## GREETINGS CHRISTIAN BRETHREN,

<sup>9</sup> ...Our Father which art in heaven, Hallowed be thy name.

<sup>10</sup> Thy kingdom come, Thy will be done in earth, as it is in heaven.

<sup>11</sup> Give us this day our daily bread.

<sup>12</sup> And forgive us our debts, as we forgive our debtors.

<sup>13</sup> And lead us not into temptation, but deliver us from evil: For thine is the kingdom, and the power, and the glory, for ever. Amen.

## OUR THANKSGIVING INHERITANCE

### Colossians 1:7-12

<sup>7</sup> *As ye also learned of Epaphras our dear fellowservant, who is for you a faithful minister of Christ;*

<sup>8</sup> *Who also declared unto us your love in the Spirit.*

<sup>9</sup> *For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all wisdom and spiritual understanding;*

<sup>10</sup> *That ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God;*

<sup>11</sup> *Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness;*

<sup>12</sup> **Giving thanks unto the Father**, which hath made us meet to be partakers of the inheritance of the saints in light:

There is a lot of spiritual meat in these verses, and it is my

hope that I can help focus some of it on this upcoming Thanksgiving holiday celebration. To begin with, I believe that all Americans have a duty to remember our Puritan and Pilgrim Christian forefathers and their indispensable Biblical Christian foundation which they established and preserved for us, and that in this, we should all be moved with a spirit of Thanksgiving.

We should also remember that these Puritans became known as Separatists, because they sought to be separate from the state-mandated and state-run Church of England. In 1608, only a small number (a remnant) of about 125 Separatists moved away from England for Holland. They defied the orders of the King by leaving for kindred lands where Protestantism was welcome. Their disobedience to the royal decrees and British laws earned them the name "Separatists" and they were persecuted and even put to death in some cases for their rebellion to tyrants. I thank God for these Christian soldiers for Christ and His Kingdom. Dare I say, yes, I am thankful for their rebellion against tyrants and for their strong Christian motivation to live free within a Christ honoring theocracy.

In Holland, the Puritans had the freedom to worship as they chose, but they encountered many other adverse conditions, including having their children exposed to shocking (even for their day and time) licentiousness of the Dutch youth. Eventually the Puritans received assurances from the King of England that they could exercise their religious practices in England, but treachery was everywhere. It soon became evident that Divine Providence was guiding them to the new land that would eventually be named America.

Omitting many details of their struggles, a small number of Puritans sailed on the Mayflower for this New World. They landed at an area known today as Plymouth Rock, near Cape

Cod Bay. Their original course and destination was a tract of land near the Hudson River, the northernmost boundary of the Virginia grant, but they were blown off course by some five hundred miles north of their intended location by God's Overseeing Hand.

This, created a legal problem for them, because they sailed to this New World under a Virginia company charter in the name of King James. Technically, their new settlement could be considered illegal, and so, before even stepping one foot on the ground, William Bradford and forty other men drew up a Covenant called the Mayflower Compact, a legal charter, indicating their intent to form a *"civil Body Politick for the furtherance of the glory of God."*

Most interesting is the fact that through this *"civil Body Politick,"* emerged *"freemen."* However, as *"freeman"* obtained property and other rights, by Christian Body Politick commitment, they also eventually obtained voting rights, because they recognized that rights demand responsible moral behavior.

As many of you know, or should know, the phrase **"separation of church and state,"** does not appear in the Constitution, and yet, this lie is a guiding force in the disestablishment of religion (mainly Christian standards) in America. The Puritans did not believe in **"separation of church and state."** In fact, their manifestation of **"Thanksgiving"** was an outgrowth of their love of Christ and His Kingdom Principles. As stated in **Colossians 1:12,** ***"Giving thanks unto the Father, which hath made us meet (qualified) to be partakers of the inheritance of the saints in light."***

It is true that **"Light"** (Divine Light or Divine Wisdom) is a major Spiritual ingredient that qualifies us to be ***"partakers***

*of the inheritance of the saints in light."* This is certainly not about spiritual Israel, it is about God's Covenant people acquiring God Knowledge and living within the focus of these principles of blessing, as the Scriptures tell us, ***"Righteousness exalteth a nation."*** **Proverbs 14:34** In order for righteousness to exalt a nation, church and state must become what the Word of God states, **Priests and Kings of the Most High God** (church and state).

The Biblical purpose of thanksgiving, again, as expressed in verse 12, is to give thanks unto our Heavenly Father as the Sovereign God who strengthens us (verse 11), that we might walk worthy of the blessings and authority He has given us to use and apply as our Puritan Christian Covenant Forefathers did. The more that people stray from the Kingdom of God and His Righteousness, the more **UNTHANKFUL** they will become.

There is a Puritan prayer that goes like this: **"Father, You have given us so much. We ask for one thing more – a thankful heart."** For a people who had suffered much tribulation, grief, and death, their faith exhibited amazing Christian resolve and dedication in the face of crushing hardships and perils. Perhaps we can discover why in this next section of our study.

**Colossians 1, verse 9, "...that ye might be filled with the knowledge of His Will in all wisdom and spiritual understanding."** Certainly the fruit of the spirit applies to what we are reading here, but in the overall context of these verses, doing the work of the Kingdom and applying Kingdom knowledge and wisdom, especially in the realm of Christian government and authority is enormously important. In other words, the Kingdom of God in you, or Christ in you the hope of glory, is what is coming and so needed in the transformation from Mystery Babylon to the Kingdom of God.

We give thanks to our Heavenly Father by seeking to be filled with His Kingdom authority as His Priests and Kings.

**Revelation 11:15** states, *"...The kingdoms of this world are become the kingdoms of our Lord."*

**Daniel 2:44** states, *"And in the days of these kings shall the God of heaven set up a Kingdom, which shall NEVER BE DESTROYED."*

Lastly, we should add the next verse from our opening Scriptures in **Colossians, verse 13:**

*"Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son:"*

This is what God Almighty did for our Puritan forefathers. He delivered them from the power of darkness and translated them into the Kingdom of His dear Son. The Puritans felt as though they had been translated into His Kingdom after God's purging and refining work among them, and the fruit of the kingdom began to emerge along with many blessings. They began to live, move, and have their being within the Kingdom of God, and with every increased blessing gave thanks and developed thankful hearts.

The point is, a purging had to take place first among them, and this remnant emerged through their faithfulness to Christ and His Kingdom Purposes. These were delivered from the power of darkness and they grew in spiritual Kingdom harmony, evident in the **THANKSGIVING** they ministered. Their hopeful faith fed their personal and national dreams with amazing spiritual direction and understanding that strengthened them daily in the faith.

It is a fact that the Puritan history is diminished in the secular schools of "learning," and the impact and scope of the Puritan contribution to American History is cloaked.

## Why?

America, though it is being eaten up by humanism and socialism, was indeed founded as a Christian nation, upon a Christian Covenant that has had a profound irrevocable spiritual precondition upon this nation. America's federally controlled educational system compartmentalizes and vilifies America's Christian history.

The Puritans were not dependent upon man's government, and for this they learned to be thankful to the Lord Jesus Christ, their King, and were no longer subject to man's encroaching laws against the Kingdom of God. They had real religious freedom and they could actually value and live in this Christ blessed freedom and liberty. They were subject to Christ, to know Him, to live, move, and have their being with Him as their Head. No wonder the Puritans were a thankful and cheerful people and very blessed by God.

Bereans of the Covenant Israel Truth understand how important heraldry is, in that it is a way we can trace our racial history. Well, the Puritans had their symbols and banners, and they have not changed in the past 400 years. As an example, the Puritans used the banner, **"IN GOD WE TRUST,"** which speaks volumes concerning their Covenant understanding and dedication to Kingdom doctrine. They saw this New Land as an extension of the Kingdom of God and they referred to this new Kingdom in Biblical terms as a **"CITY UPON A HILL."** It is very evident that this Puritan foundation was about moving this nation toward Biblical Christianity. The corrupters of this nation know this, and will do everything in their power to wipe out, and/or falsify Christian Puritan history.

The late Dr. D James Kennedy, in a sermon entitled, **"The Bible and the Constitution,"** stated: **"There has been a concerted effort to disconnect America – modern**

**America – from its religious roots. To transplant, if you will, the tree of American civilization from the Puritan soil in which it grew.”**

Truly, we reap what we sow, and America, Canada, England, Europe, Scandinavia, Australia, and South Africa, the end-time nations of regathered Israel, are reaping the sad results of disconnecting themselves and even allowing the Christ haters to dismantle our Israelite Biblical Heritage. It is essential that we as a people and nation be in a spirit of Thankfulness for our God given Biblical Heritage, and to learn to think theocratically as our Puritan forefathers did in seeking and appropriating the things of the Kingdom for our progeny and for **THE GLORY OF GOD.**

## **SIGNS TO BE LOOKING FOR**

### **Jeremiah 30:7-8**

*<sup>7</sup> Alas! for that day is great, so that none is like it: it is even the time of Jacob's trouble; but he shall be saved out of it.*

*<sup>8</sup> For it shall come to pass in that day, saith the LORD of hosts, that I will break his yoke from off thy neck, and will burst thy bonds, and strangers shall no more serve themselves of him:*

One major sign of the fall of **Mystery Babylon**, I believe, will be the fall of the Federal Reserve Banking System, and that

day may not be that far off. The International Banking System, that has been run by a cabal of Jewish Canaanites are also the promoters and financiers of **Communism** in all of its various forms and titles. Understand, that fiat, debt money, is not real money because it is not based upon just weights and measure, including just laws and just (righteous) financial business and commerce. It's all based upon fraud, fraudulent money, fraudulent laws, fraudulent commerce.

Remember, we are told in **Revelation 18:2-11**:

*<sup>2</sup> And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.*

*<sup>3</sup> For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.*

*<sup>4</sup> And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

*<sup>5</sup> For her sins have reached unto heaven, and God hath remembered her iniquities.*

*<sup>6</sup> Reward her even as she rewarded you, and double unto her double according to her works: in the cup which she hath filled fill to her double.*

*<sup>7</sup> How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her heart, I sit a queen, and am no widow, and shall see no sorrow.*

*<sup>8</sup> Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth*

her.

*<sup>9</sup> And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning,*

*<sup>10</sup> Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in one hour is thy judgment come.*

*<sup>11</sup> And the merchants of the earth shall weep and mourn over her; for no man buyeth their merchandise any more:*

I am convinced that many people are so spiritually blind and ignorant of our Biblical Israelite history and also that of the enemies of Christendom, that God Almighty has no other choice, but to expose us to the awful weapons and methods of the antichrist forces to awaken His people. Every week or so, new devices of our captors and their diabolical schemes are unfolded right before our very eyes that we might see the evil of the enemies of Christ and the sad reality of God's people negating their Christian duties to Christ and His Kingdom.

I am now more convinced than ever, that this **"war on terrorism,"** is mostly a contrived, secret government, people control, covert Jewish communist operation. First of all understand that terrorism, especially the present day application of terrorism, is in reality "REPRESSION" towards despotism and tyranny.

This may be hard for some of you to believe, but every war the United States has been involved within the last two hundred years (yes, including the Civil War, WWI, & WWII) have been induced in, by, and through corruption for ungodly purposes. The antiChrists are masters of dialectic materialism, meaning, they come up with a **THESIS** (they

will call "terrorism"), and then bring against it an **ANTITHESIS** (American democracy), to create a **SYNTHESIS** (New World Order). As an example, let's consider "Communism," we have been told in the past, "If we don't help certain nations, they will go Communist." Now we can more clearly see that we, the United States of America, Canada, England, Europe, and Australia, are the ones who have been manipulated into becoming the **SYNTHESIS** for the merchants of **Mystery Babylon** into a New World Order. We have been transformed in many cases, into the very system of evil we thought we were fighting.

God's Israel, Celtic, Saxon, Scandinavian, Germanic, and kindred people are given a double witness what we are to do when we are in **Babylon**:

### **Jeremiah 51:44-45**

*<sup>44</sup> And I will punish Bel in Babylon, and I will bring forth out of his mouth that which he hath swallowed up: and the nations shall not flow together any more unto him: yea, the wall of Babylon shall fall.*

*<sup>45</sup> My people, go ye out of the midst of her, and deliver ye every man his soul from the fierce anger of the LORD.*

### **Revelation 18:4**

*And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

The answer to what we must do in this time of our **Mystery Babylonian** captivity (Jacob's Trouble) is prepare for the soon to come time of deliverance by the Hand of the Lord. Notice in **Jeremiah 51:44**, **God Almighty** will *"punish Bel (Baal) in Babylon, and will bring forth out of his (Baal's) mouth that which he hath swallowed up"* (the Adamic Israel people). And then we read *"...the nations shall not flow*

*together any more unto him* (Baal). In other words, the nations in league with **Mystery Babylon** shall, at that time, *NOT FLOW TOGETHER*.

Think about the recent **NSA** scandal of them snooping/spying on world leaders and their conversations on the phone and internet. Even Brazil cancelled an official state meeting with our President over this. The nations are **NOT** flowing together. Also, why is there very little outcry of **NSA** spying on the American people by public officials? It's somehow wrong for the **NSA** to spy on world leaders, but **OK** to spy on the American people?

Presently, within the **United Nations**, an unsavory league of nations do seem to flow together, but it is becoming more clear that their foundation is shaking. How then you may ask, have they been able to flow together thus far? Answer, by the merchants of **Babylon**, meaning, the bankers and merchant law that places everyone under a **Talumdic** law that is foreign to most peoples understanding. They use a debt fiat money system that is designed to function under their UCC (Uniform Commercial Code) commercial/merchant legal system. All their financial transactions, legal policies, and claims are actually fraudulent, meaning, legal trickery that the average person is unaware of and is actually participating in his own instruments of obligation (contracts of our captivity we submit to) that place people under an alien jurisdiction.

While this may sound complicated, and almost Twilight Zonish to some of you, I would ask that you not be so quick to dismiss what I am sharing with you.

It is most interesting that **Revelation 18** exposes much about the system of **Mystery Babylon** and when we add to this vital Kingdom principles of understanding, it truly boggles the carnal mind. But do try, for now, to understand

that their Talmudic commercial/merchant law manipulation and debt financing, is the main channels through which **Mystery Babylon's** puppet regimes of the United States, its United Nations, and its foreign alliances are held together, but also know, that the shipmasters of Babylon are near the day when they shall take a Humpty Dumpty fall. That whole banking system of fraud (the Federal Reserve system) shall one day fall, and then, the international league of nations shall no longer flow together, and **God has decreed that Humpty Dumpty will not be put together again. Hallelujah!**

## THE FALL OF THE OLD JERUSALEM

I will add one other important aspect that I believe will show the continuing fall of **Mystery Babylon**, and this will scare "false religion" right out of Judeo-Christians, and it is this, **the fall of the Old Jerusalem.** Here are some interesting verses on this from the book of Malachi:

### Malachi 1:2-4

*<sup>2</sup> I have loved you, saith the LORD. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the LORD: yet I loved Jacob,*

*<sup>3</sup> And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.*

*<sup>4</sup> Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation for ever.*

Clearly, **Esau** and his **New World Order** of this world shall become waste for the dragons (**perhaps China [whose symbol is the DRAGON], who owns trillions of dollars of America's national bonds, or, dragons**

could symbolized a variety of other things, including, the masses of people rising up to double unto her [Babylon] double). Red Esau/Edom shall be exposed and there will be something in the Divine exposure of Red Talmudic Edom that shall catch the attention of the sons of Isaac and the blindness that has been upon them shall be removed.

But following up on what the Scriptures are telling us concerning *"the desolate places,"* and *"border of wickedness"* representative of the Old Jerusalem, from the verses in Malachi above, Esau's *"heritage"* shall become waste. Personally, I believe one of the big attention grabbers will be the destruction of the Old Jerusalem but not from some Arab nation atomic attack upon the Old Jerusalem. No, I believe the destruction of Jewish occupied Jerusalem will be by the **Hand of God** (their destruction will be by His Hand), quite possibly in the form of a massive earthquake. Consider the following Jewish news article from HAARETZ.com (October 22, 2013), entitled **"EARTHQUAKE HITS NORTHERN ISRAEL FOR FIFTH TIME THIS WEEK"**:

"A mild earthquake hit northern Israel on Tuesday, marking the fifth quake in a week to hit areas near Kinneret...It isn't clear what the recent string of quakes means in terms of future seismic events. Early in the morning on Saturday, at 2:30 A.M., another mild earthquake also with a 3.6 magnitude was recorded. According to the geophysical institute, the earthquake's epicenter was nearly, in the area between the Hula Nature Reserve and the Sea of Galilee."

Orthodox theology is laden with the false belief that the **"Jews"** (meaning the **Red Edomites**), represent the whole House of Israel, while at the same time being blind to the Israelite identifying marks of the Celtic, Anglo-Saxon, and related people that identify the true Caucasian sons of

Isaac. Orthodox Christianity is so busy dancing to the tune of Jewish propaganda, that they completely bypass any aspect of inspecting the **Talmudic** fruit of **Zionism/Judaism**, and they are blind to the identity of the true **Covenant People** that are right before their very eyes.

True Christian New Covenant Israel, the Biblical sons of Isaac were to become, and did become a multitude of nations (kingdoms or mountains, **Genesis 17:4, & 48:4**). True Israel would become **Christians**, sons of the living God (**Hosea 1:10**), and they would be a blessing to all the nations of the earth (**Genesis 12:2**). Christian Jacob Israel would *"take root...blossom and bud, and fill the face of the world with fruit"* **Isaiah 27:6**.

A **GLORIOUS** change is coming my dear **Christian** friends, but we must be patient in this time of Jacob's trouble in which spiritually blinded **Israel** is travelling in. The **Saints of God** must be willing to exercise great patience in this time of national turmoil, recognizing that **God's Hand of Judgment** is upon His people Israel (**Revelation 13:10 & 14:12**).

***24 The LORD bless thee, and keep thee: 25 The LORD make his face shine upon thee, and be gracious unto thee: 26 The LORD lift up his countenance upon thee, and give thee peace.*** Numbers 6:24-26

# Why ObamaCare is a Fantastic Success

By Wayne Allyn Root

Published October 21, 2013

| FoxNews.com

There are two major political parties in America. I'm a member of the naïve, stupid, and cowardly one. I'm a Republican.

How stupid is the GOP? They still don't get it.

I told them 5 years ago, 2 books ago, a national bestseller ago ***The Ultimate Obama Survival Guide***, and in hundreds of articles and commentaries, that ObamaCare was never meant to help America, or heal the sick, or lower healthcare costs, or lower the debt, or expand the economy.

The GOP needs to stop calling ObamaCare a “trainwreck.” That means it's a mistake, or accident. That means it's a gigantic flop, or failure. **It's NOT.**

**This is a brilliant, cynical, and purposeful attempt to damage the U.S. economy, kill jobs, and bring down capitalism.**

**It's not a failure, it's Obama's grand success.**

It's not a “trainwreck,” **ObamaCare is a suicide attack.** He wants to hurt us, to bring us to our knees, to capitulate- so we agree under duress to accept big government.

Obama's hero and mentor was Saul Alinsky -- a radical **Marxist** intent on destroying capitalism. Alinsky's stated advice was to call the other guy “*a terrorist*” to hide your own intentions.

To scream that the other guy is “*ruining America*,” while you are the one actually plotting the destruction of America. To claim again and again...in every sentence of every speech...that you are “*saving the middle class*,” while you are busy wiping out the middle class. **The GOP is so stupid they can't see it.** There are no mistakes here. This is a planned purposeful attack.

The tell-tale sign isn't the disastrous start to ObamaCare. Or the

devastating effect the new taxes are having on the economy. Or the death of full-time jobs. Or the overwhelming debt. Or the dramatic increases in health insurance rates. Or the 70% of doctors now thinking of retiring- bringing on a healthcare crisis of unimaginable proportions. **Forget all that.**

The real sign that this is a purposeful attack upon capitalism is how many Obama administration members and Democratic Congressmen are openly calling Tea Party Republicans and anyone who wants to stop ObamaCare **“terrorists.”**

There’s the clue. Even the clueless GOP should be able to see that.

They are calling the reasonable people...the patriots...the people who believe in the Constitution ... the people who believe exactly what the Founding Fathers believed...the people who want to take power away from corrupt politicians who have put America \$17 trillion in debt...**terrorists?**

That’s because they are Saul Alinsky-ing the GOP. The people trying to purposely hurt America, capitalism and the middle class...are calling the patriots by a terrible name to fool, confuse and distract the public.

**ObamaCare is a raving, rollicking, fantastic success.** Stop calling it a failure. Here is what it was created to do. It is succeeding on all counts:

- 1. ObamaCare was intended to bring about the Marxist dream -- redistribution of wealth.**

Rich people, small business owners, and the middle class are being robbed, so that the money can be redistributed to poor people (who vote for Democrats). **Think about it.** If you’re rich or middle class, you now have to pay for your own health care costs (at much higher rates) AND 40 million other people’s costs too (through massive tax increases). So you’re stuck paying for both bills. You are left broke. **Brilliant.**

- 2. ObamaCare was intended to wipe out the middle class and make them dependent on government.**

**Think about it.** Even Obama's IRS predicts that health insurance for a typical American family by 2016 will be \$20,000 per year. But how would middle class Americans pay that bill and have anything left for food or housing or living? People that make \$40K, or \$50K, or \$60K can't possibly hope to spend \$20K on health insurance without becoming homeless. **Bingo.** That's how you make middle class people dependent on government. That's how you make everyone addicted to government checks. **Brilliant.**

3. **As a bonus, ObamaCare is intended to kill every decent paying job in the economy, creating only crummy, crappy part-time jobs.**

**Why?** Just to make sure the middle class is trapped, with no way out. Just to make sure no one has the \$20,000 per year to pay for health insurance, thereby guaranteeing they become wards of the state. **Brilliant.**

4. **ObamaCare is intended to bankrupt small business, and therefore starve donations to the GOP.**

**Think about it.** Do you know a small business owner? I know hundreds of them. Their rates are being doubled, tripled and quadrupled by ObamaCare. Guess who writes 75% of the checks to Republican candidates and conservative causes? **Small Business.** Even if a small business owner manages to survive, he or she certainly can't write a big check to the GOP anymore. Money is the "mother's milk" of politics. Without donations, a political party ceases to exist. **Bingo.** That's the point of ObamaCare. Obama is bankrupting his political opposition and drying up donations to the GOP. **Brilliant.**

5. **ObamaCare is intended to make the IRS all-powerful.**

It adds thousands of new IRS agents. It puts the IRS in charge of overseeing 15% of the U.S. economy. The IRS has

the right because of ObamaCare to snoop into every aspect of your life, to go into your bank accounts, to fine you, to frighten you, to intimidate you. And Obama and his socialist cabal have access to your deepest medical secrets. By law your doctor has to ask your sexual history. That information is now in the hands of Obama and the IRS to blackmail GOP candidates into either not running, or supporting bigger government, or leaking the info and ruining your campaign. Or have you forgotten the IRS harassed, intimidated and persecuted critics of Obama and conservative groups? Now Obama hands the IRS even more power. Big Brother rules our lives. **Brilliant.**

## **6. ObamaCare is intended to unionize 15 million healthcare workers.**

That produces \$15 billion in new union dues. That money goes to fund Democratic candidates and socialist causes -- thereby guaranteeing Obama's friends never lose another election, and Obama's policies keep ruining capitalism and bankrupting business owners long after he's out of office.

**Message to the GOP: This isn't a game.** This isn't tiddly-winks. This is a serious, purposeful attempt to highjack America and destroy capitalism.

**This isn't a trainwreck.** It's purposeful suicide.

**It's not failing,** it's working exactly according to plan. Obama knows what he's doing. Stop apologizing and start fighting.

Oh and one more thing...Conservatives aren't "**terrorists.**" We are patriots and saviors. We represent the Constitution and the Founding Fathers. We are the heroes and good guys. Unless you get all this through your thick skulls, **America is lost...forever.**  
*(end of article)*

What the author does not understand is that God has made promises to His People and America, God's Stone Kingdom, is not going to be destroyed. The tares are going to be removed and His People are going to be blessed with Jesus Christ as our King!

## An Armenian Jesus Rises over Syria

October 21, 2013 - 9:57am, by Giorgi Lomsadze <http://www.eurasianet.org>

A colossal, bronze Jesus Christ, cast in Armenia, has appeared in war-ravaged Syria **“to save the world.”** Soaring higher than Rio’s famous Christ the Redeemer, the statue stands 39 meters tall in the mountaintop, Byzantine-era Cherubim Monastery, lording it over the city of Saidnaya, 27 kilometers north of Damascus, Armenian news outlets reported. Some Russian outlets said that the statue is one meter shorter than its Brazilian counterpart.

From its vantage point above the sea, the statue overlooks an historic pilgrimage route from Istanbul to Jerusalem. The statue, created by Armenian sculptor Artush Papoian, was installed on October 14, when Orthodox Christians celebrate a commemoration of the Virgin Mary, whose icon is a chief draw for the monastery.

But the statue was not born of recent events in Syria. While Syria's ethnic Armenian population has been fleeing the country in droves -- including to Armenia itself, which has built a "New Aleppo" to accommodate the arrivals -- the project has been in the works since 2005, Russia's Komsomol'skaya Pravda reports.

Backed by the Russian government (which has a navy base on Syria's Mediterranean Sea coast, and, as we all know by now, takes an active interest in matters Syrian), along with the Russian Orthodox Church, the project, billed ***"I have come to save the world,"*** was supposedly the brainchild of one Yuri Gavrilov, a 49-year-old Moscow native who runs an organization in London called the St. Paul and St. George Foundation.

***“We hope that this sculptural composition brings peace and love to the hearts of people, and that our work will help restore peace and calm in this long-suffering region,”*** the Foundation’s director, Samir el-Gadban, told Komsomol'skaya Pravda.

## **Black Mobs and the Coming Race War**

by Thomas Sowell, Infowars.com

October 22, 2013

<http://www.wnd.com/2013/10/black-mobs-and-the-coming-race-war/>

**One of the reasons for being glad to be as old as I am is that I may be spared living to see a race war in America.** Race wars are often wars in which nobody wins and everybody ends up much worse off than they were before.

**Initial skirmishes** in that race war have already begun and have in fact been going on for some years. But public officials pretend that it is not happening, and the mainstream media seldom publish it at all, except in ways that conceal what is really taking place.

**For American society, a dangerous polarization has set in.** Signs of this polarization over the years include opposite reactions between blacks and whites to verdicts in the O. J. Simpson murder case, the “rape” charges against Duke University students, and trials resulting from the beating of Rodney King and the death of Trayvon Martin.

**More dangerous than these highly publicized episodes** over the years are innumerable organized and unprovoked physical attacks on whites by young black gangs in shopping malls, on beaches and in other public places all across the country today.

**While some of these attacks make it into the media as isolated incidents,** the nationwide pattern of organized black on white attacks by thugs remains invisible in the mainstream media, with the notable exception of Bill O’Reilly on the Fox News Channel.

**Even when these attacks are accompanied by shouts of anti-white rhetoric and exultant laughter at the carnage,** the racial makeup of the attackers and their victims is usually ignored by the media, and public officials often deny that race has anything to do with what happened.

**These attacks have sent many people to the hospital, and some have died**, but the attacks are often carried out in a festive atmosphere. What are called **"troubled youths,"** in this and other contexts, are often in fact young people enjoying themselves greatly by creating big trouble for others. Some of these many attacks are covered in detail in a book titled ***White Girl Bleed A Lot*** by Colin Flaherty. It was a phrase that I recognized immediately, from my own previous research.

**That phrase was uttered by one of a group of black attackers** who descended on a group of whites at a July 4th fireworks show in Milwaukee. But what happened there was not unique, either in itself or in the efforts of police and political authorities to play down what happened – and to say that race had nothing to do with it.

**When the Chicago Tribune was criticized for editing out the race of the attackers** in a series of similar organized attacks in Chicago, it replied that race was irrelevant. Yet race is not considered irrelevant when indignantly editorializing on a disproportionate number of young black males arrested and imprisoned.

**Sadly, what happened in Milwaukee and Chicago were not isolated incidents.** They were part of a pattern repeated in dozens of cities, located in every region of the country. Colin Flaherty's book, which is subtitled ***"The Return of Racial Violence to America and How the Media Ignore It,"*** reveals this pattern in painful detail.

**Other books are emerging that are more clearly a white backlash**, in the sense that they attack behavior patterns among contemporary blacks in general.

**Perhaps the most clearly backlash books are those written by Paul Kersey**, whose central theme is that whites have created thriving cities, which blacks subsequently took over and ruined. Examples include his books about Birmingham ("The Tragic City")

and Detroit ("Escape from Detroit").

**Kersey even takes a swing at Rush Limbaugh** (and at yours truly) for saying that liberal policies destroyed these cities. He says that San Francisco and other cities with liberal policies, but without black demographic and political takeovers, have not been ruined. His books are poorly written, but raise tough questions.

It would be easy to simply dismiss Kersey as a racist. But denouncing him or ignoring him is not refuting him. Refuting requires thought, which has largely been replaced by fashionable buzz words and catch phrases, when it comes to discussions of race. **Thought is long overdue. So is honesty.**

***Thomas Sowell is a senior fellow at the Hoover Institution in Stanford, Calif. He is the author of 28 books, including Dismantling America and Basic Economics: A Common Sense Guide to the Economy.***

[Editor's note: At least Mr. Sowell is honest enough to say that Kersey's work needs to be "refuted" not just denounced. An honest assessment will show him that there are no great black civilizations.]

## **TV Has to Be at Least 42 Percent Gay?**

by L. Brent Bozell III

<http://cnsnews.com/source/l-brent-bozell-iii>

The media elites glowed as they reported a judge had forced New Jersey to become the 14th state to honor and celebrate the "gay marriage" concept. When homosexuals marry in Hoboken, the gay left will be — should be — thanking Hollywood.

The Gay and Lesbian Alliance Against Defamation (GLAAD) has issued a new report boasting that *"TV hasn't merely reflected the changes in social attitudes; it has also had an important role in bringing them about. Time and again, it's been shown that personally knowing an LGBT person is one of the*

*most influential factors in shifting one's views on LGBT issues, but in the absence of that, many viewers have first gotten to know us as television characters."*

If network executives were honest, they'd be slamming this report. **If.** Haven't they routinely insisted that TV shows have zero effect on the audience? That's their constant mantra when defending sex and violence on TV. They're silent. **They know exactly how much they influence.**

GLAAD and The Hollywood Reporter commissioned a poll last fall that found in the past 10 years, about three times as many voters have become more supportive of "marriage equality" (31 percent) as more opposed (10 percent). When asked how television has influenced them, 27 percent said "inclusive" TV shows made them more "inclusive," while six percent were more "anti-marriage equality."

As GLAAD put it, *"Telling our stories to a mass audience is an important role that television continues to play."*

These cultural trend-enforcers went after the movies this summer, complaining that out of the 101 film releases by the major studios in the 2012 calendar year, *"only 14 films contained characters identified as lesbian, gay or bisexual. There were no films containing transgender characters."*

## **America weeps.**

The silver-screen people need to catch up, they lectured: *"But if the major Hollywood studios want a real barometer of how much has changed in our society and how much catching up they have to do, they need only look at what's become one of the greatest threats to their viability: television."*

In the 2012-13 TV season, GLAAD found a record number of LGBT characters — 4.4 percent, or at least double their actual percentage of the population. Fox was honored for having these characters in 42 percent of their programming hours —

although that wasn't enough for "Excellent" status, merely "Good."

There's no wonder that a Gallup poll in 2011 found that on average, American adults estimate that 25 percent of Americans are homosexual. **They're getting that crazy idea from TV.**

GLAAD is using that example to proselytize the movie studios: *"The 'novelty' of these (TV) characters being LGBT has long since passed, and now they're simply unique personalities making up part of unique character ensembles."*

That doesn't mean these guardians of inclusion aren't going to keep pressuring TV. The new gay-focused sitcoms "**Partners**" and "**The New Normal**" were canceled, alongside other shows with socially liberal agendas. To compensate, GLAAD is even bashing The History Channel for having zero gay characters.

They don't mean in the Civil War documentaries. History executives have loaded their schedule with fictional and "reality TV" shows, and GLAAD is having a tantrum. *"The closest the network seemed to get was on the scripted drama 'Vikings,' which depicted one 'straight' Viking couple sexually propositioning a monk they had enslaved."* They even expect Middle Ages dramas to have gay scenes or characters in 42 percent of programming hours.

They want children indoctrinated as well. GLAAD is also not shy when it comes to Teen Nick, Cartoon Network and the Disney Channel. Apparently, children also desperately need the propaganda of gay characters in 42 percent of programming hours. They're extremely happy with the liberalism of "**ABC Family**" and have relayed that Disney Channel executives promised GLAAD they will *"introduce LGBT characters in an episode of its original series 'Good Luck Charlie' set to air in 2014, a first for the network."* The first of many, they expect.

Here's the catch: Gay characters never face any real opposition

to the gay agenda on these so-called "inclusive" programs. There is no measure of Orthodox religious inclusion and no real debates. The victory of the left is assumed without thinking. When a conservative character is created — like Ellen Barkin's "Nana" in "The New Normal" — it's a vicious cartoon, the kind that those "*against defamation*" folks deeply enjoy.

These people are all about tolerance and sensitivity. But if you disagree with them, they will have your head. Ask anyone in Hollywood who's pro-family.

## The Very First Americans May Have Had European Roots

<http://blogs.smithsonianmag.com/smartnews/2013/10/the-very-first-americans-may-have-had-european-roots/>

More than 15,000 years ago the first people came to the Americas, *walking across the Bering Strait on a land bridge from Siberia, or maybe sailing east along the coast*. These people spread down and through North, Central and South America, with early civilizations like the Clovis people taking root. As the theory goes, early Americans originated from a small group of people that made it over from Asia. But when researchers dig into the genes of some Native American people, unexpected genes, **genes with a European heritage**, jump out.

The common assumption is that these genes were picked up, mixed into the gene pool from European colonialists. But new preliminary research, **reported on by Science Magazine**, tells a different story. Some early Americans came not from Asia, it seems, but by way of Europe.

From the complete nuclear genome of a Siberian boy who died 24,000 years ago—the oldest complete genome of a modern human sequenced to date. His DNA shows close ties to those of today's Native Americans. Yet he apparently descended not from East Asians, but from people who had lived in Europe or western Asia. The finding suggests that about a third of the ancestry of

today's Native Americans can be traced to "western Eurasia," with the other two-thirds coming from eastern Asia.

The presence of European genes in early Americans has always been confusing, *says Nature*. But in the new research, says *Science*, the scientists found that *"a portion of the boy's genome is shared only by today's Native Americans and no other groups."* Other parts of his genome were tied to Europeans, but the boy had no genetic relationship to modern East Asians.

The researchers think that rather than taking a straight path from East Asia to the New World, the genetic heritage of early Americans was more convoluted:

The team proposes a relatively simple scenario: Before 24,000 years ago, the ancestors of Native Americans and the ancestors of today's East Asians split into distinct groups. The Mal'ta child represents a population of Native American ancestors who moved into Siberia, probably from Europe or west Asia. Then, sometime after the Mal'ta boy died, this population mixed with East Asians. The new, admixed population eventually made its way to the Americas. Exactly when and where the admixture happened is not clear, Willerslev said. But the deep roots in Europe or west Asia could help explain features of some Paleoamerican skeletons and of Native American DNA today. *"The west Eurasian [genetic] signatures that we very often find in today's Native Americans don't all come from postcolonial admixture,"* Willerslev said in his talk. *"Some of them are ancient."*

[Editor's note] Isn't it interesting how more and more evidence is being found to link the Israelites with more and more of the world's ancient civilizations? Much of the evidence of white people being scattered all over the globe is suppressed because it does not fit the PC narrative of the bad white man. There are thousands of white graves in China as well. Put Small River Cemetery No. 5 in any search engine on

your computer and many documents will come up. These graves were found in 1934 by Swede Folke Bergman. It was lost to history again until 2003. The DNA of King Tut and others proves that the Pharaohs of Egypt were white.
