FROM THE PASTOR'S DESK:

A TIME TO WORRY AND A TIME NOT TO WORRY

By Pastor Dave Barley

Greetings fellow Adamic Israelites, seed of the Promises.

Worry would appear to be a bad thing according to some Christians, and I would certainly agree that excessive worry in a bad thing. However, I would argue that there are proper times in which we sure should worry. In fact, as we look at all the problems America and the world are facing, there's something very disconcerting about someone who is not worried or concerned about the things that are happening in our nation. Yes, there are some Christians who would want us to believe that they are above such carnal things as worry. That they are so spiritually mature that worry is beneath their present spiritual status. Well, I do not know who they are trying to kid, but the fact is, only the dead are without worry. But we which are alive and remain have some overcoming to do. We certainly have to learn to overcome our carnal nature which has a wrong concept of anger, wrath, worry, and fear. We have to understand that there is righteous anger, righteous wrath, righteous worry and concern, and righteous fear.

Yes, there is a time to worry, and a time to put an end to whatever is troubling us. Actually most of the things we worry about are totally outside of our control. Only a relatively small portion of our worries or concerns are things we can directly affect to some degree. Usually our worries are in the realm of what might happen if we do the wrong thing or say the wrong things. None of us want to be the reason for prolonging a problem. We want to hopefully end the problem and end it to the satisfaction of all concerned, but this usually is not the case. Inevitably, someone is going to wind up with their feelings hurt. Personally, I have been amazed how many times I have tried to help people, I end up being the bad-guy. Yes, I know about such verses as “consider the lilies of the field.

Matthew 6:25-34

²⁵ Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

²⁶ Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

²⁷ Which of you by taking thought can add one cubit unto his stature?

²⁸ And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

²⁹ And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.

³⁰ Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

³¹ Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

³² (For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

³³ But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

³⁴ Take therefore no thought for the morrow: for the morrow shall take thought for the things of itself. Sufficient unto the day is the evil thereof.

Inspiring Truth from the Lord Jesus Christ indeed. We should always pray that our ways are brought into conformity with the Holy Spirit and that we develop Biblical attitudes and concerns. One of the biggest spiritual mistakes Christians make is that they do not ***“seek the Kingdom of God, and His righteousness.”*** Wonderful blessed things will be added unto us if we will truly do this. This means that our heart, mind, and soul should be stayed upon things which pertain to the Kingdom of God which releases King Jesus Christ righteousness. This in turn will produce greater peace, patience, love, joy, and spiritual strength. Sound good so far? Can you feel all your sins, worries, anger, disappointments leaving you? Good! but let’s not live in some la, la frame of mind in which we think ourselves above worry. We are in this world, not above its problems and the effects those problems will have upon our nation or us individually. But let’s stay upon these principles of spiritual inspiration and guidance a bit longer because its truth will most certainly bless us and rejuvenate us.

Philippians 4:6-8

⁶ Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.

⁷ And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.

⁸ Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things.

“BE CAREFUL FOR NOTHING?” Does this mean that we can go anywhere, do anything, say anything, and not worry about it because we are sweet Christians? Clearly the answer is no. We are not free to live anyway we choose and not have to worry about any consequences. The Word of God is full of warnings and consequences for wrong behavior (sin). Then there is doing the *“right things”* but not being fools about the way we do them. For instance, Jesus said ***“don’t cast your pearls before swine.”***

(Matt.7:6) He also said, ***“be ye wise as a serpent, but harmless as doves.”*** (Matt.10:16) You see friends, **TRUTH** is powerful and we have to be careful how we use and apply such Truth or we will find ourselves in unpleasant trouble.

Jesus Himself was tested in all things as we are. He was anxious, apprehensive about His physical fate and other conditions pursuant to His day and time as well as things which were to come in the future (things which affect the Covenant People). Jesus was clearly aware of the cruel physical death that awaited Him upon Calvary’s cross, but He was deeply saddened about the future and the corruption that would be visited upon His people and their complacency with the haters of Israel.

This is what Christ did for us:

Hebrews 4:15

For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.

This is what we should do for Him:

2 Timothy 4:5

But watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry.

Question: Did our blessed Lord and Savior have any worries or concerns? Here are some verses of Scripture to ponder.

Luke 22:40-46

⁴⁰ And when he was at the place, he said unto them, Pray that ye enter not into temptation.

⁴¹ And he was withdrawn from them about a stone's cast, and kneeled down, and prayed,

⁴² Saying, Father, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done.

⁴³ And there appeared an angel unto him from heaven, strengthening him.

44 And being in an agony he prayed more earnestly: and his sweat was as it were great drops of blood falling down to the ground.

45 And when he rose up from prayer, and was come to his disciples, he found them sleeping for sorrow,

46 And said unto them, Why sleep ye? rise and pray, lest ye enter into temptation.

There is much to consider in these verses, however, we will only deal with a few points. Number one is the fact that Jesus in His time of need was ministered unto by an angel. How many of you were aware of this fact? The angel, we are told, strengthened Him. In what way we are not sure. To be certain, the angel strengthened Christ Spiritually with Spiritual gifts and Spiritual Words of encouragement. No doubt with Biblical Words, Psalms, and faith imparting healing words of strength. Could this “*angel*” have been someone like his uncle, Joseph of Arimathea, or his friend Lazarus who had died and Jesus raised from the dead? I hope you all understand that an angel also means a “*messenger*,” but here is a fuller definition from Strong’s Concordance:

NT:32 αγγελος **aggelos** (ang'-el-os); from **aggello** [(to bring tidings); a messenger; especially an "angel"; by implication, a pastor: **KJV** - angel, messenger.

When God moves upon a friend to come pray with you or minister unto you, is that person not an angel? Often, this is the role of a pastor whose job it is to minister unto his flock. What a wonderful Bible passage in which we can see GRACE being ministered unto Christ our blessed Redeemer.

Then we read in **verse 44**, that Jesus “***being in an agony He prayed more earnestly: and His sweat was as it were drops of blood.***” Might this be at least a form of “worry or concern?” Someone may ask, “**Is showing or displaying strong concern for our heritage, our nation, our racial plight somehow unspiritual?**” I certainly hope not. Are Christians somehow being spiritual dwarfs if they show concern or worry about

what is happening to our nation? Are we perhaps spiritual outcasts devoid of faith or essential Biblical insight or understanding if we “worry?”

What kind of parent are you, if you do not get concerned about the behavior, activity, and relationships your children might be involved with? Are we to take no thought of what type of friends, relations, or activity we should be involved with, whether we might be sinning if we get worried or concerned about the direction our nation is heading or about what type of laws, bureaucracy, financial system, or wars our nation is engaged in?

Again, was Jesus ever concerned about certain things? How about Lazarus? Did Jesus not care a great deal about Lazarus?

John 11:32-36

³² Then when Mary was come where Jesus was, and saw him, she fell down at his feet, saying unto him, Lord, if thou hadst been here, my brother had not died.

*³³ When Jesus therefore saw her weeping, and the Jews (meaning Judeans) also weeping which came with her, **He groaned in the spirit, and was troubled.***

*³⁴ And said, **Where have ye laid him?** They said unto him, Lord, come and see.*

35 Jesus wept.

³⁶ Then said the Jews (Judeans), Behold how he loved him!

Yes, Jesus wept. No, I certainly do not believe He was worried, but He clearly was upset to the point that He wept. Do we not also have the right to be upset about certain things, or is such concern, worry, even indignation Biblically bad, wicked, or terrible?

Clearly, Christians should not walk about in a spirit of doom and gloom. We should rejoice in the Lord and His wonders to behold. We should cast all our cares upon Him and believe that He will lift us up in blessed ways. But are we to walk around careless, footloose and fancy free? Absolutely not. There is such a thing as righteous indignation, and righteous wrath, concern, or worry. I believe it is wrong for us to worry about worldly entertainment, yes, even food, raiment, and a host of other worldly concerns, especially of a

political nature, however, there is a difference between worry that is not Christ centered and worry that is Biblically reasoned and Christ directed. It's not just a matter of saying, don't worry obsessively, but it's okay to worry less obsessively. No, it's a matter of the Holy Spirit. We can, and are to have Holy Spirit led concerns, and even Biblical based concerns that are expressed in various ways within the Word of God.

Ephesians 4:26

Be ye angry, and sin not: let not the sun go down upon your wrath:

Can we worry and sin not? Well, if we can be ***“angry and sin not”*** then we can surely worry and sin not. Do you have Biblical concerns or worries, or are you carrying around worldly concerns about conditions, situations, or events that have no bearing upon the Kingdom of God or His righteousness? For instance, are you worried about clothes, cars, computers, food, money, worldly possessions, a mean thing someone said to you or something you see as being unfair? Well, just remember, when you die, you can't take any of those worldly things with you. You can only take those things pertaining to the Kingdom of God and His righteousness with you.

This does not mean that we are not to “worry” about our nation, our heritage, Bible truth, our enemies (which should also be Christ's enemies), murderers, liars, homosexuals, adulterers, idolaters, Bible-Law breakers, and such. The key is that we do not overly burden ourselves with worry to the point that such worry starts affecting our health or spiritual vitality. We all have lost sleep or stayed up half the night worrying about various circumstances or situation from time to time. Actually, praying about our deep heart felt concerns is technically a form of worry. As we mature in Christ and the deeper things of the Holy Spirit inspired Word of God, we do learn to worry less and trust the Lord Jesus Christ more and more. But worry in and of itself is not a sin. The problem comes about when we worry obsessively about things rather than placing them in Christ our Redeemer's most capable hands.

We all pray every day, or, at least we should about our nation's corrupt direction and the fact that we are being led by many evil, wicked rulers in various positions of authority. We do so because we are concerned, and also the fact that we are admonished by the Word of God to pray earnestly about all things which concerns us and might cause us to worry. Worry in and of itself is not a sin, however, if all we are going to do is sit around and worry, worry, worry about things and not pray about them or turn our concerns over to the Lord, then yes, such excessive worry is a sin of faithlessness, causing us to miss the mark (which is the definition of sin).

I worry and pray about many things all the time, especially for our beloved nation and all its various problems. However, I do not stay up all night worrying about problems. I prayerfully place them in Christ's throneship authority and I rest in His Blessed Promises. I do come up short in my spiritual maturity when it comes to worrying about certain things, but I eventually get hold of myself spiritually and turn things over to God Almighty in faith, and believe me, keeping my faith in good working order is quite a duty from time to time. We all struggle in the area of faith. Just read through the Scriptures of Noah, Abraham, Moses, Jacob, Samuel, David, Isaiah, Jeremiah, and the Apostles of Christ. They all, at various times had to struggle in this area of faith, but they pressed forward for the mark of the prize of the high calling in Christ Jesus. They learned to be **OVERCOMERS**.

Truly we are living in dangerous times. For sixty or so years, we (the American people) have been feeling fairly safe in our nation, at least safe from being invaded by other nations such as Russia, China, North Korea, Iran, Iraq, or an assortment of other Muslim nations. **We didn't worry about the Israeli Jews although we would have worried, if we had fully understood who they really are and what their agenda is all about.** We should have had the courage to "fully vet" this enemy, yet most Americans and other nations know only what the media or Judeo-Christianity echoes about them as though there is nothing more to see, know, or question about the

Jews or their anti-Christ religion, or practices. Though there are a growing number of people who are awakening to certain realities about the Talmudic Khazar, Edomite Jews, few grasp the tremendous worldly power they presently wield politically, economically, and religiously. For the most part, most people know little about Jewish entrenched controls on this nation through their control of the Federal Reserve Monetary system, Hollywood, the media, our political system (much more so than people realize), most outlets of the “entertainment” industry, the Pharmaceutical industry, much of the legal system, and many other mega corporations.

Also, we didn’t worry about the Mexican invasion, although we certainly should have. Some parts of America now look like Old Mexico and are very unsafe to travel through. Many Mexican people are, and can be quite nice, friendly, and have even embraced American ways and values. I readily acknowledge this. I personally know many such Mexican people, and I count them as friends, but a growing number of Mexicans are becoming more and more radicalized. The Mexican people who hate America are seeking ways and methods of invading various political parties and processes to achieve a political, economic, racial sociopolitical destabilization of our beloved nation that is heavily grafted in communism. They are being used by an ideology that cares nothing for them or their people. It appears to care, but it just uses them until a certain level of communism is attained, and as we see throughout history they are then discarded or killed.

The present Mexican invasion is not striving to make America great again, instead, they are amassing as a swarm of locusts to devour America’s rotting corpse. Mexicans coming across the border, is in many ways an invasion, and they readily jump on the platform of communism. Many Mexican radicals mistakenly believe that if America ceases to exist they will be better off. Sadly, they are not here to understand what made America great. In their ignorance, they are radically transforming the USA into a Third World Country.

We should have worried about the multicultural invasion of America way before the start of the War Between the States. It is sad to think about all the Scottish, English, Irish, French, Scandinavian, German, Anglo-Saxon and kindred peoples blood that was so tragically shed upon our nation's soil because of that senseless war. Because of the War Between the States, America lost much of its honor, its innocence, and its integrity. America did not become greater because of that damnable war: it became more corrupt. Worst of all, America became less Christian and less Christ fearing.

Just look at our nation today, we are tolerant of homosexuality in our nation and military. Their perversions are being taught in school and transgender acceptance is being forced upon the American people by evil people in high places of our government.

Now we have the black and other minorities murdering innocent people, rioting, looting, burning, and not being prosecuted for their crimes. Is all the rioting, pillaging, and criminal behavior going to somehow stop with just what has been happening in Milwaukee, Ferguson, Baltimore, New York City, Philadelphia, Chicago, and other cities in our nation? Surely we can all see that there is no political solution in sight, dare I say, even no “*religious*” solution within man's modern-day institutes. I hate to say it, but we may be looking at some very serious race wars beyond the uprisings we have presently been observing. Like it or not, we all had better make sure we have plenty of ammunition and weapons, not only for our safety and protection, but for our national defense against all enemies foreign and domestic. As Jesus says in **Luke 22:36** *he that hath no sword, let him sell his garment, and buy one.*

There are many lessons to be learned by America's present internal battles with these haters of America's founding principles and White Christian culture. Clearly there are Biblical and Spiritual solutions that are not being utilized, and one main reason is because modern-day Christians have been wrongly taught that God's Law is done away with and that the Jews are all that remain of His Covenant

People. Most “*Christians*” are ignorant about the personal and national salvation principles of **2 Chronicles 7:14**. Many are praying for this to take place, but you cannot totally understand this verse if you do not first understand which people are the true Israelites. Applying this verse to the wrong people will only further aid the lie which present day Christians espouse concerning the Jews:

2 Chronicles 7:14

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

Until this verse becomes a blessed reality, certain essential “*survival*” tools will be needed, and a whole lot of Christ inspired Biblical common sense as well. Remember, many of the Promises of God are conditional. Meaning, Christ Jesus is not going to just drop blessings upon His people without certain conditions being met. Yahweh never told Israel, “**Go on sinning and being adulterous idolaters, and I’ll bless you anyway.**” Each new test of faith Christ places upon us requires greater faith because we are often required to face greater loss of our heritage.

God’s eternal plan for Israel is unfolding in the midst of our national storms. All our struggles for Christ and His Kingdom shall be deemed most worthy and blessed. His Divine Promises are comforting; in that they declare His ongoing Purposes throughout the ages. We are to be about our Heavenly Father’s Kingdom business every day. All the days belong to Christ our Royal King. We are to do Christ’s good pleasure without murmuring or disputing, and as we embrace the things of the Kingdom, Christ our Comforter in His Holy Spirit presence enters our temple body and a new man is formed that is the expression of His Image and Likeness, Christ in you the Hope of Glory. **Philippians 2:13-16**

For it is God which worketh in you both to will and to do of his good pleasure.

Gatekeepers Make the Difference – Part 1

By Martha Barley

I, like many of you, read a lot of various items on the internet and this really caught my eye. It was an article in Charisma Magazine about Trump, but this section caught my attention because of the prophecies given to Israel regarding the gates:

"We've been losing the culture war decisively for the last decade, largely because we never knew how it was fought in the first place. Christians (30-50 million) represent a sufficient number in America to impact the nation. Why do we fail?

I've researched this topic for 20 years and keep coming back to a conclusion my colleagues and I don't like: Culture isn't shaped the way we thought. We assumed that culture is a reflection of the values of the majority of the people. If you can turn the majority, you can tip the culture. Or so we thought. The truth is that culture is shaped by relatively few people, a remnant of elites in proximity to power. This is why you can't evangelize a nation into transformation. Christians already outnumber other groups but keep losing influence. **To put it in Christian terms, culture is shaped by a remnant of gatekeepers who sit at the culture-shaping gates of influence.** This powerful elite is made up of dense overlapping networks located and largely concentrated in the coastal cities (think the Northeast and California) and distributed among the peak institutions of government, law, academia, journalism, banking and entertainment—institutions that touch us all. It's a revolutionary distinction. Revival ignites from the bottom up, but cultural reformation solidifies from the top down. **You must occupy the gates!**

Christians by and large are not concentrated in these heights. **This explains why a remnant in the progressive left has succeeded so radically since President Obama came to power.** Just as Jesus said, the people of this world are shrewder in dealing with their

own kind than are the people of the light (Luke 16:8). Put simply, evangelicals and charismatics are a large but disjointed group. **We don't work together and we don't occupy key "gates" in the high places of opinion shaping."**

<http://www.charismanews.com/opinion/59276-prophecy-god-sent-donald-trump-to-wage-war-against-destructive-spirits>

God told Israel in **Deut. 6:1-9** and repeated it in **Deut. 11:18-21** to put His Commandments in the gates:

¹ Now these are the commandments, the statutes, and the judgments, which the Lord your God commanded to teach you, that ye might do them in the land whither ye go to possess it:

² That thou mightest fear the Lord thy God, to keep all his statutes and his commandments, which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged.

³ Hear therefore, O Israel, and observe to do it; that it may be well with thee, and that ye may increase mightily, as the Lord God of thy fathers hath promised thee, in the land that floweth with milk and honey.

⁴ Hear, O Israel: The Lord our God is one Lord:

⁵ And thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might.

⁶ And these words, which I command thee this day, shall be in thine heart:

⁷ And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

⁸ And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between thine eyes.

⁹ And thou shalt write them upon the posts of thy house, and on thy gates.

¹⁸ Therefore shall ye lay up these my words in your heart and in your soul, and bind them for a sign upon your hand, that they may be as frontlets between your eyes.

¹⁹ And ye shall teach them your children, speaking of them when thou sittest in thine house, and when thou walkest by the way,

when thou liest down, and when thou risest up.

²⁰ And thou shalt write them upon the door posts of thine house, and upon thy gates:

²¹ That your days may be multiplied, and the days of your children, in the land which the Lord sware unto your fathers to give them, as the days of heaven upon the earth.

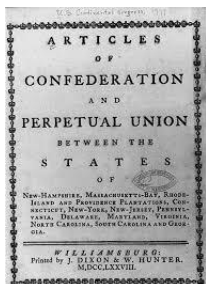

When our forefathers came to this country, they were the gatekeepers and they put the Words of God everywhere on their government buildings, but they forgot a very important part of what God commanded and that was **HE** is the only Lawgiver.

In the colonies, no man could hold office unless he swore he was a Christian and upheld God's Law! Here is an example of the oath of office for a magistrate established in the Fundamental Orders of Connecticut (1639) and it is similar to every other colony for every government office:

I, N. W. being chosen a Magistrate within this Jurisdiction for the year ensuing, do swear by the great and dreadful name of the everliving God, to promote the public good and peace of the same, according to the best of my skill, and that I will maintain all the lawful priviledges thereof according to my understanding, as also assist in the execution of all such wholesome laws as are made or shall be made by lawful authority here established, and will further the execution of Justice for the time aforesaid **according to the righteous rule of God's word**; so help me God, etc. [in the name of the

Lord Jesus Christ].

<http://darashpress.com/articles/christian-colonial-foundation-america>

In 1787, when we ratified the U. S. Constitution, we went from the Articles of Confederation to the U. S. Constitution. This is an important part of our history that most do not know. For instance, most do not

realize that these Articles were our government from 1781 to 1788 and these were the presidents during that time.

1. Samuel Huntington (March 1, 1781 to July 9, 1781)
2. Thomas McKean (July 10, 1781 to Nov. 4, 1781)
3. John Hanson (Nov. 5, 1781 to Nov. 3, 1782)
4. Elias Boudinot (Nov. 4, 1782 to Nov. 2, 1783)
5. Thomas Mifflin (Nov. 3, 1783 to October 31, 1784)
6. Richard Henry Lee (Nov. 30, 1784 to Nov. 6, 1785)
7. John Hancock (Nov. 23, 1785 to May 29, 1786)
8. Nathaniel Gorham (June 6, 1786 to Nov. 5, 1786)
9. Arthur St. Clair (February 2, 1787 to Nov. 4, 1787)
10. Cyrus Griffin (January 22, 1788 to Nov. 2, 1788)

So as you can see, George Washington was not the first president of our country. He was the first president after the Constitution was adopted. He became president on April 30, 1789 and served until March 4, 1797. Ever wonder what went on during this time period? We are always told that the Articles of Confederation were a failure, but were they?

Patrick Henry on his opposition to the U. S. Constitution in a speech on June 5, 1788.

Have they said, we, the States? Have they made a proposal of a compact between states? If they had, this would be a confederation: It is otherwise most clearly a consolidated government. The question turns, Sir, on that poor little thing-the expression, *We, the people*, instead of the *States*, of America. I need not take much pains to show that the principles of this system are extremely pernicious, impolitic, and dangerous.

More to come next time.

American Journalism is Collapsing Before our Eyes

By Michael Goodwin

Donald Trump may or may not fix his campaign, and Hillary Clinton may or may not become the first female president. But something else happening before our eyes is almost as important: the complete collapse of American journalism as we know it.

The frenzy to bury Trump is not limited to the Clinton campaign and the Obama White House. They are working hand in hand with what was considered the cream of the nation's news organizations. The shameful display of naked partisanship by the elite media is unlike anything seen in modern America.

The largest broadcast networks — CBS, NBC and ABC — and major newspapers like the New York Times and Washington Post have jettisoned all pretense of fair play. Their fierce determination to keep Trump out of the Oval Office has no precedent.

Indeed, no foreign enemy, no terror group, no native criminal gang suffers the daily beating that Trump does. The mad mullahs of Iran, who call America the Great Satan and vow to wipe Israel off the map, are treated gently by comparison.

By torching its remaining credibility in service of Clinton, the mainstream media's reputations will likely never recover, nor will the standards. **[Editor's note: Hallelujah!]**

China's New Silk Road to Make a Big Move in Gold

by Nick Giambruno | August 04, 2016

It's one of the great engineering achievements in history... At 48 miles long, the Panama Canal cuts through a narrow strip of land in Central America. It links up the Atlantic and Pacific oceans, allowing ships to pass through the landmass instead of sailing around a whole continent.

Ships pay dearly to use this shortcut... up to \$375,000 for a one-way toll. It's worth the price. There's only one other route between the Atlantic and Pacific oceans: a 7,872-mile journey around the tip of South America. This trip can take weeks and cost hundreds of thousands of dollars in fuel. The U.S. built the Panama Canal in the early 1900s. At a cost of \$9 billion in today's dollars, it was the most expensive construction project in U.S. history at the time. So when other countries (including Germany and Japan) tried to build a second canal in nearby Nicaragua, the U.S. wouldn't have it. A second canal, just 500 miles away, would dilute its value.

In 1912, the U.S. military even occupied Nicaragua to make sure there would be no Nicaraguan canal. And there never was. But that's all about to change...

The Chinese are preparing to build a Nicaraguan Canal. Like the Panama Canal, it will be a shortcut for ships to pass through Central America. If all goes to plan, China will finish its canal in about 10 years. And here's the thing...

China's Nicaraguan Canal is just a small piece of a much larger strategy of building strategic infrastructure to bypass U.S. control. The focal point of this strategy is a project called the "New Silk Road." And if China has its way, the New Silk Road will help China dethrone the U.S. as the dominant world power. The New Silk Road is the biggest story you're not hearing about. The U.S. media has barely made a peep about it.

RED ALERT – RED ALERT – RED ALERT

By Pastor Dave Barley

I guess I now have your attention. What I am about to share with you is not a “maybe he said this,” it is a fact that Paul Krugman, a Jewish op-ed columnist for the New York Times, recently said the following:

“White Americans...feel that they're losing their country - they're losing ownership of the country... AND THEY'RE RIGHT. We are becoming more diverse; more multicultural...And they are...in the end - THEY ARE NOT THE FUTURE. In the end the power they still have will go away but it's a very difficult time until then.” (3 Aug., 2016)

Dear friends and fellow lovers of the Kingdom of God under King Jesus the Christ, this is just another wake-up call. There have been many such alarming calls in recent days, have there not? To most of the people, the Zionist Jew goes about his globalist agenda mostly unnoticed. However, the tares are raising their heads and our blessed Savior is allowing them to do so. God speed the day of Divine Judgment.

The Movie *HILLARY'S AMERICA* is a Gross Distortion of History

If you have not seen this brainwashing movie, do not waste your time or money going to see this multicultural dung.

I know, some of you have written to tell me how great you think this movie was. I simply do not agree with your conclusions. Even the “*bad*” things Dinesh D'Souza says about Hillary Clinton are only a small amount of the corruption this lady is guilty of. Very little was said about Benghazi,

certainly nothing about the lies she told to justify the criminal activity she was responsible for directly and indirectly, the deaths, the cover-ups and the dereliction of duty in her role as Secretary of State.

Nothing was said about the trail of murders surrounding the Clintons, Vince Foster and others from the drug industry and her days in the Rose Law Firm in Arkansas. The American people went through Whitewater and Travelgate in which White House staff employees (from the travel office) were fired and replaced with Clinton cronies. After the so-called suicide death of Vince Foster (gee, lots of suicides among their circle), whom many believe was Hillary Clinton's boyfriend, Hillary Clinton had staff go into Foster's White House office and remove incriminating documents (armloads of them), including having the First Lady's initials and other evidences removed from memos and other forms. Her constant scandals, suspicious deaths of colleagues and yet, the charges are always dropped and swept away in the corruption of politics.

Nothing came of *Filegate*, the illegal gathering of FBI files on perceived adversaries, or *Chinagate* and the sale of high-tech secrets and pay-offs that will most likely remain hidden forever, especially, if she is elected to a third Obamination term. Hillary is not about national security; she is about selling out America and refashioning it according to her and her cronies new-socialist-engineered format towards a one-world government.

Her emails were, of course, discussed in the film, but not to the degree they should have been exposed. Certainly Hillary's emails left our nation vulnerable to international espionage and crime at a globalist level. Her emails will make our nation subject to attack on various levels, especially economically where military and industry secrets are exchanged for foreign corporate interests due to often hidden financial loopholes in

treaties. Just think of all the thousands of “*hidden emails*” that are “*missing*” or have been deleted. She is not qualified to be President. She is only qualified to go directly to jail for being the criminal she has been and continues to be.

This Film was Overtly and Covertly against White People

Again, this film left out so many obvious crimes of Hillary, but the author of this brainwashing film perpetrated his own crime by making portions of his film more against White people than against Hillary. Blacks were portrayed as highly abused innocent victims, ruled over by White Democrats like President Andrew Jackson. The evils of the KKK with the usual spin. But we are to be alarmed at the scenario D'Souza puts forth, that white Democrats are the blame for “racist evil” and that black Republicans saved the day and we can somehow breathe easier knowing that their Republican background was Abraham Lincoln approved and kosher? By the way, I'm sure you all are fully aware of the Jewish trouble makers behind the scenes who are really to blame for stirring up trouble, though our nation is full of gullible White people who are very good at creating their own sinful national problems.

At least D'Souza did expose Hillary's connection with Saul Alinsky, a Jewish communist and disciple of occultism. Hillary and Saul Alinsky were chummy communists plotting revolutionary ideas and political control strategies. Most of those revolutionary ideas are at work in our nation today with black lives matter, feminism, gun control, abortion, homosexual special-rights, liberal control over the educational system, extreme immoral behavior on television and the movies, more and more debt, more so-called government handouts and benefits, and more and more government regulations and control.

D'Souza's purpose was to change present perceptions that Republicans are the racist, when shock of all shocks, it turns

out that the Democrats are the real evil racists. That it's not the bad White people on the right, instead, it's the bad White people on the left. Really friends, it was that shallow.

Facts, of course, where not given, it was mostly *"take my honored word"* for the bull I am feeding you in this film, and be thankful for the spin on history that I (D'Souza) am setting forth. But make no mistake about it, the underlined message is that White people were and still are the progenitors of gross forms of racism, lewd conduct, and are the very image of hypocrisy. The fact that D'Souza put a label of Democrat on a number of them is somehow to make us all feel warm, cozy, and better about ourselves if we walk around with a Republican label. I'm certainly not a Democrat, but whether a person is *"good or bad,"* is not found in which political party he or she may belong to, but whether they are Jesus Christ, Bible loving people.

Andrew Jackson is the Type of President We Need

Right now, I really want to discuss President Andrew Jackson. I simply must step forward and defend President Andrew Jackson because D'Souza goes out of his way to demonize him. Yes, President Jackson ordered the Cherokee and other tribes of Indians to be moved from the east coast to the state of Oklahoma in what is called the *"trail of tears."* The present day corrupt history writers offer the excuse that the move was simply based upon the White man's greed for gold, and no other explanation is offered. The truth is that White settlers were mostly a Bible reading and Bible believing people, and they were trying to set forth Biblical separation policies such as *"be not unequally yoked."* (2 Cor. 6:14) The Indians were far from being a peaceful harmonious people. They simply were not of the White man's culture nor were they racially of our kindred. They were incompatible with the Christian faith, and Christian White people could see the hand-writing on the wall (during Jackson's presidency) concerning multi-

culturalism, race-mixing violations, increased crime, paganism, and such as we see happening throughout our nation today. In today's America, the federal government has been taken hostage by hostile antichrists, liberals, progressives, socialists, communists who hate Christianity. Yes, but it goes much further than this, because they hate White people and want White dominion to become a thing of the past. This is what social-engineering and uncontrolled integration is all about.

Everyone has enemies, even Christ Jesus our beloved Savior and Redeemer had enemies, and still does. What do enemies often do? They lie and they would relish the opportunity to spread more lies and dissention about their opponents. Just because D'Souza (and his writers) could find an article or two which seem to prove Andrew Jackson abused his slaves, it is far from sufficient evidence that he was a cruel abusive owner. Furthermore, there is no evidence that Andrew Jackson was a sex crazed maniac who slept with black slaves. That crazy notion was put forth by D'Souza purely out of some sick desperation to sell his warped movie under the cover that he is against the Democrats, and President Jackson was a Democrat in his day. In a biography done about Andrew Jackson in 1859 by James Parton, one of Jackson's slaves, Hannah, said this about him.

He "was more a father to us than a master," Parton recorded her saying, "and many's the time we've wished him back again, to help us out of our troubles."

Yes, Andrew Jackson had his enemies, lots of them. He boldly stepped on the toes of many tyrants. He especially took on the bankers and their corrupt designs upon the financial systems of this nation. They did eventually gain control in 1913 when the Federal Reserve Monetary system was established in an outright conspiracy by J.P. Morgan, Rockefeller, the Rothschilds, and other Jewish banking elites.

When Andrew Jackson was President, he boldly stood against the bankers and kept them from establishing a central/federal banking system. The bankers and assorted politicians hated ole Hickory and did everything in their power to destroy him. D'Souza and his deceptive film sadly fits the progressive agenda he is denouncing and paves the way for more ongoing multiculturalism, in the name of Republicanism. Here is more that D'Souza didn't say about Jackson:

The Colors of Money.. Andrew Jackson Still Fights the Bankers' War

by Guy Christopher

This year marks the 101st anniversary of Andrew Jackson rolling over and over in his grave.

Back in 1915, the brand new Federal Reserve pasted the 7th President's likeness on its first \$10 debt note - a sharp slap to the President who fought and won his famously bitter battle to destroy the "corrupting monster" of central banking.

Old Hickory's 1836 victory held steady until 1913, when the bankers gathered in secret at Jekyll Island, Georgia to plot the greatest bank robbery in history.

The scheme was simple. First, print all the money they wanted, backed only by government promises. Then, day by day, steal all the wealth it represented through built-in, unstoppable inflation.

As more and more Federal Reserve debt coupons would litter the landscape, their value would shrivel to less and less. Since government always has first use of cash hot off the presses, only unsuspecting, taxpaying citizens would ever be financially harmed.

You can read the rest of the article at <http://www.gold-eagle.com/article/colors-money...andrew-jackson-still-fights-banking-war>

President Jackson railed against central banks and paper money. Just as the haters of this nation want to destroy the Bible, the Confederate flag, our amazing White-Adamic-Israelite-Caucasian Christian history, and usher in an antichrist one-world government, make no mistake about it, D'Souza is taking the back door in and aiding in the perversion and eventual destruction of America in multicultural paganism. Sadly, **not one word of Christianity was stated in the film. Not one word about God's blessed hand upon this nation and its covenantal beginning with our beloved Puritan and Pilgrim Forefathers.**

The Hatred of Trump

So, you're upset at the fact that the media is attacking Donald Trump like there is no tomorrow. Did you think they were going to be fair, honest, and balanced? None of them are, none of them.

All the cronies of Hillary Clinton want to keep the gravy train going their way. The Billionaires like Warren Buffet, Bill Gates, Mark Cuban (owner of the Dallas Mavericks), Mike Bloomberg, George Soros, Jeff Bezos (CEO of Amazon), and there are others who will be well rewarded under a Hillary presidency. They have been hugely profiting from programs such as NAFTA and assorted foreign trade treaties that favor their globalist agendas. They are really worried about a Trump presidency because he just might pull the plug on their international schemes, not to mention the massive government regulations that favor their causes and business endeavors. Numerous secret deals and favors are being accepted by the cooked Hillary administration at this present time. She knows that the media has her back and that they will pamper her, just as they have been doing for the Obamination presidency.

There are so-many dangers that a Hillary administration poses to our nation. There is no doubt in my mind that she will

continue the progressive destruction of America and Obama will be playing a major role in the continued destruction of our beloved nation. Remember, those who control the banks also control the media.

I am not a prophet, but it is quite possible that King Jesus is working on the heart of Donald Trump in all the various attacks and traitorous Republican and Democrat party assaults he has presently been experiencing. The Almighty may be raising up Donald Trump to be President of the United States to clean house. Trump now sees the power and force of the enemies of America in ways that he has never seen or experienced before. I do believe he is waking up to the fact that our nation is in more trouble than he at first realized.

Good for Clint Eastwood

He said, "He's onto something (meaning Trump), because secretly everybody's getting tired of political correctness, kissing up. That's the kiss-a generation we're in right now. We're really in a pussy generation. Everybody's walking on eggshells. We see people accusing people of being racist and all kinds of stuff. When I grew up, those things weren't called racist." **RIGHT ON, RIGHT ON, RIGHT ON!!** Well stated Clint. First of all, the left is free to state any filthy words (if you can call them words) they care to and they are portrayed as good honorable victims. We all know this to be a fact. Like Hillary, they are all protected, bolstered, and reinforced by the antichrist controlled media. They, the controlled media and liberals, want to weaken America, not make it stronger and more determined to MAKE AMERICA GREAT AGAIN. Well, I'm not saying Trump is America's savior, but he is saying things that need to be said on many levels and he's far more correct in his views than what we hear from the social-engineers of the political left.

Yes, and emphatically yes, we ultimately want Kingdom of

God rule, PERIOD. Yes, we want King Jesus Christ to rule and reign. Yes, we want Word of God direction and purpose. But God Almighty put Adamic man on earth to have dominion, and in this messed up world and insane political climate, Trump, though the lesser two-evils, is upsetting the apple cart of the political establishment. The establishment of both the Democrat and Republican party are clearly worried about Donald Trump, because he is not of their ilk, and they cannot control him in the usual ways, and he seems impervious to their money manipulation tactics. He may be far from your first choice, but he is most certainly different.

Of course, you may be in the I'M NOT GOING TO VOTE, IT'S ALL RIGGED AND A WASTE OF TIME, camp. Well, I do understand this perspective. As I have said before, then I just waste a small amount of gas and time to pull some level. I'm not going to sit back and do nothing. There may not be much that I individually can do, but I know I can do certain things. I can think outside the box, but for sure, I have faith that is outside the "box," and I do know for a FACT, that Jesus Christ is Sovereign over all things, all events, and conditions. I also know that He (King Jesus) does not want us to just sit around and do nothing. We do all kinds of things that are physically expedient and necessary. We are not to just sit around and "spiritualize." One thing I certainly admire about our wonderful Pilgrim and Puritan forefathers, is that they were doers of good to the best of their ability, and THEY DID HELP MAKE AMERICA GREAT—THOUGH IT CAME IN SMALL INCREMENTS.

Will King Jesus allow the end-time Trump to be elected as president of the United States to do some much needed national cleaning-up of the corrupt politics in our federal and state governments? We will soon find out?

Speaking of Voter Fraud

On Sunday's Breitbart News Daily with SiriusXM host Alex

Marlow, political strategist Pat Caddell outlined his charge that Reuters tampered with its own daily tracking poll to manufacture a sudden surge for Hillary Clinton.

"They not only changed their formula, to put Hillary ahead. They went back and changed the results, for a week of results where Trump was ahead, and then they turned those into Hillary leads," said Caddell. **"They also erased all the former polling off the site. They didn't tweak their procedure - they cooked it."**

"Never in my life have I seen a news organization, and a supposedly reputable poll, do something so dishonest," Caddell continued. **"What they have done is, they decided the people who said, 'oh, I'm never for someone' - oh, those must be Hillary votes. They used to be Trump voters."**

Yes, vote fraud exists. Lots of things exist that are bad, wicked, and terrible, but I can guarantee you this, that the purveyors of the corruption against this nation, **want you to feel dejected, overpowered, and inadequate, so much so that you wish to throw in the towel and give up. NEVER GIVE UP FRIENDS, NEVER, NEVER, NEVER, NEVER, NEVER, NEVER, GIVE UP!**

Hosea 1:10-11

¹⁰ Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, Ye are not my people, there it shall be said unto them, Ye are the sons of the living God.

¹¹ Then shall the children of Judah and the children of Israel be gathered together, and appoint themselves one head, and they shall come up out of the land: for great shall be the day of Jezreel.

Luke 14:14

And thou shalt be blessed; for they cannot recompense thee: for

thou shalt be recompensed at the resurrection of the just.

Joel 2:25-32

²⁵ And I will restore to you the years that the locust hath eaten, the cankerworm, and the caterpillar, and the palmerworm, my great army which I sent among you.

²⁶ And ye shall eat in plenty, and be satisfied, and praise the name of the Lord your God, that hath dealt wondrously with you: and my people shall never be ashamed.

²⁷ And ye shall know that I am in the midst of Israel, and that I am the Lord your God, and none else: and my people shall never be ashamed.

²⁸ And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions:

²⁹ And also upon the servants and upon the handmaids in those days will I pour out my spirit.

³⁰ And I will shew wonders in the heavens and in the earth, blood, and fire, and pillars of smoke.

³¹ The sun shall be turned into darkness, and the moon into blood, before the great and the terrible day of the Lord come.

³² And it shall come to pass, that whosoever shall call on the name of the Lord shall be delivered: for in mount Zion and in Jerusalem shall be deliverance, as the Lord hath said, and in the remnant whom the Lord shall call.

Job 19:23-27

²³ Oh that my words were now written! oh that they were printed in a book!

²⁴ That they were graven with an iron pen and lead in the rock for ever!

²⁵ For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth:

²⁶ And though after my skin worms destroy this body, yet in my flesh shall I see God:

²⁷ Whom I shall see for myself, and mine eyes shall behold, and not another; though my reins be consumed within me

Acts 13:32-33

³² And we declare unto you glad tidings, how that the promise

*which was made unto the fathers,

Rep Steve King Speaks the Truth About the White Caucasian Race

Iowa Congressman King asks, **"What have nonwhites done for Civilization?"** He asked this question during the Republican Convention in July before a liberal panel of media snakes. I was actually watching this interview when it was given and I about fell out of my chair cheering for him and the things he boldly stated in front of obvious White hating media celebrities. Here's the verbal exchange which took place.

Rep. King said: "This whole 'old white people' business does get a little tired, Charlie. I'd ask you to go back through history and figure out where are these contributions that have been made by these other categories of people that you are talking about? Where did any other subgroup of people contribute more to civilization?"

"Than white people?" Mr. Hayes asked.

Rep. King responded: "Than Western civilization itself that's rooted in Western Europe, Eastern Europe and the United States of America, and every place where the footprint of Christianity settled the world. That's all of Western civilization."

Frantic yelling ensued, with the panelists speaking over one another and Mr. Hayes quickly cut to a commercial. You can watch it yourself at: https://www.youtube.com/watch?v=tu-LBS_kpDQ

Oh, you should have seen it friends, the White hating media panel went berserk. Representative Steve King, Republican of Iowa, questioned the historical contributions of nonwhite **"subgroups"** during this appearance on MSNBC. I can guarantee you, that the antichrists are going to be doing everything in their power to make sure Representative King is

not reelected. Iowa, you have reason to be proud of this brave man.

White Dean forced to Resign

In the Sunday, July 26, 2016, Spokesman-Review, page B3, under the title: ***“SEATTLE UNIVERSITY DEAN RETIRES AFTER PROTESTS”***:

A dean at Seattle University has retired following recent student protests in her office.

Jody Kelly, dean of the school's humanities-based college retired earlier this week. Kelly had been placed on administrative leave in June after a 22-day student sit-in. (IN OTHER WORDS, SHE WAS FORCED OUT)

Students began occupying a part of Kelly's office because they wanted to see changes to the humanities college curriculum, which they said focused too narrowly on Western ideas and history. They also called for her resignation. (LIKE I SAID FOLKS, SHE WAS FORCED OUT).

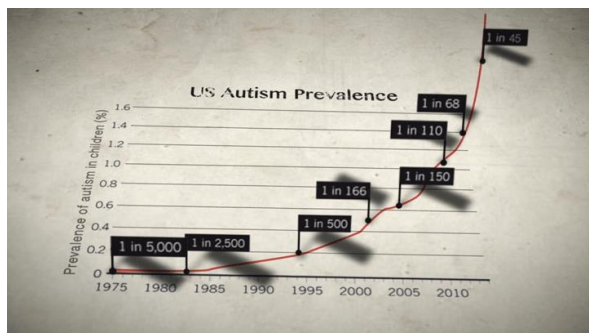

This is the greatest documentary I have ever seen!

The Hated White Race

by David Yeagley

David Yeagley is the great-great-grandson of Comanche leader Bad Eagle. · June 16, 2009 ·

"Fifty years from now, there won't even be any white people!" said my pathological Middle Eastern neighbor. He knew I was an American Indian, and he expected me to dance in his vision.

I didn't. I found his attitude, and that of his angry black wife, repulsive. I don't appreciate being presumed upon or being dictated to in any matter, especially in the matter of race. Nobody tells this Indian how to think. I'm free to like and dislike whomever I please, for whatever reasons I choose.

My two neighbors were racists, obviously. And they were making me a victim of their racism. Because I was non-white, they presumed I was a natural partner in their resentment and animosity toward the white race. I was judged by the color of my skin, so to speak.

This all happened many years ago, but, I never forgot it. Today, I see truth in the words of my Middle Eastern neighbor. White women are leaping in bed with black men, or other darkies of the world, and popping out strange-looking children. Generally speaking, the male in these incidents could not care less about the children. It's all about sexual aggression against the white race. They're happy to conquer for the moment, and to create ghastly, permanent consequences. Marriage and family have nothing to do with these misanthropes, nor the *lusus naturae* they create.

This denigration of race is a cruel mockery of manhood. It is a pathetic testimony of the personal irresponsibility and malignant selfishness of failed men. Indeed, a careless woman is generally such for the lack of a caring father.

But I will not dismiss this kind of race destruction as sexual caprice or mindless ego in aimless men. It is not some Über-design of social architects, or the express intent of integrationists. While racial disintegration may be the result, there are other inevitabilities at work in the process.

Like the universal law of aesthetics. We want beauty. Superior beauty lies in the white race. It is the variety of color, the red hair, the blonde hair, the green eyes, the blue eyes. All the other races in the world have only one coloring, the same black hair, the dark brown eyes and skin. A bit drab in comparison, can't we say?

A true redhead, only in the hated white race.

The darkies of the world are truly fascinated with the white race, and always have been. However, there is a certain envy that naturally, unavoidably develops. It seems Hitler had a point when he referred to "the hated white race." (Mein Kampf, p.325.) But the sexual encounter of the dark with the white makes the white dark. And what most people—especially white people—forget is the fact that the white race is the minority in the world. It is, and has always been, vastly out-numbered by the dark races. Moreover, the pigmentations of the white race are all genetically recessive. The whiteness is first to fade.

Therefore, integration tends to mean elimination for the white race. That's simply the way of the genetic world. That the white race became the most powerful, dominant, ruling race may be attributed to cultural values more than anything else. It was of course the white race that adopted the Judeo-Christian religion. The social constructs and psychological hierarchies in this tradition evolved a people more astute and agile in every way.

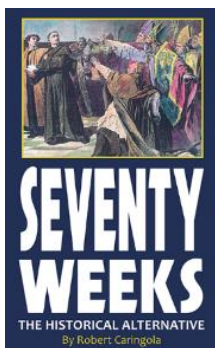

A true blonde, only in the hated white race.

Whatever 'mental' problems the white race developed as a result of being more powerful are only fairly recent evolutions. In his day the white man has created a throne like no other in history. If it is criminal at the foundation, the challenge

is chiefly from envy—always the weakest charge. Besides, what's the point of the dark man accusing the white man of not keeping his white morals, if the dark man himself does not believe in those morals? The charge of hypocrisy is moot, made in impotence. (The white man's self-flagellation is the only hope of the darkies.)

I would not look forward to a time when there is no white race. My neighbors were nothing I would want to see more of in this world—certainly not their attitude. But that there is a growing number of people in the world who think like them is a concern. The Muslim world tends to produce such a disposition.

Disguised though it may be in moral and religious terms, political terms, or even genetic terms, the case is fairly obvious: "*the hated white race*" is such for its beauty and power.

This is the story of the only Messianic Divine measure recorded in the Bible. The truth of its interpretation goes back to the Protestant Reformation. This book reveals the truth about Daniel's 70th week. Its contents shatter the sand built foundations of today's popular Futurism and Dispensationalist teachings.

Letter to the Editor - Noah's Ark

By Jaye Torgerson, Author of *Jew and Non-Jew Israelites*

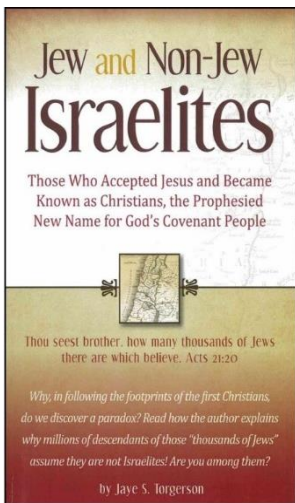

I'll not be going to the \$100 million dollar Noah's ark attraction in Kentucky (July 7, Leader-Telegram article). No, it's not the \$40 admission, and the \$10 parking fee. It's that this Bible believer might be perceived as agreeing with the teaching that Noah's flood was universal, that it covered the highest mountains on the entire planet. You see, if I believed this I would also have to believe that when Caesar Augustus decreed, "*all the world should be taxed*" (**Luke 2:1**), that he collected revenue from people as distant as Eskimos and Aboriginal Australians.

Just as the tax imposed by Caesar Augustus did not affect far-off Eskimos and Australians, neither did Noah's Flood. Terms such as earth and mountains in the Genesis account are translated from Hebrew words also translated as "*land*" and "*hills.*" What Scripture is saying is that the Genesis flood covered all the high hills in Noah's region.

The ark replica is described as having rows of cages within, some containing dinosaurs. This insults my intelligence. In addition to the physical impossibilities, Noah was not contemporary with a species that died off millions of years before him. That he was, is a second error based upon the first, the idea that Adam was the first human.

Those who insist that the universe is a mere 6000 years old, base this figure on the genealogy of Christ, which goes back to Adam. While Adam was the first Adamic man, he was not the first human. Humans were in existence long before the creation of Adam. This explains how Cain found a wife when settling in the land of Nod. Chapter four in the book of Genesis contains eight references to pre Adamic man.

The ark replica is a discredit to the Genesis flood account.

What are We to do in Times Like These?

By Dr. Michael Darrow

To begin, let me introduce myself. My name is Michael Darrow. My wife, Renee, and I live in Oklahoma at present. We moved here from the Houston, TX. area at the end of 2010. We like this area a lot, but miss the Coastal fishing of the Gulf!

I suppose a little about my history and my education is in order. I'll save my testimony for another time. In January of 1995 I knew the Lord was calling me to do much more than what I was doing in the ministry. So, I surrendered to the call to preach/teach. During the next 5 years I delved into many ministries so that I could learn as much as possible. Then in 1999, the church we were members of asked me if I would go to Seminary. So I did. I attended Southwestern Baptist Theological Seminary in Ft. Worth, TX. I accumulated approximately 33 credit hours, and since their tuition was increasing, and they were turning more and more liberal, I decided to stop going and obtained a full-time job. Even though we couldn't afford my returning to Seminary, I always had the feeling I needed to complete my education (even though my TRUE education came years later!). So after a few years I decided to go back and complete my *“formal/accepted”* theological education. I attended Slidell Baptist Seminary through Distance Learning since they are more affordable, Fundamental and Conservative. In 2005 I obtained my Masters of Theology and in 2007 my Doctorate of Ministry. I have been the Pastor of 3 churches, Co-Pastor of one, and the Youth Pastor of 2 churches as well as a Christian Ed. Minister. Even though I learned a lot within these positions, and of course some things I didn't want to learn, I never *“felt”* as though I was *“fitting in.”* It seemed all too often I had to convince myself to agree with certain stances, precepts and doctrines to simply fit in and be accepted. Yet, *“something”* inside never felt quite right about a lot of these things and I couldn't figure it out. That was until I happened to run upon Pastor Sheldon Emry's website in 2011 (I now know the Lord led me there, that is very evident!). I then contacted Pastor Dave Barley and his wonderful wife, Martha, and well... the rest – as they say –

is history! Even though presently I am an Owner Operator of a “big rig,” and have been a company Professional Driver for years, I have spent a tremendous amount of time since that day in 2011 “relearning” much of my formal theological education. God has blessed my wife and me in so many ways now that the we have found the TRUTH about who we are, what we are to do, what it means, and understanding the clear differences of the gamut of other things we have been inundated with all of our lives! We praise God and His Son Jesus Christ for this and now want to help spread “*The Truth.*”

The title of this is, “*What Are We to Do in Times Like These?*” I chose that title because that is exactly what I've been asking myself for years, and especially now... in these unruly, unethical and quite upside down, inside out and backwards days!

So what are we to do? Let's begin here...

2 Timothy 3:1-5, and vss. 14-15 NASB

¹ But realize this, that in the last days difficult times will come.

² For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, ³ unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good,

⁴ treacherous, reckless, conceited, lovers of pleasure rather than lovers of God,

⁵ holding to a form of godliness, although they have denied its power; Avoid such men as these.” ... and...

¹⁴ You, however, continue in the things you have learned and become convinced of, knowing from whom you have learned them,

¹⁵ and that from childhood you have known the sacred writings which are able to give you the wisdom that leads to salvation through faith which is in Christ Jesus.

There is no doubt we are in the last days. And there is no doubt we are seeing difficult times, more so now than at any other time in my lifetime at least. As written above, I used a saying I've heard before and it is absolutely befitting to this time... we are living

in a time where things are upside down, inside out and backwards. We are seeing things, reading things and experiencing things that are downright pure evil... just as the Scripture above states!

It has gotten to the point where I have to literally turn the radio, TV and internet off just to preserve a sense of sanity some days! But, I believe in keeping up with current events, therefore I must keep trudging on through the quicksands of what they call “news.” I heard a comedian once say, **“I was sitting reading the newspaper and watching the news one night, and comparing it to Revelation... And let me tell ya, I think we're about to see the Lord come back really soon!”** Even though he was trying to be funny by what he said, he just may be more correct than he realized.

Over the last 8-10 years or so we have seen an unprecedented change in our nation. We've not only witnessed changes politically, culturally, socially, financially (and on and on)... but we've especially seen – and possibly experienced – changes spiritually! Some of these spiritual changes have been for the good, and some for the bad (but that's another study). Most recently within our nation, we have seen a huge uptick in violence that we haven't experienced in at least the last generation. We've had many Radical Islamic Jihadist attacks (including each shooting of police officers) right here in America, even though the Obamanation dismissed most of them as “*work-place violence*.” We've had the inception of **“Black Lives Matter”, the New Black Panther Party, the New Social Justice Movement** (all black movement with a few exceptions), and so on. We've more recently had a rise of the “White Lives Matter” and “All Lives Matter” groups. Even today (Aug. 23rd) The Washington Post has a story on their front page: **“Armed, Confederate flag-waving White Lives Matter protesters rally outside Houston NAACP.”** It's compelling. We've entered into an era of absolute evil, deprivation, racial tension and unabashed lawlessness with absolutely no consequences like we've not seen in our lifetimes or possibly for generations! I will list some of these as

this article continues.

There are a few things we MUST do. First, we must NOT hide our heads in the sand!! We must learn that we, the True Christians, are this nation's (and the world's) last bastion of hope! God will use His People – if we are usable. We MUST know what's happening, where it's happening, and why. We MUST eliminate “PC” (Political Correctness) out of every facet of our lives! I coined a saying years ago... ***“Political Correctness will be the ruination of our nation!”*** I believe, unfortunately, I may have been correct. ***And, we must be wise, unafraid, brave and girded with the Armor of God!***

So... what are we to do? As mentioned, the first thing is get up to date on what's going on around the world, but especially in our own Homeland. So let's look at just a few headlines over the last 3 months: (Some of these may offend some, but honestly folks... maybe it's time we GOT OFFENDED!!)

Jihad Watch – June 19th

MILWAUKEE BLACK LIVES MATTER RIOTERS TARGET WHITE PEOPLE FOR EXTREME VIOLENCE... THE POLICE CAN NO LONGER PROTECT YOU IN AMERICA'S RACE WAR

The American Mirror – August 20th

LEFTIST AGITATORS EMPLOYED FASCIST TACTICS AT A DONALD TRUMP FUNDRAISER IN MINNEAPOLIS FRIDAY NIGHT, BANGING ON DOORS AND ASSAULTING AND PUNCHING RALLY GOERS WITH NO ARRESTS MADE

Even when Breitbart News tried to warn people back in 2015... we did nothing! Maybe some tried and were squelched, threatened or suppressed.

Breitbart News – August 28th 2015

BLACK ACTIVISTS CALL FOR LYNCHING AND HANGING OF WHITE PEOPLE AND COPS

Then we have the unbelievable issue of these animals (sub-humans in action) allowed to attack Trump supporters and others attending rallies trying (successfully I might add) to suppress our 1st Amendment rights! The media is complicit in this action as well... of this there is no doubt. Here's an example:

The Daily Caller – August 20th

PROTESTERS PUNCH, PUSH, SCREAM AT TRUMP

FUNDRAISER ATTENDEES IN MINNEAPOLIS

There were **NO ARRESTS** made, even though Congresswoman Bachmann told the story and even confronted police on why no arrests were made especially when more than one attendee was bloodied by these **BRUTAL THUGS!!** Here's a story and some quotes from her...

"The deranged left was on hand at the Trump event last night in Minneapolis looking for pre-planned, predictably choreographed trouble. They were swearing at attendees as we arrived, spitting at whomever they could reach. They weren't protesting as much as they were looking to beat people up. After Donald Trump had our wildly enthusiastic crowd riled up and on our feet with multiple standing ovations, the crowd tried leaving the building. Police officers told us protesters had physically attacked people as they were leaving the building and we were instructed to leave through alternative exits."

It was so bad, she said, the so-called "protesters" were really in her view "rent-a-mobs" who turned into "rent-a-thugs." She went on:

The 'protesters' morphed into rent-a-mobs, and then they became 'rent-a-thugs' looking for a beat-down. It was nothing more than Obama/Hillary's lawlessness and disrespect for decency playing out on the streets of Minneapolis. The only idea the left seems to understand is physical violence used to intimidate political opposition. These brute thugs who attacked Donald Trump's vehicle demonstrate exactly why we need to elect Donald Trump as our next President of the United States, so we can see respect for the rule of law return again in this country.

At one point, too, she saw protesters yelling profanities at

police officers—and she said the experience was “frightening” to those ordinary Americans supporting Donald Trump for president.

“The media probably didn’t report it, but these protester/thugs were running wild back and forth in a frenzy shouting, ‘F— the police! F— the police!’” Bachmann said. “For normal, happy Trump supporting people, it was frightening. Welcome to Hillary’s America. These are the people she protects and rewards.”

Have you heard about this story in ANY of the Lame-Stream Media? **NO!!!!**

It doesn't help when our government, both federal and some State and local, use illegal and unconstitutional tactics so suppress We the People and empower and embolden the animals of our society!

Examples:

From National League and Policy Center: August 25th 2011 -
OBAMA ISSUES EXECUTIVE ORDER MANDATING RACIAL FAVORITISM

From FOX News: June 27th 2016 -
Department of Justice to Institute Mandatory Bias Training

(in other words... an order to eliminate “*implicit biases*” in their law enforcement judgment thereby not allowing/discouraging Law Enforcement to arrest more 'people of color' than Whites) –

UNBELIEVABLE!!

So... what are we to do?

First, let me remind you of the Scripture passage I used to open this article: **2 Timothy 3:1-5** –

¹ But realize this, that in the last days difficult times will come.

² For men will be lovers of self, lovers of money, boastful,

*arrogant, revilers, disobedient to parents, ungrateful, unholy,
3 unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good,
4 treacherous, reckless, conceited, lovers of pleasure rather than lovers of God,*

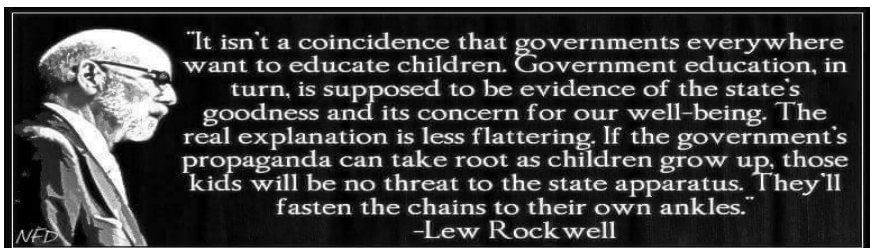

Let's ask some simple Yes or No questions that you can answer on your own:

- 1) Has America become *'lovers of self, money and pleasure'*?
- 2) Has America become *'boastful, arrogant, revilers, disobedient, ungrateful, unholy, unloving, irreconcilable, malicious gossips, no self-control, BRUTAL, haters of good, treacherous, reckless, and conceited'*?
- 3) Do Americans and a lot of professing Christians *'hold to a FORM OF GODLINESS and DENY its power'*?

If you answered Yes to these, then you too obviously see that we are in trouble... **BIG** trouble!

Let's ask ourselves again... ***"WHAT ARE WE TO DO?"***. Especially now that we see all these things happening right in front of our eyes. Where it seems it's getting worse day after day.

While there are a plethora of Scriptures I could refer to, I am going to concentrate on several passages to help answer what our individual and collective responsibilities are as seen in God's Holy Word. We need to always pray that God guides each of us as we delve into His Word. I completely understand that this article is hard-hitting. But let me assure you, the writer was hit hard way before the reader was!
