma and chronic obstructive pulmonary

disease, Budesonide inhaled through a nebulizer combined with zinc has produced a 100% Covid recovery rate for patients of Dr. Richard Bartlett of Midland, Texas. At least one hospital has cleared its ICU of Covid patients by using Bartlett's protocol.

Bartlett wrote that he chose Budesonide over other corticosteroids because "*it appears to block most of the cytokine storm inflammatory chemicals that Covid-19 triggers.*" He also says, "*100% of [his] patients appear to be symptom-free following a course of inhaled Budesonide therapy.*" Bartlett has published a Case Study Report for people to review.

### **The Mask Fiasco**

While many doctors across the country are using these protocols successfully, other doctors – and even some states – are refusing to shoot the bear. They just want us to use camouflage – to mask up and hope the virus doesn't get us. In ping pong-like fashion, we've heard conflicting stories on masks. We have video of Anthony Fauci telling us that masks are useless for preventing viral spread, and then we have video of Fauci telling us facial coverings will prevent the spread. We have the World Health Organization telling us not to wear masks unless we're sick or caring for someone who is, and then we have them telling us the public should wear masks.

A little digging revealed a likely reason for this change of advice: Neither the CDC nor the W.H.O. suggest any Covid outpatient treatments. In other words, these

agencies have zero suggested treatments for Covid UNTIL an infected person lands in the hospital.

With this, one can understand why they started recommending masks. These organizations will make big bucks once vaccines come out, so it makes no sense for them to promote the Zelenko Protocol or Bartlett's Nebulizer Protocol. Yet because these treatments have been successful against Covid, the powers that be had to do something.

### **Follow the Money**

If you'll recall, back in March the coronavirus task force told us everyone would be exposed to the virus, but by closing non-essential businesses and staying home for two weeks, we would flatten the curve and not overwhelm our healthcare systems. Of course, we now know that was a bait and switch.

Here's my translation of the 40,000-foot view:

1. Big pharma and other organizations will make big bank on vaccines, so any competing treatment must be pooh-poohed.
2. The CDC, WHO, and big pharma don't have an outpatient treatment recommendation, but they still need to look like they're doing something, so they changed their story on mask efficacy.
3. By making masks mandatory, multiple psychological effects are engaged, such as (a) people believe non-mask wearers are spreading the infection and (b) if we'd all just obey the

government, everything would get better.

4. Which leads to, "*Hurry, government - bring us a vaccine so we can go back to normal.*" (see # 1)

### **Facts on Mask Efficacy**

Until recently, the overwhelming percentage of doctors recommended against masks for anyone who wasn't sick or caring for someone who was. Consider that on May 21 of this year, the highly respected New England Journal of Medicine stated, "*We know that wearing a mask outside health care facilities offers little, if any, protection from infection.*"

Consider the report by trauma & emergency physician Dr. Kelly Victory, who said, "*[T]here's no scientific justification for normal healthy people to be wearing masks.*"

***Okay, those are statements. What about studies?***

As I dug for scientific articles both in favor of and against the wearing of masks (I really do strive to understand both sides of an issue), I came across a thorough meta-analysis of extant studies on mask efficacy. The work was conducted by Denis G. Rancourt, Ph.D., and by reading his paper, "*Masks Don't Work: A Review of Science Relevant to Covid-19 Social Policy,*" you will save yourself hours of boring library research.

In an interview Rancourt did with Del Bigtree on *The Highwire YouTube channel*, Rancourt gave an overview of his research, saying: "*If you use only proper studies - randomized, controlled trials with verified outcomes - they all unambiguously say that there is no statistical evidence of*

*a benefit in terms of reducing risk of getting a viral respiratory disease. They all say it."*

Rancourt also says the current narrative about wearing masks to prevent spreading Covid is simply "a river of talk, it's a river of posturing, it's a river of policy statements." He says you can't just ask people in a study if they had the sniffles last week. You have to determine if people really got sick.

*"[I]f you look at those [studies]," Rancourt says, "and there have been many of them over the last decade, none of them show a statistically significant advantage to wearing a mask compared to not wearing a mask."*

For those who want to dig deeper, Rancourt's article contains links to each randomized, controlled trial on mask efficacy, and it's a recommended read. Are there detriments to wearing masks? Absolutely. Lower oxygen levels is one result.

A 2006 study showed that reduction in blood oxygenation (hypoxia) and/or an elevation in blood CO<sub>2</sub> (hypercapnia) can create painful headaches for people required to wear masks all day. It should also be noted that people with asthma or hypotension are at a greater risk of stroke, cardiac arrest, or an irregular heartbeat when suffering from hypoxia.

Consider what Jennifer Cabrera, Editor of a Florida newspaper did. She says, **"I sent a pulse oximeter to work with a 23-year-old man who works in an open kitchen over a grill."**

Here were the readings throughout the day:

**Before shift: 99% O2**

**After 3.5 hours of wearing a mask: 93% O2**

**After 7 hours of wearing a mask (feeling dizzy): 88% O2**

There's also psychological trauma that can be triggered by mandatory masks. People who have been robbed at gunpoint by masked individuals are reporting traumatic reactions to masks, and women who have been sexually assaulted are reporting the same.

### **States are Creating Their Own Crisis**

The point to remember is all the properly conducted studies – randomized, controlled trials with verified outcomes – all say there is no statistical evidence of a benefit in terms of reducing risk of getting a viral respiratory disease. But also remember the story about the bear. When weapons are available to fend off the bear, but people are either ignorant about them or told not to use them, people die unnecessarily. Health care workers wear masks around Covid patients all the time, and yet health care workers get infected.

Tragically, some states have banned doctors from prescribing the Zelenko Protocol, and worse yet, some doctors don't even know it exists. This is a travesty, because even health care workers are dying unnecessarily. It makes zero sense to hide behind a mask when tools for fending off the bear are readily available – but aren't being used.
