“If the American people ever allow private banks to control the issue of their currency first by inflation then by deflation the banks and corporations that will grow up around them will deprive the people of all property until their children wake up homeless on the continent their Fathers conquered... I believe that banking institutions are more dangerous to our liberties than standing armies... The issuing power should be taken from the banks and restored to the people to whom it properly belongs.”

Pastor Dave Barley

Founder: Pastor Sheldon Emry

FROM THE PASTOR'S DESK:

I do hope and pray you are blessed by our Bible newsletter. We need your help, so please, if so led by the Lord Jesus, give to our continued good and faithful work. As I have told many people, you cannot take it with you when you physically depart. Until the full coming of the Kingdom, we must all do our part, though many times it is difficult in keeping the blessed Abraham, Isaac, and Jacob/Israel Covenant. Our many thanks to you for doing your part in this blessed venture. By the way, there will be many (as usual) large, small, varied discussions in this Bible newsletter. I pray you are pierced by their truth and also uplifted. I know this for certain, the Lord Jesus our true King and the late Pastor Sheldon Emry would be very glad that this blessed Kingdom ministry is moving forward and that Pastor Kevyn Reid is coming in April to assume his place as my assistant pastor. We are so thrilled that God has provided a young man and his wonderful family to this work. Your prayers are requested for them in their move from North Carolina. We have prayed for God to provide for this work throughout our history and we thank Him for all He has done for us and you!

Zephaniah 3:4

Her prophets are reckless, treacherous men; Her priests have profaned the sanctuary. They have done violence to the law.

I recently put up a sermon containing a bit of film by a Rabbi speaking on why the Jews are Talmudists and why they do

not accept Jesus as their Savior or Messiah. The gods of YouTube (Jewish controlled) took it off YouTube because it violated their being exposed and open to public revelation as to who and what type of people they are, and you can believe the Southern Poverty Association and ADL were in on it. We had one taken off YouTube before, but when serious truth is being revealed, the EDOMITE CONTROLLERS shut down your TRUTH.

The name of the sermons taken down so far are: **One God, Many False gods** and **Fallen Societies**. What I am going to do is freely offer these sermons as DVDs or CDs to anyone who writes us and asks for these sermons. I am also going to resubmit this video to YouTube and take out that godless Talmudic Rabbi and see what happens. But for those who want to see the unedited sermons, please write or contact us here at America's Promise Ministries and let us know if you want a CD or DVD and we will send them to you. We are also in the process of changing providers and will not be relying on YouTube.

Also, I would encourage all who can to write us and get on the DVD or CD list. The evil controllers are not going to stop in controlling YouTube and other things. We must resist and get the truth out the best way we can.

Brain Dead Zone

Years ago, there was a tv show called **The Dead Zone** based on the novel of the same name by Jewish author Stephen King, which explains much. Who are we living among today? Brain dead people. The world often refers to them as zombies. To me and you, that pretty much describes what has been happening for at least the last two years, but in reality it has been going on for decades. We know people have been brainwashed with dialectical communist materialism, meaning worldly type reasoning designed to alter the peoples' thoughts

and behavior.

But this DEAD ZONE needs to be awakened with Spiritual Truth. This is the key which must be used to open the gates of Heavenly or Divine Justice. Most Americans today are Dead to the once truly Christian Institutes of yesteryears. These once Christian Institutes have been transformed into "gates of Hell." Martin Luther said it this way, ***"I am much afraid that the schools will prove the very gates of hell, unless they diligently labour in explaining the Holy Scriptures, and engraving them in the hearts of youth. I advise no one to place his child where the Scriptures do not reign paramount. Every institution in which means are not unceasingly occupied with the Word of God must be corrupt."***

Over the decades, the moneychangers and cultural Marxists have turned much of our society into a criminal enterprise. This whole vaccination-Omnicom Baal hoax has been planned for decades, ever since Khrushchev in the 60s speaking before the ungodly United Nations, took his shoe off banging it on the podium screaming ***"We will bury you."*** But guess what Israel, it is the GREAT I AM who will ***"bury you."***

Isaiah 48:8-12

8 Yea, thou heardest not; yea, thou knewest not; yea, from that time that thine ear was not opened: for I knew that thou wouldest deal very treacherously, and wast called a transgressor from the womb.

9 For my name's sake will I defer mine anger, and for my praise will I refrain for thee, that I cut thee not off.

10 Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction.

11 For mine own sake, even for mine own sake, will I do it: for how should my name be polluted?

and I will not give my glory unto another.

¹² Hearken unto me, O Jacob and Israel, my called; I am he; I am the first, I also am the last.

Will one-third or even more be buried? Yes, I am praying for them, and so should you, but we must realize that in a very real sense their “*soul*” will be required of them. Some things will not be prayed away. But let us pray while we can.

Psalms 25:3

Yea, let none that wait on thee be ashamed: let them be ashamed which transgress without cause.

Revelation 9:18-19

By these three was the third part of men killed, by the fire, and by the smoke, and by the brimstone, which issued out of their mouths. For their power is in their mouth, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.

Suburb Changes?

Years ago, when living in Phoenix Arizona, way out in the abandoned suburb, they all of a sudden started building park areas in many somewhat far out places. Perhaps I am wrong, but I think they just might have been gearing up for millions of west coasters abandoning California, Oregon, and Washington as an example. Just considering what has transpired over the many decades. I just wonder, were they planning for this California, Oregon, Washington mostly White flight? Do I know what is behind this plot and its ramifications? No, I'm not fully aware, but there is more to this mass exodus than meets the eye. Are they making more room for their type of people, twisted, globalist, climate control, communist, pro-control, and such people? Thus controlling us even further? Perhaps they see such places as models to control us by. They plan on implementing even more far reaching liberal edifices. Their

strongholds show them that these (Chaz-type strongholds) were effective models and such places would achieve even more instability in other places possibly. One thing for sure, I SMELL A RAT. Do you also?

Child Trafficking

We all know this is going on throughout the world and is certainly happening in a big way in America. We are hearing about terrible things as body parts are being eaten (child-sacrifice or Molech worship) to blood being drank by these fiends. How horrible can things get and what types of evil things can they be allowed to do? Well, in light of this information, it would appear that the sky is the limit. There is just too much information and proof being uncovered to ignore what is happening in so many areas and the children and young people are mainly being subject to this evil.

Years ago, I heard Cathy O'Brien testify about all sorts of horrible despicable things she was physically and sexually subject to by powerful people in the early 1990's. I thought she was lying about those situations, because they seemed to be too unbelievable to be true. I read her book ***Trance-formation of America*** after hearing her testimony and really didn't know what to think or know how to verify her story. Sadly, her story has been verified with many witnesses coming forward and now, I do believe her story. Adult and child-trafficking is real.

Ghislaine Maxell, for example, was convicted of five counts of sex-trafficking. Imagine what else would have come to light if Jeffrey Epstein had been tried. Of course, his death may have been a scam and who knows, maybe he is hidden somewhere in the world. God knows the truth and Epstein and others will be judged by the Lord. I wonder, will she receive a get out of jail sentence also?

Years ago I remember having a conversation with the late Ted Gunderson for several hours with another lady near the Spokane airport on child trafficking and things have only gotten worse throughout the world. But Ted was a very serious and delightful man who cared a great deal for America. I might add that the likes of someone with the integrity of Ted Gunderson on the FBI force today would probably be hard to find.

Thank God for Pastor Sheldon Emry Exposing Vaccinations

It was around 1976 when I first read Pastor Emry's pamphlet on the dangers posed by vaccinations. This was something I had never heard or read about and I certainly had not even considered the possibility that vaccinations were bad. Until that time, I believed vaccinations were one of mankind's great achievements and had saved lives as the propaganda mills taught. I had never heard that vaccinations just might be a major problem. Pastor Emry did not know of the connections to abortions, but he did know that vaccines contained unclean and dangerous chemicals and should not be injected into our bodies as God's Temple.

Sadly, I constantly run into people who believe the lies and deceptions regarding vaccines given daily by the news media outlets, Fauci, and others. I was led and directed by Bible Truth out of a lie into Truth, but it is a hard truth that requires us to hold fast to the Biblical position in this storm. So few understand what this means and the Divine requirements this imposes on us as God's Covenant people. Christian people cannot just go through life footloose and fantasy free believing there will be no repercussions or dire consequences to conforming to the world!

Do you find yourself frustrated to the point that you inject yourself into various world scenarios thinking that you and

your actions may possibly influence or control the outcome?

Well basically, except through prayer, you are seriously mistaken. Fretting over climate control, Chinese military might, Russian strategies, politics, the presidency, laws, regulations, and so forth is just vanity. Your so-called staying up at night will do nothing to “stem the tide” or change things. Instead of projecting yourself into various worldisms, do what you are called to do and that is, be Biblically astute. As the Word says in **2 Timothy 2:15**:

Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.

Ever Watch Black Entertainment Network?

Well, it is not just limited to that one channel. You are watching black entertainment every time you tune into some sports channel. Today’s entertainment is mainly focused promoting non-white celebrities. Godless mind numbing sports promotes the gladiators of today and pays them millions to entertain the masses and keep their eyes focused away from God.

If you look up to sports celebrities as heroes, then there is something deeply troubling about your values. The enemies of Christ know that we are sheep that are easily lead astray and they hate our Lord and hate His Ways. They know that they must divert our attention away from the truth. They know that elevating the other races and demonizing God’s people keeps us in bondage to them. Wake up and walk away from their evil devices.

Our history has been corrupted and distorted for over half a century and we are being replaced and discarded at an alarmingly fast pace. The created term “White Supremacy” is what they fear because in a White culture where Caucasian people control their destiny, families, ECCLESIA/Church,

money system, Biblical laws, Biblically based rules, freedoms, liberties, institutes, education, and true health fields...well that leads to their demise and the growth of God's Kingdom.

Yes, something must be done. We must return to the Bible. The Lord Jesus inspired the Bible with more Insight, Spiritual Inspiration, and Wisdom than we can imagine. We need Bible praying and Christian steadfast Saints who know their Biblical duty, are sold out to establishing Kingdom dominion, and are being fruitful to their Covenantal mandate.

John 3:3

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

Therefore I say, only a remnant are truly born-again Biblically. Because only a remnant can see the Kingdom of God.

**Black Names of Renown?
Who Gave Them Their Names?**

I'm sure you have noticed that Blacks used White man's names, especially names like Washington, Adams, Jefferson, Jackson (like Bo Jackson), Tyler, Judge, Booker, Darius, Elijah, Isaiah, Jeremiah, Jordan, Justus, Lamonte, Malachi, Trayvon, Xavier, Zion and so forth. Now that they are entrenched and accepted by today's culture, blacks are reverting to somewhat black sounding names. Back in the 1800s, 1700s, 1600s and back as far as you can go, blacks had no written language and they had a very primitive society. The point is blacks today are an offshoot of the White man's society because left solely to themselves will revert back into a primitive culture. Just look at the intercities. Race mixing has been promoted to both whites and blacks and it has been detrimental to both races. Most mixed race people will tell you that they do not feel they belong to either race. God gave us the laws of separation for our good. We must teach our

children these laws.

Our Father Gives us the Kingdom

Luke 12:32

Fear not, little flock; for it is your Father's good pleasure to give you the kingdom.

We are to have and take Dominion, yes, but it starts at home meaning ourselves, bringing ourselves into Divine Order. Taking Godly control over our own actions and behavior first, then our family, Church, and then other areas such as government. This is not a full Bible study on the topic, but an important eye-opener. Some suggest we are to just go about in the world taking Dominion, but if they are suggesting so without bringing our own selves into Kingdom Dominion first then we will continue to fail. Our Pilgrim forefathers understood this and worked diligently on themselves and they exercised Dominion within their community and eventually brought that understanding to this new land America. They understood that by personally conforming to Christ brought about Christ being the head and that brought great blessings to our land. God gave them a Kingdom vision. The Mayflower Compact states, ***"Having undertaken for the Glory of God, and Advancement of the Christian Faith, and the Honour of our King and Country, a Voyage to plant the first Colony in the northern Parts of Virginia; ..."*** May we follow that vision.

You cannot go about taking Dominion if certain things are not in Biblical Order first. First, you must get your life right with God. We have too many Israelites who have addictions to drugs, alcohol, tv, sports, sex, etc. They must clean their own temples first. Then they need to be in godly marriages with the husband in submission to Christ and the wife in submission to her husband. You cannot expect a wife to be in submission if you are not willing to be in submission to Christ. You also need to have weekly worship services in a local church. If you do

not have a local Israel assembly, you need to listen to online sermons or DVDs or CDs in your home with family and friends and make it a weekly restful, God centered Sabbath with prayer and praise.

A great way to start is Dr. Blanchard's Bible Mastery Bootcamp. His website is biblemasterybootcamp.com. You must educate yourself and your family before you can be a witness to the world. Remember, if you are not being godly, how do you expect your neighbor to be godly?

One last thing I would say is that the disciples and apostles understood that they were to wield the two-edged sword of God's Word and in order to do that you need to KNOW God's Word. That requires you to be about our Father's business rather than worldly entertainment.

What was Beyond the Veil?

Hebrews 6:13-20

13 For when God made promise to Abraham, because he could swear by no greater, he swore by himself,

14 Saying, Surely blessing I will bless thee, and multiplying I will multiply thee.

15 And so, after he had patiently endured, he obtained the promise.

16 For men verily swear by the greater: and an oath for confirmation is to them an end of all strife.

17 Wherein God, willing more abundantly to shew unto the heirs of promise the immutability of his counsel, confirmed it by an oath:

Underscore that last phrase. God confirmed the immutability of His counsel by an oath. This oath is extremely important. More important than what I have realized in the past.

18 That by two immutable things, in which it was

impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:

¹⁹ Which hope we have as an anchor of the soul, both sure and stedfast, and which entereth into that within the veil;

The Holy of Holies was what was within the veil. If we are in Jesus Christ, and He is the High Priest after the order of Melchizedek, and we have been cleansed from all unrighteousness, then we can go beyond the veil. **Verse 20** declares that the Holy One has entered the Holy of Holies as a sinless sacrifice without blemish for the healing of the nations, after the order of Melchizedek.

²⁰ Whither the forerunner is for us entered, even Jesus, made an high priest for ever after the order of Melchisedec.

Jesus Christ is our forerunner. **Verse 16** says that *“For men verily swear by the greater: and an oath for confirmation is to them an end of all strife.”* Knowing my Biblical heritage gives me peace, and I hope that it does the same for you. But having that oath confirmed brings about an end to strife, inwardly, because we understand the protections and blessings that are a part of God’s oath to Abraham. The oath opens up the door for Hebrews, or Israelites, as we have read in these verses, to what? To go beyond the veil.

If that oath had not been given, where would we be today? But because of God’s oath, His Word, has been given. It allows us today to go beyond the terrestrial and into the celestial (Heavenly places). That oath makes it possible for us to become a high priest in spiritual matters, even as our forerunner Jesus Christ was made high priest after the order of Melchizedek.

The oath that God swore by Himself with Abraham applies to you and to me today. That oath is not a lie. That oath is truth. Jesus Christ is the door that opens up for us to go beyond the veil, to possess these promises. That oath is part of our heritage. I am happy to bring you the good news of this because we understand the true Israel message that goes beyond the physical into the Kingdom of God. Think of our brothers and sisters out there by the millions who do not understand their heritage. They cannot comprehend this promise, nor can they discern the lies that have kept them from the truth, and the fact that our nation is full of false shepherds and wolves in sheep clothing.

Isn't it odd that those who are shunning and violating God's laws seem to get upset about what we believe? Why are they upset about it? Because it condemns them, and they become defensive. They do not want to comprehend our truth because it tells them they must do something. That they must be doers of the Word. That they must have faith. That they must first seek the Kingdom of God and His Righteousness. That they must repent, and that they have a high calling in Christ Jesus. The world out there does not want to enter into the Holy of Holies because it demands a new way of thinking, and a new way of living that is contrary to our God's ways.

I am convinced that the anti-Christians do not want the true children of Israel to learn of her true heritage and to go beyond the veil. That is where our real power lies, and this is what they are really afraid of. If they can silence this teaching, and if they can keep the populace out there dumbed down, they know we are powerless. So they are not bashful about spending billions of dollars to silence this truth and demonize us. In **verse 17**, we read:

Wherein God, willing more abundantly to shew unto the heirs of promise the immutability of his counsel, confirmed it by an oath...

God Almighty is willing to show great revelatory truths to the heirs of the promise. He purposed this oath to show unto the heirs of the promise a high calling. A high calling after the order of Melchizedek. The following verses confirm this. **Verse 18** begins by informing us of a great hope. We are to have a strong consolation, a strong confidence that we may lay hold by faith as Abraham did, upon the hope set before us:

18 That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:

19 Which hope we have as an anchor of the soul, both sure and stedfast, and which entereth into that within the veil;

20 Whither the forerunner is for us entered, even Jesus, made an high priest for ever after the order of Melchisedec.

Jesus Christ, our forerunner, has made the order of Melchizedek available for us. Through Jesus Christ, and only through Jesus Christ, we obtain the promise. Let us glory in His Glory. Are we not called to put on Christ? Are we not called to be led by the Spirit?

Romans 8:14

For as many as are led by the Spirit of God, they are the sons of God.

These are the ones who have the ability to go beyond the veil. Only through Christ can we put an end to strife (as we read in **verse 16**). Because of this oath, it brings about an end of strife in our lives. We are in strife. We are in a conflict, but through this order of Melchizedek, peace comes.

Did you know that Melchizedek came from Jerusalem? This term Jerusalem literally means “peace.” He is referred to as a Prince of Peace. Now Aaron was a high priest of the old Levitical order, but that priesthood was greatly lacking. The

old marriage Mosaic Covenant with Israel was temporal. The New Covenant is eternal. Through the New Covenant, a better priesthood is given to Israel through Jesus Christ.

Some people want to do away with the priesthood. You do not do away with the priesthood. The priesthood is still in force and in effect, but the New Covenant has given it greater meaning, greater place, and greater significance today through Jesus Christ. We are talking about a new order of the ages. A royal priesthood after the order of Melchizedek. Every member of this order has kingly and priestly authority. And, yes, it is an election of Israel, but it is also an election of grace. But most importantly, it is an election of those of the seed of Christ. The seed of Christ must be planted within us. True Christianity is the process of God Almighty working in and through His people.

Hebrews 7:1-7

¹ For this Melchisedec, king of Salem, priest of the most high God, who met Abraham returning from the slaughter of the kings, and blessed him;

² To whom also Abraham gave a tenth part of all; first being by interpretation King of righteousness, and after that also King of Salem, which is, King of peace;

³ Without father, without mother, without descent, having neither beginning of days, nor end of life; but made like unto the Son of God; abideth a priest continually.

⁴ Now consider how great this man was, unto whom even the patriarch Abraham gave the tenth of the spoils.

⁵ And verily they that are of the sons of Levi, who receive the office of the priesthood, have a commandment to take tithes of the people according to the law, that is, of their brethren, though they come out of the loins of Abraham:

6 But he whose descent is not counted from them received tithes of Abraham, and blessed him that had the promises.

7 And without all contradiction the less is blessed of the better.

This speaks of the superiority of Melchizedek. The elect of God, the possessor of the promises, is Abraham. Abraham paid tithes to Melchizedek. The man Melchizedek was a foreshadow of Christ. It was in Abraham that the germ of a new and a higher order existed. It was in Abraham and his descendants who are referred to as the heirs of the promise.

Think about this because it applies to us today. We, too, are heirs of the promise. It would appear that Abraham was inferior to Melchizedek. The root of his seed was to do much for the restoration of this world. In order for this restoration process to be fulfilled properly, it will take a kingdom of kings and priests. You see Abraham and his seed are of this type of higher order because of this oath that was given to Abraham for a better inheritance.

When the seed (singular) shall come, which is Christ, then the greater fulfillment of the Melchizedek order is to be made manifest to the heirs of the promise.

I will leave you with this: You cannot trust the police (some lie); the media (most lie), the government (most lie), or the education system (most lie). Folks, we can only trust King Jesus!

It is with great sadness that we learned of the death of Pastor Gene Applegate. Another great man in Israel has fallen. You can send cards to his widow, Beth at PO Box 72150, Phoenix, AZ 85050

French Life Insurer Refuses to Cover Vaccine Death

<https://freewestmedia.com/2022/01/14/life-insurer-refuses-to-cover-vaccine-death/>

Although vaccination is recognized as the cause of death by doctors and the insurance company, it has refused to pay out. The reason is because the side effects of the Corona jabs are known and published. They argue that the deceased took part in an experiment at his own risk. Covid-19 in itself is not classed as a “critical illness.”

According to the company, an experimental vaccination resulting in death is like suicide. The insurance company justified the refusal of payment to the family by stating that the use of experimental medication or treatments, including Corona injections, is expressly excluded from the insurance contract. The family’s subsequent lawsuit against the insurance company has been unsuccessful.

The court allegedly justified its ruling as follows: ***“The side effects of the experimental vaccine are published and the deceased could not claim to have known nothing about it when he voluntarily took the vaccine. There is no law or mandate in France that compelled him to be vaccinated. Hence his death is essentially suicide.”*** Since suicide is not covered by the policy from the outset, the insurance refuses to budge.

Scandalous verdict: taking a fatal risk is legally suicide

“The court recognizes the classification of the insurer who, in view of the announced side effects, including death, legally regards participation in the phase three experiment, whose proven harmlessness is not given, as voluntarily taking a fatal risk that is not covered by the contract and legally recognized as suicide. The family has appealed. However, the insurer’s defense is recognized as well-founded and

contractually justified, as this publicly known fatal risk is legally considered suicide, since the customer has been notified and has agreed to voluntarily take the risk of death without being obliged or compelled to do so."

No surprise: Mainstream media is silent

This case has not yet been reported in France's mainstream media. The case was published by the family's lawyer, Carlo Alberto Brusa, on social media. Unfortunately, no sources or court records are given, which is why the authenticity of the report cannot currently be verified although there have been other warnings regarding the risk associated with the jobs recognized by insurers. In the US, the American Council of Life Insurers (ACLI) has denied reports of non-payment.

Censorship

In recent months, many French anti-vaccine groups of the social network Facebook have been victims of sudden, unjustified closures, especially support groups for Brusa and Professor Didier Raoult. The latter has often been criticized for his positions on vaccines, hydroxychloroquine, and his criticism of the mismanagement of the epidemic by the Macron government.

At the end of last year, the main support group for Didier Raoult was deactivated before it was reactivated, thanks to a mobilization on social networks and a massive relay on alternative media. On November 27, a teacher support group for Brusa was suspended. With no less than 310,000 members to its credit, the group created in March 2020 was closed for having shared the complaint by Brusa concerning the wearing of masks for children. The Parisian lawyer and his association Réaction-19 was accused of spreading a "conspiracy."

Global difficulties for insurers due to vaccines

Actuaries have been warning that rising claims will be eroding the capital which insurers set aside to avoid insolvency. Notably, older people do not take out life insurance, which means that the claims have been from younger clients. Insurers say that they expect a rise in excess deaths.

According to Alex Berenson, the risk of injury or death from the job is exceptionally high judging from Canadian data. The refusal to pay for a vaccine-related death may not be surprising since globally the life insurance industry has been hit with reported claims of \$5.5 billion in the first nine months of 2021 versus \$3.5 billion for the whole of 2020, according to insurance broker Howden. Dutch insurer Aegon, with two-thirds of its business in the US, said its American claims in the third quarter were \$111 million, up from \$31 million a year earlier. Vaccine deaths may force insurers to raise premiums and some have indicated that they intend to punish the unvaccinated for their financial woes.

Mothers in Israel

By Mrs. Kevyn (Margaret) Reid

I am a proud woman. When I was younger, my arrogance knew no bounds. My intelligence and rationale were so superior I could not be taught. Such a fool as I, one never did see. ***“A fool despiseth his father’s instruction: but he that regardeth reproof is prudent.” Proverbs 15:5 KJV.***

I was so defiantly sure of myself and my understanding of the world, that I just KNEW better than everyone else. This mentality followed me into my young marriage and early motherhood. I was not only argumentative with my elders; I was confrontational at times. This behavior, personality traits, if you will, only condemned me to heartache as I spurned loving advice, instruction, and correction from those around me. This treatise is to you young women, who like me, have a very strong grasp on how the world works, or so you think.

“Rebuke not an elder, but intreat him as a father, and the younger men as brothers; the elder women as mothers and the younger as sisters, with all purity.” 1 Timothy 5:1 Scofield.

In my arrogance to lead my own life, to *“follow my heart”* I felt the elders around me as my enemies. I was easily offended by their unsolicited advice, I was angered by their suggestions, and felt personally attacked by their gentle rebukes. The result of my lack of self-control of my own emotions was thus, my marriage and my children suffered.

I did not grow up with the Lord as many of you may have done. I was raised by the world and its ideals. Raising a child was easy if you just loved them enough, and loved them I did. As most mothers, I adored my darlings, to the point of spoiling them and nearly compromising their own raising. I could not heed even my husband’s rebuke to reign the

children in. Feeling that he was my own enemy in our fight against disobedience. The moment came, a startling realization, when I lost my temper on my 3-year-old at the time to my absolute shame. Worse than I had ever lost my temper before. I cried, and cried and begged the Lord to show me what I was doing wrong. And all I heard was **“Teach him to obey. Teach him to obey.”**

In the years that have followed, I still struggle with disobedient children at times, but the difference is this, now I obey the Lord. I do my very best to take an uncompromising view of the Word of God and its laws, statutes, and judgements. They are only for our good. The command to **“rebuke not an elder”** I have taken to such heart, that even the elderly women who stop me in the grocery store to remark on how beautiful my babies are, I take her words to heart. The old men who stop to marvel at the sweetness of the baby or offer a lint covered piece of pocket candy to the others, I relish in. God has presented these for our learning. What a kind and loving Father we have to share in the joy of raising His Kings and Priests.

Our elders may have done nothing else than survive the world to this point – that is worthy of reflection. They have already raised their children – that is worthy of our respect. They have already made mistakes and sought the Lord for redemption – that is worthy of our understanding, They have already committed their lives to the Glory of the King and service to the Kingdom – that is worthy of emulating. God Almighty in all His wisdom has given us many earthly mothers and fathers, brothers, and sisters to learn from. The Lord knows this road can get bumpy; He is given us padding in the form of people. Other godly people whose life experience is worth giving an ear. We may not agree. We may not always understand, but it is high time we set aside our preconceived notions of how **“It’s got to be”** and give respect where it is due.

A loving mother or father in Israel, whether your own or not, has wisdom to offer, free for the asking. ***“Wisdom is the principal thing; therefore, get wisdom: and with all thy getting, get understanding.”*** Proverbs 4:7

Young women, I hope today you can see the Lord in His grace and mercy offered us a helping hand. He wants our success in His service. If we can pledge to lay aside our pride and be malleable, we can become wrought iron works of God that young women of the next generation can climb upon. Our story is not ours alone, but multigenerational. We learn from those before us, so that those who come after us may grow and thrive in the Word of God. Stand tall for Christ by coming to your knees first.

"Among all the vaccines I have known in my life (diphtheria, tetanus, measles, rubella, chickenpox, hepatitis, meningitis and tuberculosis), I want to also add flu and pneumonia. I have never seen a vaccine that forced me to wear a mask and maintain my social distance, even when you are fully vaccinated. I had never heard of a vaccine that spreads the virus even after vaccination. I had never heard of rewards, discounts, incentives to get vaccinated. I never saw discrimination for those who didn't. If you haven't been vaccinated no one has tried to make you feel like a bad person. I have never seen a vaccine that threatens the relationship between family, colleagues, and friends. I have never seen a vaccine used to threaten livelihoods, work, or school. I have never seen a vaccine that would allow a 12-year-old to override parental consent. After all the vaccines I listed above, I have never seen a vaccine like this one, which discriminates, divides, and judges society as it is. And as the social fabric tightens... It's a powerful vaccine! She does all these things except IMMUNIZATION. If we still need a booster dose after we are fully vaccinated, and we still need to get a negative test after we are fully vaccinated, and we still need to wear a mask after we are fully vaccinated, and still be hospitalized after we have been fully vaccinated, it will likely come to 'It's time for us to admit that we've been completely deceived.'"

Biden's Bounty on Your Life: Hospitals' Incentive Payments

<https://www.truthforhealth.org/2022/01/scott-quiner-update-criminal-investigation-into-doctors-how-theyre-killing-payoffs-for-murder/>

On Monday 1/3/22, Dr. Elizabeth Lee Vliet joined the Stew Peters Show to detail corruption on par with war crimes. According to Dr. Vliet, prisoners in America's jails now have more visitation rights than COVID patients in hospitals. One family member, a professional psychologist with a career focus on treating victims of trauma, said that in many hospitals COVID patients are treated **"little better than animals."**

Revealing recordings of Mayo Clinic-Scottsdale and Banner Health System hospital executives discussing coordinated efforts to restrict fluids and nutrition for hospitalized COVID patients and to suppress visitation rights were presented at the Press Conference by *Truth for Health Foundation*, an Arizona public charity. Once admitted to a hospital with a COVID diagnosis, Remdesivir is the only drug allowed for treatment, in spite of known toxicity to kidneys and liver and a death rate over 50% in the earlier trials of this drug for Ebola. Patients are denied safer and more effective antiviral medicines such as ivermectin and hydroxychloroquine.

The death rate for hospitalized COVID patients has skyrocketed. Attorney Thomas Renz announced at a Truth for Health Foundation Press Conference that CMS data from Texas hospitals showed 84.9% percent of all patients died once they had been on a mechanical ventilator for more than 96 hours. A National Library of Medicine January 2021 report of 69 studies involving more than 57,000 patients concluded that fatality rates were 45 percent in COVID-19 patients

receiving invasive mechanical ventilation, increasing to 84 percent in older patients.

The COVID protocol that hospital physicians must follow, in lockstep across the U.S., appears to be the implementation of the 2009-2010 "Complete Lives System" developed by Dr. Ezekiel Emanuel for rationing medical care for people older than 50. Dr. "Zeke" Emanuel, who was the Senior White House Health Policy Advisor to President Obama and has been advising President Joe Biden about COVID-19, stated in his classic 2009 Lancet paper: *"When implemented, the complete lives system produces a priority curve on which individuals aged between roughly 15 and 40 years get the most substantial chance, whereas the youngest and oldest people get chances that are attenuated."*

"Attenuated" means rationed, restricted, or denied medical care that commonly leads to premature death. The combination that enables this tragic and avoidable loss of hundreds of thousands of lives includes The CARES Act, which provides hospitals with bonus incentive payments for all things related to COVID-19 (testing, diagnosing, admitting to hospital, use of Remdesivir and ventilators, reporting COVID-19 deaths, and vaccinations) and (2) waivers of customary and long-standing patient rights by the Centers for Medicare and Medicaid Services (CMS).

In 2020, the Texas Hospital Association submitted requests for waivers to CMS. According to Texas attorney Jerri Ward, *"CMS has granted 'waivers' of federal law regarding patient rights. Specifically, CMS purports to allow hospitals to violate the rights of patients or their surrogates with regard to medical record access, to have patient visitation, and to be free from seclusion."* She notes that *"rights do not come*

from the hospital or CMS and cannot be waived, as that is the antithesis of a 'right.' The purported waivers are meant to isolate and gain total control over the patient and to deny patient and patient's decision-maker the ability to exercise informed consent."

Creating a "National Pandemic Emergency" provided justification for such sweeping actions that override individual physician medical decision-making and patients' rights. The CARES Act provides incentives for hospitals to use treatments dictated solely by the federal government under the auspices of the NIH. These "bounties" must be paid back if not "earned" by making the COVID-19 diagnosis and following the COVID-19 protocol.

The hospital payments include:

- A "free" required PCR test in the Emergency Room or upon admission for every patient, with a fee to hospital by the federal government.
- Added bonus payment for each positive COVID-19 diagnosis.
- Another bonus for a COVID-19 admission to the hospital.
- A 20 percent "boost" bonus payment from Medicare on the entire hospital bill for the use of remdesivir instead of other medicines, such as Ivermectin.
- Another and larger bonus payment to the hospital if a COVID-19 patient is mechanically ventilated.
- More money to the hospital if the cause of death is listed as COVID-19, even if the patient did not die directly of COVID-19.
- A COVID-19 diagnosis also provides extra payments to coroners.

CMS implemented “value-based” payment programs that track data such as how many workers at a healthcare facility have received a COVID-19 vaccine. Now we see why many hospitals implemented COVID-19 vaccine mandates. They are paid more. Outside the hospital, Physician MIPS quality metrics link doctors’ income to performance-based pay for treating patients with COVID-19 EUA (Emergency Use Authorization) drugs. Failure to report this information to CMS can cost the physician 4% of reimbursement.

Because of obfuscation with medical coding and legal jargon, we cannot be certain of the actual amount each hospital receives per COVID-19 patient. But Attorney Thomas Renz and CMS whistleblowers have calculated a total payment of at least \$100,000 per patient. What does this mean for your health and safety as a patient in the hospital?

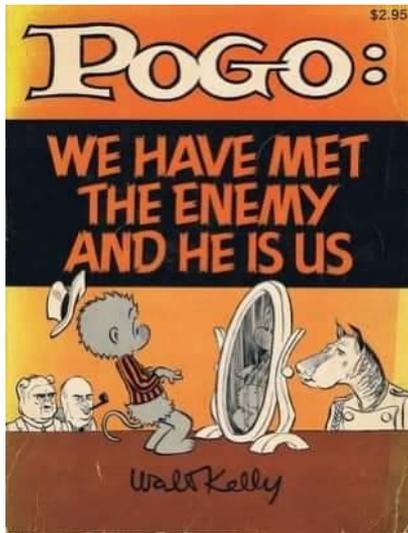

KIN Senior Analyst Bill Wilson wrote in the November 2 Daily Jot, *“A December 12, 2019 article in the New England Journal of Medicine concluded that the use of remdesivir in treating patients during the 2018 West African Ebola outbreak had to be discontinued 'because mortality exceeded 50%.' Food and Drug Administration and Centers for Disease Control published studies indicate a range of 71 -75% adverse events caused by Remdesivir (including liver and kidney damage), and many of the studies documented that Remdesivir treatment had to be discontinued after 5-10 days because of adverse events or even worse, death.”*

Then there are deaths from restrictions on effective treatments for hospitalized patients. Renz and a team of data analysts have estimated that more than 800,000 deaths in America’s hospitals, in COVID-19 and other patients, have been caused by approaches restricting fluids, nutrition,

antibiotics, effective antivirals, anti-inflammatories, and therapeutic doses of anticoagulants.

We now see government-dictated medical care at its worst in our history since the federal government mandated these ineffective and dangerous treatments for COVID-19, and then created financial incentives for hospitals and doctors to use only those “approved” (and paid for) approaches.

Our formerly trusted medical community of hospitals and hospital-employed medical staff have effectively become “bounty hunters” for your life. Patients need to now take unprecedented steps to avoid going into the hospital for COVID-19. Patients need to take active steps to plan before getting sick to use early home-based treatment of COVID-19 that can help you save your life.

Dr. David Martin Explains How to Use the Law Against Covid Vaccine Coercion

<https://pandemictimeline.com/2021/12/dr-david-martin-suggests-laws-to-use-in-your-defense/>

Dr. Martin: You will actually be part of the class that one day recovers those damages. So I say, stand firm, inform yourself, get evidence, and take action.

Under 21 Code of Federal Regulations section 50.23 and 24, [21 CFR § 50.23, 21 CFR § 50.24] it is illegal to make anybody participate in an experimental program using coercion. That is, in fact, how in U.S. Law we actually embraced in U.S. Law the Nuremberg Code. So coercion is illegal and we need to call it coercion. We do not want to call it leverage. We do not want to call it pressure. We want to call it the illegal act that it is. It is coercion.

And that becomes important because under 18 U.S. Code section 2331, and then subsection 802 [USA PATRIOT ACT, search to second occurrence of “802”], inside of the definition of domestic terrorism is, any time a U.S. citizen or a government in the U.S. is forced to do something that it would not otherwise do, that is also not only coercion but domestic terrorism.

Now this conversation and every other conversation, I encourage people to, in fact, take those two laws; and when they are met with somebody telling them they’re supposed to get the shot, actually ask the person, and record this. Use your phone, use a recording device, record the conversation, and ask, if they are in fact violating 20 Code of Regulations, section 50.23 and 24. Are you interested in doing a civil violation of the law? And if they say, yes, they are cool with that, then say, Are you willing to violate 18 U.S. Code section 2331, which says that it is illegal to coerce the population and

that is a felony, and the felony has a 99 year prison term.

And so here's the problem. We need to arm ourselves as a big community to not only do what we've done, and by the way, kudos to everyone who has done the resistance up until now. But now we have to arm ourselves with the very weapons they're using and throw them back. I always say the metaphor for me is if somebody throws a hand grenade at you, pick it up, pull the pin out, and throw it back. Give me a hand grenade. Use it. What we need to be doing is we need to be informing ourselves and most recently, Patrick, and this will be a punch line I get to at the end, but I just put all of the felony statutes and all of the felony evidence into a single document that everybody can use, everybody can reference and just go to your employer, to your local grocery store, to your local theater, to your local school board, whatever it is.

Just say, Hey, which one of these felonies do you want to be implicated in, because all of them carry 99 year prison terms and up to \$100,000,000 fine. So, and that's \$100,000,000 for an institution. So, it's actually a big deterrent.

And as we have been manipulated and coerced as a population, we now need to actually take the offensive position and say, stand up, be informed, and provide the eight felony counts that you can ask any employer, any business, anybody who's trying to push the mandate, which one of these felonies do you want to now be liable for?

Patrick Gentempo: That's brilliant. And I like the idea of going on the offensive.

Robert F. Kennedy Jr on Mike Tyson's podcast

“Four companies make all 72 of those vaccines which is Pfizer, Merck, GSK, and Sanofi. **All those companies are convicted felons and not only that they are serial felons.** Their business model is committing felonies. These companies in the last ten years collectively have paid \$35 billion dollars in penalties, damages, fines for falsifying science, defrauding regulators, lying to doctors, and for killing hundreds of thousands of people. With Vioxx, which was Merck's flagship product, they killed between 120,000 and 500,000 Americans. This was a pill that Merck was selling as a headache pill and Merck knew it caused heart attacks and killed people and they didn't tell anybody. We got the spreadsheets from their accountants saying that they would kill so many persons per dose but we can make more money even if they sue us. They killed up to a half million Americans and they got away with it. They paid seven billion dollars in fines. No body went to jail. **It requires a kind of cognitive dissonance to believe that these companies are lying and cheating on every other pharmaceutical product and every other medical device they create that they somehow found Jesus on vaccines and are not lying to us.** And the thing is with vaccines, it is the only place that they can never get caught because it is illegal in this country to sue a vaccine company.”

Futurism versus Historicism

By Pastor J. V. Foster

Many Christians today believe in the doctrine of FUTURISM. Futurism is a doctrine that was orchestrated in the Catholic Church during the Dark Ages by a man by the name of Ribera (A Jesuit Priest 1585 AD).

In a nutshell the doctrine is in approximately eight parts.

#1. The Old Testament is no longer valid; we are not under its moral, economic, political or health laws. Nonsense!

#2. Old Testament time prophecies are irrelevant.

#3. A man (antichrist) will rule the world for seven years causing tribulation.

#4. The “rapture” (not in the Bible) is our escape hatch.

#5. Heaven is somewhere up.

#6. Ninety percent of the Book of Revelation has not yet been fulfilled. (Not true. We are living within the last four chapters today.)

#7 It is okay to chop up Daniel’s 70-Week Prophecy and move part of its time thousands of years into the future yet to be fulfilled.

#8. Get ready for “a globalist leader.”

None of the Apostles taught that nonsense. None

of the Reformers taught Ribera's theology. None of the early church fathers taught it.

The rapture theory came from Ribera's teaching. The Reformers taught the Second Coming as the Resurrection when Christ returns in glory.

So many things the traditional Church has embraced from the Dark Ages as truth, and is not. From Scofield Bible notes on the terms...a time, times and half a time, forty two months, and 1260 days, came the 3 and ½ year tribulation, but was a time prophecy of 1260 YEARS from 539 A.D. till 1799 A.D. when Napoleon put the Pope in prison and broke his hold over the old Western Political Rome. Ye shall know the truth and the truth shall set you free from worry about globalism.

I believe in Historicism!

#1. The Book of Revelation is 90% fulfilled.

#2. No one has the authority to interrupt a time prophecy and move it to a later date.

#3. The antichrist spirit (substitute for Christ) reigned in Western Europe from 539 A.D. till 1799 A.D. when the antichrist system (beast) and the Pope lost his authority over Western Europe.

#4. The Second Coming is the beginning of a new dispensation of 2000 years.

#5. The wicked are removed, the sleeping saints are resurrected along with the supernatural change in the

Body of Christ in preparation to preach a greater message to the world and bring the planet into a state of peace...under the leadership of Jesus, the King of Kings and Lord of Lords.

#6. Christians are preparing to meet Jesus in glory and reign with Him a thousand years, not in heaven, but here on earth until the earth is full of the glory of the knowledge of God as the waters cover the sea. (Habakkuk 2:14)

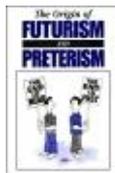

#7 Historicism produces faith in place of fear of the future. America will be saved by Jesus Christ, Lord of glory.

#8. All shall know the Lord from the least to the greatest and every knee shall bow and every tongue will confess Jesus Christ to the glory of the Father, God Almighty, Creator of the Universe. (Isaiah 45:23; Romans 14:11)

The Bible is the only book that gives humanity hope by proving itself in prophetic passages that have come to pass in meticulous detail.

We are at the end of a 2000 year dispensation of Grace and it's time for "GLORY" which can only be brought to pass by the return of our Lord. Water, Blood, Spirit, and Glory, the fourth dimension of divine plan.
