## FROM THE PASTOR'S DESK:

A MOST APPRECIATED "THANK YOU" TO ALL WHO SENT ME A HAPPY BIRTHDAY CARD AND/OR GIFT. You people are the greatest and it was truly good for my soul to feel the love and appreciate most sincerely expressed by you in your good and encouraging words. I have to admit it was a blessed Birthday surprise I was not expecting. My loving, wonderful wife, Martha, set this whole birthday surprise up by asking you all who would take the time and effort to send me a card to a secret address so I would be totally unaware of the blessings that was coming my way. **AND OH WHAT A WONDERFUL SURPRISE!** With the many cards and all the good words shared by all, I felt as though I was with family and good friend the whole day long and beyond, because, quite frankly, I carry many of your good thoughts with me weeks after reading them. They refreshed me and spiritually vitalized me, especially at a time that I really needed it. I truly view this as a form of Christ in you good people the Hope of Glory. May Christ's blessing be richly bestowed upon you all for your love and kindness!

## Why So Many School Shootings? –Hard Truth

By Pastor Barley

I am sure all of you, as Martha and I have, wondered what is the cause of all these school (in particular) shootings? After all, there were lots of guns in most houses in America when I was growing up in the 50s and 60s. My

father had all kinds of guns in his closet, and they were not locked up in some gun case. My brother and I knew where the guns were, but we also knew, that if we tampered with any of his guns without permission, he would knock us upside our heads. For those of you of this present day “millennial or Y Generation” (born between 1981 and 2000), you would most likely think of “knock us upside our heads” as “child abuse.” No, it was plain and simple Biblical rod of correction attitude adjustment. My father believed the Biblically inspired saying, “**spare the rod, spoil the child.**” The Bible says it this way in **Proverbs 22:15; 13:24.**

*Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him.*

*He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.*

I hope, dear Christian that you love and appreciate the great wisdom of those verses. After all, they are Biblically and spiritually corrective and should be followed despite modern-day humanistic solutions. I believe that many of you are saying a hearty “**AMEN**” upon reading these Bible passages. Perhaps saying to yourselves, “*Yes sir, the Bible way is the way we need to raise our children.*” Good. I am glad you agree. Well, I have one more Bible passage I want to share with you while I have many of you in an agreeing frame of mind. **Deuteronomy 21:18-21**

*<sup>18</sup> If a man have a stubborn and rebellious son, which will not obey the voice of his father, or the voice of his mother, and that, when they have chastened him, will not hearken unto them:*

*<sup>19</sup> Then shall his father and his mother lay hold on him, and bring him out unto the elders of his city, and unto the gate of his place;*

*<sup>20</sup> And they shall say unto the elders of his city, This our son is stubborn and rebellious, he will not obey our voice; he is a glutton, and a drunkard. <sup>21</sup> And all the men of his city shall stone him with stones, that he die: so*

*shalt thou put evil away from among you; and all Israel shall hear, and fear.*

**Hallelujah! Can I hear an AMEN?** Most Christians, would NOT say **AMEN** to the above Bible Verses concerning God's Biblical solution for parents who have a persistent "*stubborn and rebellious son.*" Think about it though. A child would have to be really, really troublesome in order for the parents to do this and for the elders to agree to it. The point being in all of this, is that the Word of God provides us clear Biblical corrective advice that if not heeded will produce the disastrous consequences we see all around us in our world today.

Think about the many tragic school shootings that have occurred by young people for the most part over the past two decades. Many of us will most likely think of the recent spoiled brat murderer, Elliot Rogers, whose father, Peter Roger, a British-Jew born Hollywood unit director on the film *The Hunger Games*. His murdering son, Elliot Rogers, actually boasted on his Google Plus page of attending the world premiere of that and other films. He, along with many other insane murdering youth have gone on killing sprees that caused most of us to shake our heads in disbelief at the horror and tragic nightmare involved in this revolving insane criminal behavior, and we wonder what, if anything can be done to put a stop to this cycle of murder by a few insane young people.

Since the murder rampage of Elliot Rogers, two other killing binges have happened at a school in Seattle and a high school in Troutdale, Oregon. Fortunately a recent one was stopped before anyone was hurt because there was a school police officer with a gun.

I have thought about this problem many times and have blamed the problem on drugs like Prozac, crazy violent video games, or government MK Ultra Mind Control conditioning. All these causes and threats do exist, but as whole Bible believing Christians we should be Bereans of the Word of God and seek Biblical solutions to the problems rather than play the worldly game of blaming everything but the person who committed the crime. Many

Christians do believe that God's Laws should be applied, at least on a limited, perhaps politically correct level, such as putting murderers and pedophiles to death. However, when it comes to applying God's law to rebellious children of **Deuteronomy 21:18-21**, they draw the line and defer to the political social engineering applications of man.

Well, I believe that God's Law Word is true, whether I understand all the "ifs, whys, or hows," even when it comes to dealing with incorrigible juvenile delinquents. Nationally, we will continue to suffer murderous rampages by young people who fit the Biblical description given in **Deuteronomy 21:18-21** if we refuse to apply God's Law Word. I knew a father who had a very rebellious life-threatening teenage son. The father feared for his life and I must admit that the few times I was with his son, I did not turn my back on him. The boy eventually left home and then became a criminal, stealing cars, and was involved in several armed robberies. One day, a few years ago, he and his criminal friends plotted to use explosives in a robbery...the son was killed when he accidentally ignited his explosives and thankfully no one else was hurt. The father grieved, but as a student of God's Law he wondered if the fear of the application of these verses in Deuteronomy would have caused his son to change.

Civil Law, for the most part works against godly order and thus, actually blesses evil. According to the Bible, if Israelite parents refused their parental duty to bring accusation against their son, they could be found guilty of participation or as accomplices in their son's evil. This is why parents are to be complaining accusatory witnesses against their villainous lawless children. Their loyalty must be prioritized to righteousness and Godly order. Thus, parents had the Biblical duty to turn their children in if they became aware of criminal behavior that needed to be dealt with beyond the jurisdiction of the family. Thus, *"the men of the city"* were commissioned with the duty of carrying out the death penalty, and the family was excluded from the execution of the law.

Obviously, in today's growing antichrist world order, God's Laws

are ridiculed and Christians who uphold righteousness (right doing, by applying God's Biblical directives) are targeted and painted with their tainted brush as being "anti-government evil doers." But the Government we are called to support and place our faith in is that of King Jesus and the Kingdom Government that is upon His Shoulders (**Isaiah 9:6**). I fully believe that God is LOVE (**1 John :16**), and we are constantly being told this by love fest teachers and ministers as though any form of judgment or correction is of the devil. To teach Biblical love without God's judgments or the application of God's Law is spiritual blindness. Let us not forget the words of the Apostle Paul found in **Romans 7:14**

***For we know that the law is spiritual.***

Let us remember that Jesus is *"THE WORD... AND THE WORD WAS GOD"* according to **John 1:1** and I am certainly not using the Jehovah Witness translation. When Jesus formed that whip and turned the tables over on the moneychangers and struck them with His whip, **was that spiritual love?** **Matthew 21:12** When Jesus told His Disciples to use their script (money) or to sell their garments to buy swords, **was that spiritual love?** **Luke 22:35-38** Jesus said in **Luke 19:27**, *"But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me."* **Was that spiritual love?**

When Jesus said such things as *"Woe unto you, scribes and Pharisees, hypocrites! For ye are like unto whited sepulchers"* (**Matthew 23:27**) **was that spiritual love?** Well, actually it is, just as the Biblical requirement for parents to discipline their children is love. Biblical love taught without judgment or void of a corrective aspect is mere anti-Christ destructive humanistic philosophy.

I certainly believe that parents should love their children and, no doubt doing what is described in **Deuteronomy 21:18-21** must be a heavy, soul-searching last ditch effort to deal with a seriously troubled child. Also, remember that if the parents were found to be lying under the law of bearing false witness they would be put to

death because the person bearing false witness receives the punishment that they tried to get inflicted. Remember the example of Ananias and Sapphira who were killed by the Holy Spirit for lying to God.

Clearly, it could be argued that proper love, biblical instruction, and spiritual counsel, should be applied, but the Biblical fact remains that God Almighty placed this example and solution within His Law Word. I will add, that as far as I can tell, there is no record of parents in the Bible applying this Law, but we must not ignore the fact that God gave us this Law and it is there for a reason.

## **Utah County Follows Cliven Bundy's Lead, Refuses to Recognize Federal Agencies**

Utah's residents have had a contentious history with the federal government when it comes to public lands. Now one county in the state has taken things a step further, passing a resolution refusing to recognize federal agents.

Carbon County, located on the eastern side of Utah and named for the coal deposits in the region, unanimously passed the resolution against federal agents on June 4. The county board of commissioners specially singled out officials from the Bureau of Land Management in its prohibition.

***"Accordingly, the Board of Commissioners of Carbon County declares publicly in the interest of the health, safety and welfare of its citizens, that Carbon County does not recognize any attempt by a federal official to try to enforce state or local criminal or civil laws on any lands in Carbon County, including any BLM and Forest Service***

***lands in Carbon County... including federal lands."***

***"Any such attempted exercise of law enforcement powers by an official of a land management agency IS NOT RECOGNIZED by Carbon County," the resolution stated "and shall be deemed AN IMMINENT THREAT TO THE HEALTH, SAFETY AND WELFARE OF THE CITIZENS OF CARBON COUNTY."***

The resolution also demanded that any federal agent intending to take a law enforcement action ***"shall first declare his presence and intended action to the Sheriff of Carbon County."***

The resolution is the second repudiation of federal authority in Utah since Nevada rancher Cliven Bundy (known as the *"last rancher in Clark County, Nevada"*) took a stand in a **recent showdown against the BLM** over his refusal since 1993 to pay fees to the federal government for the right to raise cattle on land his family has ranched since the 1870s. In May, residents of the town of Blanding were joined by Bundy supporters as they **rode ATVs on BLM** land that has been closed to motorized vehicles since 2007.

***"People are hugely frustrated,"*** San Juan County Commissioner Bruce Adams said to the **Deseret News** of the ATV ride. ***"People are ready to draw a line in the sand, they're ready to push back."***

# It's Time to Leave the Presbyterian Church (U.S.A.)

By Dr. Michael L. Brown, [OneNewsNow.com](http://OneNewsNow.com) June 23, 2014

If you are a Jesus-loving, Bible-based member of the Presbyterian Church (U.S.A.) – unless God has called you to stand as a prophetic voice of rebuke to the denomination or unless your ministry commitments to individuals make it impossible for you to leave – now is the time to make your exit.

## **The PCUSA has made its rejection of the Word of God official.**

According to the denomination's statement, on Thursday, June 19, "the 221st General Assembly of the Presbyterian Church (U.S.A.) approved a recommendation from its Civil Union and Marriage Issues Committee allowing for pastoral discretion to perform 'any such marriage they believe the Holy Spirit calls then to perform,' where legal by state law."

In other words, regardless of what the Scriptures plainly say, as a PCUSA minister, if you feel called to violate God's Word and perform a same-sex "marriage," follow your conscience, not the Bible. **This is a recipe for disaster and is nothing less than rebellion against the authority of the Word.**

The statement continues: "They also approved a recommendation to change language in the Book of Order to indicate that 'marriage involves a unique commitment between two people, traditionally a man and a woman.'"

Not only is this completely unbiblical, since marriage in the Bible and throughout history requires a man and a woman rather than "two people," it is also completely illogical, opening a Pandora's Box of new possibilities.

## Biblical War Thoughts and Some Special Closing Suggestions for Politicians

Seventy years ago on June 6, 1944, American soldiers landed on the French coast of Normandy, known as the D-Day invasion. More than 150,000 American, British, Canadian, and other Allied soldiers risked and many (tens of thousands) did give their lives on that dreadful Omaha Beach. Truly, “war is hell,” but in many ways wars are hell because they are not conducted upon Godly Biblical Principles.

I do believe in honoring the fallen heroes of war. In my mind though, our nation has not been fighting true warranted Biblical wars. Police wars on foreign lands is not what God Almighty has called his Covenant Israel people to be engaged in no matter what the reason or cause. Only if a nation has threaten our nation, or attacked our land, or has specifically targeted our nation or citizens overtly or covertly are we to even consider going to war. And we certainly have to see if God wants us to go to war first, meaning the reason must be Biblically warranted.

God’s Laws of warfare stress that a war must not be of a prolonged venture, but it is to be quick and of a “take no prisoner’s nature.” Quoting from Rousas J. Rushdoony’s great Bible Law commentary, *Institutes of Biblical Law* pages 278-280:

“... (Israel’s) military law requires that, prior to an attack, or rather, a declaration of war, an offer of peace be extended to the enemy. The offer of peace cannot be an offer to compromise. The cause, if it be just, must be maintained; the enemy must yield to gain peace. (Deut. 23:9-14)

Then Dr. Rushdoony addresses the Canaanite problem, and I should remind our readers that these Canaanites at this time

were, though not in total, Adamites, mostly racial DNA brethren of the children of Israel. They were descendants of Canaan, the son of Ham, who was Noah's son. (**Genesis 10:6**) It is interesting and pertinent to our discussion because six different tribes are mentioned in **Exodus 3:8, 17; 23:23; 33:2; 34:11**. The tribes were the Canaanites, Hittites, Amorites, Perizzites, Hivites, and the Jebusites. All these tribes became Baal worshippers and they openly practiced pagan multiculturalism. Some of these tribes became highly racially integrated, while others resisted this corruption thus in certain cases where the women were Adamic, that God allowed their women to be taken as captive brides (**Deuteronomy 21:11-14**) in periods of war with Israel.

Continuing to quote Dr. Rushdoony:

"... Warfare is not child's play. It is a grim and ugly if necessary matter. The Canaanites against whom Israel waged war were under judicial sentence of death. They were spiritually and morally degenerate. Virtually every kind of perversion was a religious act: and large classes of sacred male and female prostitutes were a routine part of the holy places. Thus, God ordered all the Canaanites to be killed (**Deut. 2:34; 3:6, 20:16-18; Joshua 11:14**) both because they were under God's death sentence, and to avoid the contamination of Israel."

Then on page 280, Dr. Rushdoony brings out the principle of "Conscientious objection."

"Thus still another general principle appears: since war is to be waged in a just cause only, and, normally, in defense of the homeland and of justice, the right of conscientious objection means that one has a moral

right to refuse support of an ungodly war . . . Warfare is an aspect of the life of the political order, and its role is important, but production is more basic. Without production, without the fruit trees and the farmer, the worker and the manufacturer, there is no country to defend. The priority of politics is a modern heresy which is steadily destroying the world; only the great vitality of free enterprise is maintaining the production level in the face of great political handicaps and interferences. In any godly order, therefore, production, freedom of enterprise, must always be prior to politics, in wartime as well as in peace."

In fact, wars are to be taken with deep sincerity and especially for Christians and their nations. They must only be entered into with a Biblical purpose. Fighting for antichrist purpose and New World order humanist internationalism only fosters the purposed of "hell." I was reading from the book, ***Institutes of Biblical Law***, by Rousas J. Rushdoony, page 689, in which he presented this profound truth which I believe is applicable to our discussion:

"Tora means not only instruction or teaching, but, fundamentally, 'direction.' The law thus gives the God-ordained direction to life; a lawless life is a directionless life in the sense that no true meaning exists apart from God. Evil is not an absence or thinness of being, but is an ethical, not a metaphysical, departure from God. The greater the departure, the greater the loss of meaning. Hell has no community or meaning. It is the collapse of all

*community, meaning, and life into a radical negation."*

Such wars as "military police wars," are in reality, political wars created by politicians for social engineering purposes. Without God's Law as the basis and reason for war among God's Adamic Covenant people, then we plunge into a national "HELL," that is fueled by evil. This evil will render our nation into a nation with *no community or meaning*. America, Canada, Europe, Australia, and South Africa are losing essential racial community, meaning, and purpose, and we must understand that these New World Order Wars are part of the present hell we now find ourselves in today. These present day ungodly wars encourage racial, religious, humanistic adulteration.

Our soldiers are sent to these foreign lands to fight and many of them go with a strong sense of national patriotism only to return, if they are not killed, with a heightened state of mental, emotion, and spiritual confusion about right and wrong. They are sent off to wars that have nothing to do with "community" and have no national purpose. Instead, these wars tear down our country and enrich the wicked in their schemes of internationalism.

Look at the pressures being exerted against Christian prayer and services in the military. Need I also bring up the fact that our corrupted military honors and praises homosexual advancement including the placing of women on the front lines? Bible believing Christians need to understand that these present wars are against the Kingdom of God and His Righteousness. It should be very apparent to all of God's Covenant People that humanistic progressivism is adverse to the Kingdom of God.

It must be stressed and taught with all vigor that wars should be fought only when God tells us to go to war and we must follow His Laws about warfare. All Christian minded men must understand this truth and unapologetically uphold this truth.

## The Second Verse

Here is something many Americans are not aware of concerning **The Star Spangled Banner**. We normally only sing the first verse, but here are the soul-stirring words of the second verse:

*“Oh! Thus be it ever, when freeman shall stand  
Between their loved home and the war’s desolation!  
Blest with victory and peace, may the heav’n rescued land  
Praise the Power that hath made & preserved us a nation  
Then conquer we must, when our cause it is just,  
And this be our motto: ‘IN GOD WE TRUST.’  
And the star-spangled banner in triumph shall wave  
O’er the land of the free and the home of the brave!”*

I heard this verse sung by a Marine with a thundering voice of praise and it brought tears to my eyes. I believe every time **The Star Spangled Banner is sung**, that this second verse needs to be included.

Clearly, America, Canada, England, Europe, and Australia are not fighting under the motto: **“In God We Trust,”** because our nations are now fighting according to anti-Christ, anti-Bible ideologies. Yes, we must and do recognize the fact that war is Biblically ordained of God. **Ecclesiastes 3:8** states:

*“There is a time to love, and a time to hate; **a time for war**, and a time for peace.”*

**Ezekiel 33:11** states:

*“Say unto them, As I live, saith the Lord God, I have no pleasure in the death of the wicked; but that the wicked turn from his way and live: turn ye, turn ye from your evil ways; for why will ye die, **O house of Israel?**”*

Please notice, in context with this Scripture who the “wicked” are, and who must repent. God Almighty is clearly speaking

to His Covenant People Israel, *“why will ye die, O house of Israel?”* They are the people whom God Almighty holds accountable, and the people whom He punishes for sin, for they are the people of Covenant, of both the Old and the New Covenant eternally given under the Divine terms of the Abrahamic unconditional, Sovereign Contract. Let us not forget God’s Word to Israel:

### **Amos 3:2**

*“You only have I known of all the families of the earth: therefore I will punish you for all your iniquities.”*

### **Psalms 144:1**

*“Blessed be the Lord my strength which teacheth my hands to war, and my fingers to fight.”*

Note, David blessed the Lord who *“teacheth my hands to war.”* Meaning, David sought God’s blessing and sovereign directive purposes for war. Otherwise, war is a futile humanistic political tragedy.

### **Ezekiel 33:6**

*“But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman’s hand.”*

Does this mean that if Russia sees the United States of America spending billions upon billions of dollars building up our military, that they should “blow the trumpet” and attack us? Or, on the other hand, what if we see Russia, China, North Korea, or Iran building up its military power, are we given the Biblical green light to attack them all and pat ourselves on the back for being good Christian Patriots? Clearly, other nations are building up their military power is not sufficient reason to go to war with them. However, it is reason enough for us to keep and maintain a strong national defense. **Deut. 20:1-18**

*“<sup>1</sup> When thou goest out to battle against thine enemies, and seest horses, and chariots, and a people more than thou, be not afraid of them: for the LORD thy God is with thee, which brought thee up out of the land of Egypt.*

*<sup>2</sup> And it shall be, when ye are come nigh unto the battle, that the priest shall approach and speak unto the people, <sup>3</sup> And shall say unto them, Hear, O Israel, ye approach this day unto battle against your enemies: let not your hearts faint, fear not, and do not tremble, neither be ye terrified because of them; <sup>4</sup> For the LORD your God is he that goeth with you, to fight for you against your enemies, to save you. <sup>5</sup> And the officers shall speak unto the people, saying, What man is there that hath built a new house, and hath not dedicated it? let him go and return to his house, lest he die in the battle, and another man dedicate it. <sup>6</sup> And what man is he that hath planted a vineyard, and hath not yet eaten of it? let him also go and return unto his house, lest he die in the battle, and another man eat of it. <sup>7</sup> And what man is there that hath betrothed a wife, and hath not taken her? let him go and return unto his house, lest he die in the battle, and another man take her. <sup>8</sup> And the officers shall speak further unto the people, and they shall say, What man is there that is fearful and fainthearted? let him go and return unto his house, lest his brethren's heart faint as well as his heart. <sup>9</sup> And it shall be, when the officers have made an end of speaking unto the people that they shall make captains of the armies to lead the people. <sup>10</sup> When thou comest nigh unto a city to fight against it, then proclaim peace unto it. <sup>11</sup> And it shall be, if it make thee answer of peace, and open unto thee, then it shall be, that all the people that is found therein shall be tributaries unto thee, and they shall serve thee. <sup>12</sup> And if it will make no peace with thee, but will make war against thee, then thou shalt besiege it: <sup>13</sup> And when the LORD thy God hath delivered*

*it into thine hands, thou shalt smite every male thereof with the edge of the sword: <sup>14</sup> But the women, and the little ones, and the cattle, and all that is in the city, even all the spoil thereof, shalt thou take unto thyself; and thou shalt eat the spoil of thine enemies, which the LORD thy God hath given thee. <sup>15</sup> Thus shalt thou do unto all the cities which are very far off from thee, which are not of the cities of these nations. <sup>16</sup> But of the cities of these people, which the LORD thy God doth give thee for an inheritance, thou shalt save alive nothing that breatheth: <sup>17</sup> But thou shalt utterly destroy them; namely, the Hittites, and the Amorites, the Canaanites, and the Perizzites, the Hivites, and the Jebusites; as the LORD thy God hath commanded thee: <sup>18</sup> That they teach you not to do after all their abominations, which they have done unto their gods; so should ye sin against the LORD your God.”*

#### **Joshua 11:19-20 (NKJV)**

*“<sup>19</sup> There was not a city that made peace with the children of Israel, except the Hivites, the inhabitants of Gibeon. All the others they took in battle. <sup>20</sup> For it was of the Lord to harden their hearts, that they should come against Israel in battle, that He might utterly destroy them, and that they might receive no mercy, but that He might destroy them, as the Lord had commanded Moses.”*

#### **Leviticus 19:18**

*“You shall not take vengeance, nor bear any grudge against the children of your people, but you shall love your neighbor as yourself: I am the Lord.”*

#### **Malachi 3:6**

*“For I am the Lord, I change not; therefore ye sons of Jacob are not consumed.”*

## Jeremiah 5:15-19

*“<sup>15</sup> Lo, I will bring a nation upon you from far, O house of Israel, saith the Lord: it is a mighty nation, it is an ancient nation, a nation whose language thou knowest not, neither understandest what they say. <sup>16</sup> Their quiver is as an open sepulchre, they are all mighty men. <sup>17</sup> And they shall eat up thine harvest, and thy bread, which thy sons and thy daughters should eat: they shall eat up thy flocks and thine herds: they shall eat up thy vines and thy fig trees: they shall impoverish thy fenced cities, wherein thou trustedst, with the sword. <sup>18</sup> Nevertheless in those days, saith the Lord, I will not make a full end with you. <sup>19</sup> And it shall come to pass, when ye shall say, Wherefore doeth the Lord our God all these things unto us? then shalt thou answer them, Like as ye have forsaken me, and served strange gods in your land, so shall ye serve strangers in a land that is not yours.”*

Great verses for Christians to understand and remember.

### **How Should Politicians be Treated When it comes to War?**

I believe a new form of the “DRAFT” ought to be immediately imposed. If Congress and the President of the United State believe war must be declared, then I believe the war should begin with a mandatory draft of the President and half of the Congress for the first six months of the ward and then the remaining members of the Congress are to be sent while the surviving first group are allowed to return to their political posts in Washington DC. Concerning the President, he is only exempt from serving in the first group if he has already served a tour of duty during wartime. Now with this simple draft, I wonder how many wars would be supported by the politicians in Washington DC?

Dr. Barrett has taught at colleges and universities in San Francisco, Paris, and Wisconsin, where he ran for Congress in 2008. He is the co-founder of the *Muslim-Christian-Jewish Alliance*, and author of the books *Truth Jihad: My Epic Struggle Against the 9/11 Big Lie* (2007) and *Questioning the War on Terror: A Primer for Obama Voters* (2009). His website is [www.truthjihad.com](http://www.truthjihad.com).

**In September 2001, George W. Bush explained: "They hate our freedoms." Bush, of course, was lying. Osama Bin Laden and al-Qaeda never hated freedom. They saw themselves as freedom fighters.**

But Bush's lie went deeper than that. At the same time Bush was intoning **"they hate our freedoms,"** Bin Laden was repeatedly explaining that he had nothing to do with 9/11: **"I have already said that I am not involved in the 11 September attacks in the United States. As a Muslim, I try my best to avoid telling a lie. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children, and other humans as an appreciable act. Islam strictly forbids causing harm to innocent women, children, and other people."**

Even the crazed Takfiri terrorists of ISIL – who were expelled from al-Qaeda for being too extreme – do not hate freedom.

But there is one terrorist group that does hate freedom of speech and freedom of the press. ***That group is the ultra-Zionist "Jewish Defense League" (JDL).*** (Many Jews are horrified that this vicious terrorist group uses the name "Jewish" in its title – in the same way that Muslims are horrified that ISIL references Islam to justify its barbarities.)

Earlier this month the JDL issued a terrorist death threat to Canadian Press TV correspondent Joshua Blakeney. An email from the Jewish

Defense League threatened to ***"respond with extreme prejudice"*** to Blakeney's journalistic critiques of Zionism.

The phrase ***"extreme prejudice"*** is a well-known euphemism for assassination. The JDL was threatening Blakeney with cold-blooded murder. Why? Because it did not like his reporting.

***These are terrorists who really do hate our freedoms.***

Then this week the JDL targeted another North American journalist, Tom Mysiweicz. His crime? Publishing an article unveiling the truth about the Iraq war. Mysiweicz's article was headlined **"Iraq: The real strategy is about to succeed."** In the article, Mysiweicz explains:

***"With the Kurdish seizure of Kirkuk—effectively asserting control of much of the country's oil wealth for their Israeli patrons—and conquest of Sunni areas by ISIL/ISIS/Takfiri elements (enriched by a curious \$450-million bank heist and much "captured" American-supplied military equipment) I contend that the real goal of the Iraq invasion and Israeli/Anglo-American policy is about to be realized—the partition of Iraq."***

The Israelis have long yearned to Balkanize the Middle East by smashing that region's nations into small, powerless pieces. The Oded Yinon plan to fragment the Middle East, echoed in the 1990s by Netanyahu's "Clean Break" document, led directly to the 9/11 neocon-Zionist coup d'état. The September 11th shock-and-awe coup was designed to hijack America's military and destroy the last remaining independent Mideast nations on behalf of global Zionism.

**Will I get a JDL death threat simply for stating such a plain and obvious truth?**

***Like Joshua Blakeney, Tom Mysiweicz was threatened with "extreme prejudice." Then the JDL followed up with a second***

***email, promising: "We will be bringing the justice that you deserve to your doorstep."***

Mysiewicz received the two JDL death threats shortly after appearing on Truth Jihad Radio. During our interview, he explained that he had been run out of a very successful career in biotechnology journalism for reporting on Israeli-linked abuses including organ trafficking. The Zionists used every means at their disposal, including terrorizing his customers and colleagues, to destroy Mysiewicz's livelihood.

### **And now they are threatening to destroy his life.**

Why does the ultra-Zionist JDL hate our freedoms – especially freedom of the press?

A genuinely free press fearlessly seeks the truth. And Zionism cannot bear the truth about itself.

The Zionists are masters of the Big Lie. They are expert myth-makers. **The truth is their mortal enemy.**

If Americans and Europeans knew the full truth about Zionism and the power it wields, they would tear it limb from limb. If they knew about the Zionist role in inciting wars, the Zionist domination of the banking system and the economy, the Zionist cultural war against Christianity and Islam, and the Zionist genocide in Occupied Palestine, they would rise up and put an end to Zionism.

Joshua Blakeney has exposed the truth about Zionist control of the puppet Harper regime in Canada. The Zionists cannot allow this truth to be uttered in public. So they sent Blakeney a death threat.

Tom Mysiewicz has exposed the real origins of the Iraq war. The Zionists fear this truth even more. If the full truth about 9/11 and the 9/11 wars is exposed, Americans might bomb Tel Aviv back to the Stone Age. This is not my opinion. It is the considered opinion

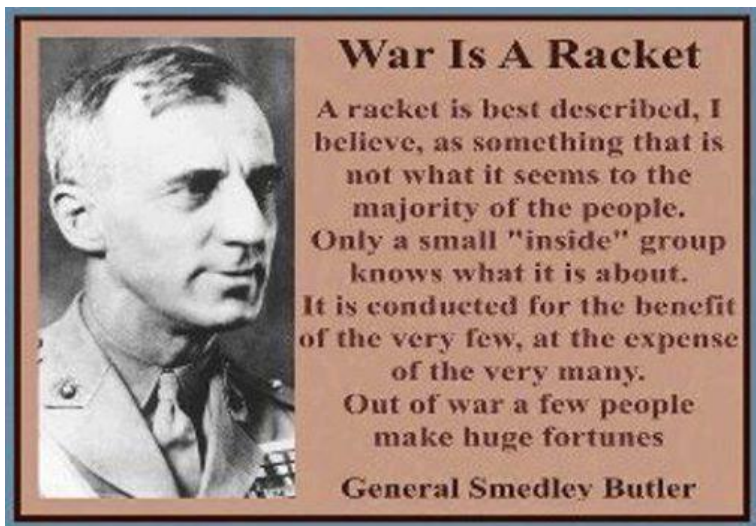

of Dr. Alan Sabrosky, former Director of Studies at Strategic Studies Institute of the US Army War College.

The extreme Zionists see truth as a mortal threat. So they threaten to ***"kill the messenger."***

We need to defend our freedoms against this terrorist onslaught. When journalists are threatened or (God forbid) harmed, every other journalist should draw as much attention to the issue as possible. Attempts to silence journalists should meet with the exact opposite of silence: maximum exposure.

If the journalistic community creates a hue and cry every time a journalist is threatened, all journalists will be safer. And today, even readers can help. By forwarding this article (and the work of Blakeney and Mysiewicz) to all your friends, and sharing and liking it on social media, you can help protect these brave journalists – and discourage the terrorists who are trying to silence them.

## What Did Barack Not-A-Smidgen-Of-Corruption Obama Know And When Did He Know It?

That's the question we should all be asking. It's clear that someone is stonewalling because emails do not simply disappear from cyberspace. If Lois Lerner, or her subordinates, sent emails to Eric Holder's Department of Justice (DOJ) or the White House, ***then the DOJ and the White House have those emails;*** individual hard drive crashes are moot, ***those emails exist in MULTIPLE places on a broad range of government computers, servers and backups.***

And if those emails are truly lost, that simply adds further proof to the contention that ***a massive conspiracy across multiple government agencies and offices is presently taking place right under our noses... a conspiracy designed to protect certain Obama appointees... a conspiracy designed to protect certain liberal Members of Congress... and a conspiracy designed to protect perhaps even Barack Obama himself.***

Don't take our word for it. Brad Jensen, the owner of Electronic Storage Corp and an expert on data storage and recovery says: *"There should be multiple backups over time of the emails in question. ... The persons who sent email to Lerner or received emails from her will also be backed up. Basically the court could set up a special master to review thousands of government email accounts collecting emails to and from Lois Lerner. The apparent attempt by the government to hide these emails from Congress and possibly the courts justifies this. ... This is not a lot of work."*

Did the **Obama White House give the orders to the IRS, and perhaps even Eric Holder's Department**

**of Justice, to pursue conservatives and throw them in jail? ... The answer may be in those emails.**

At the very least, we'll likely find obstruction of justice... and we'll likely find out that the destruction of evidence may still be going on at this very moment. ***Worse, what's contained in those emails could be even more damning than what we already know... Namely, that the IRS engaged in the systematic, illegal and tyrannical abuse of conservatives who oppose the radical agenda of Barack Obama.***

James Taranto with the Wall Street Journal writes: ***"The missing emails could be crucial in determining the degree to which other agencies and politicians directed or cooperated with the IRS's efforts to suppress opposition to President Obama. 'Frankly, these are the critical years of the targeting of conservative groups that could explain who knew what when, and what, if any, coordination there was between agencies,' said [Congressman Dave] Camp. 'Instead, because of this loss of documents, we are conveniently left to believe that Lois Lerner acted alone.'"***

National Review Online goes a step further: ***"We have no doubt that Lois Lerner's hard drive has in fact been compromised. We'd be shocked if it hadn't been. Goodness knows what else is being done with evidence while Congress proceeds at its customary majestic pace. The question here is not only the crime that has been committed but whether there is a crime in progress."***

## Insight from Maxine

I bought a bird feeder. I hung it on my back porch and filled it with seed. What a beauty of a bird feeder it was, as I filled it with seed. Within a week we had hundreds of birds taking advantage of the continuous flow of free and easily accessible food. But then the birds started building nests in the boards of the patio, above the table, and next to the barbecue. Then came the poop. It was everywhere: on the patio tile, the chairs, the table .. everywhere! Then some of the birds turned mean. They would dive bomb me and try to peck me even though I had fed them out of my own pocket.

And others birds were boisterous and loud. They sat on the feeder and squawked and screamed at all hours of the day and night and demanded that I fill it when it got low on food. After a while, I couldn't even sit on my own back porch anymore.. So I took down the bird feeder and in three days the birds were gone. I cleaned up their mess and took down the many nests they had built all over the patio. Soon, the back yard was like it used to be ..... quiet, serene.... and no one demanding their rights to a free meal.

Now let's see..... Our government gives out free food, subsidized housing, free medical care and free education, and allows anyone born here to be an automatic citizen. Then the illegal's came by the tens of thousands. Suddenly our taxes went up to pay for free services; small apartments are housing 5 families; you have to wait 6 hours to be seen by an emergency room doctor; Your child's second grade class is behind other schools because over half the class doesn't speak English. Corn Flakes now come in a bilingual box; I have to 'press one ' to hear my bank talk to me in English, and people waving flags other than "ours" are squawking and screaming in the streets, demanding more rights and free liberties.

**Just my opinion, but maybe it's time  
for the government to take down the bird feeder.**

# There is No Struggle for the Birthright and White Privilege is Sort of True

By Martha Barley

*<sup>21</sup> And Isaac intreated the LORD for his wife, because she was barren: and the LORD was intreated of him, and Rebekah his wife conceived. <sup>22</sup> And the children struggled together within her; and she said, If it be so, why am I thus? And she went to enquire of the LORD. <sup>23</sup> And the LORD said unto her, **Two nations are in thy womb, and two manner of people shall be separated from thy bowels; and the one people shall be stronger than the other people; and the elder shall serve the younger.***

Notice that this proclamation by God takes place before either child is even born. God sovereignly decided that Jacob would be the chosen one and God chose this based on His Will not on the anything either son did. So no matter what these boys did, God was going to cause Esau to serve Jacob and Jacob was going to have the birthright. Some people content that Jacob lost the birthright, but that cannot be found anywhere in Scripture. Let's look at the blessings give to each of these sons.

Genesis 27:28-29

Isaac Blesses Jacob

*<sup>28</sup> Therefore God **give thee** of the dew of heaven, and the **fatness of the earth**, and plenty of corn and wine: <sup>29</sup> Let people serve thee, and nations bow down to thee: be lord over thy brethren, and let thy mother's sons bow down to thee: cursed be every one that curseth thee, and blessed be he that blesseth thee.*

*39 And Isaac his father answered and said unto him, Behold, **thy dwelling shall be the fatness of the earth, and of the dew of heaven from above;** 40 And by thy sword shalt thou live, and shalt serve thy brother; and it shall come to pass **when thou shalt have the dominion, that thou shalt break his yoke from off thy neck.***

Notice that Esau is going to live among Jacob because that is where the fatness of the earth and the dew of heaven is, but the fatness and the dew do not belong to him. Think about it! What nations of the earth do the other nations flock to? Are they running to Africa? South America? China? Japan? No, the vast majority of the world's people want to live in the Israelite nations because Jacob was given and will always have *"the dew of heaven, and the fatness of the earth."*

Now, Esau was going to break off Jacob's yoke, but he was never going to get the birthright because from before his birth it was promised to Jacob and Jacob alone. This dew of Heaven and fatness of the earth is described as **White Privilege today**. The anti-Christ and races outside of Israel cannot figure out why the white nations of the world are so blessed. They attribute it to unfairness and keep trying to put policies into place to "punish" the white man for this unfairness. However, if they will study God's Word, they will see that God is very clear about who Israel is and why they receive *"the dew of heaven, and the fatness of the earth."*

### Isaiah 41:8

*But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend.*

### Psalms 135:4

*For the Lord hath chosen Jacob unto himself, and Israel for his peculiar treasure.*

## Isaiah 44:1

*Yet now hear, O Jacob my servant; and Israel, whom I have chosen*

## Amos 3:2

*You only have I known of all the families of the earth: therefore I will punish you for all your iniquities.*

Now, God does punish Israel for her sins, but this never means that the birthright is taken from them. If you look up the word, *known*, you will see that this means to know in the marriage sense of that word. You see God married Israel and He will remarry Israel at the Marriage Supper of the Lamb. This why God has such a special relationship with Israel. She is His precious bride. She is the woman made for Him and He gave her the birthright as her precious gift. So those who say that the birthright has been taken from her are just plain wrong.

## Malachi 1:3

*And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.*

## Obadiah 1:18

*And the house of Jacob hath been a fire, And the house of Joseph a flame, And the house of Esau for stubble, And they have burned among them, And they have consumed them, And there is not a remnant to the house of Esau, For Jehovah hath spoken.*

We are living in the days that Esau is outside the yoke of Jacob, but notice it is Jacob that is giving the descendants of Esau foreign aid and more descendants of Esau live in America (in the fatness and dew) than in Old Palestine. That alone is proof that Jacob still has the birthright. But if you need more proof, look at history. Throughout history who has born the marks of the birthright nation? Who has fulfilled the Abrahamic Covenant?

## Genesis 12:2-3

*<sup>2</sup> And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing: <sup>3</sup> And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed.*

What nation is a great nation, has a great name, has been blessed more than any other nation, and has in turn blessed all the families of the earth? Only America fits that great promise and only America fits **Isaiah 11:11-12:**

*<sup>11</sup> And it shall come to pass in that day, that the Lord shall set his hand again the second time to recover the remnant of his people, which shall be left, from Assyria, and from Egypt, and from Pathros, and from Cush, and from Elam, and from Shinar, and from Hamath, and from the islands of the sea. <sup>12</sup> And he shall set up an ensign for the nations, and shall assemble the outcasts of Israel, and gather together the dispersed of Judah from the four corners of the earth.*

How we look forward to the day when they come to America for the reasons described in Micah 4:2.

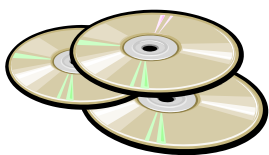

*And many nations shall come, and say, Come, and let us go up to the mountain of the Lord, and to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths: for the law shall go forth of Zion, and the word of the Lord from Jerusalem.*

## Letters from Readers:

Enjoyed reading your last message that you sent me, you hit the nail on the head. Really nice to have Pastors that aren't afraid to tell it like it is. **RV FL**

I'm really appreciating your [weekly services available on DVD or CD] series "Are You Fit for the Kingdom?" and especially part 4 explaining what was going on in Germany before Hitler stepped up to the plate, and your speaking truth about him is most welcome. P's grandfather came directly from Germany in 1921, and he and his family suffered much persecution in Wisconsin from this country during WWII. Hitler did some amazing things for his country to turn them around (that we would be useful today for us, don't you think?) and he was actually fighting against communism (which happened to be the Jews), which had enveloped Germany and France, Russia, etc. It is amazing that the New World Order people are still so fearful of even the *memory of* Hitler that they keep vilifying him (doesn't that itself prove he did some good?!)...meanwhile Stalin/Lenin murdered 66 million Christians (Solzhenitsyn's figures). Whew. **SJG, AR**

Your sermons are inspiring and hopeful in content. Knowing that others think the way I do is peaceful and a comfort to me. Thank you for all you do! **SG, OR**

I "enjoyed" reading the thoughts you expressed about the IRS Scandal in the May/June issue. May Our Lord continue to bless you and this ministry! **MN, CA**

# Happy Father's Day

There will always be a Father  
To populate the Earth.  
Though we may not always know them  
They are bonded to our birth.  
One may have a famous Father,  
Or one they may abhor,  
Or one they know they'll never see  
As he was killed at war.  
There are Fathers in the spotlight  
And some who misbehave.  
Some repose in the restless sea  
And others in a grave.  
Fathers come in different colors,  
Of languages, and creeds.  
They are known as protectors  
Fulfilling cares and needs.  
Some are loving and forgiving  
And always do their best.  
Fathers come in all professions,  
Some are proud, some depressed.  
But any way it's Father's Day  
Whomever he may be  
He is the one responsible  
For causing you and me.
