## FROM THE PASTOR'S DESK:

I pray you will enjoy this newsletter. We certainly enjoy blessing you with it, and I just want to say a big thank you to all of you who write us, thank us, and tell us how much these newsletters mean to you. I also want to thank those of you who have been telling us how blessed you are for the good messages from God's Word that we have been presenting, and especially the uplifting Israel Truth they impart. I believe, at this time in Israel's history, we need to hear the true and full blessed Israel Covenant message, and that is the purpose God's remnant people need because it prepares them for what is coming.

Our nation is now surrounded with all sorts of vile, flesh loving beast of this world order. We need godly watchmen on the wall and godly pastors and teachers as we once had in this nation. We don't need them to hide and be silent in fear, but to be accountable unto God. We need to "fear the Lord in a Biblical way." Far too many people have "fear," but they have the wrong type of fear. They need the FEAR OF THE LORD, respect Him, reverence Him, and stand on His Promise. Things are happening at such a rapid pace that it is hard to keep up with all the insanity under this Obamanation administration. And if you think for one minute that any of these "Republican

candidates" for president in 2016 will get us out of this mess, you need to seriously WAKE-UP and smell the roses of Truth. Okay, I will admit that I do like what Donald Trump has been saying, but he is not our savior! Let us not follow the politics of the media pulpit pounding of the antichrists. Every Republican candidate for president has kissed the Order of the Jewish powers that be. **THE IRAN NUCLEAR DEAL**

THE DEAL JUST HAPPENED YESTERDAY, Monday, 13 July, 2015. I will not make my comments long. I stand on the principle that we (the United States of America) should not be negotiating with non-Adamic (White) nations. We are continually playing up the "STRANGER" in our home land and abroad. We continue to be involved in foreign entanglements with the STRANGER. Israeli Prime Minister Netanyahu claims these Iranian negotiations are foul. I say they all are. America should not be negotiating with STRANGERS, and this includes the Jewish state.

### **CONFERENCE UPDATE:**

Dear kindred of Abraham, Isaac, and Jacob, this past conference was really something to shout about in a blessed way. The food, music, fellowship, and messages were simply outstanding. Soon we will be able to provide DVD and/or CD copies of all these inspiring messages, depending on which you want. I feel very confident that you will be amazed at the amount of Biblical Truth you will receive upon listening to these messages and other special recordings we will be able to provide that will certainly bless you.

Right now, we do not have the ability to rush these recordings out. But be looking for them in the next newsletter. They will speak to your heart in an Israel Message way that you have not often heard.

## **GOD BLESS AMERICA IN WHAT WE HAVE BECOME? BETTER RETHINK THIS**

I no longer pray *"God bless America"* because the America of today, Biblically does not deserve His blessings, but His wrath. I pray now that God Almighty will protect His people and deliver them from the hands of their Baal federal, state, and local worldly taskmasters. Too many dumbed down, watered down so-called Christians love to wave their flag and sing the praises of war with Iran, their patriot support of the military when our military is now antichrist and homosexual bound, and they pump millions of dollars into Judeo-Christian causes supporting the Israeli Jews. Listen dear friends, the America of today and its flag are being used to enlist false patriotism. The America of old and Old Glory now no longer represent Christian causes or purposes or the original intent for which they once stood. America has been transformed and not for good, righteous causes. As the Bible warns us:

*If the foundations be destroyed, what can the righteous do?*

**Psalms 11:3**

*...the curse causeless shall not come.* **Proverbs 26:2**

I'd love to tell everyone that the recently Supreme Court decisions are benign and will carry no Divine consequence for America, but I would be lying to you. Yes, I am aware that there are some who believe all is well and what has taken place by these court decisions are no big deal. One of their self-deceived ways of thinking is because of the "rainbow colors" and association with Noah's flood in the Bible. In addition, these "foolish people" reason that because there are sodomites who claim to be "Christians"

and therefore, all is well in Jesus. Well if you believe such nonsense, you are an absolute fool, but not only are you a foolish person, but you will most assuredly see and experience the judgment of God that is coming upon our nation. I say this by the authority of God's Word. And let me get right to the point.

*If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them.*  
**Leviticus 20:13**

Clearly "death" is a definitive statement that God Almighty does not approve of the sodomite life style, and that is just for starters. It is absolutely a "sin," though not the only sin worthy of death, but are we to just write this sin off as being just one of many "death-sentences"? A sin we can just take lightly because there are many other such sins worthy of "death" in God's eyes? I warn you dear friends that this particular sin is a sign of man's growing rebellion against the very Purposes of God, and by this I mean the Kingdom of God and His righteousness.

Sure, adultery has been going on, fornication, and all kinds of assorted violations of God's Laws you may argue, and things are going rather smoothly in your "GRACE" only thinking. A number of you are reasoning, "the restitution of all things" in your minds, but your carnal reasoning is the wrong form and application of Biblical restitution. First of all there is a true Biblical "restitution," but there are many false forms that seem to give forth the understanding that all will be fine no matter how man may behave, because **"God's going to restore all things."** This is a false belief. **Biblical restoration involves God's Law that will and must be applied in order for there to be restoration.** Take away God's Law, all you have left basically is man's humanistic reasoning where they can justify

anything as being right in their own eyes.

## **ARE YOU ALL WORRIED ABOUT GREECE AND ITS ECONOMY WOES?**

Never mind Greece. Do you not understand that it is a socialist nation and the people love sucking on the tit of their Baal government providers? The American people have been doing the same thing and for that and many other reasons, America, I believe will soon experience far worse than Greece or Puerto-Rico. Greece is but a minor economic earthquake in the overall scheme of God's Divine Purposes, because His wrath is coming upon America. Therefore I say unto you friends, draw close to the Lord Jesus Christ. His Divine safety harness is the only one we need to be wearing.

The destruction of Sodom and Gomorrah is clearly proof positive that Yahweh is certainly more disagreeable with the sodomite/homosexual perverted life-style. The way He destroyed Sodom and Gomorrah leaves a clear message that we must not take lightly. I and many other Christians believe such a warning is something we must all take very seriously, and we are driven to pray more earnestly for our nation. Let us all consider the following verses:

## **SODOM AND GOMORRAH LEST WE FORGET**

### **Genesis 19:1-17**

*<sup>1</sup>And there came two angels to Sodom at even; and Lot sat in the gate of Sodom: and Lot seeing them rose up to meet them; and he bowed himself with his face toward the ground;*

*<sup>2</sup> And he said, Behold now, my lords, turn in, I pray you, into your servant's house, and tarry all night, and wash your feet, and ye shall rise up early, and go on your ways. And they said, Nay; but we will abide in the street all night.*

*<sup>3</sup> And he pressed upon them greatly; and they turned in unto him, and entered into his house; and he made them a feast, and did bake unleavened bread, and they did eat.*

*<sup>4</sup> But before they lay down, the men of the city, even the men of Sodom, compassed the house round, both old and young, all the people from every quarter:*

*<sup>5</sup> And they called unto Lot, and said unto him, Where are the men which came in to thee this night? bring them out unto us, that we may know them.*

Any honest person cannot read these verses and not see what is obviously taking place. We are witnessing gross sin, that of the homosexual ways, and it is very vile and threatening.

**Friends, the homosexual lifestyle is exceedingly perverted and threatens the very fabric of our nation, just as it was obviously threatening to Sodom and Gomorrah.**

Sodomites are far from innocent people who are deceptively portrayed by the lying media as simple fun loving people who mean no harm to others or our nation. No, they are Biblical examples of one of the main reasons Adamic nations fail and why Rome fell, Greece fell, and America is headed in the same direction. This is why I do not hesitate to warn all readers that God's judgment is upon us and I do not believe we have long before His Divine retribution is here in greater forms than we have witnessed in our life time. Ok, let's go back to **Genesis 18: 6.**

*<sup>6</sup> And Lot went out at the door unto them, and shut the door after him,*

*<sup>7</sup> And said, I pray you, brethren, do not so wickedly.*

*<sup>8</sup> Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; for therefore came they under the shadow of my roof.*

Friends, I don't really know how to respond to these verses, except to say, we are dealing with Lot and not Abraham. The Scriptures at times can be painfully blunt, and I believe blunt so that we may learn that such behavior is clearly vile and we should not tolerate such behavior, and that we should all learn the righteous ways from God's Word.

*<sup>9</sup> And they said, Stand back. And they said again, This one fellow came in to sojourn, and he will needs be a judge: now will we deal worse with thee, than with them. And they pressed sore upon the man, even Lot, and came near to break the door.*

You have to purposefully pretend not to see what is taking place, to be blind to what is clearly sodomite/homosexual behavior, and it is only going to manifest itself in our nation in this way and in so many other forms of perversion. The "Supreme (federal) Court" has opened a "Pandora box" of their evil ways that will not only further pervert the federal public schools, the adoption of children, infiltration of our military and the perversion they will cause within the ranks of all branches of the military. It is obviously becoming increasingly effeminate, therefore I say to all military personnel, get out of this military abomination as soon as you can. It is no longer Christian in any capacity, and it is being emasculated. Of course the homosexual agenda will not stop there, for we will see a growing attack upon Christianity, their continued infiltration of the media, theater, music, and of course state and federal offices and its bureaucracies,

especially the courts, and these are just the beginnings of their wicked ways we will be witnessing.

Sure we can fight back in many ways, but the truth of the matter at this stage of events, this is going to be God's battle, I am most certain of this. But do not misunderstand me, there are things we can and should be doing. Here is a short list:

**Pray, earnestly pray and do not underestimate the power of prayer for in this we truly are petitioning the true high court of the Lord Jesus Christ.**

Stop, to the best of your ability supporting homosexual businesses and all their events of whatever form. There will be times this may not be possible because so many businesses are out for the homosexual dollar and favor, but Christians must make more of an effort to get involved and be more selective where they place their money. Claim the authority of God's Word as our reason for shutting our "proverbial door" to them in whatever form they may appear. Remember, they can and will try to appear as angels of light, but they are antichrists.

**Stand with Jesus Christ, His Word, and His true Covenant Israel People.** Make your stand be known, and the purpose of your separation from this perverted world order very clear. Never, never, never deny the Lord Jesus Christ and His Kingdom. Now, back to our Scripture lesson:

*<sup>10</sup> But the men put forth their hand, and pulled Lot into the house to them, and shut to the door.*

*<sup>11</sup> And they smote the men that were at the door of the house with blindness, both small and great: so that they wearied themselves to find the door.*

Will "blindness" be one of the judgments that will be given to these modern day sodomites? Will we see an increase in diseases, viruses, and such that will be a sign unto the nation

that God Almighty has had enough of these iniquitous people? Listen folks, I know not what form God's judgement will be upon our nation, but His judgments are no doubt coming, for sodomy spells out the last bastion of the sin of man that Yahweh is willing to endure. He will do so because of His law Word and because of His love for Israel and that He will preserve His Covenant Word.

*12 And the men said unto Lot, Hast thou here any besides? son in law, and thy sons, and thy daughters, and whatsoever thou hast in the city, bring them out of this place:*

*13 For we will destroy this place, because the cry of them is waxen great before the face of the Lord; and the Lord hath sent us to destroy it.*

**Please, don't any of you take this warning lightly.** If you think I am being too judgmental and unfair, take it up with God's Word, because His Word is for our edification and learning that we may avoid His wrath. Clearly He has degrees and purposes of wrath, and His ways are not our ways and He will not always tolerate such blatant disregard for His righteous laws. Even "Grace" is no endorsement for man to do his own thing disregarding God's righteous laws.

*14 And Lot went out, and spake unto his sons in law, which married his daughters, and said, Up, get you out of this place; for the Lord will destroy this city. But he seemed as one that mocked unto his sons in law.*

*15 And when the morning arose, then the angels hastened Lot, saying, Arise, take thy wife, and thy two daughters, which are here; lest thou be consumed in the iniquity of the city.*

*16 And while he lingered, the men (God's messengers) laid hold upon his hand, and upon the hand of his wife, and upon the hand of his two daughters; the Lord being merciful unto him: and they brought him forth, and set*

*him without the city.*

*<sup>17</sup> And it came to pass, when they had brought them forth abroad, that he said, Escape for thy life; look not behind thee, neither stay thou in all the plain; escape to the mountain, lest thou be consumed.*

**Remember friends, things are not hopeless.** God brought Lot out of Sodom and Gomorrah and He can deliver His people who love Him. Those who love His Word and stand upon His Promises. Read **Romans 9:4**. Then we move down to the following verses:

### **Genesis 19:24-29**

*<sup>24</sup> Then the Lord rained upon Sodom and upon Gomorrah brimstone and fire from the Lord out of heaven;*

*<sup>25</sup> And he overthrew those cities, and all the plain, and all the inhabitants of the cities, and that which grew upon the ground.*

*<sup>26</sup> But his wife looked back from behind him, and she became a pillar of salt.*

*<sup>27</sup> And Abraham gat up early in the morning to the place where he stood before the Lord:*

*<sup>28</sup> And he looked toward Sodom and Gomorrah, and toward all the land of the plain, and beheld, and, lo, the smoke of the country went up as the smoke of a furnace.*

*<sup>29</sup> And it came to pass, when God destroyed the cities of the plain, that God remembered Abraham, and sent Lot out of the midst of the overthrow, when he overthrew the cities in the which Lot dwelt.*

### **A Close to Home Example**

Recently, following the Baal priest "supreme court" decision, a lady who was once a part of the Israel truth movement, posted on face-book a picture of herself and her son supporting the homosexual "victory" with the rainbow colors

surrounding them. Her father-In-Law used to faithfully attend our church services, taught Bible study classes at the early portion of our services. He kept all of them (the extended family) in the Israel faith. He died about six years ago and the family asked me to do his funeral service which I gladly agreed to do. But not even a year after his death, this somewhat young woman strongly started promoting the Judeo-Christian beliefs and even encouraged other young couples to leave the Israel Covenant faith. Sadly, many of them did so for the so called virtues of Judeo-Christianity and their benefits with their brand of "love". They felt embraced, needed, and special, in all the Judeo-Christian denominational ways and means of making people feel welcome and wanted. The hugs, handshakes, welcomes, and ways of getting them involves in the many Judeo-Christian services are clearly geared to make one feel so special.

Well friends, gradualism has a way of slowly imposing itself upon us, like what happened to this woman and her eventual embracement of homosexuality. I certainly do not mention this to gloat, as certain people in the ways of this world, with this perverted thinking and adversarial ways such things can seem almost normal to the point that they eventually do become so in our carnal mind. All the worlds programs and so-called institutes of "love," new-ageism, embracement of worldly progressivism, and media dumbing down influences of fairness and political-correctness, all I have to say, is that a predictable event occurred and some serious repentance must now happen.

### **Ephesians 5:6**

*Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience.*

**END OF PART ONE, PART TWO IN THE NEXT NEWSLETTER**

# THE GREATEST EVIL

By Pastor Barley

Recently, The Washington Post (Pre, and Present) Globalist IMF co-conspirators put out an article that was carried by the magazine called **THE WEEK** July 3, 2015. The title of the article was **“THE FED DOESN'T OWE US ANYTHING.” Really?** So we are to believe the Federal Reserve is so innocent and clean of all wrong simply because, as the article stated, **“...thanks to the Federal Reserve's near-zero interest rates, but last I checked, we're not 'entitled to getting 4 percent returns from the Fed.'”**

That's right, The Washington Post, supposedly forgot about the fact that the Federal Reserve produced its phony play-dough monopoly paper notes for less than a penny or three. Then they “graciously” play their media press to try and convince the people that they are hurting almost as much as the average American. Who are they kidding?

The gullible masses will for the time being still believe the false media's con-game. Anyone who was allowed to print “money” for pennies and then turn around and profit over 100 percent return, would you say they were hurting financially? Their religion is basically World Domination by controlling all forms of (in the name of federally protected) bonds, treasury notes, Federal Reserve notes, and (certain) stocks, along with untold foreign assets. But their biggest asset is their control over government. Government in and of itself is NOT the head, but a means. But their control does not end there, it includes electronic banking manipulation of “money.” Even “gold and silver” are now under their control and manipulation. At one time, this was not so, as the late Henry Ford observed: **“The one aim of these financiers is world control by the creation of inextinguishable debts. And since gold is a metal which**

neither laws nor inventions can increase, the supplies of which Nature has so far limited, control has become a very simple achievement." This requires a more lengthy explanation for most people. [I highly recommend Pastor Emry's *Billions for the Bankers and Debts for the People* #104 for a suggested gift of \$1.50 if you don't understand how the Fed works.]

All I have to say is that the Bible is true above all man's wisdom. We read in **Revelation 18:3-5**

*3 For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.*

*4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

*5 For her sins have reached unto heaven, and God hath remembered her iniquities.*

### **What Would Jesus Do?**

By the way, Jesus sinned not. Did He not physically attack the **"money-changers"** of His day? Did He sin in doing so? You're not much of a knowledgeable Christian if you believe He sinned. Obviously He did not sin. If Christians turn against the bankers, the money-changers, are they bad, wicked, or terrible? Are we not to **"Come out of her (Babylon), my people, that ye be not partakers of her sins, and that ye receive not of her plagues,"** and are we not to **"double unto her double?"** I am not encouraging Christians to go physically attack the **"money-changers,"** but I am reminding them that pay back day is coming, and we are not going to be led by the Spirit to go kiss them!

**"No thing in use by man, for power of ill, can equal money" – Sophocles**

**"Let me issue and control a nation's money and I care not who writes its laws." – Amschel Rothschild**

The Federal Reserve's phony money is and always has been a lying, cheating, standard of weights and measures. Almost all the presidents, Congress, Senate, Supreme Court, all political parties, certainly both the Republicans and Democrats, have not spoken boldly about the problem. Is the Federal Reserve struggling financially? **NOT IN THE SLIGHTEST!**

I love this quote from the late Thomas A. Edison who was speaking before the Muscle Shoals program:

**"Interest (usury) is an invention of Satan's...People who will never turn a shovel of dirt or contribute a pound of material will collect more money from the United States than will the people who supply the material and do the work. This is the terrible thing about interest (usury). In all our great bond issues, the interest is always greater than the principal. All the public works cost more than twice the actual cost on that account. Under the present system of doing business (through usury), simply add 100 to 150 percent to the stated cost." – (THE FEDERAL RESERVE HOAX, by W. Vennard Sr., page 178).**

The Federal Reserve (which is not part of the Federal Government) can print millions of one-dollar bills and make nearly 100 percent profit per one-dollar bill. Remember though, when they print millions of \$100.00 bills, they make even more profit per \$100.00 bill. It costs them no more to print a \$100.00 bill than it does \$1.00 bill and just think about all the electronic money? This does not even bring into the picture all the manipulative practices of usury employed by

being able to lend out well over ten times the value of whatever “money” they possess. ***Again I ask you, are they hurting? I only wish they were!*** I agree with you Jesus, they need a good spanking with a whip, and that’s just for starters.

Sadly, there are a misguided segment (certainly not all) of Restitution of All Things believers who are misapplying that teaching. Yes, it is good Biblical teaching when properly taught. But certain of these renegades who have told me, Pastor Barley, you simply misunderstand, God is LOVE, the way of Biblical restoration is we are to love these bankers unto repentance, and over the ages, they will be restored through “our love.” Really? I guess all you who think this way, never got disciplined when you did wrong, you just got love and blessing from your parents into being perfect little angels. Your sin nature required no discipline.

### WHAT DID JESUS DO?

I guess I must have misread what Jesus did unto the ***“money-changers.”*** He was really hugging them and showering them with Grace, forgiveness, and love. Those of you who think that way, who do you think you’re kidding? Seriously, are you that naïve and pretentiously giddy? I find such unbiblical thinking nauseating. Again, true Biblical Restitution applies both God’s Laws, and Grace for without God’s Law it is fruitless, meaningless, and without remedy.

Sure there is Amazing Grace through the Lord Jesus Christ, but there is also some Amazing Divine Judgment that is most certainly going to be dished out. No, not forever, but it will be long enough to accomplish Amazing Repentance. Such Divine forms of repentance will be involved in much ***“wailing and gnashing to teeth.”*** **Matthew 13:30** Just try and contemplate such Restitution. For these International Bankers and the rest of the wicked, just to die without Divine Retribution, or no correction, is not Biblical. And no, Pastor Barley does not believe in the Judeo-Christian burning hell. I

do believe in a Biblical refining fire. The so-called “*endless fire*” in pain and torture according to man’s limited concept of eternity is so Biblically absurd and its reasoning so irrational and ludicrous it should be absolutely rejected by all Berean Christians. [If you have not studied this out, please write for Pastor Emry’s six sermon series. *The Burning Hell: Biblical or Blasphemy?* CD7604A-7606B Suggest gift \$18]

## Proverbs 22:7

*The rich ruleth over the poor, and the borrower is servant to the lender.*

## The Truth about the Confederate Battle Flag

Pastor John Weaver  
(Permission granted to copy.)

Open your Bibles to the Book of **Numbers**  
**Chapter 1.** We will read some verses there and then in **Chapter 2** as well. **Numbers Chapter 1:52** - “*And the children of Israel shall pitch their tents every man by his own camp and every man by his own standard throughout their hosts.*” Note that phrase, “*Every man by his own standard throughout their hosts.*” Now look in **Chapter 2:2.** “*Every man of the children of Israel shall pitch his own standard or*

*banner or flag with the ensign, banner or flag, of their fathers' house far off about the Tabernacle of the Congregation shall they pitch. And on the east side toward the rising of the sun shall they of the standard of the camp of Judah pitch throughout their armies; and Nahshon, the son of Amminadab shall be Captain of the Children of Judah."* Notice if you would please, in **verse 10**, *"On the south side shall be the standard of the camp of Reuben according to their armies: and the captain of the children of Reuben shall be Elizur the son of Shedeur."* Note on the south side shall be the standard of the camp of Reuben. Look in **verse 17**, *"Then the tabernacle of the congregation shall set forward with the camp of the Levites in the midst of the camp: as they encamp, so shall they set forward, every man in his place by their standards. On the west side shall be the standard of the camp of Ephraim according to their armies: and the captain of the sons of Ephraim shall be Elishama the son of Ammihud."* Then **verse 25**, *"The standard of the camp of Dan shall be on the north side by their armies. And the captain of the children of Dan shall be Ahiezer the son of Ammishaddai."* And then **verse 31**, *"And they that were numbered in the camp of Dan were an hundred thousand and fifty and seven thousand and six hundred. They shall go to hindmost with their standards."* Then **verse 34**, *"And the children of Israel did according to all that the Lord commanded Moses so they pitched by their standards and so they set forward every one after their families according to the house of their fathers."*

Let me begin by asking a simple question. **Why in the world is there so much fuss over a flag?** Is a standard, a banner, and ensign, or a flag worth fighting about? Everyone knows that a flag is a symbol. It represents something. But what is it a symbol of and what does it represent? If you will study your Bible you will find that our English word **"flag"** does not occur in our Bibles, except to refer to *"the reeds"* or more

specifically the *“paper I plant that dwells by the riverside.”* But if you will take the time to go through a concordance you will find that the word **“banner,”** the word **“standard,”** the word **“ensign”** occurs frequently over and over...

...Look in your Bibles to **Psalm 60:4**. Note how plain the Bible is here. **Psalm 60:4:** The Word of God says, *“Thou hast given a banner to them that fear thee that it may be displayed because of thy truth.”* So God then gives us a banner that we might display that banner. Why? Because of the truth. Not because of error, not because of anything else, but because of the truth. Now go back in your Bibles to the Book of **Exodus 17:15**. You are going to be surprised when you find one of the names of God mentioned here in the Bible. **Exodus 17:15,** *“The Children of Israel had fought against the Amalikites and had won.”* God had given them the victory. **Exodus 17:14:** Note what God tells Moses. *“And the Lord said unto Moses write this for a memorial in a book and rehearse it in the ears of Joshua for I will utterly put out the remembrance of Amalek from under Heaven. And Moses built an altar and called the name of it Jehovah-nissi. Jehovah-nissi. For he said because the Lord had sworn that the Lord would have war with Amalek from generation to generation.”* Now note Moses built an altar and called the name of it **Jehovah-nissi. Jehovah-nissi** means ***“the Lord our banner.”*** In other words, ***God is the banner of His people.*** The name of God is associated with the warfare of His people. So a flag then is not just given to us for the truth, but God Himself is said to be our flag, our banner. Look in your Bibles at the Book of **Isaiah 59:19**. Here is a very powerful verse. Look in **Isaiah 59:19**. Note, if you would this verse: *“So shall they fear the name of the Lord from the West and His glory from the rising of the Sun when the enemy shall come in like a flood, the spirit of the Lord shall lift up a standard or banner against*

*him.*” Did you hear what I just read? When the enemy shall come in like a flood then the spirit, that is the third person of the Trinity, then the Holy Spirit shall lift up a standard against him. Now let me ask you a question. If the Holy Spirit is lifting up a banner, if he is lifting up a standard against the enemies of God's people, what standard or what banner is he lifting up? Look in your Bibles to **Isaiah 11:10** and you will find out. Note if you would please, what the Word of God says concerning Christ, *“And in that day there shall be root of Jesse which shall stand for an ensign or a flag of the people and to it shall the Gentiles seek and his rest shall be glorious.”* So when the enemies of the Lord come in like a flood, the Spirit of God lifts up a standard against them and that standard is Jesus Christ! So God the Father is said in the Scripture to be our banner. God the Son is said in the Scripture to be our banner. I don't know about you, but I believe God places a great deal of importance upon banners and flags and ensign in the Word of God...

...Do you realize that the Darlington 400 for years used a picture of the Confederate Flag on its billboard and advertised itself as the Rebel Raceway? Does that mean that anyone who attends the Darlington 400 is a racist? What about the Scottish soldiers? I'll explain this a little bit later. Even today Scottish Soldiers who were in the British Army wear the cross of Saint Andrews. Does that mean that all Scottish soldiers are racist as well?...

...Do you realize that most attackers of the flag are either motivated by historical ignorance or pure unadulterated malice toward the South, its symbols, its heritage and its people? In 1994, a Harris Poll found that two-thirds of black Americans had no problem with the Confederate Flag. **No problem at all!** Why in the world make the flag an issue? In fact, there are numerous black Americans that speak out for

the Confederate Flag. Let me give you one of them. R.J. Wilkins of Miami, Florida, had this to say. They were flying the Confederate Flag at the capitol in Tallahassee, Florida, and he wrote this: *"I am a black man who is not offended by the flying of the Confederate Flag beside the Capitol in Tallahassee, Florida. The Confederate Flag is as much a part of my history as it is of any white person. It may not represent the best of my race, or be held by some as a contribution to this country's greatness, but it does to me. My great grandparents were a part of the plantations. They worked the cotton fields, cleaned the big houses and in many ways supported the development of American society. We should let the Confederate Flag fly as a reminder of our American history both black and white."* But let me tell you something. You want to hear a black man speak out and speak the truth? Let me give you a quote that W. Earl Douglas gave. He was a black journalist in Charleston, South Carolina, and he is now dead, but here is what he said concerning the Confederate flag, *"If hate had been the prevailing emotion between the races, then it is a safe bet that the Confederacy would have never been born."* Did you hear what he said? If hate had been the prevailing emotions between the blacks and the whites in the South, he is saying it's a safe bet that the Confederacy would have never, ever been born. I continue, *"Fortunately,"* he says, *"There was love, understanding, and compassion."* Now listen to what this black man says. *"And the two greatest lies ever perpetrated by history are, number one, that the South instigated the war, and number two, that it was fought by the North for the purpose of freeing the slaves! The Negro was merely used as the excuse for that War while the real reason for it is reflected in every area of our lives where the tentacles of*

*government form the bars of a new slavery. No! Don't furl that Confederate Battle Flag. Let it wave all across the South to remind Americans that there exists here a yearning for liberty, freedom, and independence that will not be denied. Let it fly as a testimonial to real men and real women who would rather work and fight and shed tears than to beg the government for charity."* He understood, folks. He had more sense and more knowledge than most people today.

You see the Confederate Battle Flag is not a racist symbol and it never has been...But, now wait, if you want racism, if you want hatred, if you want white supremacy, I will tell you where to find it - under the Stars and Stripes, the U.S. Flag. Not under the Confederate Flag. Do you realize the Emancipation Proclamation was signed on January 1, 1863? On August 14, 1862, less than five months before the Emancipation Proclamation was signed, Abraham Lincoln invited a number of leading blacks to the White House to give them his words of wisdom and to demonstrate to them why he was attempting to colonize them back in Africa. By the way, Lincoln's Negro policy was to send them all back to Africa. That was his policy. William Seward, William Stanton, all of them wanted the same thing. And so he invited these Negroes to come to the White House to hear his words of wisdom, and I am quoting verbatim what Lincoln said. Listen carefully, he says, *"Why should people of your race be colonized and where? Why should they leave this country? This is perhaps the first question for proper consideration. You and we are different races. We have between us a broader difference than exists between almost any other two races. Whether it is right or wrong I need not discuss. But this physical difference is a great disadvantage to us both as I think. Your race suffers very greatly, many of*

*them by living among us, while ours suffers from your presence. In a word, we suffer on each side. If this is admitted it affords a reason at least why we should be separated. You are free men here I suppose. Perhaps you have been long free, all of your lives. Your race is suffering, in my judgment, the greatest wrong inflicted on any people, but even when you cease to be slaves, you are yet far removed from being placed on an equality with a white race. The aspiration of men is to enjoy equality with the best when free, but on this broad continent, not a single man of your race is made the equal of a single man of our race.” - Abraham Lincoln. Let me translate that: Blacks aren't equal to Whites, never will be. That is what he just got through saying.*

## **Christian Man Asks Thirteen Gay Bakeries to Bake Him Pro-Traditional Marriage Cake & Is Denied Service by All of Them**

<http://shoebat.com/2014/12/12/christian-man-asks-thirteen-gay-bakeries-bake-pro-traditional-marriage-cake-denied-service-watch-shocking-video/>

**By Theodore Shoebat** on December 12, 2014

Say that "**Bestiality Is Wrong**" or "**Polygamy Is Wrong**" and it's not considered hate speech, but if you have the opinion that "**Gay Marriage Is Wrong**" the whole world jumps up and down screaming "racism" "bigotry" and "hatred."

This is becoming the politically-correct norm, but no matter what one argues, this is suppressing free speech.

No one targeted pro-gay bakeries, but gay activists target Christian bakeries. "**Support Gay Marriage**" is one Christian bakery was sued for refusing to put that slogan on a cake for an event to support the gay agenda. Yet Christian bakeries that refuse to make pro-homosexual marriage cakes are getting sued left, right, and center. They get fined, they get death threats, and they lose their businesses. This experiment proves beyond doubt that the gay agenda is not just about their freedom to practice a sexual orientation, but the suppression of free speech.

To make our case we provided 3 video clips, the third one is a video showing homosexual activists in Ireland used the

state to force a Christian bakery to make a cake with the slogan **"Support Gay Marriage"** for a pro-gay marriage event, but he refused which added a tremendous loss to his business. Several Christian bakeries were sued in the United States with several who lost their businesses and we said enough is enough.

So Shoebat.com decided to call some 13 prominent pro-gay bakers in a row. Each one denied us the right to have **"Gay Marriage Is Wrong"** on a cake and even used deviant insults and obscenities against us. One baker even said all sorts of profanities against Christians and ended the conversation by saying that she will make me a cookie with a large phallus on it.

It was all recorded. It will stun the American people as to how militant and intolerant the homosexual bakers were. Even after we completed our experiment we got a ton of hate messages saying that we were "hateful" for simply giving them a taste of their own medicine. They argued that the slogan **"Gay Marriage Is Wrong"** is not the same thing as **"Support Gay Marriage"** as if an opposite view of a view is hateful. This would mean that the majority of Americans who oppose gay marriage are "bigoted" and "hate filled". **"Support Polygamy"** or **"Polygamy is Wrong"** are views, yet the first which the Muslim supports and the second most Americans would never support, but both are opinions and are considered free speech.

## **OUR POINT**

Here is our point. A Christian making a homosexual cake with **"Support Gay Marriage"** goes against his faith and a homosexual putting **"Gay Marriage Is Wrong"** goes against his faith as well. Now of course we honor their right to say no, this is not the issue, but what about honoring the Christian right to also say no?

The big lie of the homosexual agenda is this: They

claim that they are only fighting for equality and tolerance.  
This is false.

What then is their agenda?

## **THE REAL GOAL OF THE HOMOSEXUAL AGENDA**

Since “hate” is always used in such arguments claiming that God taught us that we should never hate, God has an answer: He hates:

*here are six things the Lord hates,  
seven that are detestable to him:  
haughty eyes,  
a lying tongue,  
hands that shed innocent blood,  
a heart that devises wicked schemes,  
feet that are quick to rush into evil,  
a false witness who pours out lies  
and a person who stirs up conflict in the community.*

**Proverbs 6:16-19**

When it comes to such agendas it is not an issue of freedom, tolerance, love, hate or equality. It is always a war on which side wins. Period.

The next article is written by Dr. Del Tackett. Dr. Tackett did one of the most wonderful DVD sets I have ever had the privilege to watch (multiple times) called ***The Truth Project***. # **HOMOSEXUAL MARRIAGE RULING: RESPONSE OF THE REMNANT**

By Dr. Del Tackett

There is a great miracle that lies before us in this nation. I believe it is the greatest miracle God has performed in our history, though there have been many. **The miracle is that there remains here, after over a hundred years of walking away from Him, a huge remnant.** I have a friend who lives in Belgium. He made this statement to me several years ago: **“We lost the Netherlands in one generation. You can put the total evangelical Christians here into one building.”** When one considers the current spiritual deadness of other Western Civilization nations, once filled with Christianity, it is breath-taking that God has not done the same to us. After so many years of shaking our fist in His face, our churches, too, should be hollow shells and finding a true believer in the land a rarity. But that is not the case. Why not?

**Because it is apparent that God is not finished with this nation. And that, in my mind, is a miracle.**

For despite His blessings, poured out so deeply upon us as, we now dance wickedly before Him with no shame.

And the only real response is confession and repentance. **We cannot expect that from the unbeliever.**

**This must come from the remnant.**

But to confess and repent, one must first be struck by the depth of our sin...and deeply so. This is difficult, especially in a Hollywood culture that rejects the word, fawning over each other, affirming one another, laughing even though the joke isn't funny, gushing, smiling, singing and dancing, playing the music and ever the part, hiding a lonely, troubled soul behind make-up and giggles and social pretenses. To call something a sin is to bring the music and frolicking to an awkward stop,

where the silence threatens to expose everything. That's why the word is forbidden, because to speak it once is to speak it a thousand times, exposing not only our masks and increasing loneliness, but the nagging guilt that lies just below the surface and our desperate fight to keep it there.

But it must be spoken.

For to continue to live as if there is no sin, except the sin of saying there is, is to descend ever deeper into a selfish pit of horror from which there is no return.

Unless, however, we confess and repent.

And how are we to be moved to confession and repentance if we remain ignorant of the depth of our sin? If we continue to call evil good and good evil? If we increasingly reject a holy God and any notion of disobedience before His eyes?

Every year the President brings before us a ***“State of the Union”***, but it isn't the real state of our union, it is a calculated, politically posturing performance that seeks to keep the music and the dancing alive. It is both dishonest and deceiving.

I love this nation. It is filled not only with great beauty, from sea to shining sea, but with great people...good people, hardworking people...people who care about right and wrong, people who strive to make a good home for their families and live in harmony with their neighbors and communities.

**But the truth is, the state of our nation is not good.** I have longed for a President who would stand in the House chamber and look the nation in the eye and speak the truth, though the truth is sobering. This is the state of our nation suffering the consequences of rejecting God:

- we are awash in pornography and foul language, debasing us as a people;
- we are steeped in sexual immorality and lewd imagery of all kinds;

- we create the vile in our movies and music and export it all over the world;
- our cities are filled with rape and murder and theft and we consider it normal;
- we are plagued with rampant sexual diseases with 20 million new infections every year;
- we have the largest prison population in the world, 1.6 million;
- over 30,000 active gangs roam our land, 1.4 million members, accounting for 50% to 90% of violent crimes;
- we run a lucrative import/export business of human slaves, 20,000/year;
- we are the largest marketplace for illegal drugs in the world; we buy \$80 billion of them every year; the number of U.S. heroin addicts rose 150% in the last 6 years; women users have doubled; we are frying our minds and our souls;
- we are educationally sinking out of sight; of the top 35 countries in math scores, we are dead last; we are 24th in reading, we are 27th in science;
- our federal government is awash in debt so large that it is beyond comprehension, \$127 trillion in unfunded liabilities, and growing larger every day...a virtual house of cards that cannot stand much longer...yet it remains insatiable in its lust for power and a blind populace chants for more, all the while getting sucked deeper beneath the wings of dependency, ever losing their incentive to bear fruit, while those who are fruitful are increasingly vilified and targeted to throw more into this black hole;
- and we haven't yet mentioned **Strike One**: the ruling that declared it a moral right to dismember a baby in the womb, to sacrifice them on the altar of personal convenience; the ruling under which we now slaughter

them daily and yearly...by the millions. If the blood of the one man, Abel, cried up to God from the ground, what must the cry of millions of babies sound like in His ears?

### **Must we go on?**

Unfortunately, yes, because the current ruling is yet another slap in the face of God. Despite the attempt to make it beautiful, we have blatantly defied His Word and His design for male and female, for the marriage covenant, and have now openly and arrogantly embraced that which is vile before His eyes.

We are a nation that forbids the word or the notion of sin.

Having rejected God, it is easy to do so.

***“Do not be deceived, God is not mocked; for whatever a man sows, that will he also reap.”***

**Galatians 6:7**

**If this is so, then it must also be true that whatever a nation sows, that will it also reap.**

**Do not be fooled**, my brothers and sisters, by the seeming might and power of this nation, for she can fall in a day. Do not assess the security of America by the might of our armed forces or by the smallness or comparative lack of might in our external enemies. We are vulnerable and culpable from within and God can bring us down with one breath. It is not unrealistic or insane to think that were we able to see America through the eyes of God, we might be horrified to see that she hangs by the smallest of threads.

I have long shaken my head at the defiance of those described in **Revelation 16**, those upon whom the bowls of God's wrath are poured, for, in the midst of the plagues, they still cursed God and it says of them:

***“They did not repent of their sins.”***

I could not imagine how a people could not be broken before Him under such horrible consequences. And, now, I see that we are not any different. For though we surely are increasingly under the plagues of our sin, we still shake our fist in His face.

And, yet, in the midst of this depravity...in the midst of a nation that mocks God...despite His deep blessings...we find He has left a huge remnant.

**Why?** [Editor's note: Because America is the Kingdom of God on the Earth. We are the regathered 13 tribes of Israel!]

Now, it is entirely possible that this is not merely **Strike Two**. It is possible that this is actually **Strike Three** and we will sink so suddenly that the world will cry out much as they did for Babylon:

***“Woe, woe, the great nation, America, the strong nation! For in one hour your judgment has come.”***

It is possible that we may, in the near future, read **Revelation 18** and see there the name of America in the place of Babylon. For certainly it is not a stretch to see how we have filled that role:

***“Fallen, fallen is Babylon the great!  
She has become a dwelling place for demons,  
a haunt for every unclean spirit,  
a haunt for every unclean bird,  
a haunt for every unclean and detestable beast.  
For all nations have drunk  
the wine of the passion of her sexual  
immorality,  
and the kings of the earth have committed  
immorality with her,  
and the merchants of the earth have grown rich  
from the power of her luxurious living.”***

Do not misunderstand. I don't believe this passage was written directly about America. But the Scripture often

presents to us specific instances that have multiple fulfillments. The principles and acts of God are not capricious and if He can bring judgment upon Babylon and bring her down in an hour, He can bring us down with a swiftness that will cause the world to shake its head in wonder. I know these kinds of words are foreign to us because we no longer have a healthy fear of God. We act as if there is no impunity, no accountability, no judgment. But, God will not be mocked. He may be patient for a while, and His patience may be naively taken as disinterest or unconcern...but He will not be mocked, as we are doing, without eventual consequences. [Editor's note: God is not mocked and the tares will be removed from America and the Tare Government surely can and WILL fall!]

Why, I even ask myself, do you write such troubling words?

**Because, my friends, I am absolutely convinced that the only response to the true state of this nation, and now this ruling, is sincere confession and deep repentance.**

Nineveh was riding high and no doubt reveled in her seemingly lofty position. Assyria, at that time, was a world empire, rich and mighty. But...they were seeped in sin. And because of their wickedness, God was going to reduce them to rubble. When they were confronted with their sin, however, they confessed and repented. And the God who is "gracious and merciful, slow to anger and abounding in steadfast love", relented from that judgment and certain disaster.

So, if it now takes us looking into the mirror to behold the reality of where we are as a nation, and to speak of the judgment that is overdue us, then let us look...let the words be spoken...let Him break our heart. Stop the music and the dancing and the preening and the self-exaltation...and look at the reality around us.

There will be no confession or repentance until we do.

So, it seems to me that there are two possibilities before us,

the remnant:

1. We have been given nearly a hundred years but our time is now up and it will all be taken away. And we, too, will soon barely fill one building; or
2. We have been given yet another warning to fall upon our knees in confession and repentance, in prayer and fasting, and rededicate ourselves to Him and to be the light and salt that we were made to be, to begin to impact our culture, one neighbor at a time.

**My hope and my prayer is that it will be the latter.** And, if so, then it is possible to think that God has kept such a large remnant here for this very hour. [Editor's note: Read Pastor Emry's sermon, ***America Will Turn Suddenly*** and you will see that this is going to happen. Won't you start today with your own personal repentance and then pray daily for the rest of Israel in America and the World to do the same?]

When the fierce and merciless Assyrians had conquered nearly all of Israel, city after city, and now had Jerusalem surrounded, Sennacherib boldly taunted the Israelites, telling them that their situation was hopeless, to give up, that their God was clearly unable to save them. In the eyes of the world, it would have seemed hopeless. But King Hezekiah gathered the people and encouraged them. He said,

***“Be strong and courageous. Do not be afraid or dismayed before the king of Assyria and all the horde that is with him, for there are more with us than with him. With him is an arm of flesh, but with us is the Lord our God, to help us and to fight our battles.”*** 2 Chronicles 32:7-8

And Hezekiah, in the midst of the taunting from this most powerful enemy, tore his robes, humbled himself before the Lord and cried out to Him....and God miraculously spared the city and the nation. But before He did, He sent a message

through Isaiah that is an amazing picture of how God sees these powerful forces in the world, that they are nothing in His sight. And then He said these wonderfully gracious words:

***“And the surviving remnant of the house of Judah shall again take root downward and bear fruit upward. For out of Jerusalem shall go a remnant, and out of Mount Zion a band of survivors. The zeal of the Lord will do this.” 2 Kings 19:30-31***

We are eerily in the same situation. There are evil forces that have captured our cities; they have captured our media; they have captured our schools and universities; they have captured the minds of our lawmakers, our executives, and our courts; they have captured some of our pulpits; and now they stand before us and taunt us to give up, to join the dance. And I know that many of us have begun to feel as if there is no hope. For many, this current ruling appears to be the last straw...**strike three.**

**But are we to believe that the kingdom of darkness is greater than the Kingdom of Light?** Are we to ever believe that God is unable to save, even in the midst of the fiery furnace? Yes, those three men did not know if God would spare them. But they remained steadfast and resolute that they would not bow the knee to the man who now acted as if he were a god.

And now, we too, have men who act as if they were gods. We have rulers and institutions who have cast out the true God and now declare right and wrong as they see fit. They mock the notion of sin and judgment. They say “we will save you” and yet they will do nothing of the sort. For this is a path that will eventually destroy us.

They want you to bow the knee. They want you to join the dance. They want you to sing their song.

**But, we will not. The remnant of God cannot. We will**

**stand, though we may be cut down. We will speak, though we may be forcibly silenced. We will act with love and grace and kindness and gentleness, but we will not bow the knee to the gods of this world. [Editor's note: You need to be that kind of remnant in the world. Israel is to be God's Witnesses!]**

Do not fall into the trap of the world that will make all of this look pretty and sweet and try to get you to dance and sing with them. Instead, we will begin with the confession of our personal and national sins before God as Daniel did. We will pray for our nation and for our "opponents",

***"that God will grant them repentance, leading them to a knowledge of the truth and that they will come to their senses and escape from the trap of the devil who has taken them captive to do his will." 2 Timothy 2:25-26***

And may our kind and gracious God hear our prayers and our weeping before Him, and may He fill us with His Spirit that we may be able to stand in the difficult days ahead. May the **"surviving remnant take root downward and bear fruit upward."**

**May the zeal of the Lord do this.**

**Soli Deo Gloria** (Latin for Glory to God alone)...in all things and all circumstances.
