SEEING RED

I suppose I could have titled this "getting some things off my chest," but my chest is not in near as much anguish as my mind at this point. The first thing I want to vent from my mental anguish is the price of oil and gas. We are told, even by the Obama administration that there is a glut of oil, and therefore, producing more oil here in the United States will do nothing to improve the high price of oil or gas that we are paying here in the United States. I wonder, would it be inappropriate for me to call President Obama a fool and a liar at this point?

Let's see, he has lied about our economy and putting Americans to work (except for increasing government jobs for those who think they are entitled to them as a form of reparations), he has lied about the war, America's unemployment rate, global-warming, his background as a community organizer and school records, his connection with communist leaders and professors, his frightening plans for dividing up America's wealth with third world countries (especially those in Africa), his secret dealing with the bankers and the Unions, his hate for White Christian people, his goals for socialism and dividing our nation, and his real design and purposes for the subversive green movement and all the so-called oil free energy devises that will do little or nothing to free America from the high prices of oil and gas. And that's only a partial list.

When I think of all the various things that are wrong within our nation and all the lies and deceptions we are being told about these multitudinous problems, I wonder, would the people even be able to recognize the truth, if they were told the truth? This answer is, in most cases, NO. Well, here are some crucial principles of Biblical understanding concerning "truth."

Psalms 33:4

4 For the word of the LORD is right; and all his works are done in truth.

Number one, "*THE WORD OF THE LORD IS RIGHT.*" Our American media and government are not right, nor do they abide by the truth of God's Word.

Secondly, "*ALL HIS WORKS ARE DONE IN TRUTH.*" Here again, the works of our media and government are not done in truth, but in deception. What a blessing to know that ALL GOD'S WORKS ARE DONE IN TRUTH.

Sometimes we can get so frustrated with all the lies and corruption that we simply do not know where to turn for relief of this ongoing pain, but there is relief, and it is in turning to God's Word and focusing our spiritual faith and attention upon its blessed truth.

Yes, God's Word can be mysterious, complex, and spiritually challenging, but God's Word can also be comfortingly simple and easy to digest. I am reminded of what Jesus said in Matthew 11:29-30:

29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.

30 For my yoke is easy, and my burden is light.

The good news concerning God's Word is that it is not vague in its commandments or Divine directives. For

instance, "Thou shalt not steal, or thou shall not bear false witness," are pretty straight forward in their meaning though more research and study will no doubt be required concerning their various applications and ramifications of violation. Many of us are well aware of the fact that our federal government has been lying (bearing false witness) to the American people concerning the formation and purpose of the Federal Reserve monetary system and other various agencies such as the IRS. The burdens that they force upon us are certainly not light or easy to bear and therefore should be a warning sign to every Christian, that they are not godly or virtuous.

OUR ISRAEL CALLING

Our government should not be driven by greed, lies, corruption, or unchristian political principles, and most certainly, if you are a Bible believing Christian, you must pursue Christian paths that advance the Kingdom of God and His Righteousness. The present policies and ideology of our amoral government is an inevitable road map to depravity and destruction. What all Christians must come to understand more fully is that we cannot and must not allow ourselves to be merely blended into this depraved governmental system because it is diametrically opposed to the Kingdom of God. The Scriptures are very clear concerning our Christian duty and priorities:

Matthew 6:33

33 But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

So, let us do our Christian duty and make seeking the Kingdom of God and His Righteousness our number one priority, because clearly "Christianity" has been (for the most part) and continues to go in the wrong direction. Many Christians do this because they do not have a true Biblical sense of purpose or duty, and this stems from the

fact that they do not know who they are Biblically. Praise the Lord there is always a remnant that does.

Christianity is the religion of the West, meaning, that the Anglo-Saxon, Scandinavian, Germanic, and kindred people are the Covenantal predestinated forbearers of the Christian gospel, and this is no mere accident of history. "The Lord sent a word into Jacob, and it hath lighted upon Israel." (Isaiah 9:8) The advancement of the Christian faith and the gospel of Jesus Christ predominately came from these people, because they are indeed the true descendants of Abraham, Isaac, and Jacob (Israel). As the Scriptures tell us, "all Israel shall be saved," and here are two Scriptural proofs of this fact.

Isaiah 45:17-19

17 But Israel shall be saved in the LORD with an everlasting salvation: ye shall not be ashamed nor confounded world without end.

18 For thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the LORD; and there is none else.

19 I have not spoken in secret, in a dark place of the earth: I said not unto the seed of Jacob, Seek ye me in vain: I the LORD speak righteousness, I declare things that are right.

Romans 11:26-27

26 And so all Israel shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob:

27 For this is my covenant unto them, when I shall take away their sins.

ISRAEL REDEEMED

God called and chose this people as His Covenant people to be the forerunners of the restoration of all things by applying the sacred healing blood of Christ in spiritual Communion. Meaning, the lost sheep of the House of Israel must be called, found, and given healing to their spiritually blind condition (remember, Jesus said, "***I am not sent but unto the lost sheep of the House of Israel.***" (Matt.15:24). Israel in God's chain of command are His first called among the nations and first born among many. They have first born, or first-fruit heritage rights, but all the natural seed of Jacob must be transformed and this process is in encountering the Lord Jesus Christ (as Jacob did in Genesis 32:24-25 when he received a spiritual chiropractic adjustment).

The Divine Plan is already set in motion in which Jesus Christ will wrestle our fleshly ways away by the power of his Holy Spirit. Equally important, Israel must be given the message that Christ, the Holy Lamb of God, shed His sinless blood as a matter of redemption and restoration, first for Israel, and that through a redeemed, restored Israel (a spiritually transformed new creation), the Kingdom of God would be established as a great Light reflecting the nature and purposes of the King, Jesus Christ. This is the basic means through which **RED**, Edomite, antichrist communism and all its various tentacles of power will be destroyed.

This destruction is not an annihilation of mortals in the form of eternal destruction, but of their fleshly power and nature of all forms of antichristism. Origen, one of the early Church Fathers and theologians from the fourth century provides this blessed understanding. (Recorded in De Principiis, II, x:3,4.I,i. Against Celus,iv,13; VIII.1xxii. Quoted in Hanson. Ibid. Chapter 10):

"God's consuming fire works with the good as with the evil, annihilating that which harms His children. This fire is one that each one kindles; the fuel and food is each

one's sins...When the soul has gathered together a multitude of evil works, and an abundance of sins against itself, at a suitable time all that assembly of evils boils up to punishment, and is set on fire to chastisement...

[I]t is to be understood that God our Physician, desiring to remove the defects of our soul, should apply the punishment of fire...Our God is a 'consuming fire' in the sense in which we have taken the word; and thus He enters in as a 'REFINERS FIRE' to refine the rational nature, which has been filled with the lead of wickedness, and to free it from the other impure materials which adulterate the natural gold or silver, so to speak, of the soul. [O]ur belief is that the Word [Christ] shall prevail over the entire rational creation, and change every soul into his own perfection...For stronger than all the evils in the soul is the healing he applies, according to the Will of God, to every man."

That's a powerful truth that we must place on the Divine picture puzzle board until eventually we begin to see the wonderful picture of God's Great Plan of the Ages. As fleshly Jacob's nature had to be changed in wrestling with the angel (Jesus Christ in a theophany form) so must we be changed until we put on the Lord Jesus Christ. But there's a spiritual dichotomy in Jacob wrestling with the "angel," because it was dark (night time) and he thought he was wrestling with his arch enemy red Esau, but was, in fact, wrestling with the Savior and Redeemer, Jesus Christ and ended up being blessed in this event.

Oddly enough, in this time of Jacob's trouble in which we are wrestling, not with flesh and blood, but with the RED Edomite spiritual wickedness in high places of political and religious antichrist corrupting edicts, policies, and philosophy over the air-waves and their various institutes of worldly indoctrination, upheld by government bureaucracy, we are being groomed. Yes groomed in a sense like Jacob was in wrestling in the darkness with that blessed ANGEL and his name was changed to ISRAEL

(meaning to rule with God), and we are called to rule and reign with Christ in bringing all enemies, both foreign and domestic into subjection to the KING of Kings and LORD of Lords.

Ephesians 6:12

12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Romans 8:19-21

19 For the earnest expectation of the creature waiteth for the manifestation of the sons of God.

20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope,

21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God.

When the lost sheep of the House of Israel begin seeking the Kingdom of God, they will start seeing the light of the Kingdom and they will begin to understand who they are and they will come out of Babylon (incidentally, Babylon means chaos, which is what communism uses to promote its ideology). To a large degree, repentance and the embracement of Christianity has been upon the Caucasian Israel people, but no place of repentance is found among the Jews.

In fact, they are not a forgiving repentant people at all. Their descendants have continued to hate, ridicule, malign, and covertly make war against the followers of Jesus for some 2,000 years.

THE JEWISH FACADE

Therefore, a big change is coming that will do two very significant world changing things. Number one, the present day Jews who claim to be Israel, but are not, and are instead (the Bible tells us) of *"the synagogue of satan"* (Revelation 2:9 & 3:9) shall be exposed. Secondly, I believe things are heating up in the Middle-East that may very well spur that great day of awakening, and the blindness that is upon the true sons of Isaac shall be removed.

Two major events may very well precipitate this great awakening. One, the fall of Mystery Babylon, and the other is the fall of Jerusalem (which has been anything but Christian since it became the stronghold of Zionism in 1948). From the RED EDOMITE Bolshevik Revolution of 1917-1920 and the emergence of socialist communism, to its present day multifaceted forms of world government along with political corruption financed (to a large degree, directly or indirectly) through the IMF and the Federal Reserve Banking system and all their various partners in crime, especially their New York media center of operation, Mystery Babylon and World Jewry are symbiotic bedfellows, also described as ZOG (Zionist Occupied Government).

Certain things are very clear:

- 1) *"For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies."* (Revelation 18:3)
- 2) *"...For in one hour she is made desolate."* (Revelation 18:19)
- 3) *"...for thy merchants were the great men of the earth; for by thy sorceries were ALL nations deceived. And in her was found the blood of the prophets, and of saints, and of ALL that were slain upon the earth."* (Revelation 18:23-24)

In other words, ZOG has had a hand in the death of all people either directly or indirectly.

4) *"O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! Behold, your house is left unto you desolate."* (Matthew 23:37-38)

TARE PHILOSOPHY

Shortly after the Bolshevik revolution, socialism was unleashed in various degrees throughout the world by well financed agents of this evident plot against Christianity and its various institutes. I should explain a bit more, that while Christianity is the prime target, it is the values and deemed political thrust of Christendom (the Kingdom of God) that the communists fear most.

But as communism grows in power, especially financial and political power, you will see the "TARES" described in the Word of God raise their heads even more boldly for they perceive victory is within their reach. In their quest for power, they will more frequently stage and finance street demonstrations and do their best to create political and religious issues of controversy to manipulate their purposes. This is called **"dialectic materialism"** in which they create a **"thesis"** (an issue of controversy), and clash it with an opposite or a designed opposing issue they refer to as the **"antithesis,"** through which they manipulate its outcome into what they refer to as a **"synthesis."** In brief, it is **"the end that justifies the means"** of relativism.

RED KISSINGER

Communism wants a global economic collapse, and this is their plan with all the countries in financial failure. There is a financial form of dialectic materialism that is unfolding before our very eyes, and it is a communist plot, because communism is the means of establishing their New World

Order. The financial meltdown of nations dependant upon banker created fiat money is no accident. Here is another aspect of dialectic materialism in the following **quote from Henry Kissinger from 1991**, (as transcribed from a recording by a Swiss delegate at a Bilderberg meeting):

“Today, America would be outraged if UN Troops entered Los Angeles to restore order. Tomorrow they will be grateful! This is especially true if they were told that there an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all peoples of the world will plead to deliver them from this evil. The one thing every man fears is the unknown.

“When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well-being granted to them by the World Government.”

SOME COMMUNIST HISTORY

Let's go back in history. The Treaty of Versailles was created in 1919 focusing on post-war international reconstruction which gave birth to the League of Nations. This treaty was supposedly to promote “international co-operation” and “international peace and security.” President Woodrow Wilson was one of the main conspirators in this internationalism and his promotion of “peace without victory.” He made Lenin (who led the Bolsheviks to control of Russia) proud, but no agent provocateur of communism could make Lenin as proud, as President Barrack Hussein Obama.

Through propaganda campaigns and indirect as well as direct forms of intervention for world government Obama and his administration as well as most past administrations for the last 100 years in varying degrees, have sought to broaden the powers of international laws over our beloved America. Brandon Turbeville of Global Research, wrote the following concerning **a new Executive Order** that ought to

cause every freedom loving American to take full soul stirring notice of:

“In a stunning move, on March 16, 2012, Barack Obama signed an Executive Order stating that the President and his specifically designated Secretaries now have the authority to commandeer all domestic U.S. resources including food and water. The EO also states that the President and his Secretaries have the authority to seize all transportation, energy, and infrastructure inside the United States as well as forcibly induct/draft American citizens into the military. The EO also contains a vague reference in regards to harnessing American citizens to fulfill “labor requirements” for the purposes of national defense.

Not only that, but the authority claimed inside the EO does not only apply to National Emergencies and times of war. It also applies in peacetime.

The National Defense Resources Preparedness Executive Order exploits the “authority” granted to the President in the Defense Production Act of 1950 in order to assert that virtually every means of human survival is now available for confiscation and control by the President via his and his Secretaries’ whim.”

This was one of the main purposes behind the United Nations and the exploiting of, and increased use of such words as, “CZARS, free trade, social welfare, green movement, social reform, divide and conquer, arms reduction, class struggles, and international treaties.” Authors Fred Anderson and Andrew Cayton in their book DOMINION OF WAR provided this interesting observation of a communist:

“The ‘soul’ of Russia’s ‘real people,’ said Eugene Debs, ‘throbs with international solidarity and appeals with infinite compassion to the spirit of worldwide brotherhood.”

SEDITION

Eugene V. Debs was a Socialist orator and five-time presidential candidate, an advocate of communist ideology and a community organizer (sound familiar). Around 1918, he was arrested from his opposition to Word War I, for which, oddly enough, he was right in doing. The main problem with the arrest of Debs was the introduction of the 1918 Sedition Act, which, like the Patriot Act is a serious threat to our American rights and freedoms, especially to our freedom of assembly and speech. Back in 1988 there was another famous sedition trial held in Fort Smith Arkansas. Louis Beam and several others were charged with "seditious conspiracies."

They certainly were not communist, but were in fact outspoken critics of communism that was already deeply imbedded within our American government and not unlike the brave and famous anticommunist fighter Senator McCarthy, they to exercised their right of speech and assembly to warn and awaken the American people to the real treason that was openly happening in our nation. Fortunately, Louis Beam and the others charged with sedition by the federal government were found innocent by the jury and all charges were dropped. Those brave jury members certainly must have recognized the growing threat of federal communism.

More and more Americans are discovering that communism is alive, well, and thriving in America. Today, though most Americans are unaware of it, the communists are in control of much of our government. They simply do not understand that if something walks like and duck, looks like a duck, and quacks like a duck, then it's a duck whether the name has been changed or not. Today, that name may go by such terms as "democrat, republican, liberal, conservative, evangelical, green party, environmentalist, union worker, Hollywood actor or activist, and the list, sadly, goes on. What we need to be able to do, is observe them, listen to them, and be

knowledgeable enough to know who the true communist ducks are.

BY THEIR FRUITS YE SHALL KNOW THEM

Look about our nation today, who are the ones pushing for more laws that will restrict our rights, liberties, and freedoms? Who are the ones pushing for more taxes? Who are the ones opening the alien flood gates for increased illegal immigration. Who are the ones who make it possible for our gas prices to keep going up and up? Who helps, assists, and encourages the sodomites to grow in power and in the destruction of the traditional Biblically ordained family? I'll tell you who. They are the red, yellow, black and white communists (liberal and conservative) who are gullible enough to believe that communist guiding principles are somehow good for the nation, when in fact it is a destructive tyranny that is rapidly destroying our nation. You have to be blind not to see that communist rascals in Washington D. C. are in the power grid riding and promoting this deadly ideology at the expense of WE THE PEOPLE. Communists have seasoned America's laws and bureaucratic process into webs of prosecution and power that are reinforced by their red media.

COMMUNISM DEFINED

That is only a mere basic picture of communism. For a deeper understanding of communism, we must turn to the Word of God. But, before we do, I want to provide the following definition of communism from Wikipedia that I thought provides some interesting correlation for what I am about to share with you from the Bible:

“Communism is a movement to create a classless, moneyless, stateless social order structured upon common ownership of the means of production, as well as a social, political and economic ideology that aims at the establishment of this social order. This movement, in its Marxist-Leninist interpretations, significantly influenced

the history of the 20th century, which saw intense rivalry between the "socialist world" (socialist states ruled by Communist parties) and the "western world" (countries with market economies), culminating in the Cold War between the Eastern bloc and the "Free World".

A BIBLICAL "RED" ALERT

Though most people, including Christians, are unaware of the nature and Biblical marks of RED-EDOM, it is none the less a fact, that Esau, Jacob's brother, is identified as RED in the Bible. Are you angry with what is happening to your nation, so upset that perhaps you are seeing RED? Well, you're not alone, and the fact that you're seeing RED is no accident.

Genesis 25:25

*25 And the first came out **red**, all over like an hairy garment; and they called his name Esau*

Genesis 25:30

*30 And Esau said to Jacob, Feed me, I pray thee, with that same **red** pottage; for I am faint: therefore was his name called Edom.*

Malachi 1:2-4

2 I have loved you, saith the LORD. Yet ye say, Wherein hast thou loved us? Was not Esau Jacob's brother? saith the LORD: yet I loved Jacob,

3 And I hated Esau, and laid his mountains and his heritage waste for the dragons of the wilderness.

4 Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation for ever.

Revelation 12:3

*³ And there appeared another wonder in heaven; and behold a great **red** dragon, having seven heads and ten horns, and seven crowns upon his heads.*

Red Russia is where the Jewish designed and inspired Bolshevik revolution began, and it was inspired by Karl Marx, a sick depraved man who often abandoned his family and lived a life of debauchery with prostitutes and liquor upon the money and wealthy communist sympathizers while his family quite literally starved. He was well schooled in Talmudic social manipulation, the taking away from the "haves" and giving a meager portion to the "have not's," to foment revolution through class warfare.

The color "**RED**" given and associated with Esau (Edom) is no accident or coincidence, and the fact that the present day Jews are mostly Edomites and Khazars is also no mistake. It is a Biblical educational tool that we are to use in identifying the marks and threat of the arch enemies of Israel. Quoting from the book, THE WORLD HOAX, by Ernest Elmhurst (written in 1939), page 38:

"Defender Magazine, Wichita, Kansas, of January 1939, p.6, features another attestment from M. Hermalin, of New York, alleged to have been made in 1917: 'The Russian revolution was made by the Jews. We have created secret societies, planned the reign of terror. The revolution succeeded by our conniving propaganda and our mass assassinations in order to form a government truly ours.'"

If you have a cultural awareness of Jews, then you should know that they are the whiniest people on the planet. This is true.—In fact, I'm going to tell you a well kept Jewish secret, which is this, Jews don't mind being offensive, hateful, rude, vulgar, unpleasant, or even unloved by Gentiles, because they have absolute unconditional support and acceptance from their Jewish brotherhood.

That is a freebee truism you should think about and always remember, because the Jew is not ignorant of other people and cultures. They are students of people, and they know how to use that knowledge to their advantage against them. We must not be naive, we must understand the nature of the beast and take the necessary Biblical steps to control that beast, or we will remain under its control. Yes, I most certainly know and believe that Yahweh is Sovereign and is in complete control, even though we may be upset by present events, but He created us to be doers of the Word, to be involved in this life with Christian zeal, to pray, to live as piously as we possibly can, to repent, to be good Samaritans, in other words, we are to be busy, like bees supporting and building upon the foundation of the Kingdom of God. This includes being "WATCHMEN" on this wall of Biblical Truth and guarding our God given heritage from all enemies which includes being wise to who they are, their ways, and corrupting devises.

I will close with these verses of wisdom from the Scriptures. Please apply them to what I have shared with you in this study:

Proverbs 2:2-5;10-13

So that thou incline thine ear unto wisdom, and apply thine heart to understanding; Yea, if thou criest after knowledge, and liftest up thy voice for understanding; If thou seekest her as silver, and searchest for her as for hid treasures; Then shalt thou understand the fear of the LORD , and find the knowledge of God... When wisdom entereth into thine heart, and knowledge is pleasant unto thy soul; Discretion shall preserve thee, understanding shall keep thee: To deliver thee from the way of the evil man, from the man that speaketh froward things; Who leave the paths of uprightness, to walk in the ways of darkness;

I pray that this study has been a blessing to you,
Pastor Barley

Glaring Double Standard

After reading the headlines about the US soldier who shot up Afghanistan civilians, I couldn't help noticing an irony. There is all this clamor to try this guy quickly and execute him, never mind his having suffered a traumatic brain injury.

Yet this Major Hasan, who shot up Fort Hood while screaming Allah Akbar, still hasn't stood trial, and they are still debating whether he was insane, even with the clear evidence regarding his motive: Slay as many infidels as possible!

So we have a guy in a war zone who cracks, and he must be executed immediately? But this Muslim psychiatrist who was stateside in a nice safe office all day murders 13, wounds 29 of our own guys, and they try to argue the poor lad suffered post-traumatic stress syndrome, from listening to real soldiers who had actual battle experience. Two and a half years later, they still haven't tried the murderous bastard.

Thoughts on Communion

by Alan Newton

We need to always remember that there is nothing ‘new’ in The Bible after Genesis. Every concept addressed in scripture has its ‘roots’ revealed in Genesis, and Communion is no different. However, many of these ideas we sometimes take for granted are cleverly intertwined, and can only be revealed by Holy Spirit, and a lot of ‘word archeology’.

In Gen. 2:21 we read that YHWH Elohim causes a ‘deep sleep’ to fall on Adam, and YHWH took one of Adam’s ribs (sides; facets) and ‘closed up’ the **flesh** instead. The words used to describe this procedure indicate the condition of Adam after the ‘operation’ was inferior to the condition of Adam before this. And so we are told that Adam has his **flesh** closed up, or sealed up. In the following chapters, the scriptures describe Eve as being Adams’ **flesh**. And then they are prophesied to become ‘one **flesh**’. And then from Gen. chapter six through ten, we read of God declaring that all **flesh** has become corrupted, and declaring the end of all **flesh**, and the flood with which to bring all this about, and the reproduction of all kinds of **flesh** after the flood, etc., etc. Interestingly, the next reference to ‘**flesh**’ is in telling Abram to circumcise the flesh of his foreskin as part of a covenant pageant. There are several other references in

Genesis after this about flesh, and you can read those for yourself, if so inclined.

Flesh, or basar **רֶ"ב** in Hebrew, is a compound word that comes from the idea of 'prince'. The word most often translated as 'prince' is **רֶ"ב**, pronounced 'sar', and is used to primarily illustrate a quality or ability of reigning in a specific capacity. It is also the same word used for Sarai and Sarah. You can see the 'sar' in both words. Sar is also the word that Israel is based on.

רֶ, or 'sar', is used many times in scripture to communicate a variety of authorities, or titles. One of the most visible illustrations, at least to me, is in Isaiah 9:6 where Isaiah describes his vision of Messiah. Isaiah lists a number of 'names', or titles and the last one he lists is "Prince of Peace". Or in Hebrew, Sar Shalom. This word, sar, is obviously describing one that has the ability and the potential of being a ruler in whatever capacity he is so designated. The Prince is the son of the king, or queen, and if given the opportunity, is qualified to ascend the ladder to the Throne. Sar is, without question, describing a level of 'potential to perform'.

Now, let's get back to '**flesh**', or basar. Basar is 'Sar' with a 'beyth, or 'B' prefixed to it. And in Hebrew, when a word that can stand alone in any capacity has a 'beyth' prefixed to it, that 'beyth' takes on the role of being a preposition indicating "in". So, basar can just as accurately be translated as 'in sar', or "...in your princely quality or potential". So how does this get translated as '**flesh**'? **Flesh** is that quality of my presence that is of benefit to those around me. **Flesh** is that which I manifest around others

that they can partake of, and actually appreciate and identify with. My '**flesh**' is that part of me that is worth eating. Remember, in the animal sacrifices that could be eaten, the priests and people were told to eat "...only the **flesh**". Why? Because the '**flesh**' of a sacrifice, any sacrifice, is the part that by eating you can improve yourself and your condition by adding the **flesh** of the sacrifice to your own experience. I remember an encounter with a cannibal tribe that said they only eat the parts of the sacrifice that they deem worthy enough to add to their own identity. When a cannibal eats another human, he is identifying and adding to his own stature those qualities that he admires, or desires. I won't go any further with that. Your imagination will suffice.

Throughout the Old Testament 'basar' is used in different settings that sometimes are difficult to understand from English translations. However, Father showed me one verse that cleared all of the confusion and smoke from my thinking.

Isaiah 52:7 *How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!*

The Hebrew word translated 'good tidings' in this verse is **basar**. Wow! What a revelation that was to me. How beautiful is He that brings his 'basar', or good news, to my mountains (high places). This changed me instantaneously. I had previously understood 'basar' as **flesh**, but now I could see that **flesh** was actually that part of my presence that was

beneficial, and desirable to others. No single concept from Hebrew has changed me more dramatically.

Isaiah 61:1 *The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings (basar) unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;*

Now let's fast forward to John 6:48 thru 58. Yashua is trying to teach the people that "...eating his **flesh**" is actually identifying with His quality of Life. Remember Him telling Phillip in chapter 14, "If you have seen me, you have seen Father"? Yashua is describing a quality and character of presence that we have all longed for, but couldn't identify. He tells us to "...eat of His **flesh**, and drink His blood" as identifying with His Life in us. He wasn't telling us to become cannibals, but to recognize His Basar, and incorporate His Basar into our own experience and walk. How radical a concept that we would become His "...brothers and sisters and mother" by living our lives as He lived His. For when we do, we actually become "...**Flesh** of His **Flesh**, and Bone of His Bone".

And now, let us go on to Communion. Communion is really a 'common union'. It is truly us identifying with the Son of God, and by so doing, becoming Sons of God. Partaking of Communion doesn't really make you 'Son of God'. You are already Son of God because of the death, burial and Resurrection of Yashua, our elder brother. Communion only reminds you of that fact until 'Son of God' becomes

your primary nature, and your walk becomes such that others want to "...eat your **Basar**".

1 Corinthians 11:27 *Wherefore whosoever shall eat this bread, and drink this cup of the Lord, unworthily, shall be guilty of the body and blood of the Lord.*

When we ritualistically and religiously partake of Communion, and do not understand that what we are doing in this pageant is identifying that Yashua's Body is now our Body, we are guilty of unworthily discerning that we are now the Body of the Resurrected Christ. His **Basar** has now become our **Basar**. We are now the **Basar** of God, and if we do not recognize that and identify ourselves as such, we do not benefit of the sacrifice we are consuming. In the Old Testament, the Israelites were told to eat the flesh of the sacrifice they are offering, and eat of it the same day it is offered. In Communion, we are to eat of the sacrifice of Yashua Our Redeemer, and in so doing, accept the benefit of partaking of the Sacrifice we offered Today! For Today is the Day of Salvation and Redemption. And until we do recognize ourselves as such, many are sickly, and fall asleep.

Let's take one more quick glance at Communion.

1 Corinthians 11:26 *For as often as ye eat this bread, and drink this cup, ye do shew the Lord's death till he come.*

As long as we continue the ritual of Communion and do not accept the change in our own identity that this pageant offers to us, we do shew the Lord's death. When we

partake of this ritual, and do not grow and mature into our own Christ Identity of Son of God, it is because we are not accepting of the reality that Yashua gave Himself up for us that we could then become the Many Membered Body of Christ that this world is desperately in need of. If we take Communion, and don't declare ourselves to be what God declares us to be, then Christ is still dead. But, Beloved, He is not dead. He is Risen, and He ascended to Father, just as He said. The next time you take Communion, declare yourself to be the Resurrected Son of God that He declares that you are. Don't let anyone's religion cheat you again. This world needs for you to know who you are, and acknowledge who you are.

I do hope this writing will challenge you to see yourself in a Light that you may never have considered before. And if so, this world will have become a better place.
