## FROM THE PASTOR'S

**DESK:** Greetings to you all from our blessed Savior the Lord Jesus Christ:

September 17 is "Constitution Day." This year we celebrate the 228th anniversary of the signing of the supreme law of our land,-- REMEMBER, IT WAS THROUGH THE SO-CALLED SUPREME LAW OF THE LAND THAT HOMOSEXUAL MARRIAGES WERE LEGALIZED AND ABORTION BECAME LEGITIMATE. THE CONSTITUTION AS IT IS USED THESE DAYS IS NOT SOMETHING I CELEBRATE.

## I HAVE A NEW HERO – I HOPE SHE IS NOW ALSO ONE OF YOURS:

Her name, of course, is **Kim Davis**, Clerk of Court for Rowan County, Kentucky. It is my belief that she is *a modern day Deborah* who was a prophetess and judge over Israel (Judges 4:1-4). **PLEASE NOTE:** I just learned as of this writing that she was thrown in jail without even being granted bail and released 3 days later by the judge's order with no concessions on her part. I just got through talking with a friend about this situation who deals with art work and I told him, about a special enlarged photo I would love to have if it were possible, about that brave Christians lady Kim Davis. My idea was to have a large mug shot of Kim after they had imprisoned her, with big letters on top saying **MY HERO**, then down on the bottom part, **A MODERN-DAY DEBORAH, Kim Davis**,

## **jailed 9/3/15 for bravely standing as a Christian.**

Some have stated that she is using the wrong legal argument and other various points of criticism. I will endeavor not to become side-tracked by such things and just say a hardy **thank you** to her. I also certainly know that our prayers go towards her brave Biblical stand, and there is a growing support base for Kim that is reaching out to her in many other ways. She is physically and spiritually not alone!

Ms. Davis is putting her faith into action whether her faith in the eyes of the world appears rewarded or not. Remember what Shadrach, Meshach, and Abednego told Nebuchadnezzar, king of Babylon? Let's read the following; it is Biblical defiance at its best:

### **Daniel 3:16-28**

*<sup>16</sup> Shadrach, Meshach, and Abed-nego, answered and said to the king, O Nebuchadnezzar, we are not careful to answer thee in this matter.*

*<sup>17</sup> If it be so, our God whom we serve is able to deliver us from the burning fiery furnace, and he will deliver us out of thine hand, O king.*

*<sup>18</sup> But if not, be it known unto thee, O king, that we will not serve thy gods, nor worship the golden image which thou hast set up.*

*<sup>19</sup> Then was Nebuchadnezzar full of fury, and the form of his visage was changed against Shadrach, Meshach, and Abed-nego: therefore he spake, and commanded that they should heat the furnace one seven times more than it was wont to be heated.*

*<sup>20</sup> And he commanded the most mighty men that were in his army to bind Shadrach, Meshach, and Abed-nego, and to cast them into the burning fiery furnace.*

*<sup>21</sup> Then these men were bound in their coats, their hosen, and their hats, and their other garments, and were*

*cast into the midst of the burning fiery furnace.*

*<sup>22</sup> Therefore because the king's commandment was urgent, and the furnace exceeding hot, the flame of the fire slew those men that took up Shadrach, Meshach, and Abed-nego.*

*<sup>23</sup> And these three men, Shadrach, Meshach, and Abed-nego, fell down bound into the midst of the burning fiery furnace.*

*<sup>24</sup> Then Nebuchadnezzar the king was astonished, and rose up in haste, and spake, and said unto his counsellors, Did not we cast three men bound into the midst of the fire? They answered and said unto the king, True, O king.*

*<sup>25</sup> He answered and said, Lo, I see four men loose, walking in the midst of the fire, and they have no hurt; and the form of the fourth is like the Son of God.*

*<sup>26</sup> Then Nebuchadnezzar came near to the mouth of the burning fiery furnace, and spake, and said, Shadrach, Meshach, and Abed-nego, ye servants of the most high God, come forth, and come hither. Then Shadrach, Meshach, and Abed-nego, came forth of the midst of the fire.*

*<sup>27</sup> And the princes, governors, and captains, and the king's counsellors, being gathered together, saw these men, upon whose bodies the fire had no power, nor was an hair of their head singed, neither were their coats changed, nor the smell of fire had passed on them.*

*<sup>28</sup> Then Nebuchadnezzar spake, and said, Blessed be the God of Shadrach, Meshach, and Abed-nego, who hath sent his angel, and delivered his servants that trusted in him, and have changed the king's word, and yielded their bodies, that they might not serve nor worship any god, except their own God.*

I basically do not care at this point about all of her so called technical “mistakes,” she will learn in God’s timing. She has

already she learned more than most Christians just by being a **“doer of the Word, than just a hearer only.”** That’s what faith does; it obeys. Attempting something big for Jesus Christ is a great thing, but also, in this heightened Sodomite worldly sinful level, faith can often be a very difficult challenging thing and Christians need to admire and respect true Biblical faith.

She is also in an “official position” in her government job that places her in the “seat of responsibility.” Christians are not put on this earth to serve Babylon, they are placed by God to live, exalt, and promote the Kingdom of God and His righteousness. Civil rulers are God’s ministers. We are the Covenant people, the seed of Abraham, Isaac, and Jacob, we have a Biblical calling and purpose.

In the case of Deborah, she was a prophetess, and a judge over Israel. Kim is a county clerk, and she has authority few people have in that position. She is to execute the law, but what if the law is not clear? While I am certainly not an advocate of presidential candidate Mike Huckabee, I do appreciate what he had to say in favor of Kim, and her duty of clerk:

### **Here is what Huckabee told his supporters.**

**I spoke with Kim Davis this morning to offer my prayers and support. For those of you who don't know, Kim is the Rowan County Clerk, a Democrat, who is under fire from the left for refusing to issue same-sex marriage licenses in Kentucky.**

**I let Kim know how proud I am of her for not abandoning her religious convictions and standing strong for religious liberty. She is showing more courage and humility than just about any federal officeholder in Washington.**

**Kim is asking the perfect question: 'Under what law am I authorized to issue homosexual couples a marriage license?' That simple question is giving many in Congress a civics lesson**

that they never got in grade school.

The Supreme Court cannot and did not make a law. They only made a ruling on a law. Congress makes the laws. Because Congress has made no law allowing for same-sex marriage, Kim does not have the Constitutional authority to issue a marriage license to homosexual couples.

Kim is a person of great conviction. When people of conviction fight for what's right they often pay a price, but if they don't and we surrender, we will pay a far greater price for bowing to the false God of judicial supremacy. Government is not God. No man - and certainly no unelected lawyer - has the right to redefine the laws of nature or of nature's God. Five unelected lawyers have abused their power by ruling in favor of a national right to same-sex marriage with no legal precedent and with nothing in our Constitution to back it up. They have violated American's most fundamental right guaranteed by our Constitution — religious liberty.

I stand with Kim Davis and every American of faith under attack by Washington elites who have nothing but disdain for us, our faith and the Constitution.

With gratitude,  
Mike Huckabee

The Baal judge ordered her to prison **until** she starts issuing “marriage licenses” to sodomite queers, or she resigns. She stood her ground and he caved to the pressure and ordered her release without her conceding anything. **Hallelujah!** Now I wonder, just how many Christians will answer the call? Our Christian forefathers did. Did their faith in God and their perusal of certain Biblical Principles and ideals cost them dearly? Did it cost many of their lives and did thousands upon thousands of them have to go to prison under horrible

conditions? Let us not forget the Apostle Paul and many other disciples were thrown in jail.

Kim, you are a great woman of faith. You have done your Lord and Savior Jesus Christ, and your country proud. You are truly standing in FAITH. Just keep moving forward spiritually, ever learning and coming to the knowledge of truth and you will be fine. Most Christians think **Romans 13** is a message of compromise, it most certainly is NOT. It is a message of “**LET EVERY SOUL BE SUBJECT UNTO THE HIGHER POWERS**” meaning **God**. Not every “power” that comes along espousing EVIL. Are we to interpret **Romans 13** to mean Christians are to do, apply, enforce, compromise with whatever powers tell us to ignore God’s righteous laws?

By the way, has Obama been arrested for not enforcing our immigration laws? Has he been arrested for not enforcing the “federal-drug laws” in Colorado or Washington states? Has he been arrested for violating his oath of office?

One last point we should all be aware of. There are no marriage licenses created or given forth in God’s Word. We do not need “marriage licenses.” If the homosexuals want those Babylonian license and contracts, I could care less, as they have nothing to do with holiness, righteousness, or God’s laws. Licenses are all products of Babylon and America.

Also, did you know that marriage license did not exist before the 1800’s when the government started issuing them for previously illegal inter-racial marriages? Yes, good old government at odds with the Bible, has anything changed?

As I say, Kim is a new Christian shining forth better than many who have more biblical knowledge who just sit in their pews and homes doing nothing

In HIS service,

*Pastor Barley*

## **PUTIN FORCES IN SYRIA AND OBAMA IS A MUSLIM- COMMUNIST**

It would seem as though everyone thinks Putin is evil, and therefore his being in Syria can only be for “evil purposes.” I dare to say, **“NO, IT IS THE OTHER WAY AROUND, THE OBAMA AMERICAN MIDDLE-EAST POLITICAL TAMPERING IS THE REAL EVIL.”** Obama has done nothing but spread Islamism by destabilizing the Middle-East which has caused hordes of Syrian, Iraqi, Libyan, and others into Europe and the United States. Obama is doing everything within his power to spread Muslim refugees into Western nations. Obama hates Christian Western nations and everything White Christian nations stand for, though such “Christianity” is a very muddled picture in today’s dumbed down society.

Did you know that retired Four-Star U.S. Navy Admiral James A. Lyons recently stated at the National Press Club **that Obama is a MUSLIM.** Admiral Lyons said:

**[Editor’s note] He said this while sitting next to John Kerry and after having a glowing introduction by John Kerry. What a gutsy man! Please watch the entire video. I tried to find a transcript, but the quote below is from the video.** [https://www.youtube.com/watch?v=W\\_S-q8zEIN4](https://www.youtube.com/watch?v=W_S-q8zEIN4)

**“The Obama administration has a strategy. It is very simple. Any thinking American should be able to grasp it. It’s anti-American, anti-Western, it’s pro-Islamic, pro-Iranian, and pro-Muslim Brotherhood,”**

**Hooray for Admiral Lyons for roaring the truth** that Obama is a Muslim. I'd say his thoughts on Obama is a great start. I would also add that Obama is a communist. He is pro-socialism in government handouts, judicial appointees and policies, the Executive Office, Attorney General's Office, liberal federal judges, bureaucratic federal offices, and so forth. The ideals of communist are alive, well, and being forced on this once great nation. Now, Donald Trump is being pressured because one of his supporters called Obama a "Muslim."

Obama is an alien-stranger in the Executive office with immense power, and his ideals are strange and alien to America. He has done everything in his power to pervert and corrupt what White Christian Western America once represented. The infusion of Muslim refugees in Western nations is a corrupting, long-term bad influence upon our nation because they are deeply indoctrinated in Muslim globalism. I am well aware of the even greater dangers of Judaism/Talmudic red-spread over America. However, the Muslim threat is far from benign and an event we simply cannot ignore. **No, the Muslim religion is most certainly NOT innocent, and its invasion upon America will do nothing but help further de-Christianize America, in that Muslims are Muslims first.**

No doubt, you have heard about a Muslim boy making a clock, that actually look like a bomb, is immediately invited to the Obama White House to make a star out of this Muslim boy. And think of all the politically-incorrect White children who have been suspended from school, or worse, just for making the hand gesture of a "gun." But now this Muslim kid, for making a clock that looks like a bomb, is being elevated to **"meet with the President."** And ask yourself, why a "clock?"

Is he being prepared for future terrorist work? – Look folks, you can say what you want about the Muslims or any other alien, Pastor Barley absolutely does not believe these non-White Christian people should be welcome in America. **STAY IN THE MIDDLE-EAST, OR WHEREVER YOU CAME FROM.** That's not political posturing friends, that's **BIBLICAL POSTURING AND CHRIST HONORING.** Here are some verses that explain what Israel is to do:

### Numbers 33:51-53

***51 Speak unto the children of Israel, and say unto them, When ye are passed over Jordan into the land of Canaan; 52 Then ye shall drive out all the inhabitants of the land from before you, and destroy all their pictures, and destroy all their molten images, and quite pluck down all their high places:***

***53 And ye shall dispossess the inhabitants of the land, and dwell therein: for I have given you the land to possess it.*** (More evidence at Judges 2:1-2; Deut. 7:2-6; Psalm 106:33-39; 2 Corinthians 6:14)

Now, quickly, what about Putin forces in Syria? Aleksei Malashenko, a military analyst at the Carnegie Moscow Center, said in an interview, **"The activity in Syria and around Syria means Russia is able to come back to the Middle East, not as a superpower, but as something that can balance the power of the West and the United States."** The keyword is "balance." This is the "ying to the yang" communist manipulation.

The American people are being led to believe that the Obama Plan against ISIS is best in the long-run for America, and that we should just leave President Assad in the hands of the Obama strategy. Friends, this whole stupid scenario is a lie. It is geo-political manipulation.

First of all, if Putin forces are in Syria helping Assad fight ISIS, and ISIS has been given free rein to destabilize Iraq and Syria by a failed White House plan, would Putin actually be doing the world a favor by fighting ISIS? Just asking. Is the Obama administration policy and efforts in the Middle-East helping America and the world, or are they further destabilizing that area and aiding and abetting a Muslim agenda? Well here is the shocking answer, what is happening is a JEWISH AGENDA. Obama is not leaving a “vacuum” in the Middle-East by accident, it is on purpose.

Yes, the Jews want Putin in Syria. That is the dirty little secret. Obama is not fully cooperating with the Jews, and this really irks Netanyahu. Obama didn't go along with Netanyahu in the Iran deal and Obama is not using American military power in the Middle-East to justify Jewish powers, because Obama is a Muslim-lefty-communist who does not recognize the Jewish order of Edomite communism. But might he (Obama) just be another side of communism like the Ying and the Yang, or the thesis versus the antithesis? The question is, who is behind the “CURTAIN OF OZ” orchestrating the show? The earthly “Oz” is a naked-communist, a Jew, or do you believe everything is only happening by chance?

One form of communism that is Black and Muslim in philosophy (power of the people mentality), versus Red communism that is Jewish Talmudic ideology. The Jewish revolutionary has mainly developed through the power of the Jewish purse upon unsuspecting masses of people. Obama type of communism has developed through being the useful idiots of Red communism. It is all a plot against Christianity as the brave great Elizabeth Dilling warned us in her book, *The Plot*

*Against Christianity* (#395 \$20 suggested gift)

Mrs. Dilling clearly shows that **"Jewry boasts of having invented and run Socialism-Communism from the beginning."**

Then she states the following facts:

**"(1) "Socialism was originated by Jews and today Jews play a leading role in its spread and interpretation "(2) Repeats the same idea. (3) Says the 1905 Jewish Encyclopedia: "Jews have been prominently identified with the Socialist movement from its very inception". (4) The Jew Ferdinand Lassalle founded the great German Socialist Party; the Jew Karl Marx wrote "the Bible of modern Socialism", exhibiting his inherited "Talmudical bent." (5) Jews filling Russian universities, made them "hotbeds of socialistic agitation" and revolution. (6) These swarmed to America."**

Why is Putin in Syria? Do you hear the Jews screaming about it? **No.** Are the Jews threatening to do something about it? **NO.** Might Putin be in Syria out of Jewish approval and invitation? **YES.**

## ARE THE "REFUGEES" WELCOME? NO!

### **1 Kings 8:53**

*For thou (Yahweh) didst separate them (Israel) from among all the people of the earth, to be thine inheritance, as thou spakest by the hand of Moses thy servant, when thou*

*broughtest our fathers out of Egypt, O Lord GOD.*

I don't care if anyone out there is a multimillionaire and can afford to provide room and board for any of these Muslim refugees.

These present refugees will grow up and become Muslim threats and Muslim worshippers and Muslim enemies. The blacks to a large degree also readily embrace the Muslim ways and are joining in the fight against White Israel Americans. And please understand, I am also saying, the Word of God does not welcome the Talmudic Jew, they are even more of the problem than the Muslims are, or any other non-Israelite stranger. Let us not forget this and their whole bowl of red-pottage corrupting ways.

### **Exodus 19:3-6**

*<sup>3</sup> And Moses went up unto God, and the LORD CALLED unto him out of the mountain, saying, Thus shalt thou say to the house of Jacob, and tell the children of Israel;*

*<sup>4</sup> Ye have seen what I did unto the Egyptians, and how I bare you on eagles' wings, and brought you unto myself.*

*<sup>5</sup> Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the*

*earth is mine:*

***<sup>6</sup> And ye shall be unto me a kingdom of priests, and an holy nation. These are the words which thou shalt speak unto the children of Israel.***

Oh yes, I have seen the mixing, and mingling of the strangers (non-Israelites) in the Judeo-Christian church gatherings and now, even the Spiritual-Israel gathering, as though this will invite the blessings of Yahweh. That somehow, if we just shut up, and allow the mixing and blending racially, as long as your doing so in the name of Jesus and even adding in some Israel Truth teaching to these "grand-gatherings," all will be wonderful and we will all be one big ecumenical global family. After all they will argue, Pastor Barley, look at the various race groups uniting and how they are praising Jesus, and waving their hands, and quoting Scripture and so forth. This must truly be a sign that we are to be more racial sensitive and allow racial blending and mixing.

Some have even suggested to me that the "browning of America" is a spiritual sign from above that this must be God's Will and that we should be more embracing of the non-Israelite heathen. Sorry, if anything the "browning of America" ought to be a **WARNING SIGN** to God's Covenant Anglo-Saxon and related people that they have been doing just the opposite, they have been disobedient to the commandments of God and they have forgotten the Covenants and Promises unto Israel.

### **Deuteronomy 32:9-12**

***<sup>9</sup> For the LORD's portion is his people; Jacob is the lot of his inheritance.***

***<sup>10</sup> He found him in a desert land, and in the waste howling wilderness; he led him about, he instructed him, he kept him as the apple of his eye.***

*<sup>11</sup> As an eagle stirreth up her nest, fluttereth over her young, spreadeth abroad her wings, taketh them, beareth them on her wings:*

*<sup>12</sup> So the LORD ALONE did lead him, and there was no strange god with him.*

Do we have "strange gods" being embraced and stranger philosophies and doctrines circulating throughout our nation today because we have ignored God's Laws and mingled our seed with the heathen? As I was reading this article that was sent to me the other day, I could not help but see the increase of God's judgments upon our nation. The article in part said, *"Twenty-one Syrian refugees will arrive here (in Louisville, Kentucky) in the next two weeks, a figure expected to increase as the U.S. begins to take in an expanded number of refugees fleeing Syria's bloody civil war."* (Chris Kenning, USA TODAY) – **OH, BUT WAIT, THAT WAS BACK IN JANUARY 2015. AND GUESS WHAT, MORE ARE COMING!**

I just read this sympathetic appeal that will no doubt emotionally jolt most anti-Bible thinking people into tears of compassion. It was titled, ***"REFUGEE RESETTLEMENT IN AMERICA."*** Well, that got my attention. The article went on to say, *"Each year Americans welcome refugees to the U.S. Whether refugees come from Nepal, Sudan, Iraq, Burma, Somalia or another part of the world, all refugees share a similar journey. Refugees, differ from other immigrants, in that they do not have the choice to remain in their home country. Refugees flee their country to save their lives. They run from war and persecution, often losing or leaving behind beloved family members along the way."* This article was from ***INTERNATIONAL INSTITUTE***, and it posted a *"loving picture of a refugee family."* A picture that was sure to

grip your heart and make you feel guilty for all your "*racial sins against the other races.*" What every Covenant Bible believing Anglo-Israelite ought to be emotional about is the fact as a people and as a nation, have failed to believe and obey what God Almighty has said to His people of concerning His Commandments, Covenants, Promises, and our expected service to God (**Romans 9:4**).

If you think for one minute that all we have to do is reach out to the immigrants and refugees and open our once God blessed nation to them, expecting some great and wonderful transformation of America, well all you have to do Israel is open your eyes and see what America is like under the Obama administration. The refugees' so-called salvation is our national destruction.

Furthermore, do you mean to tell me that the oil rich Arab states can't dig deep into their pockets and not help take care of their own? That none of the Arab states love and care enough about their own people to want to spread some wealth and compassion for their own people? But they are more than happy to let Germany, Hungary, the United States, and any other Western nation take on the costs and all the trouble the refugees will be bringing with them. BBC, 7 September 2015, showed emotional pictures and reports, demanding, "**...an outcry for more to be done to help those fleeing the war.**" But then they added what I have already stated, "**Particular anger has focused on the Arab states of the Gulf Cooperation Council (Saudi Arabia, Bahrain, Kuwait, Qatar, Oman and the UAE) who have kept their doors to refugees firmly shut.**" How's that for Arab brotherly love? And yet, the Western nations are to benevolently open their doors to these refugees?

**I SAY NO, GOD'S WORD SAYS NO.**

I like what the great Anglo Israel minister, Howard B. Rand, LL.B., said in, ***DIGEST OF DIVINE LAW***, page 166:

**“Let it be noted here that Israel's enemies are never victorious over her because they are righteous but because Israel is sinning, while Israel's enemies are never defeated because they are evil but because Israel is righteous. In other words, the defeat or victory of Israel's enemies depends upon the spiritual condition of Israel. But this spiritual condition we are not referring to the individual as such, though his relationship to God is important, but rather to the nation in its administration and observance of all His laws.**

**In instructing the nation, Moses said, *“Now therefore hearken, O Israel, unto the statutes and unto the judgments, which I teach you, for to do them, that ye may live...Keep therefore and do them, for this is your wisdom and your understanding in the sight of the nations, which shall hear all these statutes, and say, Surely this great nation is a wise and understanding people. For what nation is there so great, who hath God so nigh unto them, as the Lord our God is in all things that we call upon Him for? And what nation is there so great that hath statutes and judgments so righteous as all the law, which I set before you this day?”***

**(Deut. 4: 1-8)**

## **THE POOP (POPE) IS COMING TO AMERICA AND I DO NOT IN THE SLIGHTEST OWE HIM MY RESPECT—NOR DO YOU.**

**The Vatican and its whole religious system is nothing but religious filth, and an utter disgrace to the Lord Jesus Christ**

I am certainly NOT Catholic, and I am well aware of the treachery and bloody history of the Roman Catholic Popish regime, and I am also aware of the Jesuit Order of this NWO pope (poop). He is cunning, imposing, and highly worldly in his “faith.” He is certainly not Christian. He is a socialist, a one-worlder, liberal progressive, and a communist, all dressed up in his white dress and jewelry with the appearance as an angel in white, but he is a devil. I absolutely have no respect for this Jesuit trash!

The whole Vatican theater is a con-game. They give the appearance of caring for the poor and being an advocate for the “third-world” dissidents, refugees, and immigrants, but this is all **POLITICS**. The pope is not for Biblical sanity. He is for globalism that has the objective of imprisoning White People in a shroud of non-White people who have been taught to exploit us (true Israel), whom God has called and Covenanted with to lead this fallen creation. Oliver Cromwell was not a perfect man, but he certainly recognized Catholic idolatry when he saw it and he stood against its harlot religious ways! So did the Puritans, Pilgrims, Protestants, Baptists (of long ago), Presbyterians, Lutherans, and various other one-time Bible believing groups. **Dare we (CHRISTIANS) stand silent, at the open brazenness of this devil pope?**

He is coming to America, as though he expects all Christians to roll out the welcome wagon for him. Well, I don't want him here. You can be sure that whatever he is promoting, it will be a distortion of the Word of God. I remember Malachi Martin's

book ***THE KEYS OF THIS BLOOD*** (The struggle for world dominion between Pope John Paul II, Mikhail Gorbachev & the Capital West).

Martin made no secret of the fact that the Vatican wants in on this New World Order and is willing to compromise or whatever it can do to be in with this global agenda as the leading religious directors. Martin blames Calvinism for the corruption in politics and that the “Church,” meaning the Catholic Church is just waiting for the right time to come riding in on a White Horse to save the day. Thus Pope Francis, is an appointed savior for such an occasion. He seeks cultural penetration that will elevate him to World religion acceptance as a savior. He is coming as the assurer and a savior of the people, suffering in the name of Jesuit morality. He wants to assert himself (itself, the Vatican), as the rational answer between church and state. You see, in reality, Martin missed the coming corruption of Pope Francis in his lofty perspective blurred by John Paul. Pope Francis is in many ways a paganization of true Christianity as he (Francis) is a schooled Marxist, and it is coming out more and more in what he proposes. He is now “innocently” promoting Obama favoring “climate change” ideals. Francis said “global warming” is driven by human activity. So he wants to curtail our “human activity.”

He is clearly a one-worlder. He is NOT a voice for Jesus Christ. He is a voice for political socialism presented in the name of Vatican ecumenicalism. He wants the people to believe that he is for the “down-trodden.” He is for open immigration. He is for more liberal views of abortion. The pope and the Vatican recently stated, that they want more soft-peddling of various issues, including homosexuality. That “gay people” offer gay couples “mutual aid” and “precious support.” (from **THE WEEK**, 15 October 2014).

# GOD BLESS AMERICA IN WHAT WE HAVE BECOME? WE HAD BETTER RETHINK THIS! – Part 2

Ann Coulter made this interesting observation in her new book, **ADIOS, AMERICA**, page 211-212:

"America's premiere hate group, the Southern Poverty Law Center, jumped into the fray, with multimillionaire con man and SPLC head Morris Dees running for the Sierra Club board simply to smear the three real environmentalist candidates as "white supremacists" - yes, even the former head of the Black Congressional Caucus Foundation. Dees had never before shown the slightest interest in environmentalism. But, evidently, what poor Southerners need more is a massive influx of foreign poor people competing for their jobs. And what the environment needs more millions of poor immigrants trashing our national parks. Now the alliance makes sense, not?"

In 2012, Sierra Club executive director Michael Brune announced that the Club officially supported mass immigration - amnesty, no borders, more legal immigration, the whole nine yards. "The Sierra Club," he gushed, "has thrived because of the ability for our members to engage with the full tools of democracy." Businessmen seeking cheap labor take note. The Sierra Club's "tools of democracy" are new voters, who will give the Left hegemonic control of our politics. At that point, the EPA will start shutting down power plants, coal mines, oil exploration, and so on.

Environmentalists can't keep ignoring immigration forever. They have eyes. If mass-immigration enthusiasts want to make the argument that preserving America's natural wilderness is not as important as transforming our culture to a poorer and more

Latin one, then they should make that argument. Instead we get bald-faced lies from the government, silence from the press, and bought-off "environmentalists" denouncing anyone who threatens their money supply."

That's just a small part of our national destruction. And wouldn't you know it, old Morris (Jewish) Dees, that devil is up to his new tricks. He certainly is one of the Plotters against Christianity, which means he is a plotter against White Christendom. I have known for many years that the Sierra Club is a breeding ground for all sorts of nation destroying environmental global plans.

Does the America of today deserve our full patriotism and unbridled allegiance, especially for America to just keep going in its antichrist ways and anti-Bible judicial decisions and so forth? I think you will find this most interesting. It is from the book **ONE NATION UNDER MAN?**, by Brannon Howse, page 111:

"What would the Founders say about the U.S. Supreme Court looking to foreign nations to interpret American law? George Mason, "father of the Bill of Rights," addressed this issue when he wrote, "I wish America would put her trust only in God and herself and have as little to do with the politics of Europe as possible."

"President Thomas Jefferson said, "The comparisons of our governments with those of Europe are like a comparison of heaven and hell."

But here's my main point. "...in 1820, he (Jefferson) expressed his apprehensions in a letter to William Charles Jarvis: "To consider the judges as the ultimate arbiters of all constitutional questions is a very dangerous doctrine indeed, and one which would place us under the despotism of an oligarch [rule by a

few]... The Constitution has erected no such single tribunal, knowing that to whatever hands confided, with the corruptions of time and party, its members would become despots."

The U.S. Supreme Court justices are out of order with sacred Biblical law, but they are completely in order with commercial, corporate, Talmudic Babylonian jurisprudence. They are lawyers, schooled in Babylonian laws, not God's laws. Folks, please understand that the system is not Biblically based, or Jesus Christ directed, and it must fall, it must come down, and it will.

Should we wave Old Glory today with pride and salute the American flag with big smiles on our face, perhaps standing next to a flaming sodomite with his marriage partner at some event. I say to each of you with as much Godly zeal that I can muster, America has become a melting pot of multiculturalism, vile lusts of the flesh, and open war being declared against Jesus Christ and His Word. It is treason against Christ, His Word, and His Covenant Anglo-Israel People. In the eyes of Babylon, we are the problem, we are the racist, we are the representors of evil Christianity, we are the destroyers of America, we are the abusers of mankind.

Have you already forgotten the recent Supreme Court decision to legalize homosexual unions? Do you think things will calm down in our nation, and all will be fine as long as we have "love one for another?" No, I do not believe you good people are that Biblically ignorant, however, America is full of multiple millions of Sodomite reasoning, supporting people. They think this is love and patriotism, but it is pure anti-Christism.

***It is wrong, wrong, wrong and it is destroying our nation.***

## Romans 1:22-32

<sup>22</sup> *Professing themselves to be wise, they became fools,*

<sup>23</sup> *And changed the glory of the uncorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things.*

<sup>24</sup> *Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves:*

<sup>25</sup> *Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.*

<sup>26</sup> *For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature:*

<sup>27</sup> *And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.*

<sup>28</sup> *And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient;*

<sup>29</sup> *Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers,*

<sup>30</sup> *Backbiters, haters of God, spiteful, proud, boasters, inventors of evil things, disobedient to parents,*

<sup>31</sup> *Without understanding, covenantbreakers, without natural affection, implacable, unmerciful:*

<sup>32</sup> *Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.*

Seriously, how can anyone identifying themselves as a

Christian think homosexuality is somehow OK? I stand with the Lord Jesus Christ and His Word, how about you? Will Divine judgment be coming to America because of her ungodliness? There is no question about it, in fact, just look at the prolonged drought and destructive fires in the West, they were throughout California, Arizona, Washington State, Idaho, Montana, and parts of Colorado, and Utah. The recent floods, earthquakes, and there is more to come.

From May to the beginning of September there was little or no rain, especially up here in the Northwest, but this year, there was just continual heat and the predictable fires. Our air was filled with smoke. Many days I could hardly breathe, it was that bad. The sky was filled with gray smoke and at times Martha and I would go out to our car in the morning, and find it covered in ashes, almost as though a volcano had erupted across the state. Was this all about God's blessings, or about His judgments? Is more coming? We can be certain of this, He shall not be mocked.

### **Galatians 6:7**

***Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.***

I have said it many many times before, "**How do we know the so called majority support homosexuality?**" Of course in the final analysis, we Bible believing, God fearing Covenant people do not need some so-called majority support, especially when it comes to being Biblically correct versus being politically correct. God Almighty and His Bible Word win hands down for us every time, end of discussion.

In a sense, we are to be a Bible shaped and formed people who have developed a Biblical loyalty and love for the Lord Jesus Christ our blessed Redeemer. This is, for example, America's main problem today. The majority of the people do not have a Covenant, Biblical, Israelite purposed sense of

direction or understanding that will be their guiding Light and means of Destiny.

If we were truly a people with this Biblical Purpose, our nation would not have engaged in all the many disastrous wars, taxes, corrupt money schemes, globalism, Abortion with Planned Parenthood (the selling of baby organs etc.) sexual perversions, idolatry, race-mixing, liberalism, socialism, communism, democracy, and even republicanism progressivism. Nothing is sacred under MAN. We will either do things the right way, God's WAY, or continue on our present road of disaster that is full of all manner of unrighteousness. Whether polluted Judeo-Christianity likes it or not God's Covenant People must apply the principles of God's Law, or the evil-spirit of RELITIVITY will continue to envelope America, Canada, England, Europe, Australia, South Africa, and other places our Caucasian Israelite people have gathered. Without understanding and applying God Laws, God's Covenant people will continue to make carnal, fleshly, nation destroying decisions, and remain blind to our national decline.

Just being a "believer" is certainly better than being a non-believer. But come on, being a mere believer in the Lord Jesus Christ, and discarding His Laws and their application to the nation is only courting disaster as we are presently witnessing today with the rise of homosexuality, humanism, nature worship, abortion horrors with all its fiendish aberrations. I guarantee you that the rise of ISIS (Islamic terror and their increased murder of Christians) is an absolute out-growth of America becoming more and more ANTI-NOMIAN (anti-God's Law). Furthermore it is a sure sign that God's Covenant People have lost sight and purpose of their Biblical Israelite Identity. What I mean by this, is that whether people like it or not, the non-white, non-Caucasian people will not be able to jump in and assume the role of an

Israelite. If you are one of those people who still thinks that skin color is the only difference among the various races, and that apart from this, we are all the same. You are a big part of our nation's problem, and I do not care how much of a believer or follower of "Christianity" you may proclaim, the fact that you are for miscegenation, you are nothing but a Babylonian-Christian, which really begs the question, are you even a Christian?

**Every now and then you come across an article that folks just need to read.** This one written by Michael Smith entitled, "**Confessions of a Public Defender**" and originally posted at American Renaissance on May 9, 2014 is one of those articles.

**Thank you Col. West for standing for truth!**

## **Confessions of a Public Defender**

<http://www.amren.com/features/2014/05/confessions-of-a-public-defender/>

Still liberal after all these years.

**[Editor's Note: This is just one of thirteen essays in our newly-released collection of first-hand reports about the reality of race, *Face to Face with Race*.]**

I am a public defender in a large southern metropolitan area. Fewer than ten percent of the people in the area I serve are black but over 90 percent of my clients are black. The remaining ten percent are mainly Hispanics but there are a

few whites.

I have no explanation for why this is, but crime has racial patterns. Hispanics usually commit two kinds of crime: sexual assault on children and driving under the influence. Blacks commit many violent crimes but very few sex crimes. The handful of whites I see commit all kinds of crimes. In my many years as a public defender I have represented only three Asians, and one was half black.

As a young lawyer, I believed the official story that blacks are law abiding, intelligent, family-oriented people, but are so poor they must turn to crime to survive. Actual black behavior was a shock to me.

The media invariably sugarcoat black behavior. Even the news reports of the very crimes I dealt with in court were slanted. Television news intentionally leaves out unflattering facts about the accused, and sometimes omits names that are obviously black. All this rocked my liberal, tolerant beliefs, but it took me years to set aside my illusions and accept the reality of what I see every day. I have now served thousands of blacks and their families, protecting their rights and defending them in court. What follow are my observations.

Although blacks are only a small percentage of our community, the courthouse is filled with them: the halls and gallery benches are overflowing with black defendants, families, and crime victims. Most whites with business in court arrive quietly, dress appropriately, and keep their heads down. They get in and get out—if they can—as fast as they can. For blacks, the courthouse is like a carnival. They all seem to know each other: hundreds and hundreds each day, gossiping, laughing loudly, waving, and crowding the halls.

When I am appointed to represent a client I introduce myself and explain that I am his lawyer. I explain the court process and my role in it, and I ask the client some basic questions about himself. At this stage, I can tell with great accuracy how people will react. Hispanics are extremely polite and deferential. An Hispanic will never call me by my first name and will answer my questions directly and with appropriate respect for my position. Whites are

similarly respectful.

A black man will never call me Mr. Smith; I am always "Mike." It is not unusual for a 19-year-old black to refer to me as "dog." A black may mumble complaints about everything I say, and roll his eyes when I politely interrupt so I can continue with my explanation. Also, everything I say to blacks must be at about the third-grade level. If I slip and use adult language, they get angry because they think I am flaunting my superiority.

At the early stages of a case, I explain the process to my clients. I often do not yet have the information in the police reports. Blacks are unable to understand that I do not yet have answers to all of their questions, but that I will by a certain date. They live in the here and the now and are unable to wait for anything. Usually, by the second meeting with the client I have most of the police reports and understand their case.

Unlike people of other races, blacks never see their lawyer as someone who is there to help them. I am a part of the system against which they are waging war. They often explode with anger at me and are quick to blame me for anything that goes wrong in their case.

Black men often try to trip me up and challenge my knowledge of the law or the facts of the case. I appreciate sincere questions about the elements of the offense or the sentencing guidelines, but blacks ask questions to test me. Unfortunately, they are almost always wrong in their reading, or understanding, of the law, and this can cause friction. I may repeatedly explain the law, and provide copies of the statute showing, for example, why my client must serve six years if convicted, but he continues to believe that a hand-written note from his "cellie" is controlling law.

### **The risks of trial**

The Constitution allows a defendant to make three crucial decisions in his case. He decides whether to plea guilty or not guilty. He

decides whether to have a bench trial or a jury trial. He decides whether he will testify or whether he will remain silent. A client who insists on testifying is almost always making a terrible mistake, but I cannot stop him.

Most blacks are unable to speak English well. They cannot conjugate verbs. They have a poor grasp of verb tenses. They have a limited vocabulary. They cannot speak without swearing. They often become hostile on the stand. Many, when they testify, show a complete lack of empathy and are unable to conceal a morality based on the satisfaction of immediate, base needs. This is a disaster, especially in a jury trial. Most jurors are white, and are appalled by the demeanor of uneducated, criminal blacks.

Prosecutors are delighted when a black defendant takes the stand. It is like shooting fish in a barrel. However, the defense usually gets to cross-examine the black victim, who is likely to make just as bad an impression on the stand as the defendant. This is an invaluable gift to the defense, because jurors may not convict a defendant—even if they think he is guilty—if they dislike the victim even more than they dislike the defendant.

**Rachel Jeantel: Blacks often make bad witnesses.**

Most criminal cases do not go to trial. Often the evidence against the accused is overwhelming, and the chances of conviction are high. The defendant is better off with a plea bargain: pleading guilty to a lesser charge and getting a lighter sentence.

The decision to plea to a lesser charge turns on the strength of the evidence. When blacks ask the ultimate question—"Will we win at trial?"—I tell them I cannot know, but I then describe the strengths and weaknesses of our case. The weaknesses are usually obvious: There are five eyewitnesses against you. Or, you made a confession to both the detective and your grandmother. They found you in possession of a pink cell phone with a case that has rhinestones

spelling the name of the victim of the robbery. There is a video of the murderer wearing the same shirt you were wearing when you were arrested, which has the words "In Da Houz" on the back, not to mention you have the same "RIP Pookie 7/4/12" tattoo on your neck as the man in the video. Etc.

If you tell a black man that the evidence is very harmful to his case, he will blame *you*. "You ain't workin' fo' me." "It like you workin' with da State." Every public defender hears this. The more you try to explain the evidence to a black man, the angrier he gets. It is my firm belief many blacks are unable to discuss the evidence against them rationally because they cannot view things from the perspective of others. They simply cannot understand how the facts in the case will appear to a jury.

This inability to see things from someone else's perspective helps explain why there are so many black criminals. They do not understand the pain they are inflicting on others. One of my robbery clients is a good example. He and two co-defendants walked into a small store run by two young women.

All three men were wearing masks. They drew handguns and ordered the women into a back room. One man beat a girl with his gun. The second man stood over the second girl while the third man emptied the cash register. All of this was on video.

My client was the one who beat the girl. When he asked me, "What are our chances at trial?" I said, "Not so good." He immediately got angry, raised his voice, and accused me of working with the prosecution. I asked him how he thought a jury would react to the video. "They don't care," he said. I told him the jury would probably feel deeply sympathetic towards these two women and would be angry at him because of how he treated them. I asked him whether he felt bad for the women he had beaten and terrorized. He told me what I suspected—what too many blacks say about the suffering of others:

**“What do I care? She ain't me. She ain't kin. Don't**

**even know her.”**

## **No fathers**

As a public defender, I have learned many things about people. One is that defendants do not have fathers. If a black even knows the name of his father, he knows of him only as a shadowy person with whom he has absolutely no ties. When a client is sentenced, I often beg for mercy on the grounds that the defendant did not have a father and never had a chance in life. I have often tracked down the man’s father—in jail—and have brought him to the sentencing hearing to testify that he never knew his son and never lifted a finger to help him. Often, this is the first time my client has ever met his father.

### ***These meetings are utterly unemotional.***

Many black defendants don’t even have mothers who care about them. Many are raised by grandmothers after the state removes the children from an incompetent teenaged mother. Many of these mothers and grandmothers are mentally unstable, and are completely disconnected from the realities they face in court and in life. A 47-year-old grandmother will deny that her grandson has gang ties even though his forehead is tattooed with a gang sign or slogan. When I point this out in as kind and understanding way as I can, she screams at me. When black women start screaming, they invoke the name of Jesus and shout swear words in the same breath.

Black women have great faith in God, but they have a twisted understanding of His role. They do not pray for strength or courage. They pray for results: the satisfaction of immediate needs. One of my clients was a black woman who prayed in a circle with her accomplices for God’s protection from the police before they would set out to commit a robbery.

The mothers and grandmothers pray in the hallways—not for justice, but for acquittal. When I explain that the evidence that their beloved child murdered the shop keeper is overwhelming, and that he should accept the very fair plea bargain I have negotiated, they will tell me that he is going to trial and will “ride with the Lord.” They tell me they

speak to God every day and He assures them that the young man will be acquitted.

The mothers and grandmothers do not seem to be able to imagine and understand the consequences of going to trial and losing. Some—and this is a shocking reality it took me a long time to grasp—don’t really care what happens to the client, but want to make it *look* as though they care. This means pounding their chests in righteous indignation, and insisting on going to trial despite terrible evidence. They refuse to listen to the one person—me—who has the knowledge to make the best recommendation. These people soon lose interest in the case, and stop showing up after about the third or fourth court date. It is then easier for me to convince the client to act in his own best interests and accept a plea agreement.

Part of the problem is that underclass black women begin having babies at age 15. They continue to have babies, with different black men, until they have had five or six. These women do not go to school. They do not work. They are not ashamed to live on public money. They plan their entire lives around the expectation that they will always get free money and never have to work. I do not see this among whites, Hispanics, or any other people.

The black men who become my clients also do not work. They get social security disability payments for a mental defect or for a vague and invisible physical ailment. They do not pay for anything: not for housing (Grandma lives on welfare and he lives with her), not for food (Grandma and the baby-momma share with him), and not for child support. When I learn that my 19-year-old defendant does not work or go to school, I ask, “What do you do all day?” He smiles.

"You know, just chill." These men live in a culture with no expectations, no demands, and no shame.

If you tell a black to dress properly for trial, and don't give specific instructions, he will arrive in wildly inappropriate clothes. I represented a woman who was on trial for drugs; she wore a baseball cap with a marijuana leaf embroidered on it. I represented a man who wore a shirt that read "rules are for suckers" to his probation hearing. Our office provides suits, shirts, ties, and dresses for clients to wear for jury trials. Often, it takes a whole team of lawyers to persuade a black to wear a shirt and tie instead of gang colors.

From time to time the media report that although blacks are 12 percent of the population they are 40 percent of the prison population. This is supposed to be an outrage that results from unfair treatment by the criminal justice system. What the media only hint at is another staggering reality: recidivism. Black men are arrested and convicted over and over. It is typical for a black man to have five felony convictions before the age of 30. This kind of record is rare among whites and Hispanics, and probably even rarer among Asians.

At one time our office was looking for a motto that defined our philosophy. Someone joked that it should be: "Doesn't everyone deserve an eleventh chance?"

I am a liberal. I believe that those of us who are able to produce abundance have a moral duty to provide basic food, shelter, and medical care for those who cannot care for themselves. I believe we have this duty even to those who can care for themselves but don't. This world view requires compassion and a willingness to act on it.

My experience has taught me that we live in a nation in which a jury is more likely to convict a black defendant who has committed a crime against a white. Even the dullest of blacks know this. There would be a lot more black-on-white crime if this were not the case.

**However, my experience has also taught me that blacks are**

**different by almost any measure to all other people. They cannot reason as well. They cannot communicate as well. They cannot control their impulses as well. They are a threat to all who cross their paths, black and non-black alike.**

I do not know the solution to this problem. I do know that it is wrong to deceive the public. Whatever solutions we seek should be based on the truth rather than what we would prefer was the truth. As for myself, I will continue do my duty to protect the rights of all who need me.

### **New Book**

In Rise of the Black Serial Killer, Justin Cottrell expels the myth that serial killers in America are predominantly white. With a myriad of newspaper records and books, he has compiled a list of black serial killers that is equal to or greater than the number of white serial killers from 1860 to the present.

Few, if any, have ever heard any of their names or stories until now.

This study contains a full list of every black serial killer and a brief description of their crimes. The author

offers reasons why most people assume black serial killers don't exist--from media suppression to common misunderstandings.

## OUR HEALING CRISIS

Our body will undergo a healing crisis when it needs to get rid of excess pollutants. It needs to expel the contaminants, the stored up toxins and poisons.

A healing crisis can save your life, or it will, if not allowed to naturally happen, became a very pronounced problem. A healing crisis can certainly bring on all kinds of uncomfortable and distressful feelings and emotions. People have reported that they cried, felt distress, were very tired and fatigued, pain ridden, depression.

**OUR NATION NEEDS A MAJOR HEALING CRISIS!**

**IT NEEDS A JUBILEE.**

---

"We are not facing a refugee crisis, we are facing a migration crisis... Let us not forget that those arriving have been raised in another religion, and represent a radically different culture.

Most of them are not Christians, but Muslims. This is an important question, because Europe and European identity is rooted in Christianity. Is it not worrying in itself that European Christianity is now barely able to keep Europe Christian? If we lose sight of this, the idea of Europe could become a minority interest in its own continent."

-- Prime Minister Viktor Orban of Hungary.
