**Dear Christian (not Judeo-Christian) brethren:**

**Greeting in the name of our blessed Redeemer, the Lord Jesus Christ.** I pray that you and your family are standing firm in the Faith of Abraham, Isaac, and Jacob. That's exactly where Martha and I are at and where we intend to remain, with full hope and blessed assurance in the Sovereign Kingdom Purposes of **Jesus Christ our King.**

You are family to us, and I want to encourage you to, as often as possible, join together with your fellow Christian Israel family at large. We all need to spend more time among our family of Faith, and therefore, America's Promise Ministries is going to do more in the days ahead to encourage more Covenant people gatherings, not based upon the premise that we all will agree doctrinally, but based upon our inherent need for Christian fellowship and as family, keep up on one another and draw a closer bonding that is indeed spiritual. In fact, this weekend we are going to spend time visiting some of the brethren in Western Washington, soon, we will also be making a trip to Oregon! It will be exciting and spiritually uplifting! Let's face it folks our racial covenant family is being neglected and we have to do something about it.

**Hebrews 10:25**

*Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another: and so much the more, as ye see the day approaching.*

## Interesting News

### Are Jews hated and mistrusted simply because they are Jews, or does it go much deeper?

John Hagee and his tag along Glenn Beck recently spoke at their Christians United for Israel in Washington DC which was a lovefest of the Jews that totally ignored their international crimes and corrupt wicked ways. Beck read verses from Jeremiah and Timothy about the sins of Israel, but he did not direct these Biblical admonitions to the Jews. Instead he directed these verses to America, and the sins of the American people. In all their religious ranting and raving they dared not direct one word of accusation or guilt towards their precious Jews. To them, it is impossible for the Jews to be guilty of anything. Only White people, especially those living in America, are guilty of hidden and even overt anti-Semitism and wicked ungodly behavior, while the saintly Jews are apparently in no way responsible for their Old Jerusalem woes. It is the American people who must get their spiritual act together, not the Jews. The Jewish plight is the result of American sin with not one word even slightly insinuated that the Jews could be in error. Nothing about the evils of Talmudic Zionism, because in their theology, the Jews are spiritually immune from any criticism. There was no call for the Jews to repent from their sins in any way. In fact, in a recent C-SPAN (Washington Journal) interview with Mark Potok, Director of the Southern Poverty Law Center, he said the following: <https://www.youtube.com/watch?v=FZZWzn9LsGU>

**“...Jews have kind of a collective evolutionary strategy, and is well known as such. The reality is, that because of such, Jews generally live in societies in which, that are outnumbered, that what they do collectively, through some sort of**

**bias-math, is that they work collectively and secretly to undermine the White Christian societies that are hosts for them. In other words, Jews urge other people to intermarry. Jews try and weaken Christianity. Jews try and weaken the interest of White people in general. And the whole reason for this is that White society will be weakened, so that, in order that the Jews will not be attacked in pogroms and so on.” An amazingly honest admission. A tare raising his head up high!**

## FROM THE PASTOR’S DESK:

### OUR ADAMIC ISRAELITE PLACE

By Pastor Barley

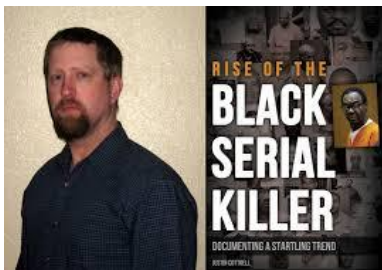

First, these few comments on “race.” This term in today’s world is often thought of as a dark ominous term, not to be discussed, or Biblically given Biblical consideration, intellectually researched, anthropologically studied, its national implications considered, or its racial, cultural or religious repercussions weighed with full Biblical assessment of God’s Will, Plan or Purposes. Actually, race, within its proper Biblical place harmonizes with creation and it does, within its created purpose fulfill a wonderful aspect of God’s creation that He purposed for each race. Racial integration violates the Divine order and purpose for the races in that it perverts God’s kind after kind Biblical Principle of separatism. Biblical separatism is not about having no social communication or economic commercial exchange, or acceptable boundaries where the racial integrity of all people is upheld and protected. In true Christian Biblical understanding, there should be and are to be

racial ethnic boundaries that adhere to Bible moral criteria.

## 2 Chronicles 19:10

*“And what cause soever shall come to you of your brethren that dwell in their cities, between blood and blood, between law and commandment, statutes and judgments, ye shall even warn them that they trespass not against the LORD, and so wrath come upon you, and upon your brethren: this do, and ye shall not trespass.”*

All people, except for those of the White Caucasian race are often excused, exempted, and tolerated for outlandish, abusive, inappropriate, even criminal behavior. Inevitably, practically all the ills of the world are placed upon the White Caucasian people, because, the political correctness agents have deemed that only White people are guilty of “racism,” and therefore are the instigators of most, if not all racial injustice. The truth, of course, though not meant to excuse the Caucasian people of their fair share of “wrong,” is that, especially among black men, crime in America is instigated in often brutal and horrific consequences.

Quoting from the book **RISE OF THE BLACK SERIAL KILLER** (documenting a startling trend) by Justin Cottrell, page 27:

“Americans are impacted by what the mainstream media reports and what Hollywood

produces, even if it is a pale comparison to what really takes place in the world. In the minds of millions, they have no need to doubt these experts, who entertain them with vivid stories and detailed special effects, but should simply sit back and enjoy the show. As a result, the public

assumes these outlets are staffed by specialists who hold advanced degrees in reporting and story-telling; therefore they *must* tell the truth, especially when it concerns crime. The truth is that, regardless of the facts, there are some stories the media and entertainment industries choose to willingly ignore. They are considered "too hot to touch," and subsequently avoided or downplayed.

"In this age of political correctness, the mainstream media is king in keeping their bias from ever stepping where they will be deemed racist or bigoted. While they claim their reporting is truthful and fair on all matters, the reality is that this is often not the case, especially when it comes to black crime."

The author of this book goes on to document the fact that black serial killers far outnumber any other racial group of people and the fact that most people would be appalled to learn the actual number of serial murders by black people against the White South African Boers (who are mostly of Dutch descent).

However, as he explains, due to the vast South African political corruption both in the black dominated government and media, the actual number of murdered White people is highly tainted or even purposely unreported. In other words, Black serial killers is on the rise even world-wide, and the rise of using "racism" to silence White people is no accident, and there will be no Jesse Jackson or Al Sharpton screaming into their megaphone for truth or justice against black criminality.

Their government protected institutes which are so perfumed with media "political correctness" and financed to foment this racial ignorance by their Jewish masters will not be overcome by our silence or our now common place apathy, but by our

steadfast perusal of the infallible Biblical Truth of God's Kingdom imperatives, which does and will involve proper racial order. What we have today in America and throughout the world is racial and sexual anything goes, and an arrogance which demands no Biblical guidelines.

It is actually a sad fact that racial liberalism abounds in the world today even in Judeo-Christian churches, when in reality, established Biblical racial boundaries would bring amazing blessings of proper Biblical kind after kind racial harmony. Clearly there is only one true and living God, and He created all things, including the various races. He did not create all the various races for them to go forth and admire the color of all the other races and desire to mingle themselves, though man's perverted fleshly nature does seek after strange flesh as part of his sinful nature. The point is, God Almighty did not create all the various races for them to mix and adulterate themselves. The animal world does not do this, nor should we. Such adulteration like homosexuality is an outgrowth of man's corrupt nature. To uphold and declare God's right and righteous created purpose for His creation is contrary to man's carnal thinking.

### **Ezra 9:1-3**

*<sup>1</sup> Now when these things were done, the princes came to me, saying, The people of Israel, and the priests, and the Levites, have not separated themselves from the people of the lands, doing according to their abominations, even of the Canaanites, the Hittites, the Perizzites, the Jebusites, the Ammonites, the Moabites, the Egyptians, and the Amorites.*

*<sup>2</sup> For they have taken of their daughters for themselves, and for their sons: so that the holy seed have mingled themselves with the people of those lands: yea, the hand of the princes and rulers hath been chief in this trespass.*

*<sup>3</sup> And when I heard this thing, I rent my garment and my mantle, and plucked off the hair of my head and of my beard, and sat down astonished.*

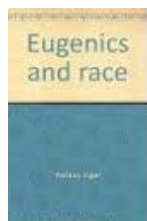

God's Israel people are Adamic, meaning, they are Adamites, or Caucasian, White people. It is not part of this short study to prove this to the reader if they are ignorant of this fact. If the reader is not aware of this truth, we have many good Bible books on this that you can order from us, such as, **TRACING OUR WHITE ANCESTORS** by Haberman, or **DID ALL RACES COME FROM ADAM?** by Lawrence Blanchard. The point is, "race" does matter. God created us to live among and racially associate as kindred family with a common shared heritage. To be among our own kind, or kindred, to celebrate our ethnic cultural heritage and birthright in wholesome relationships.

When man perverts this Biblical principle and amalgamates his Divine created ancestral lineage, creation becomes more polluted, corrupt, and out of order with King Jesus the Creator and His Word. Case in point, just look at today's highly multiracial, multicultural, pluralistic society.

I believe much of our racial problems have to do with the fact that few of our racial Adamic Israelite kinsmen neither understand nor realize the Biblical importance of knowing our place, meaning, we do not know where we came from Biblically, nor do we know where we belong racially, socially, or geographically. We are being herded around by worldly social-engineers to the point many think being mixed is somehow appropriate, right, and good for Christendom and is a blessing to the world. Thinking within our own corrupt carnal discretion, or, even within the Biblical context of our Faith, if that Faith, though believed to be Biblically sound and righteous, if it is flawed, will produce corrupt results. "Christians" do this all the time in their adherence to their

denominational dogma on such issues as homosexuality, interracial marriage, usury (the charging of interest), immigration policies, economic principles, international relations, war policies, international treaties, and so forth.

I want you to wisely consider the following thoughts by Roger Pearson, M.Sc. (Econ) from page 33 of his book ***EUGENICS AND RACE***, first edition 1966:

"According to the law of evolution, species and subspecies (evolutionary adventures which have acquired considerable physical differentiation but which are still capable of inter-breeding) compete one with the other for survival. Thus the stronger, or the best suited, survive, and evolution takes yet another step forward. But this is not the case with modern man. History tells a very different story: it tells of the conqueror enslaving the conquered, taking the women-folk of the conquered into his own household, to become the mothers of his own offspring, it tells of the intermingling of civilizer with savage, of the perpetuation and survival of the conquered, and the annihilation by absorption, instead, of the conqueror. This is the story of Egyptian, Sumerian, Greek, Roman, Persian, Arab, Turkoman and almost every conquering civilization the world has known. Within a few generations of the conquest the original civilizing stock has been swallowed up and absorbed by those whom they conquered, so that the civilization staggers on without direction for a few more generations, and ultimately collapses due to weakness from within—from an inadequate supply of capable individuals to preserve what

the earlier generations had built."

If that didn't grab your attention or speak to your heart concerning the obvious condition we now find ourselves in nationally and ethnically, as we consider our fallen state and rapid loss of our Biblical Heritage, I don't know what it will take to wake you up, dear Christian friends?

Is wanting to preserve, strengthen, and uphold our Adamic Israelite race and Biblical heritage wrong or somehow unfair to the other races? It most certainly is not, for if it is wrong to cherish and standup for our Biblical Covenantal Heritage, then we need to close our Bibles, reject God's Word to Israel, and accept racial multiculturalism. We should accept the death of our race and bend to the gods of multiculturalism. Despite all the guilt filled racial discussion going on today, I know a good many of you are not going to commit racial suicide in submitting to such race-relations indoctrination. Our soul is not soothed by lies, but in the Truth that will set us free. The constant push for people to be racially indifferent and sexually free, is not of God and His Word, but of Biblically unsound minds who actually deny God's Word.

## OUR PLACE SPIRITUALLY

Under the Old Covenant, the children of Israel never seemed able to go beyond the level of a child, and in part, this is why they were referred to as the "*children of Israel.*" This is where we get into the real significance of physical Israel verses spiritual Israel; or we could say, children versus sons. Many Israelites are still children spiritually. They have the earnest of the promise, but they do not have the proper spiritual understanding to become sons of the Living God.

So I'm not just talking about knowing your identity as a possible physical heir of Jacob (Israel), I'm talking about

knowing your identity through Jesus Christ. You see, every child knows a level of his identity, but he doesn't comprehend the fullness of the measure, certainly not Biblically of his calling, responsibilities and obligations associated with that unique identity. This is where our understanding of the adoption process is most germane to our study of Adamic Covenant Israel, because it does bring the spiritual into focus.

The spiritual is birthed with the physical concerning *“the adoption of sons,”* once Adamic Israelites sufficiently come into spiritual maturity. To what degree is not known, for this is of our Father which art in Heaven. This Biblical process is not a multiracial thing, it is an elect, chosen seed of Israel's race, or if you prefer, kindred. The Apostle Paul emphasizes our adoptive status in the following verses:

#### **Galatians 4:4-5**

*“But when the fullness of the time was come, God sent forth His Son, made of a woman (Israel), made under the law, To redeem them (Israel) that were under the law, that we might receive the adoption of sons.”*

These verses introduce the principle that the chosen seed (Old Covenant Israel) become redeemed sons of God (by an adoption, born again principle) by putting off the old man (first Adam fallen nature) and putting on the new man (Christ Jesus, the last Adam). This is how the lost prodigal sons of Israel *“receive the adoption of sons.”* We become adopted sons by putting on the new man, the Lord Jesus Christ, and His New Covenant is what this is all about.

#### **Hebrews 8:8-10**

*<sup>8</sup> For finding fault with them, he saith, Behold, the days come, saith the Lord, when I will make a new covenant with the house of Israel and with the house of Judah:*

*<sup>9</sup> Not according to the covenant that I made with their fathers in the day when I took them by the hand to lead*

*them out of the land of Egypt; because they continued not in my covenant, and I regarded them not, saith the Lord.*

*<sup>10</sup>For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their mind, and write them in their hearts: and I will be to them a God, and they shall be to me a people:*

It is through repetition that we truly learn things. Good parents repeat truth to their children over and over. We hear many things over and over every day and never seem to grow tired of hearing them, but somehow, when it comes to Bible truth, such as the above verse, some people grow tired of hearing, especially if it goes against their enlightened sense of “**fairness and love.**” This is not how we are to be with the Word of God. We are to speak of the things of the Kingdom over and over. In fact, in **Psalms 145:11-13**, we are told:

*<sup>11</sup> They shall speak of the glory of thy kingdom, and talk of thy power;*

*<sup>12</sup> To make known to the sons of men his mighty acts, and the glorious majesty of his kingdom.*

*<sup>13</sup> Thy kingdom is an everlasting kingdom, and thy dominion endureth throughout all generations.*

What we are learning in this Bible study is vitally important in the presentation we are to give forth concerning the things of the Kingdom. If we wrongly teach who the Covenant Kingdom people are, then we are sowing corrupt seeds of the Kingdom. Such corruption will spoil and contaminate the minds and hearts of God’s people, like a rotten apple placed in a barrel full of good apples will turn the whole barrel full into rotten unhealthy apples. As the Word of God warns us in **Psalms 11:3**.

***If the foundations be destroyed,  
what can the righteous do?***

The Spiritual Israel proponents teach a multiracial Israel by simply having the *“faith of Abraham.”* As I have said before, the world loves this concept as it encourages inter-racial marriage or miscegenation, though this is clearly denounced by the Word of God. God’s calling upon His Adamic Israel people can simply be brushed aside as long as anyone has *“faith like Abraham.”* Certainly, we understand that *“all have sinned and fallen short of the Glory of God.”* And I believe this, but I also believe in Biblical absolutes, and we are not free to violate or alter them no matter how much, or how many times we claim to be doing so in the name of **LOVE**. No matter how much love or faith we may have, our great love or faith does not and will never change God’s Adamic Israelite, Covenant, Elect, Servant, Chosen, Heritage People into a blended melting pot of Replacement Spiritual Israel GMOites. This is not meant to be offensive. It is meant to stand upon the Word of God and though the Spiritual Israel proponents continue to seek ways to enter the Israel Truth Kingdom Congregation of believers with their numerology message of unconditional love and acceptance, we must continue to uphold and stand upon the principles of Kingdom Order.

God’s Word states in **Jeremiah 31:35-37**:

*35 Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name:*

*36 If those ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me for ever.*

*37 Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD.*

Let me take a little rephrasing liberty with these verses, ***“If the day comes when the sun, moon, and stars stop giving forth their light for which they were created, and the day comes when men like Al Gore and Stephen Hawking can measure the heavens, then the seed of Israel shall cease, and be replaced with a multiracial Spiritual Israel.”*** Again, Spiritual Israel exists only when Adamic Israel becomes spiritual. The adoption process is Israelitish and is a spiritual process of them coming *“unto the measure of the stature of the fullness of Christ.”* Ephesians 4:13

We must understand that the Biblical phrase *“the adoption of sons”* was a part of the law which allowed the actual physical heirs to be placed and recognized as no longer children, but spiritually mature New Covenant sons. This meant full deliverance from the child (adolescent or minor status without authority or legal standing) to that of a **“son”** that has been spiritually groomed and tutored by the Word of God, thus adopted or matured into full sonship standing. This is also based upon redemption and only our Kinsman Redeemer Jesus Christ can fully regenerate us.

I would encourage you to study the Biblical adoption process for yourself, if you are unsure of anything I have shared with you. I am confident you will discover that this Biblical adoption process has nothing in common with our modern day Babylonian adoption system. The Biblical way is about “the child” coming into sufficient maturity, where he is weaned from the milk, to the place where he is accountable and can exercise proper authority within the realm of sonship.

God’s ***“servant people”*** (Israel) is not the status or chain-of-command He wants His children to remain in. The servant phase of our growth is essential before we can be given ***“sonship authority”*** that follows the principle of *“each*

*man in his own order” 1 Corinthians 15:23.* This is the order Jesus himself followed. He first came as a servant unto the lost sheep of the House of Israel.

**John 12:26**

*If any man serve me, let him follow me; and where I am, there shall also my servant be: if any man serve me, him will my Father honour.*

**John 15:14-15**

*Ye are my friends, if ye do whatsoever I command you. Henceforth I call you not servants; for the servant knoweth not what his lord doeth: but I have called you friends; for all things that I have heard of my Father I have made known unto you.*

As His **“servant people”** under the Old Covenant, the children of Israel were spiritually immature. But as mature sons of God (groomed in His Word, by the leading of the Holy Spirit), you have authority and you can go forth lawfully in the name of the Father, and speak in the authority of the Father.

**Galatians 4:4-7**

*4 But when the fulness of the time was come, God sent forth his Son, made of a woman, made under the law,*

*5 To redeem them (Israel) that were under the law, that we (Adamic Israelites) might receive the adoption of sons.*

*6 And because ye are sons, God hath sent forth the Spirit of his Son into your hearts (this is the promise of the New Covenant unto Israel and Judah), crying, Abba, Father.*

*7 Wherefore thou art no more a servant, but a son (our New Covenant adoptive status); and if a son, then an heir of God through Christ.*

Do note this, **“And because ye are sons, God hath sent forth the Spirit of His Son into your hearts,”** this is exactly what the

New Covenant we read earlier is proclaiming. Let us go a little deeper in our study, because I want you to understand the fact that there are a variety of terms and descriptions of Israel that many Christians are unfamiliar with, and therefore, they miss the full meaning and purpose of the Gospel message unto the children of Israel.

### **Colossians 3:10-12**

*<sup>10</sup> And have put on the new man, which is renewed in knowledge after the image of him that created him:*

*<sup>11</sup> Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but Christ is all, and in all.*

*<sup>12</sup> Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering.*

These groups of people are not an endorsement for there to be a racial free-for-all of “circumcisionites and uncircumcisionites” putting on the mind of Christ, but of the “circumcised” (non-divorced Israelites of the Southern Kingdom of Judah), and the “uncircumcised” (divorced, Gentilized, dispersed 10-tribed Northern House of Israel).

I want to quickly point out the fact that the Greek (White Adamic Caucasian people), Jew (Judeans of the tribe of Judah, including the hosts of the other tribes of the Southern Kingdom of Judah, were White Caucasian people), Scythians (White Adamic Caucasian people), Barbarians (were a variety of scattered paganized, Gentilized, lost sheep of the House of Israel, who had lost their Israelite standing and identity in the hands of their pagan captors). Many of them upon settling in places throughout Europe, became known as Germanic, Celtic, Vandals, Saxons, Gauls, and a variety of other names.

The Romans and Greeks referred to those outside of their

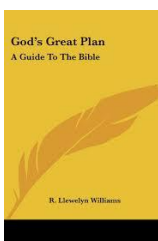

jurisdiction as Barbarians. The Barbarians addressed in these verses were also White Adamic Caucasian people. Ancient lost dispersed tribes of Israel.

**Galatians 3:29** states:

*"if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise."*

This verse is often misinterpreted to apply to a spiritual Israel replacement theology as we have discussed in previous Bible studies. In other words, when Jesus stated, *"I have not come but unto the lost sheep of the House of Israel,"* according to the spiritual Israel advocates, Jesus was really wasting His words, because, following His resurrection, Old Israel would become a New multiracial Israel of all races, creeds, and colors who gain this new status, again, simply by believing the Lord Jesus Christ by faith. Yes, this is exactly what they are saying and what they believe, and why they go out of their way to down play race, because all can now become heirs of the promise, spiritual seed of Abraham by faith.

Quite literally they believe that under the New Covenant, Old Covenant Israelites are being replaced with a spiritually superior multi-racial people, adopted into sonship by faith in Christ. Whether one is genetically a part of Israel or not no longer matters according to them.

I want to quote from R. Llewellyn Williams's book entitled **GOD'S GREAT PLAN**, pages 126-127, in which he discusses some of the unacceptable conclusions to which the spiritual Israel teaching leads us:

*"When we try to apply the Spiritual Israel Theory to our studies, we find ourselves beset by so many difficulties, contradictions and absurdities, that we must*

adopt one of two courses. We must either reject it altogether or, if we feel compelled to accept it, we must at the same time reject the greater part of the book on which our faith is founded.

"If we adopt the latter alternative we are immediately faced by a terrible dilemma. If God has broken His oath to Abraham, Isaac and Israel; if He has broken His oath to David; if He has broken any one promise which He ever made, how can we be sure that He will not break His promise again?...

"Obviously, then, if we admit into our minds any doubt whatsoever as to the power, or the will, of God to keep His promises, we immediately begin to undermine the very foundations on which the Christian faith is built up.

"The Epistle to the Hebrews states that God confirmed His promise to Abraham by an oath, because He wished to show to the heirs of the Covenant the "immutability of His counsel", and it describes the promise and the oath as "two immutable things, in which it was impossible for God to lie.

"The Spiritual Israel Theory states that it was possible to God to lie and break both His promise and His oath."

## **OUR PLACE RACIALLY**

Our place racially, though, clearly an unpopular notion in today's misguided racial sense of reason, is to be within the implicit guidelines of the Biblical principle of kind after kind. Meaning, dear friends, that we belong to a racial family that has a Biblical Covenantal calling and purpose, and we have a duty to know, understand, and abide within that Covenant place, family, kindred, and land. As an example, I admire this aspect

of the Japanese people, in that they, to a large degree have a deep, religious, and racial sense of family among their own. In fact, most races have a deeper sense of racial commitment and devotion to their own kindred than our White Adamic ancestry do towards their own.

We must also understand that as a race, we are also Biblically required to not just unite under mere racial conditions, but that there are also spiritual and Biblically moral conditions we must also consider in order for us to unite among our brethren. Race alone is not sufficient for there to be racial unity, for the Word of God is very clear that we are not to be unequally yoked together with idolaters, whoremongers, adulterers, sodomites, pagans, and so forth. Worldly, antichrist flesh, even of our own racial kindred stinks to high heaven and again, the principle of **"a bad apple corrupts the whole barrel"** holds true.

Our racial and spiritual place must be to be equally yoked together with Biblical harmonious guidelines. God did not call His Israelite Covenant people to be racially adulterated, including religiously. Inviting inter-racially mixed congregations, especially with a free-for-all attitude that race is somehow not an issue, or that race must not be monitored because that would "inhibit" the flow of the spirit, is ludicrous.

God's Word clearly warns Israel of moral decay if they mingle themselves with people who are not of their own kind. This does not mean that racial integrity alone is a spiritual cure all for the national woes of Israel, but it clearly is a factor we must not overlook. **Proverbs 5:20**, *"AND WHY wilt thou, my son, be ravished with a strange woman, and embrace the bosom of a stranger?"* Though there are many verses on this important topic, here are some closing verses well worth our consideration.

## **Joshua 23:11-16**

*<sup>11</sup> Take good heed therefore unto yourselves, that ye love the LORD your God.*

*<sup>12</sup> Else if ye do in any wise go back, and cleave unto the remnant of these nations, even these that remain among you, and shall make marriages with them, and go in unto them, and they to you:*

*<sup>13</sup> Know for a certainty that the LORD your God will no more drive out any of these nations from before you; but they shall be snares and traps unto you, and scourges in your sides, and thorns in your eyes, until ye perish from off this good land which the LORD your God hath given you.*

*<sup>14</sup> And, behold, this day I am going the way of all the earth: and ye know in all your hearts and in all your souls, that not one thing hath failed of all the good things which the LORD your God spake concerning you; all are come to pass unto you, and not one thing hath failed thereof.*

*<sup>15</sup> Therefore it shall come to pass, that as all good things are come upon you, which the LORD your God promised you; so shall the LORD bring upon you all evil things, until he have destroyed you from off this good land which the LORD your God hath given you.*

*<sup>16</sup> When ye have transgressed the covenant of the LORD your God, which he commanded you, and have gone and served other gods, and bowed yourselves to them; then shall the anger of the LORD be kindled against you, and ye shall perish quickly from off the good land which he hath given unto you.*

## **Hosea 5:3-7**

*<sup>3</sup> I know Ephraim, and Israel is not hid from me: for now, O Ephraim, thou committest whoredom, and Israel is defiled.*

**REALLY TAKE TO HEART THIS NEXT VERSE, ESPECIALLY**

**THE WORDS, “...FOR THE SPIRIT OF WHOREDOMS IS IN THE MIDST OF THEM:”**

*4 They will not frame their doings to turn unto their God: for the spirit of whoredoms is in the midst of them, and they have not known the LORD.*

*5 And the pride of Israel doth testify to his face: therefore shall Israel and Ephraim fall in their iniquity; Judah also shall fall with them.*

*6 They shall go with their flocks and with their herds to seek the LORD; but they shall not find him; he hath withdrawn himself from them.*

*7 They have dealt treacherously against the LORD: for they have begotten strange children:*

Openly mixed congregations are a volatile corruption that simmers within hearts of the church, pacifying them over time to be more tolerant and sensitive to racial indifference through a growing sense of spiritual fairness and equality.

The thought becomes more prevalent that there should be no racial barriers, that we are all created “equal,” and that spiritually we are all one. Once this happens, race-mixing becomes openly accepted and the more mixed and mingled the congregation becomes, the more Spiritual Israel becomes accepted theology. Without question, the Spiritual Israel Replacement theology fosters and openly embraces miscegenation, and the warning of God’s Word for Israel to have nothing to do with the fornication of Baalism are dismissed by the wolves in sheep clothing.

I received a call recently by a friend who heard one of these Spiritual Israel false shepherds I have been warning you about, telling the people at his gathering, that what I (Pastor Barley) was teaching against the Spiritual Israel Replacement theology as akin to:

**“They’re like the Jews in Jesus time, trying to keep the**

## **non-Jews out of the temple.”**

Think about that statement. The Jews of Jesus’ day were mostly Pharisees, Sadducees, and wicked men who did not believe that Jesus was the Messiah. They were not following the true Hebrew religion and Jesus had harsh words for them. So, this man is trying to say that people like us who follow God’s Law regarding Israel separating themselves from the heathen are equated to the Pharisees. What nonsense. I would remind them of the righteous efforts of Ezra and Nehemiah, who cleaned up the polluted House of God (which certainly included the congregation).

Clearly, Ezra and Nehemiah obeyed God’s Law Word. In fact, the situation had become so spiritually and morally corrupt that the High Priest of the temple had sons who married non-Israelite women and these women and their children were removed from the Israelites.

Ezra the Scribe, who was descended from the Aaronic priesthood, and Nehemiah were bold defenders of the Faith. The fledging Judah Kingdom was clearly under siege and disintegrating. The people were intermarrying, they were religiously perverting themselves, desecrating the Sabbath, and openly embracing multiculturalism, **JUST LIKE JUDEO-CHRISTIANS ARE DOING TODAY.** But Ezra and Nehemiah confronted the people with the Truth of God’s Word, and they were able to reverse this inter-racial, inter-faith path of Baalism.

Dear friends, do you not know that the Temples were corrupted and perverted during Jesus earthly ministry approximately 2000 years ago? The many Biblical warnings about the whoredoms that will beset the people of Israel are still an undeniable fact. (End of article)

# Balkanization Beckons

*Tuesday - July 15, 2014 at 1:31 am*

By Patrick J. Buchanan

Speaking to the Hispanic Chamber of Commerce in Albuquerque in 2001, George W. Bush declared that, as Mexico was a friend and neighbor, **"It's so important for us to tear down our barriers and walls that might separate Mexico from the United States."**

Bush succeeded. And during his tenure, millions from Mexico exploited his magnanimity to violate our laws, trample upon our sovereignty, walk into our country, and remain here.

In 2007, backed by John McCain, Hillary Clinton, Teddy Kennedy and Barack Obama, Bush backed amnesty for the 12 million people who had entered America illegally.

**The nation thundered no. And Congress sustained the nation.** The latest mass border crossing by scores of thousands of tots, teenagers and toughs from Central America has killed amnesty in 2014, and probably for the duration of the Obama presidency.

Indeed, with the massive media coverage of the crisis on the border, immigration, legal and illegal, and what it portends for our future, could become the decisive issue of 2014 and 2016. But it needs to be put in a larger context. For this issue is about more than whether the Chamber of Commerce gets amnesty for its members who have been exploiting cheap illegal labor.

The real issue: Will America remain one nation, or are we are

on the road to Balkanization and the breakup of America into ethnic enclaves? For, as Ronald Reagan said, a nation that cannot control its borders isn't really a nation anymore.

In Federalist No. 2, John Jay wrote,

*“Providence has been pleased to give this one connected country to one united people — a people descended from the same ancestors, speaking the same language, professing the same religion, attached to the same principles of government, very similar in their manners and customs ... ”*

He called Americans a “band of brethren, united to each other by the strongest ties.” The republic of the founders for whom Jay spoke did not give a fig for diversity. They cherished our unity, commonality, and sameness of ancestry, culture, faith and traditions. **We were not a nation of immigrants in 1789.**

They came later. From 1845-1849, the Irish fleeing the famine. From 1890-1920, the Germans. Then the Italians, Poles, Jews and other Eastern Europeans. Then, immigration was suspended in 1924. From 1925 to 1965, the children and grandchildren of those immigrants were assimilated, Americanized. In strong public schools, they were taught our language, literature and history, and celebrated our holidays and heroes. We endured together through the Depression and sacrificed together in World War II and the Cold War.

**By 1960, we had become truly one nation and one people.**

America was not perfect. No country is. But no country ever rivaled what America had become. She was proud, united, free, the first nation on earth. And though the civil rights

movement had just begun, nowhere did black peoples enjoy the freedom and prosperity of African-Americans.

Attorney General Eric Holder said Sunday that America is today in **"a fundamentally better place than we were 50 years ago."** In some ways that is so. Equality of rights has been realized. Miraculous cures in medicine have kept alive many of us who would not have survived the same maladies half a century ago. But we are no longer that *"band of brethren."* We are no longer one unique people *"descended from the same ancestors, speaking the same language, professing the same religion."*

We are from every continent and country. Nearly 4 in 10 Americans trace their ancestry to Asia, Africa and Latin America. We are a multiracial, multilingual, multicultural society in a world where countless countries are being torn apart over race, religion and roots.

We no longer speak the same language, worship the same God, honor the same heroes or share the same holidays. Christmas and Easter have been privatized. Columbus is reviled. Stonewall Jackson and Robert E. Lee are out of the pantheon. Cesar Chavez is in. Our politics have become poisonous. Our political parties are at each other's throats.

Christianity is in decline. Traditional churches are sundering over moral issues like abortion and same-sex marriage. Islam is surging. Our society seems to be disintegrating. Over 40 percent of all births now are illegitimate. Among Hispanics, the figure is 52 percent. Among African-Americans, 73 percent.

And among children born to single moms, the drug use rate and the dropout rate, the crime rate and the incarceration rate, are many times higher than among children born to married parents. **If a country is a land of defined and defended borders, within which resides a people of a common ancestry, history, language, faith, culture and traditions, in what sense are we Americans one nation and one people today?**

Neocons say we are a new kind of nation, an ideological nation erected upon a written Constitution and Bill of Rights. But equality, democracy and diversity are not mentioned in

the Constitution. As for what our founding documents mean, even the Supreme Court does not agree. More and more, 21st-century America seems to meet rather well Metternich's.

## **Smedley Butler & the Racket That Is War**

by Sheldon Richman

<http://reason.com/blog/2014/06/29/sheldon-richman-on-smedley-butler-and-th>

June 29, 2014 - - From 1898 to 1931, Smedley Darlington Butler was a member of the U.S. Marine Corps. By the time he retired he had achieved what was then the corps' highest rank, major general, and by the time he died in 1940, at 58, he had more decorations, including two Medals of Honor, than any other Marine. During his years in the corps he was sent to the Philippines (at the time of the uprising against the American occupation), China, France (during World War I), Mexico, Central America, and Haiti.

In light of this record Butler presumably shocked a good many people when in 1935 — as a second world war was looming — he wrote in the magazine *Common Sense*:

I spent 33 years and four months in active military service and during that period I spent most of my time as a high class muscle man for Big Business, for Wall Street and the bankers. In short, I was a racketeer, a gangster for capitalism [corporatism]. I helped make Mexico and especially Tampico safe for American oil interests in 1914. I helped make Haiti and Cuba a decent place for the National City Bank boys to collect revenues in. I helped in the raping of half a dozen Central American republics for the benefit of Wall Street. I helped purify Nicaragua for the International Banking House of Brown Brothers in 1902-1912. I brought light to the Dominican Republic for the American sugar interests in 1916. I helped make Honduras right for the American fruit companies in 1903. In China in 1927 I helped see to it that Standard Oil went on its way unmolested. Looking back on it, I might have given Al Capone a few hints. The best he could do was to operate his racket in three districts. I operated on three continents.

That same year he published a short book with the now-famous title *War Is a Racket*, for which he is best known today. Butler opened the book with these words... As we watch Barack Obama unilaterally and illegally reinsert the U.S. military into the Iraqi disaster it helped cause and sink deeper into the violence in Syria, we might all join in the declaration with which Butler closes his book:

## TO HELL WITH WAR!

# Media Reviews

By Martha Barley

## **America: Imagine the World without Her (2014)**

documentary (and book by the same name) by Dinesh D'Souza is a fairly well done piece by an Indian immigrant to America. Mr. D'Souza came to America at age 17 and loves America and has lived what many consider the American Dream. Fortunately and sadly, he knows American History better than most Americans and I love his unabashed love of America. He gives a lot of fascinating history that most Americans do not know. I'm an avid history reader and he surprised me! He contrasts what is being taught by our liberal schools with the facts. I love that he lets the liberals speak without interrupting them.

Personally, I refuse to watch any of the talk shows that have “both” sides as I see no value in watching people talk over one another. Mr. D'Souza then proceeds to demolish their arguments. However, he needs to do more study into the War of Northern Aggression. The Civil War for those of you who have only learned from public school. With that said, I highly recommend that people go see this movie and take the time to write (kindly and respectfully) to Mr. D'Souza and thank him for his work and to send him recommendations like the book, ***The Real Lincoln***.

God is using this “man of color” (his description of himself) to teach America her own history. He is puzzled why America is so unique and I would love to be able to sit down with him and explain the Israel message and dispel his confusion.

THE  
MATT WALSH  
BLOG

**The Matt Walsh Blog** is one of the most amazing blogs I have read. It

is so refreshing to have a young white married Christian dad write on so many truthful subjects. Here is a list of some of his recent blogs.

1. Barak Obama does not care about black people
2. I'll check my white male privilege right after you check your arrogant liberal assumptions.
3. 5 reasons why abortion never empowers women.
4. Dear single dudes: it's time to man up. **I love the fact he shares how young men need to be men and not boys!**
5. Your husband doesn't have to earn your respect. **Really shows women the male bashing culture we live in and why they are to follow the Biblical directive of respecting their husbands.**

This website has carried some amazing discussions on race by Jack Kerwick. On May 18<sup>th</sup>

he had ***What a Truly Honest Discussion of Race Would Look Like***<sup>1</sup> in which he actually cites Michael A. Hoffman's book, ***They Were White and They Were Slaves***. On May 25<sup>th</sup>, he wrote ***'The Point' of a Truly Honest Discussion of Race***<sup>2</sup> when he obviously got some pushback from his previous article. Here is his list of items that need to be discussed.

- (1) ***For centuries, millions of white European Christians were enslaved by Asian and African Muslims;***
- (2) ***The first slaves in Colonial America were white;***
- (3) ***Blacks were in America prior to slavery;***
- (4) ***A significant portion of African blacks who eventually became slaves in America were already Christian;***
- (5) ***These black slaves had been converted by the African blacks***

who sold them into bondage;

(6) During the antebellum period, there existed several thousand slave owners who were black;

(7) The first slave master in America was a black man, Anthony Johnson, an Angolan who had originally been sold into slavery by his fellow Africans to Arabs and who owned black and white servants.

There is still other historical “trivia” that defy the conventional narrative on race and slavery..... My reader who inquired as to the “point” in raising these facts at no time denies any of them. Thus, he confirms what some of us have long suspected: in their tireless promotion of the conventional orthodoxy on race and slavery in America, neither he nor his ilk has ever been in the least bit interested in history for its own sake. Rather, there has always been a “point” to their campaign, the advancement of a political agenda involving fictions concerning perpetual black suffering, white oppression, and white guilt.

These articles by Jack Kerwick build on the work done by Colin Flaherty. Mr. Flaherty was the first to truly report on the knockout game of blacks attacking non-blacks and how it is ignored by the mainstream media. God is using hundreds more in like manner across the internet and through the movies. **May more and more people get their eyes opened! Remember to pray for Christian America!**

## **Banker Deaths Climb to 15, as Goldman Sachs Managing Director Found Dead**

In Conspiracy Fact

Another high level banker has been found dead.

**Nicholas Valtz, a 39-year old managing director at Goldman Sachs Group Inc. in New York, was found dead Sunday afternoon in Napeague Harbor where he had reportedly gone earlier that day to kiteboard. Valtz' body was found still tied to his kite.**

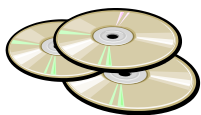

[Editor's Note] I don't know about you, but I find all these Bankers dying highly suspicious.

## Letters from a Reader:

**Thank you for your ministry.** I love receiving your newsletter every month. I keep all the issues and read them all several times. I'm a reformed Southern Baptist. Meaning I grew up Baptist and knew I was not hearing the whole story. I even went to a year of Bible College and quit due to the false teaching. Once you realize that the Bible was written to us (true Israel) then it makes so much more sense. I felt like I was worshipping some else's God. I couldn't believe that God's "chose" people didn't even accept Jesus, but yet they were put on a pedestal. I came to see through my study that "mainstream" denominations were teaching man's word and not Yahweh's.

I couldn't find evidence of a pretribulation rapture. I couldn't see how the earth was only six thousand years old. I couldn't see how the Tower of Babel could all of a sudden created the races. I could find that race-mixing, homosexuality, multiculturalism, and big government were an abomination in God's eyes. **Thank you for the truth. LK, Indiana**
