## FROM THE PASTOR'S DESK:

### Branson Conference Postponed until October 9-11

Due to the CDC rules limiting meetings, the Branson Conference had to be moved until October.

### LET'S SEE, THE GOVERNMENT WANTS WHAT?

First, we will get through this. ***BE NOT DISMAYED, GOD IS WITH US.*** There is a Scripture verse which says, ***And the LORD commanded us to do all these statutes, to fear the LORD our God, for our good always, that he might preserve us alive, as it is at this day.*** Deuteronomy 6:24.

**May we strongly and emphatically and prayerfully remember this!**

I also have to say, even if this is a type of conspiracy, this virus is real and therefore a threat, but I believe it is a planned and planted virus. Now, is it the threat to the extent which we are being told? Well, this remains to be seen. But what is more of a threat is the demise of our economy and martial law.

What is happening is a real and serious threat to our economy. The downfall of our economy is as serious as it can be. It is far more serious than some virus that many people are panicking over. The devastation because of this economic disaster will haunt us for years.

Some are predicting that a Jubilee will follow. I have more than one reason to doubt this. However, if that happens, I will be thrilled. As of right now, the people still have more faith in the

federal government and media than in God. There is very little true repentance going on. Most Christians don't even know YHWH'S statues, commandments, and judgments. Christ said over and over that if we love Him, we are to keep His commandments, which certainly involves faith in Jesus Christ. The faith He plants in us gives us the ability to keep His Commandments.

Now as for the general mob, how far are they willing to go? Benjamin Franklin said, **"Those who would give up essential liberty, to purchase a little temporary safety, deserve neither liberty nor safety."**

We can see that they are censoring certain words, phrases, and conversations, especially by the mob control media. They are trying to limit us to that which goes along with a prescribed agenda. I appreciate President Trump fighting against the PC Crowd by calling this virus the China Virus.

With that being said, the following is not specifically against President Trump. In many ways, he is only going along with certain things thrown at him by various agencies. God only knows what all he has been up against and his personal struggles.

That being said: Did you recently see the rather large team of the President's emergency council which included the Vice-President, various doctors and counselors talking to the American public without masks telling us what we should be doing which included staying at least six feet away from each other? I thought it was funny that they were not wearing masks or practicing "social distancing" and neither were the media people that were there. But they said, we should close down restaurants, bars, sports gatherings, and so forth. But they did not say that we should close down the government. I think that it would be a good idea to close down Congress and the Senate for starters—What do you think?

I don't think the INSANE \$4 Trillion bailout that they are proposing will help. Usually, when government does that stuff, it makes things worse. I know it is all fraud money anyway, but the end results will be more debt and more controls put on businesses. Most true conservative like Rand Paul and Thomas Massie are also opposed to it. The government tell us we should not shut down medical staff, police forces, IRS offices, the Federal Reserve Bank, and other entities and isn't it interesting that these so called essential offices are those entities that can take more power to themselves through this fear.

I did find it interesting that they considered schools not essential, so they are closed. I pray that many people learn how to home educate and keep their children home even after this is all over. I also pray that some of those who were attending college will also stop going to college over this mess.

When you listen to their fear mongering, you wonder why don't we close the grocery stores as well as we could certainly "catch" the virus there, eh? The coronavirus, or China virus, or CIA-virus, or Illuminati-virus, or whatever, will spread! But again, the President didn't seem all that worried, and there were no precautions applied when he was gathered with his staff.

It is now being called a new "superbug." Yes, I must say it bugs me. The World Health Organization for one, bugs me. And please take note, it is a world organization! The West Nile, SARS, Swine Flu, Zika, and others were all man-created, viruses like these are not natural. They are created. They, to a large degree, want to give the medical establishment more power and control over our lives.

I do want to add the most important aspect, but our Source, the Bible tells us **NOT TO FEAR THESE THINGS**. Let us remember this.

I recently sent out a notice basically repeating what President Roosevelt said, "**The only thing we have to fear, is fear itself.**" While not entirely true, the basic concept is fear is our enemy. More liberties are stolen when we fear.

More people have died and are at present dying of the almost never mentioned influenza-virus or regular old flu. Did you know that 60 million Americans had the swine flu back under the Obama years? Why didn't we shut things down then? I didn't even know that many had it when living through those years.

Sadly, most people who are easily influenced are stricken with fear whenever the name corona (or China) virus is mentioned. Think about it. Mere words strike fear in most people's hearts and they allow the scripted words of the media to cause them to function in a panic mode. Of course, we have many reasons for believing the Deep State is involved in this created epidemic.

Now there are wild rumors that perhaps it is a bat type of flu. First of all, I would doubt this because the Chinese have been eating bats for hundreds of years. I believe there are probably several agencies involved in creating this virus and they have been stirring up the frenzy and hysteria to gain more control over the people. Empty streets are not evidence of something we need to fear. It is evidence of something that we do not need to fear. We see evidence of this lie and fear that they are spreading. It is an empty fear.

I cracked up at the sight of all the panic-buying, especially toilet paper and such things. People did go out and purchase large amounts of ammunition and that was pretty smart. Because people may be put in a position to have to kill for some meat.

By the way, a Homer Simpson cartoon from long ago was sent to me about creating such a virus. In the episode, they injected an NBC executive with a virus, which caused a created

epidemic. Gee, so, why should we be highly skeptical?

Also, and pay close attention to this, back in 1981 a book was written by Dean Koontz titled ***The Eyes of Darkness***, and on one of pages he wrote:

**"...Li Chen defected to the United States carrying a diskette record of China's most important and dangerous new biological weapon in a decade. They call the stuff "Wuhan-400" because it was developed at their RDNA labs outside the city of Wuhan, and it was the four-hundredth viable strain of man-made microorganisms created at that research-center.**

**"Wuhan-400" is a perfect weapon...**

**...In around 2020 a severe pneumonia like illness will spread throughout the globe, attacking the lungs and the bronchial tubes and resisting all known treatments. Almost more baffling than the illness itself ..."**

President Trump did call for a Day of Prayer and I commend him for that. However, that is not the only answer. We need a national period of Prayer and Repentance, a true turning back to God, His Bible, spending time with family, canceling our national debt, canceling our tax burdens, telling our government officials to go home, and telling all 501-C3 churches they are no longer needed because we need more true Bible gatherings. That's just for starters.

My main problem is with this coronavirus frenzy. How was it created in the first place, how did it spread, why is our government and media so caught up in this idea and spreading of this idea of a pandemic? We certainly can be a non-believer in the way this epidemic is being handled. But you may say, **"People are dying, and look at all the coughing, sneezing, and high temperatures."** Well, let's see, all my life I have had coughing, sneezing, and high temperatures with the

cold and flu and we have never shut down things like now.

Three months ago, my wife, came down with a severe case of Flu B which was identified by a doctor in a clinic while we were on vacation. She had high temperature, chills, and aches. We certainly did not take any shots for this and she was sick for about four days, and I took care of her and we did stayed isolated as the Bible prescribes until she was well. Thankfully, none of us around her got the flu from her.

Remember those seeking control want you all to live in fear of catching the coronavirus. But what does God say?

Here are a few verses:

**Revelation 18:4-5**

***4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.***

***5 For her sins have reached unto heaven, and God hath remembered her iniquities.***

Israel was told the curses of not following God and this is just a part of those curses.

**Deuteronomy 28:59-62**

***59 Then the LORD will make thy plagues wonderful, and the plagues of thy seed, even great plagues, and of long continuance, and sore sicknesses, and of long continuance.***

***60 Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee.***

***61 Also every sickness, and every plague, which is not written in the book of this law, them will the LORD bring upon thee, until thou be destroyed.***

***62 And ye shall be left few in number, whereas ye were as the stars of heaven for multitude; because thou wouldest not obey the voice of the LORD thy God.***

Sounds scary? Well it certainly should. Being on the receiving end of God's Wrath is scary. What I mean, is if or when many

people die, God is responsible for the plague ultimately and not man. Man can do nothing outside of God's Control. So, our ultimate hope is to move away from Babylon and put our hope and whole being with YHWH.

### **1 Samuel 4:8**

***Woe unto us! who shall deliver us out of the hand of these mighty Gods? these are the Gods that smote the Egyptians with all the plagues in the wilderness.***

But wait. It sure sounds like the main gods of the Egyptians were responsible, but God Almighty used them to smite the Egyptians. Rather interesting. They were practicing their ungodly sorcery or snake oil practices. So, I would highly recommend that you do not go out and get the vaccination. For decades, the Pharmaceutical Industry has wanted mandated shots to increase their profits. I can tell you right now that many gullible people are hyped-up and ready to get the coronavirus shot, thinking it will save them.

A recent study that came out of the VA shows that those who got the flu shot 2017-2018 are at 36% increased risk for coronavirus. Science is proving over and over that the shots are damaging, and the doctors and nurses are not told the truth on this subject.

### **Psalms 78:43-50**

***43 How he had wrought his signs in Egypt, and his wonders in the field of Zoan:***

***44 And had turned their rivers into blood; and their floods, that they could not drink.***

***45 He sent divers sorts of flies among them, which devoured them; and frogs, which destroyed them.***

***46 He gave also their increase unto the caterpillar, and their labour unto the locust.***

***47 He destroyed their vines with hail, and their sycamore trees with frost.***

***48 He gave up their cattle also to the hail, and their flocks to hot thunderbolts.***

*49 He cast upon them the fierceness of his anger, wrath, and indignation, and trouble, by sending evil angels among them.*

*50 He made a way to his anger; he spared not their soul from death, but gave their life over to the pestilence;*

YHWH did all this. I must repeat, He did all of this. Can He not do this again to our enemies and even to us? Of course, He can, and if it comes on us, we deserve it! He can certainly send evil angels among us, and there are clearly evil people in the world.

Lots of information is coming out about this so-called coronavirus. Is it real or a created in our “imagination” or is it a laboratory or some wild animal created virus? Whatever its origin, we are not to live by fear or excessive worry. If technically we are old or young and we die, believe me there are worse things, including war. Again, do not take any vaccine, because you have no idea what is in the vaccine. They could actually put the coronavirus in the vaccine. Don't ever trust vaccinations. They are not our savior by any stretch of the imagination. If your faith is misplaced and in the government, and not in YHWH, you are truly lost. You, forgive me, you deserve what you get.

If you get sick, prayer and home care is probably best. Don't forget they are gathering DNA sample in this. I wonder what they will be doing with all these DNA samples?

By the way, we all have heard about the large number of deaths in Italy. But did you know that Italy has a significant number of clothing factories in which over 300,000 Chinese people work? You can read about that in the magazine ***The New American***. <https://www.thenewamerican.com/world-news/europe/item/35202-italy-the-real-reasons-a-chinese-virus-is-ravaging-a-european-people#>

I'm not saying there are not Italians who have died because of this virus, but I can assure you we are purposefully not being told about the large number of Chinese in Italy. Also,

how many of the older Italians had the flu shot? I would guess most of them.

Every day more people are dying from things like swimming pools, car accidents, cancer, heart attacks, and other things. We should get out and breathe fresh air and get sunlight which is good for us. Sunlight causes our bodies to produce Vitamin D and has other vital cleansing agents. Also, restful sleep aids our body in so many ways. In the days of previous illnesses like this, people were taken to lay out in the sun. Our ancestors knew that sunshine was very important to our health.

This frenzy is feeding on people's fear, so let's not help aid this frenzy. Let's have a Biblical lifestyle and carry this lifestyle everyday about us. Let us show forth this difference and pass along to those who are fearful our hope in Christ.

What good are we if we carry on in fear as so many people are doing today? We are supposed to be true Christians and our faith and weapons are not of this world. Christ we hail as our Victor and He has assured us victory. **VICTORY BELONGS TO HIS REDEEMED PEOPLE.**

#### **WHAT CAN BE DONE NOW:**

It may sound simple to some, but the ways of God are simple to a large degree. These would include keeping your faith, prayer, having some survival food and water. Remember we can only last a few days without water, weeks, though harder without food. Also, if things were to get much worse, stay away from crowds of people. This is not only exercising caution, but is exercising a form of self-quarantine, and within limits, this is Biblical.

I very much liked what the Lt. Governor of Texas recently had to say: **"My message is that let's get back to work,"** Mr. Patrick, 69, said on ***Tucker Carlson Tonight***. **"Let's get back to living. Let's be smart about it, and those of us who are**

**70-plus, we'll take care of ourselves, but don't sacrifice the country."**

**He added: "I'm not living in fear of Covid-19. What I'm living in fear of is what's happening to this country. And you know Tucker, no one reached out to me and said, 'As a senior citizen, are you willing to take a chance on your survival, in exchange for keeping the America that all America loves for your children and grandchildren?' And if that's the exchange, I'm all in."**

**I say a hardy AMEN or HALLELUJAH.**

This economy has suffered long enough, whether the virus is laboratory-created or not. I again remind our readers that more have died and are still dying from the regular flu than the (I say) big Pharma, CDC, World Health Organization etc. Coronavirus. No, for one, I do not trust the CDC and other such organizations.

You know Dr. Deborah Birx and Dr. Fauci are conning us in lots of different ways (people may not be aware of the Billions of dollars at play—it's not as simple and innocent as some people think). Also, there is good old George Soros, Bill (Mr. Vaccine) Gates and others of their ilk. For the most part, all we have to do is follow the money trail.

**DESPITE ALL THE RUMORS, I STILL SUPPORT THE CYRUS TYPE, PRESIDENT TRUMP, BECAUSE I BELIEVE GOD GAVE HIM THIS HARD JOB TO DO:**

You know, he just may not be the devil that some people think he is. Pray for our President. Remember, there is power in faith filled Prayer. Could the Edomites be laying a trap for him? Many of us think possibly so. There is no end to the diabolical ways of Red Edom. **DO NOT LIVE IN FEAR, BE BOLD AND STRONG IN THE TRUE FAITH. LET'S TAKE A STAND IN A CHRISTIAN SOLDIER WAY!**

## **1 John 5:14**

*And this is the confidence that we have in him, that, if we ask any thing according to his will, he heareth us:*

## **1 Chronicles 16:11-13**

*<sup>11</sup> Seek the LORD and his strength, seek his face continually.*

*<sup>12</sup> Remember his marvellous works that he hath done, his wonders, and the judgments of his mouth;*

*<sup>13</sup> O ye seed of Israel his servant, ye children of Jacob, his chosen ones.*

## **2 Chronicles 6:21**

*Hearken therefore unto the supplications of thy servant, and of thy people Israel, which they shall make toward this place: hear thou from thy dwelling place, even from heaven; and when thou hearest, forgive.*

## **2 Chronicles 7:14-15**

*<sup>14</sup> If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.*

*<sup>15</sup> Now mine eyes shall be open, and mine ears attent unto the prayer that is made in this place.*

## **James 5:17-18**

*<sup>17</sup> Elias was a man subject to like passions as we are, and he prayed earnestly that it might not rain: and it rained not on the earth by the space of three years and six months.*

*<sup>18</sup> And he prayed again, and the heaven gave rain, and the earth brought forth her fruit.*

Remember that as Christians we do have an obligation to pray and above all stand in Faith. We are not your average person. We are true born-again Christians of Anglo-Israel and our Israel plea in prayer does mean something powerful, because our God is more than able to save us all.

## A PERSPECTIVE

In many ways, people are focusing on the great Babylonian city, New York. Most of the people are thinking that whatever is happening in New York City is bound to hit them and, therefore, they will do whatever they are told to do. The Governor of New York, Mr. Cuomo, certainly keeps the New York hype going as though we can't function or think right except according to the New York (state of mind) model.

New York City is not our model. It is a concrete jungle full of concrete apartments, condominiums, and so forth, and people are bunched together and for the most part they look down on the rest of us. I also find it interesting that the area of the United States people like this look down upon is called the Bible-belt. The center of America is doing just fine. Even California's numbers are fairly low, and Washington State's, numbers has not increased very much. We are presently dealing with about 7,000 deaths nation wide (most of them from New York), and around 12,000 who had the virus and survived. As of 4/3/2020 there are 6,000 serious cases out of 250,000 active cases. Only a small number are serious.

Out of many millions living in New York City, 2,900 people have the virus and that is a fairly low number, and remember we are not being told how many would have died during that same amount of time normally. They want you to be afraid, very afraid of the unknown. Just stay at home, wash your hands, wear a mask, and be very afraid. This is not of God to have us living like this.

We are told, where to go, how to wash our hands, how far to stay away from people (by the way we are now told that perhaps we should stay 20 feet away due to nasal sneezing-ha), what type of mask and garb to wear, but I have questions, if I am permitted. For one thing, are we to go around wearing masks all bundled up like some mad scientist? I see them, or videos of certain people all dressed up from head to toe with

“protective suits” on doing various things. Should we be wearing “protective suits” whenever we go about?

I mean, we are told to constantly wash our hands with sanitizer, hand lotions, soap etc., but what about the rest of our body? For instance, can my shoes get the virus? Maybe we should also be constantly washing our feet, or our shoes for instance? Perhaps our nose, our ears, or our belly-buttons? I don't mean to make light of this, but perhaps those are legitimate questions.

The point I'm making is, we really don't know what to fully think. But I will darn well tell you that all these people are not my God, nor His Biblical Word on what we should do. I say, let's do what God's Word instructs us to do, and that is put our whole trust in Him, and let the heathen rage.

Many of us remember the movie called NETWORK, in which the main character Albert Finney said, **“I'M MAD AS HELL AND I'M NOT GOING TO TAKE IT ANYMORE.”** Well, most of us feel this way about the con game being thrust upon everyone in the name of the coronavirus. If anyone is not aware, and I'm sure you all are, we are under martial law. Forced stay at home orders, shut up, don't ask any deep questions, and just go along with what we (the federal, state, and local, governments, and said medical experts like the CDC and FDA) are telling you to do. What are they telling us? Well things like, stay six-feet apart (or as they call it social distancing for the politically correct), stay at home (or, self-quarantine), and twiddle our thumbs (well, I added that). I'm mad as hell at this stupidity, What this is doing to our natural way of living is doing us more harm. We are not meant to just stay on lock-down and our economy certainly cannot sustain this much longer!

Being self-quarantined in our homes is hardly what I would call true freedom, liberty, or even self-expression, building, being creative, and industrious. In truth, we are being forced

to do what these CDC, FDA, World Health Organization doctor types, who are paraded in front of us constantly, and are the dogs wagging their tails to use the President and his power to pass off this pandemic agenda.

I will continue to say this, follow the money trail. Do these appointed doctors and self-appointed counsellors to the President have an agenda? Do we really understand them and know what is behind their thinking? We are regularly told that they have “models” which they rely on to fight this virus. Many of the original models predicting millions of deaths have been downgraded to only ten or twenty thousand. Yet, the media continues to use the outdated model. Let’s say these models that millions of people are true, this doesn’t change our focus on Faith, Prayer, and Divine direction. When the government tries to place itself above God, we are to obey God rather than man. There are also reports by doctors, nurses, and regular citizens that deaths are being attributed to the coronavirus, but these folks had serious underlying conditions that were the cause of their death, but the death certificate reads due to the coronavirus.

Remember not that long ago, we were told by President Trump that we may possibly be going back to work at Easter or Passover time. Then, not too long after this, he had a change of heart and moved it to the end of April. What happened? Who got to our President to further prolong this “War?” What other changes will be in the making, changes which our President may be forced to compromise with, as he already has done.

Our economy is already in shambles and even if we start our economy going back to work at the end of the month, it will be too late for many people unless our government pumps more money into the system. Now, I’m not saying this is what should happen. Our false money system is already in overload, not that I want to save this Jewish money-system, but I do care

about the people and small businesses that this has hurt.

But, let's think about their so-called model. Are we to believe that before the coronavirus dies out, that it will kill millions of people, and therefore we should cower in fear? Their model to shut down our economy and go strictly by what the doctors say will bring America, our once God blessed land to its knees. You know what? They are liars, and if God Will's such a thing to happen, we are not going to set ourselves free by crouching at home fearing some model outcome or pandemic doctor prediction. Our faith must never be placed in the hands of some doctors...by the way, did they wash their hands?

Well let's ask some more questions. Such as, who are these who have died, what age group do they fall within, what other diseases did they have, and might they have died anyway? I mean, was their immune system somehow compromised? Did they have heart disease, cancer, diabetes, asthma, lung disease, or other health issues? How long have they had such problems? How many got the flu-shot or other various vaccinations? How many have been following a regimented medical/pharmakeia plan? What race or category might these people fall within?

And, just out of curiosity, how many were given these old malaria type of drugs like Chloroquine and Hydroxy-chloroquine? These drugs have been around for about 100-years and therefore have been more than tested. Not that they are a cure all, but since we are asking questions, let's ask.

The well-oiled and controlled media, of course, are directing our attention to their side shows of specially selected participants in their usual agenda driven shows. Even celebrities like Rush Limbaugh have had to tone down their thoughts or they will regret it. They are certainly not our voice of wisdom. They spew forth what they are given to say, otherwise, they will be given their walking papers. This is being thrust upon us, "WE THE PEOPLE," and the real

models we are not being told about are collecting their data in contemplation of their next move. Already we are being primed for their next pandemic. Don't be surprised that in the near future, they require us all to show some proof that we have been tested, be required to give a DNA sample or vaccination or drug sampling to be allowed to work.

I must also warn you, not to take their new promoted, or at least it is being passed off as a possible cure, the blood plasma type of shot. Do not get this blood plasma said cure. First of all, it comes from all racial backgrounds and blood types. In a way, it is kind of like promoting a different racial blood transfusion. The Bible is very clear that we are not to eat blood and having a blood product is eating blood.

**Genesis 9:4**

*But flesh with the life thereof, which is the blood thereof, shall ye not eat.*

**Leviticus 3:17**

*It shall be a perpetual statute for your generations throughout all your dwellings, that ye eat neither fat nor blood.*

Let's face it, "A ZOMBIE TYPE OF APOCALYPSE" is upon us. And many people are behaving like brainless, obedient, zombies.

Now on the other hand, how many have been taking mostly natural substances like fresh air and sunlight, Vit-C, Vit-D3 or D (which is in many ways akin to being out in the sun, anywhere from 6,000 to even 10,000 I.U.'s), Vit-E, Vit-A, Selenium, Turmeric, and other organic substances? You know that the vast majority of those people are only taking the medical stuff. Also, we can take infrared heating treatments or types of hot-water steam baths even with our own shower or bath, and put various different kinds of health oils in them. We can allow our fever to escalate to such a level which will (in many cases) destroy the virus, as long as we don't allow it to

go over 103-degrees I'm told. Please check this out for yourselves.

A biologist friend of mine shared two studies with me. The first **Review Article – Epidemic influenza and vitamin D states in the summary, "...activated vitamin D, 1,25(OH)<sub>2</sub>D, a steroid hormone, has profound effects on human immunity. 1,25(OH)<sub>2</sub>D acts as an immune system modulator, preventing excessive expression of inflammatory cytokines and increasing the 'oxidative burst' potential of macrophages...protecting the lung from infection."** The second is a Facebook post of **Lipinski 2015, Ebola and Selenium: How not to catch the 2019 Novel Coronavirus (2019-nCoV), "The only people that can be infected by the 2019-n Coronavirus have less than 98,7 µg/L of Selenium in plasma or serum. Those who have enough Selenium are immune to this and all other enveloped viruses. Selenium can be obtained from Brazil nuts, Selenium pills or Astragalus tea. This is why only some people get the flu and why others get it infrequently or never at all. We only found this out in 2015 when Lipinski @ Harvard figured out why some people were immune to Ebola, a fact well documented in medical archives."**

<https://www.facebook.com/notes/richard-sexton/lipinski-2015-ebola-and-selenium-how-not-to-catch-the-2019-novel-coronavirus-201/10156477705211673/>

There are many warning signs around us that these snakes are relishing in this planned pandemic of theirs. I firmly believe that we need to pray for our President and all the decisions he is having to face, and above all, I pray against all those medical-snakes he has surrounded himself with. Desperate times call for desperate measures and while they want to kill, annihilate, and place us in some form of population control, I declare and stand upon our Biblical right to Divinely rid us of the Edomites. They mean it for our harm, but God can turn things on them and mean it for our health, welfare, and good.

The Edomites, and the Mayor of Chicago is one of them, has said: **"You never let a serious crisis go to waste."** Our God laughs at their impudence and fool-heartedness. I say to you with firm assurance that the God of Israel is more than able to deliver us from their evil schemes and plans. Esau's ways are not our ways. The ways provided in the Bible unto the Jacob-Anglo-Israel people are our means of deliverance.

I say again to anyone who maybe living in some form of fear, **FEAR NOT, PUT YOUR FAITH IN GOD.** This is an opportunity for our Redeemer, the Deliverer of White-Israel. Let us run to Him for our Every-present help in time of need. Let us pray:

**"YHWH, our God, the God of your people which you have declared over and over in your blessed Word. Deliver us from the hands of our oppressors. Deliver us from this evil. Smite our enemy and reign upon them your sore displeasure. In your Word, you have declared *"Jacob have I loved, Esau have I hated."* Romans 9:13 We are declaring what your Word declares. For thine is the Kingdom and the Glory, and the Power for ever. Your ways are unsearchable and so are your Promises and Blessings. These Edomite enemies mean this for our harm, but turn this into our good for your Remnant People. Heal our nation, and may your people REPENT AND TURN UNTO THEE. Let your remnant people stick together in prayer, repentance, and faith. Build up a most Holy-Faith within us. May the Light and Truth of our blessed Saviour Jesus Christ come shining forth.—"**

One last thing...Some of you will hate me for what I am about to say. But his Q character is full of dung. I have felt led to express this to some of you who seem to hang on his every thought. I tell you the truth, Q is a plant to see how many people will believe his dung. Believe me, I want "the bad guys" to get what is coming to them, but this is not it.

### ***Some funnies to lighten your day***

We may be witnessing the biggest media generated mass hysteria since Orson Welles' 1938 radio broadcast "War of the Worlds."

I don't want to brag . . . but this is like the fifth 'end of the world' I have survived.

I never thought the comment "I wouldn't touch him/her with a six foot pole" would become a national policy, but here we are.

If the past week has taught us anything it's that stupidity spreads faster than any virus could!

## **Another Perspective**

I'm so grateful I was raised by a father who fought in WW2, by parents who lived through the Depression, with grandparents who served and suffered through WW1 and the Spanish Flu, and everything since then. I grew up knowing that things like this can and do happen. I grew up hearing the stories of sacrifice, and of triumph. I grew up with examples of dignity, and resourcefulness, and self-sufficiency. I absolutely believe that my parents and grandparents' examples and stories are making this easier for me to understand, accept, and deal with.

I talked with a man today, an 80+ year old man. I asked him if there was any thing I can get him while this Coronavirus scare was gripping America. He simply smiled, looked away and said:

**"Let me tell you what I need! I need to believe, at some point, this country my generation fought for... I need to believe this nation we handed safely to our children and their children..."**

**"I need to know this generation will quit being a bunch of sissies...that they respect what they've been given...that they've earned what others sacrificed for."**

I wasn't sure where the conversation was going or if it was going anywhere at all. So, I sat there, quietly observing.

**"You know, I was a little boy during WWII. Those were scary days. We didn't know if we were going to be speaking English, German or Japanese at the end of the war. There was no certainty, no guarantees like Americans enjoy today."**

**"And no home went without sacrifice or loss. Every house, up and down every street, had someone in harm's way. Maybe their Daddy was a soldier, maybe their son was a sailor, maybe it was an uncle. Sometimes it was the whole**

damn family...fathers, sons, uncles...Having someone, you love, sent off to war...it wasn't less frightening than it is today. It was scary as Hell. If anything, it was more frightening. We didn't have battle front news. We didn't have email or cellphones. You sent them away and you hoped...you prayed. You may not hear from them for months, if ever. Sometimes a mother was getting her son's letters the same day Dad was comforting her over their child's death.

"And we sacrificed. You couldn't buy things. Everything was rationed. You were only allowed so much milk per month, only so much bread, toilet paper. EVERYTHING was restricted for the war effort. And what you weren't using, what you didn't need, things you threw away, they were saved and sorted for the war effort. My generation was the original recycling movement in America.

"And we had viruses back then...serious viruses. Things like polio, measles, and such. It was nothing to walk to school and pass a house or two that was quarantined. We didn't shut down our schools. We didn't shut down our cities. We carried on, without masks, without hand sanitizer. And do you know what? We persevered. We overcame. We didn't attack our President, we came together. We rallied around the flag for the war. Thick or thin, we were in it to win. And we would lose more boys in an hour of combat than we lose in entire wars today."

He slowly look away again. Maybe I saw a small tear in the corner of his eye. Then he continued:

"Today's kids don't know sacrifice. They think a sacrifice is not having coverage on their phone while they freely drive across the country. Today's kids are selfish and spoiled. In

my generation, we looked out for our elders. We helped out with single moms whose husbands were either at war or dead from war. Today's kids rush the store, buying everything they can...no concern for anyone but themselves. It's shameful the way Americans behave these days. None of them deserve the sacrifices their granddads made.

"So, no I don't need anything. I appreciate your offer but, I know I've been through worse things than this virus. But maybe I should be asking you, what can I do to help you? Do you have enough pop to get through this, enough steak? Will you be able to survive with 113 channels on your tv?"

I smiled, fighting back a tear of my own...now humbled by a man in his 80's. All I could do was thank him for the history lesson, leave my number for emergency and leave with my ego firmly tucked in my rear.

I talked to a man today. A real man. An American man from an era long gone and forgotten. We will never understand the sacrifices. We will never fully earn their sacrifices. But we should work harder to learn about them..learn from them...to respect them.

## **ISRAEL - GOD'S WITNESS PEOPLE**

### **Part 1**

by Ray Prinzing

***"YE ARE MY WITNESSES, saith the Lord, and My servant whom I have chosen: that you may know and believe Me, and understand that I am He: before Me there was no God formed, and neither shall there be after Me. I, even I am the Lord; and beside Me there is no Saviour. I have declared, and have saved, and I have shewed, when there was no strange god among you: therefore you are My witnesses, saith the Lord, that I AM GOD."*** Isaiah 43:10-12

In presenting this message, we would like to borrow the words of Paul, ***"For I have received of the Lord that which also I delivered unto you."*** 1 Corinthians 11:23. The truths which we are sharing have not come to us out of books, nor from other men, but that which the Spirit of God has made real to us personally, and then has so gloriously confirmed through others who have likewise been so dealt with by God. We trust it is a blessing.

While it is true that men are often very confused concerning the purpose of God, Acts 16:18 states, ***"KNOWN UNTO GOD ARE ALL HIS WORKS FROM THE BEGINNING OF THE WORLD."*** When God set forth the purpose of the ages to progress through its course, fulfilling the counsel of His own will, He knew exactly the way it would go, for He fitted the ages in their measurement to bring forth that purpose, and HE has never been behind schedule.

Often times man becomes mixed up concerning God's purpose. But as God makes known the "*mystery of His will*," **Ephesians 1:9** we see how wonderful and glorious are His ways, and **KNOW THAT HE IS GOD.**

Not only has God definitely set the timing arrangement for the fulfillment of His plan, HE also has very definitely chosen a people through whom He shall actually become a TIME FACTOR in the earth. Even as it is written, "*Look upon Zion, the city of our solemnities...*" **Isaiah 33:20.** The word "*solemnities*" could be given, **APPOINTED TIME.**

**Now Zion is more than a place, it is a PEOPLE,** even as we read, "*When the Lord shall build up Zion, He shall appear in His glory.*" **Psalm 102:16.** God is now moving by His Spirit in this "*building up*" process, as He calls out of Babylon His chosen ones, and purifies and prepares them for the outworking of His purpose. Thus, these apprehended ones are actually becoming God's own TIME-PIECE in the earth, for **future events are closely aligned to them.** God has blended together His purpose and His people - they are indeed **A PEOPLE WITH A PURPOSE,** and through whom His purpose shall be executed.

### **Israel, God's Firstborn Nation**

*"Thus saith the Lord, Israel is My son, My firstborn."* **Exodus 4:22**

*"For that art an HOLY (SEPARATED, SEGREGATED, SET APART) people unto the Lord, thy God; the Lord thy God hath CHOSEN thee to be a SPECIAL people unto Himself, ABOVE all people that are upon the face of the earth. The Lord did not set His love upon you, nor choose you, because ye were more in number than any people, for ye were the fewest of all people: BUT BECAUSE THE LORD LOVED YOU, AND BECAUSE HE WOULD KEEP THE OATH WHICH HE HAD SWORN UNTO YOUR FATHERS."* **Deuteronomy 7:6-8**

Sovereign grace was manifested in the choosing of this people,

they had no merit, but they were receiving the call of God because of HIS love, and because of an oath which God had made to Abraham in former times.

***"When the Most High divided to the nations their inheritance, when He separated the sons of Adam, He set the bounds of the people according to the number of the children of Israel."*** Deuteronomy 32:8

Now we begin to see the unfolding of the truth, how God **preordained a people** into His time. For when **God separated the sons of Adam**, scattering them over the face of the earth, and **marked out the bounds of their inheritance, HE DID SO ACCORDING TO THE NUMBER OF THE CHILDREN OF ISRAEL.** This was long before Israel was a people, it was by His wisdom and foreknowledge in accordance with His purpose of the ages. God knew HE would bring them forth at the appointed time, and knew what they would do, why they would do it, and when they would do it. So, **He set the bounds of all other nations in proportion to the number of the children of Israel.** What a great revelation of the wisdom of God and His fore-planning.

***"HE... hath determined the times before appointed, and the bounds of their inheritance."*** Acts 17:27

That **this choosing of a people, and their place in His purpose, is a mystery to most of Christendom,** we know. Even Paul wrote, ***"But I would not, brethren, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness IN PART is happened to Israel, until the fulness of the NATIONS (Israel nations) be come in. And so, ALL Israel shall be saved...*"** Romans 11:25-26 We ought not to be ignorant of this mystery, how God chose a people, brought them into being as His nation, then diminished them again, scattering them in every corner of the earth, **ALL BY DIVINE PURPOSE.** But He shall also gather them again, and complete the work

through them which HE began.

Paul realized that by his day it had been a long time since the scattering of Israel, via the dispersions of the tribes, and he knew that by now it had become much of a mystery to those who were then beginning to walk by and in the Spirit, but he did not want them to become ignorant of all of God's purposes for Israel, of how God chose a people; what He did with them; and how they were yet to be used. and so, we find that he used three full chapters of the Book of Romans dealing with this blessed subject. It cannot be disannulled by doubt, or unbelief. And we thank God's Purpose. ***Blindness IN PART is happened to Israel***, but not all Israel has been blinded, for a remnant has been left. The Spirit has kept a remnant, BY HIS GRACE, and they are making up those who could be called THE SPIRITUAL REMNANT OF ISRAEL. A ***"LITTLE FLOCK"*** Luke 12:32 **who shall receive the Kingdom of God.**

### **Divine Loss and Recovery**

***"I say then, Have they stumbled that they should fall? God forbid: but rather through their fall salvation is come unto the nations, for to provoke them to jealousy. Now if the fall of them be the riches of the world, and the diminishing of them the riches of the nations: how much more their fulness?"*** Romans 11:11-12

**That which was wrought out in our Lord Jesus Christ is also portrayed in God's dealings with this entire host of Israel. Compare it. *"For ye know the grace of our Lord Jesus Christ, that, though He was rich, yet for Your sakes He became poor, that ye through His poverty might be rich."* 2 Corinthians 8:9** Likewise you behold the grace of our Lord in choosing a nation, Israel, called them into favour with Himself, bestowed great mercy on them and blessed them exceedingly and then diminished them - **they became poor, scattered, losing their place among the nations of the earth, their identity as true**

**Israel erased**, yet God ordained that through their fall shall come to all nations the glory of His grace. GOD HAS A PLAN IN OPERATION: IT MOVES RIGHT THROUGH THE MIDST OF NATURAL AND SPIRITUAL LIFE, **the way into lasting riches comes via the work of the cross, becoming NOTHING, stripped - all temporal gain completely reduced to ashes. But HE never leaves it thus, but has promised "to give them BEAUTY FOR ASHES..."** Isaiah 61:3 **Hallelujah!**

This is God's working; this is God's glory. He reveals it through a nation, and unfolded it through the life of our Saviour. And now today HE once again is causing His "**called out ones**" to pass through the same process of diminishing, till all that was once counted as gain becomes nothing, and stripped of all human accomplishment and reputation, we find that out of our nothingness begins to arise **THE NEW LIFE OF HIS FULNESS**. O' the wonder of the ways and power of God, **He is able to sow the very seeds of gain in loss itself.** Divine purpose is not frustrated by this temporary action of death and desolation, **He merely takes away the first, that HE might establish the second.** Fear not the Hand of God at work in thee, its work is for true reality.

### **Identity Removed, but God Remembers**

Israel was chosen of God, elect of God from among all the nations of the earth, brought forth out of Egypt, led to mount Sinai, and as a nation, there **ISRAEL was betrothed unto Jehovah.** *"- the covenant that I made with their fathers in the day I took them by the hand to bring them out of the and of Egypt; which My covenant they break although I was an husband unto them, saith the Lord."* Jeremiah 31:32

Israel, at Mount Sinai, took her vows unto the Lord to be unto Him a peculiar people - and there **ISRAEL was married to Jehovah.** *"And Moses came and told the people all the words of the Lord, and all the judgments: AND ALL THE*

**PEOPLE ANSWERED WITH ONE VOICE, AND SAID, ALL THE WORDS WHICH THE LORD HATH SAID WILL WE DO." Exodus 24:3**

But there came a day when Israel violated this "union" with the Lord, and finally the Lord told Jeremiah that **"for all the causes whereby backsliding Israel committed adultery I had her put away, and given her a bill of divorce..."** Jeremiah 3:8

According to God's sovereign purpose during Rehoboam's reign, Israel was divided into two parts. The northern ten tribes were very quick to turn towards other gods, and the serving of idols after the ways of the heathen nations about them. This was ADULTERY, and God dealt a heavy hand against these tribes, and sent them into captivity. The Southern Kingdom of Judah saw all this happen, and yet we read on, **"...yet her treacherous sister Judah feared not, but went and played the harlot also."** Thus, eventually all twelve tribes became corrupt, away from God, and He had to put them all away, as a wife that is divorced from her husband.

But for all this, God did not forget His own people of Israel, nor did He utterly turn His back on them, but His mercy and purpose were still manifested, as we read **"And I will sow them among the people: and they shall remember Me in far countries..."** Zechariah 10:9 It is a marvellous record of the mercy of God as we trace God's dealings with His people so utterly scattered.

God knew they had sinned, played the harlot, been very adulterous, so He broke up the union which He had with them, and sowed them throughout all the nations, **"For lo, I will command, and I will sift the house of Israel among all nations, like as corn is sifted in a sieve, yet shall not the least grain fall upon the earth."** Amos 9:9 God did not **"sow"** Israel to lose her. HE placed her where He wanted her fulfilling His purpose. God knew where He could place Israel even in her state of adultery, so that all of His purpose would

be completely fulfilled. He sowed her into an appointed and prepared place, and **thus Israel lost her identity**, becoming numbered with the nations everywhere.

In Christendom's mixed up and confuse terminology, we often hear reference made to the "**ten lost tribes**." As far as God is concerned, they have never been lost, not one kernel shall fall upon the earth. Jesus brought this to view again when He said, ***"Are not two sparrows sold for a farthing? And one of them shall not fall on the ground without your Father. But the very hairs of your head are all numbered. Fear ye not therefore, ye are of more value than many sparrows."*** Matthew 10:29;31

If God marks the fall of each sparrow, HE surely knows every one of His chosen people, when He said, ***"Israel is My son, My firstborn."*** Exodus 4:22 You might not know who you are today, unless the Spirit has so revealed it, since God had a purpose in erasing the identity of Israel, but He knows where everyone is, and watches over them. And **you will know who you are when God finishes all of His purpose and inworkings in your life.**

We have already pointed out how God marked out for all nations the bounds of their inheritance. Then He calls Israel unto Himself, establishes her as a people, and then purposely sows her among all these other nations. Sifted as corn is sifted in a sieve, dispersed according to divine placement, with full knowledge of where every one is caused to lodge. And not only that, ***"THEY SHALL REMEMBER ME IN FAR COUNTRIES."*** Zechariah 10:9 God did not "**sow**" Israel to lose her, HE placed her exactly where he wanted her. Why do we emphasize all this? Because whether we comprehend the full scope of this message, or not, in its truth of Israel in God's plan, there are certain divine principles we do well to seek to understand, and one of these is that **GOD DEALS WITH US IN PERFECT DESIGN AND PURPOSE. When God causes you to move from one place to another, it is**

**not a meaningless helter-skelter causation. "The steps of a man ARE ordered by the Lord." Psalm 37:23** Sovereign purpose undergirds our life, whether we remain conscious of it all the time, or not.

### **Israelites Became Nationalized, but Not Cast Away**

Yes, Israel was scattered, with only a very small number even remaining in the land, with the Law and Temple. [Editor's note: the true Old Testament teachings had been perverted into Judaism.] All who did not practice Judaism were called Gentiles (nations), or today we would say, "**NATIONALS.**" For many of those Israelites who were scattered among the nations forgot all the ceremonies of the Laws of Moses, and soon took up the ways of the nations among whom they dwelt, thus becoming nationalized Israelites.

We have this in type throughout the Old Testament, for even Moses, when he fled from the face of Pharaoh, and came into the land of Midian, was called an Egyptian - though he was an Israelite, of the tribe of Levi. But reared in the culture of Egypt, and no doubt he still had the garments of Egypt on, and so Jethro's daughter called him an Egyptian. **Exodus 2:19**

There was a reason why God wanted Moses to lose all of his identity, and be stripped of so much. God was going to subdue this man until he would become the meekest of all men on earth, and then commission him to go and lead His people up out of the land of Egypt, into the Land of Promise. Not forever was his identity as an Israelite lost, but only during that preparation process which was so needful for his development. God knew who he was all the time, but HE hid that knowledge from the people Moses associated with until the appointed time.

**[Editor's note:** While the author believed in the salvation of all nations to mean that it meant all races, we teach that this is only to the Adamic nations. This difference does not discount the material that is presented here. The late Ray Prinzing lays out very clearly how God is using a called out part of Israel to reach lost Israel.]

## **Putin And Trump vs The New World Order: The Final Battle**

by Sylvain LAFOREST on 31/03/2020 Working both as a TV documentary director and journalist for 25 years, He is the author of *La Déprogrammation* (in French only) about media disinformation, and *Wars and Lies*.

[orientalreview.org/2020/03/31/putin-and-trump-vs-the-new-world-order-the-final-battle/](http://orientalreview.org/2020/03/31/putin-and-trump-vs-the-new-world-order-the-final-battle/)

We live in exciting times.

The unknown that lays ahead for all of us is both exhilarating and scary. Exhilarating in the long term, but rather scary in the short term. All empires eventually die and we're in the terminal phase of the New World Order that will not recover from the Russian roulette game it has been playing, for Vladimir Putin handed it a loaded gun and it pulled the trigger.

The last few weeks put everything in place for the last battle. There are so many different facts and events, left and right, and I will try to do my best to remain methodical in this complicated expose. Bare with me, I've been struggling for three weeks with this article because of the insane amount of additional details that each day provides. It might have been a wrong time to quit smoking, but I enjoy a good challenge.

### *Dropping dollars*

A little context is required. The New World Order concept is simply the wish of a handful of international bankers that want to economically and politically rule the whole planet as one happy family. It started in 1773 and if it went through important changes over the years, but the concept and objective haven't changed an iota. Unfortunately for them, international banks that have been

looting the planet through the US dollar since 1944 are now threatened by hyperinflation, as their printing machine has been rotating for years to cover their absurd spending to sustain oil and resource wars that they've all ultimately lost. In order to prevent this upcoming hyperinflation, they generated a virus attack on four countries (China, Iran, Italy and now the United States) to spread panic in the population, with the precious help of their ignominious medias. Even though this corona virus isn't different from any new viruses that attack humans every year, the media scare pushed people to voluntarily isolate themselves through fear and terror. Some lost their jobs, companies are going bankrupt, the panic created a stock exchange crash that emptied wallets and dried assets, resulting in a few trillion virtual dollars off the market to release pressure off the currency.

So far, so good, but everything else went wrong in this desperate and ultimate banzai. The top virologist on the planet confirmed that chloroquine was being used by the Chinese with spectacular results to cure patients, then he improved his magic potion by adding a pneumonic antibacterial called azithromycin, and saved everyone of his first 1000 cases, but one. Donald Trump immediately imposed the same treatment through a fight against his own Federal Drug Administration, bought and owned by the deep state. This forced all medias to talk about Dr. Didier Raoult's Miracle Elixir, signing the death warrant on our confidence in all Western governments, their medical agencies, the World Health Organization, and medias that were trying to destroy the impeccable doctor's reputation, while inventing sudden «dangerous side effects» of a nearly inoffensive drug that has been used for 60 years to treat malaria. Not so far away in Germany, internationally praised Dr. Wolfgang Wodarg noted that the engineered panic was totally useless, since this virus isn't any different than the others that affect us every years. This has been an amazing victory for Trump and the general population on social medias, whom exposed together the pathological lies of the official communication channels of every New World Order country. De facto, the credibility's of these puppet governments have vanished

in the air, and from the eye of the storm, Italy will surely exit the EU right after the crisis, which will trigger a domino effect running through every EU countries and NATO members. My friends, globalism is dead and ready for cremation.

### *Digging the abyss*

International bankers couldn't see it coming in 1991, when they dominated 95% of the planet after the fall of the Soviet Union. It seemed that nothing could halt their ultimate mission to complete their Orwellian dream: destroy a few countries in the Middle East, enlarge Israel, and get the total control over the world oil market, the last piece of their Xanadu puzzle that they've been working on for a whole century, starting with the Balfour declaration in 1917.

When Vladimir Putin got charge of Russia, there was no sign that he would do better than the drunk he had replaced. An ex KGB officer seemed like a choice more driven by nostalgia rather than ideology, but Putin had many more assets going for him than first met the eyes: patriotism, humanism, a sense of justice, cunning ruse, a genius economist friend named Sergey Glazyev whom openly despised the New World Order, but above all, he embodied the reincarnation of the long lost Russian ideology of total political and economical independence. After a few years spent at draining the Russian swamp from the oligarchs and mafiosis that his stumbling predecessor had left in his trail of empty bottles, Vlad rolled his sleeves and got to work.

Because his opponents had been looting the planet for 250 years through colonization insured by a military dominance, Vlad knew that he had to start by building an invincible military machine. And he did. He came up with different types of hypersonic missiles that can't be stopped, the best defensive systems on the planet, the best electronic jamming systems, and the best planes. Then to make sure that a nuclear war wouldn't be an option, he came up with stuff which nightmares are made of, such as the Sarmat, the Poseidon and the Avangard, all unstoppable and able to destroy any country in a matter of a few hours.

With a new and unmatched arsenal, he could proceed to defeat any NATO force or any of its proxies, as he did starting in September 2015 in Syria. He proved to every country that independence from the NWO banking system was now a matter of choice. Putin not only won the Syrian war, but he won the support of many New World Order countries that suddenly switched sides upon realizing how invincible Russia had become. On a diplomatic level, it also got mighty China by its side, and then managed to protect independent oil producers such as Venezuela and Iran, while leaders like Erdogan of Turkey and Muhammad Ben Salman of Saudi Arabia decided to side with Russia, who isn't holding the best poker hand, but the whole deck of cards.

Ending in the conclusion that Putin now controls the all-mighty oil market, the unavoidable energy resource that lubricates economies and armies, while the bankers' NATO can only watch, without any means to get it back. With the unbelievable results that Putin has been getting in the last five years, the New World Order suddenly looks like a house of cards about to crumble. The Empire of Banks has been terminally ill for five years, but it's now on morphine, barely realizing what's going on.

### *Tragedy and hope*

Since there is no hope in starting WW3 which is lost in advance, the last banzai came out of the bushes in the shape of a virus and the ensuing media creation of a fake pandemic. The main focus was to avoid a catastrophic hyperinflation of the humongous mass of US dollar that no one wants anymore, to have time to implement their virtual world crypto-currency, as if the chronically failing bankers still have any legitimacy to keep controlling our money supplies. It seemed at first that the plan could work. That's when Vlad took out his revolver to start the Russian roulette game and bankers blew their brains out upon the pressure on the trigger.

He called a meeting with OPEP and killed the price of oil by refusing to lower Russia's production, taking the barrel to under thirty dollars. Without any afterthought and certainly even less remorse,

Vlad killed the costly Western oil production. All the dollars that had been taken out of the market had to be re-injected by the Fed and other central banks to avoid a downslide and the final disaster. By now, our dear bankers are out of solutions.

In the meantime, Trump also poked at the tie-wearing gangsters. While medias avoided the corona-killing chloroquine subject, an old pill designed to cure malaria, Trump imposed to the FDA the use of this life-saving drug on US infected patients. Medias didn't have any choice but to start talking about it, which ignited a chain reaction: big pharma's CEO's were fired because they had just lost the vaccine contract, countries like Canada looked like genocidal fools for not using the cheap and inoffensive medication, while a most outrageous criminal act by a government was exposed in full light: the Macron government had proclaimed in January 2020 that chloroquine was harmful and had restrained its use, just a couple of weeks before the burst of the fake pandemic! Russian roulette is a popular game in Western governments these days around.

On Saturday March 28th, Russia announced its own corona-killing brew, based on Dr. Raoult's magic potion. Yet another Cossack blow, this time to the big pharma's jugular vein, while most Western countries now have to implement the good doctor's treatment, or face the slap of a Russian pill coming to save its citizen. Putin is in the lifesaving business these days: in the last week of March, he sent 15 military planes filled with doctors and supplies directly to North Italy, after an aid plane from China was blocked by the Czech Republic. We're about to learn that European countries fear that China or Russia finds the truth in the Lombardy region, where people are not dying from some corona bug, but probably from a deadly cocktail hybrid from two earlier vaccines for meningitis and influenza, that they were injected in separate vaccination campaigns.

### *The punchline*

I said earlier that everyday brings amazing news. Well on Sunday March 29th, the most stunning of them all fell like a ton of bricks on social medias: confined onlookers learned that Trump had taken

control over the Federal Reserve, that is now handled by two representatives of the Treasury of State. Of all the crazy news within the last month, this is by far the best and most shocking. After three years in power, Trump has finally fulfilled his electoral promise of taking private banks out of the US public affairs, ending a century of exploitation of the American citizens. He has put the infamous Blackrock investment group to start buying important corporations for the Fed, meaning that he's nationalizing chunks of the economy, while avoiding the crash of the market by implicating important private investors in the deal.

This outmost daring move comes at a crucial point in time, and faces us with the realization that Vladimir Putin and Donald Trump are united and have taken humanity to the crossroads of the New World Order and freedom. As I have stated often before, I thought that the world would deeply change between 2020 and 2024, because these would be the last four years of these two heroes in political power of their nations.

The New World Order is facing the two most powerful countries on the planet, and this fake pandemic changed everything. It showed how desperate the banksters are, and if we don't want to end up with nuclear warheads flying in both directions, Putin and Trump have to stop them now.

Terminate the BIS, the World Bank, the IMF, the European Central bank, the EU, NATO, now. Our world won't be perfect, but it might get much better soon.

Easter resurrection is coming. This might get biblical.
