Pastor Dave Barley

Founder: Pastor Sheldon Emry

FROM THE PASTOR'S DESK:

OUR TRIP TO THE GREAT STATE OF OREGON:

If you will recall in the opening article of our last Bible newsletter, I said the following:

"You are family to us, and I want to encourage you to, as often as possible, to join together with your fellow Christian Israel family at large. We all need to spend more time among our family of Faith...keep up with one another and draw a closer bonding that is indeed spiritual. In fact, this weekend we are going to spend time visiting some of the brethren in Western Washington, soon, we will be making a trip to Oregon. It will be exciting and spiritually uplifting!"

Well we did indeed go to Oregon and had great Christian fellowship with many of our Christian brethren. It was so good to visit with fellow believers throughout the State. We laughed together, cried together, prayed for each other, and shared amazing stories about our faith in the Lord Jesus Christ and how He has guided us in many special ways in the Covenant Israel Truth. Many people fondly remembered Pastor Sheldon Emry and spoken of special things he had done and how blessed they have been in what America's

Promise Ministries continued to do in spreading the Gospel of the Kingdom Message and how proud Pastor Emry would be today if he could see that the good work he had begun was still ministering the Anglo-Israel

Covenant truth.

Everyone, including one elderly man in his 90's, Mike, (who had numerous copies of our newsletters in front of him) let us know that he was 100 percent behind us in the stand we have been taking against the false spiritual Israel teaching, otherwise known as "Replacement Theology." Just to hear the many testimonials and hours of Biblical sharing and even gifts of spiritual intercession several have been led to conduct for various causes was very inspirational. All in all it was a great time to catch up on good Christian fellowship and to learn about family, friends, and acquaintances we had (in some cases) lost touch with over the years.

A dear lady (Jean) on the Oregon coast we have known for many years, in fact, we got to go with her and her husband on one of Archeologist Ray Capt's tour to the Scandinavian countries back in 1985 which was a wonderful trip with lots of good memories, but she told us that she goes on a one mile walk on the beach every day, and that she witnesses to people she meets and gets into some of the most interesting conversations. Martha and I were tickled at her stories. But I have to say, that most of the people we visited with lived in the Grants Pass area and we had many special gatherings of amazing Christian fellowship, and not surprisingly, abundant food.

I must have gained five pounds during this trip, but it sure was a blessing. Rogue River had a quaint little restaurant where eight of us gathered and the food and fellowship was simply amazing.

It reminded me of the gathering we had a few days earlier at Jo and Jack's place. Jo, you are a wonderful Christian lady and that meal

you cooked for us that first night is still fondly in my thoughts. You and Jack certainly have your hearts and understanding well preserved in the Word of God, and you clearly know the reasons America is declining these days, but you also know the solution is 2 Chronicles 7:14. Also, thank you Becky and Don for opening your house for two nights to us, and no, we will not forget the love you bestowed upon us and the great Bible discussion we had with you and the family.

Many others of you we met in restaurants and we certainly will not forget you Sister O'Neal and your hot rod Mustang you were driving. It sure put a smile on our faces.

WILL AMERICA WIN THE WAR AGAINST ISIS?

NO! BY PASTOR BARLEY

The reasons why:

- 1) America is an immoral paganized nation which seeks to destroy God's Divine Law Word every chance it gets.
- 2) The Arab/Muslim people are a wild people who cannot be "tamed" into submission. The Bible describes them as follows:

Genesis 16:12

"And he will be a wild man; his hand will be against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren."

- 3) We (New World Order Globalism) are the invaders upon their land. Yes, they are fighting back. Yes, they are beheading people. Yes, they are resisting America's "democracy." Yes, they are aware of the Zionists and their power over America. Yes, they are forming militias, because they are freedom fighters, just as many of us would be if China or Russia invaded our nation.

Think about it!

IS THERE A JUDEO-CHRISTIAN CURSE UPON OUR NATION?

By Pastor Barley

I content that America is being cursed under Judeo-Christianity and that we, as a people and nation, need to go back to true Biblical Christianity. People like John Hagee and Glenn Beck have been strongly preaching and admonishing their listeners to be good *"Judeo-Christians"* and support the Israelis. They warn us that America can only be great if we as a people and as a nation unapologetically support the Israelis, and if we do not support the Israelis, that the curses of God will be upon us. Is John Hagee a Balaam? Hagee recently stated:

"Christians owe a debt of eternal gratitude to the Jewish people for their contributions that gave birth to the Christian faith. Jesus Christ a prominent Rabbi from Nazareth said, *"Salvation is of the Jews!"* (John 4:22) consider what the Jewish people have given to Christianity.

- a) The Sacred Scripture
- b) The Prophets
- c) The Patriarchs
- d) Mary, Joseph, and Jesus Christ of Nazareth
- e) The Twelve Disciples
- f) The Apostles

Then Hagee adds this comment, **"It is not possible to say, I am a Christian and not love the Jewish people."**

In essence, Hagee is saying, it is not possible to be a Christian, unless you are a Judeo-Christian, that, to be a Christian, you must **"love the Jewish people."** The simple truth of the matter is that all those Hagee statements and his reasoning are Biblically false. God tells us very clearly in 2

John 1:7 that *“For many deceivers are entered into the world, who confess not that Jesus Christ is come in the flesh. This is a deceiver and an antichrist.”* Then it goes on to explain how we are to treat people that deny our Savior in verse 10-11: *“¹⁰ If there come any unto you, and bring not this doctrine, receive him not into your house, neither bid him God speed: ¹¹ For he that biddeth him God speed is partaker of his evil deeds.”*

Sadly, these men have not been taught that Judaism (a religion that denies Jesus Christ) and the Old Testament Hebrew Religion (which affirms Christ) are not one and the same. Because of their indoctrination by their denominations, neither of these men understand that the Jews of the Bible are not the Jews of today. God has blinded these men and others like them and *“Can the blind lead the blind? shall they not both fall into the ditch?”* **Luke 6:39**

Judaic scholar Dr. Alfred M. Lilienthal made this point in his book, ***What Price Israel?*** page 216:

*“The Jewish racial myth flows from the fact that the words Hebrew, Israelite, Jew, Judaism and the Jewish people have been used synonymously to suggest a historic continuity. But this is a misuse. These words refer to different periods in history. Hebrew is a term correctly applied to the period from the beginning of Biblical history to the settling in Canaan. Israelite refers correctly to the members of the twelve tribes of Israel. The name Yehudi or Jew used in the Old Testament to designate the member of the tribe of Judah, descendants of the fourth son of Jacob, as well as to denote citizens of the Kingdom of Judah, particularly at the time of Jeremiah and under the Persian [Babylonian] occupation. **Centuries later, the same word [Jew] came to be applied to anyone, no matter of what origin, whose religion was Judaism.”***

John Hagee, Glenn Beck, and thousands of others are in fact behaving as Balaams when they advocate Judeo-Christianity. In other words, they are demanding Christians join themselves with Judaism, an anti-Christ religion, and are in essence promoting Biblical curses upon our nation, just as Balaam did. We are aiding and abetting the enemies of Christendom in joining with this unholy alliance.

Yes, it is that serious, and is, to a large degree why America, Canada, England, Europe, and Australia, the end-time nations of regathered Caucasian Israel of Christendom are in a “cursed” state especially since 1948. We as a people and nation have been blessing the Israelis ever since, blessing the very people who are antichrist in every way and purpose, and they scheme against Christianity with open immunity under the guise that they are **“the true Jews.”** None dare challenge their antichrist agenda or they will be branded as “anti-Semitic,” when in reality, the majority of the Israelis are not of Semitic stock through the line of Judah. They are through the line of Esau.

As I have already stated, the present Israeli state over in the middle-east was formed in 1948 out of a United Nations charter, and have parasitically existed on the federal aid of the USA. The history and Covenants of the Bible pertain to the sons and daughters of Isaac, the Caucasian people who are the true lost sheep of the House of Israel, not the people known as Jews today.

To support the claim I made earlier, that there is a Judeo-Christian Balaam type curse upon our beloved nation, let us turn to the following verses:

Numbers 25:1-3

¹And Israel abode in Shittim, and the people began to commit whoredom with the daughters of Moab.

² And they called the people unto the sacrifices of their gods: and the people did eat, and bowed down

to their gods.

³ And Israel joined himself unto Baal-peor: and the anger of the LORD was kindled against Israel.

Balaam could not curse Israel, but he is suggesting a way in which they can be brought unto Divine displeasure. The above verses ought to stand out as this is exactly what God's True Israel people are openly doing in this very generation through embracing **Spiritual Israel Multicultural Replacement Theology**. They are joining themselves with *"Baal-peor: and the anger of the LORD"* is kindled against His Israel people as verse 3 tells us. The joining with Baal-peor is akin to God's people joining themselves with Judeo-Christianity. It is a *"whoredom"* that invites Israel to be unequally yoked with Judaism. To be yoked with a religion that denies the very deity of our Lord and Savior!

The Spiritual Israel advocates are also purveyors of *"whoredom"* cloaked in spiritual biblical woven concepts of "love." I base this on many things, including the following verses from the Apostle Peter below:

2 Peter 2:14-19

¹⁴ Having eyes full of adultery, and that cannot cease from sin; beguiling unstable souls: an heart they have exercised with covetous practices; cursed children:

I am warning you my dear Christian brethren, that what we have just read in verse 14 absolutely applies to the Spiritual Israel corruption which, among other things, promotes racial indifference and that the miscegenation of God's created racial origins, is exactly what the Apostle Peter warns us to cease from. ***"Beguiling unstable souls: an heart they have exercised with covetous practices; cursed children."***

Earlier we discovered that the curse of Balaam involved *"whoredoms"* (Having eyes full of adultery, which leads to adulteration). This is no trivial supposition. It is an ageless

Bible Truth that we must obey. The Apostle Peter goes on in these verses to warn Christians that the children of Abraham, Isaac, and Jacob who embrace spiritual, racial adulteration (Spiritual Israel thinking) are *“cursed children,”* and that they are in fact “following the way of Balaam” in this adulterous “cursed” form of philosophy, that is now known as Judeo-Christianity.

15 Which have forsaken the right way, and are gone astray, following the way of Balaam the son of Boor, who loved the wages of unrighteousness;

16 But was rebuked for his iniquity: the dumb ass speaking with man's voice forbad the madness of the prophet.

There clearly are a lot of *“dumb asses”* speaking today, but at least this *“dumb ass”* speaking with man’s voice ***“forbad the madness of the prophet.”*** I must confess that for many years I have been kind of a *“dumb ass”* in not waking up sooner and warning the sheep of the infiltration of a false prophet in our midst who was teach Spiritual Israel right before our very eyes for over fifteen years, but with deceptive language. Because of this particular false prophet, many ***“have forsaken the right way [Notice, it says the people “have forsaken the RIGHT WAY”], and are gone astray, following the way of Balaam.”***

17 These are wells without water, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever.

18 For when they speak great swelling words of vanity, they allure through the lusts of the flesh, through much wantonness, those that were clean escaped from them who live in error.

19 While they promise them liberty, they themselves are the servants of corruption: for of whom a man is overcome, of the same is he brought in bondage.

Oh yes, I can assure you these Spiritual Israel Replacement

Theology advocates *“promise liberty,”* but *“they themselves are the servants of corruption...bondage.”* Judeo-Christianity and Spiritual Israel is the same corruption. Please pay careful attention to what I am about to say, this false doctrine and its variations are religiously impregnated into Christians minds purposefully to corrupt their faith and cause them to call that which is evil good and that which is good, evil as a way of Baalism to bring curses upon our nation. As long as Christians continue to embrace multiculturalism, and they remain open to racial mingling and the deterioration of the White Adamic Christian culture, we will continue to self-destruct, not realizing that the Baalism inspiration behind our fall is Judeo-Christianity. We read and are warned in **Psalms 106: 35-36, 39-41:**

35 But were mingled (ISRAEL) among the heathen, and learned their works.

36 And they served their idols: which were a snare unto them.

39 Thus were they defiled with their own works, and went a whoring with their own inventions.

40 Therefore was the wrath of the LORD kindled against his people, insomuch that he abhorred his own inheritance.

41 And he gave them into the hand of the heathen; and they that hated them ruled over them.

If these verses sound like America, Canada, England, Europe, and the other nations of end-time regathered Israel, you're right. Our people are so twisted in their thinking with Judeo-Christian and Spiritual Israel Multicultural Theology, that unless God opens their eyes, they cannot and dare not wake up to the fact that Judeo-Christianity is the **INVENTION OF MAN** that has *“mingled them among the heathen.”*

Judeo-Christianity openly embraces multiculturalism.

Judeo-Christianity is openly blind to the Biblical warnings against race-mixing (miscegenation).

Judeo-Christianity believes it is essential that all people, especially Christians, view the world without regard to race, and that all men were created equal.

But we were not all created “**equal**.” While it is absolutely true that God’s laws equally apply to all people, it is within God’s law that racial boundaries are established! God’s Law does not allow for multiculturalism. In order to follow our Biblical, Covenantal callings and national order within Biblical rules, our Israelite Heritage must become foundational.

Judeo-Christianity is not true Biblical Christianity. It is an oxymoron that has parasitically attached itself to Christianity and injected its antichrist venom into its body. Judeo-Christianity is an antichrist, Talmudic hybrid that conceals itself with the title Christianity, in the name of Jesus, but is polluted in religion, its culture, social structure, its gospel, and mission, because it is a harlot religious system riding on the back of Red Edomite Judaism. Judeo-Christianity calls Jesus Lord, Lord, but they do not keep His commandments. Their love is not a Biblical love, but a love that in many ways mirrors that of the world and in their symbiotic way Biblical values and absolutes are transformed into a sea of situational ethics defined by humanistic love. Their objective is to pollute us religiously and racially so that we will cease to exist in the true sense of our God created racial origin and biblical faith. They indoctrinate the people to believe in the lie of “**racial equality**.”

Revelation 2:14

But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught Balzac to cast a stumblingblock before the children of Israel, to eat things sacrificed unto idols, and to commit fornication.

Quite frankly my dear friends, I don’t know what I could add to this verse that would make the point more clear that there is a Judeo-Christian curse upon our nation, and it has all the signs

of Baalism. Until God's people repent and wake up to this Biblical fact, we are headed for national turmoil that will make Barrack Obama's political insanity look mild.

God's True Israel people certainly have their flaws, but if they are ever removed from the land, I can guarantee you that the land and the people will decay beyond anything experienced today. The truth is, we, as a people and as a nation are racially polluting ourselves into biological and Baalistic aliens. Our Israelite Biblical Heritage is being Judaized, or Talmudized through Judeo-Christianity and there is no doubt about this. To refer to yourself as a Judeo-Christian, you may as well refer to yourself as a "Baal-Christian."

However, our blessed Savior and Redeemer will not forsake His people. This is a Biblical absolute fact we can count on. But we have a work to do while in this age of our existence and we are to be good watchmen on the wall. As we love and care for our immediate family, we also have a Biblical duty and obligation to our genetic Adamic Israelite extended family at large. As our blessed Redeemer loves His chosen elect, Covenant, servant people, let us do the same, and let us flee from the deception of Judeo-Christianity.

Isaiah 41:8-10

⁸ But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend.

⁹ Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant; I have chosen thee, and not cast thee away.

¹⁰ Fear thou not; for I am with thee: be not dismayed; for I am thy God: I will strengthen thee; yea, I will help thee; yea, I will uphold thee with the right hand of my righteousness.

WILL SCOTLAND EVER SECEDE? AND WHAT POSSIBLE ROLE OF THE STONE OF DESTINY WILL THERE BE IN THIS?

By Pastor Barley

The move for Scotland to secede from England has failed for the time being, and perhaps it will never come to fruition. Clearly, some Scottish people and groups have made it known that they are pushing various political buttons in hope of a Scottish secession from the United Kingdom. They obviously did not succeed in their attempts to separate from the United Kingdom a few weeks ago. However, for the sake of discussion, I was wondering, **“What if, Scotland was successful in seceding from England and what if Scotland were to choose a Davidic line to rule over them?”** Again, I realize such an event would be highly unlikely to occur, but stranger things have happened. If they did secede, most likely they would probably pursue a parliamentary form of government rather than a monarchy.

But, what if Scotland did secede? We already know that Jacob’s Pillar (the Stone of Destiny or Coronation Stone) was returned to Scotland to its permanent home in Edinburgh Castle on St. Andrews Day 1996. In 1296, the **“Hammer of the Scots”**, Edward I of England had the Stone forcibly removed and sent to London’s Westminster Abbey, where it was enclosed within its new home and throne, the Coronation Chair. From that time forth, the Stone has been used in the coronation of English monarchs. Previously, it had been used for Irish and Scottish Kings and Queens.

Some believe that Prince Phillip of Greece and Denmark duke of Edinburgh, who is the husband of Queen Elizabeth II (Queen of Great Britain), and father of Prince Charles, has Jewish DNA. This I cannot verify for certain. One of the problems I have with this Jewish

theory, is that many ancestry discussions of Prince Phillip refer to him as “of Jewish ancestry from females of the Davidic House.” Well, in this context, the “Davidic House” that is referred to as Jewish, is none other than the Judah, or Judean line from the House of the Southern Kingdom of Judah. The same Royal seedline from whence our beloved Savior Jesus Christ was born within, the Lion of Judah. This Judah, or Judean ancestry line of descent has nothing to do with present day Edomite, Khazarian Jews who are mostly of a Turkish, Mongolian, Babylonian bloodline. Therefore, I am not presently willing to write off Prince Phillip, no matter how many stupid things his son, Charles, has said or will continue to say or do. The people of Anglo Israel have a ripe history of corrupt people and leaders, doing bad, wicked, and immoral things. Just because Charles is a globalistic, whore-mongering Royal House spoiled brat, does not automatically make him an Edomite Zionist “Vampire” (my humorous term).

However, just in case I am wrong, and Prince Phillip and his son Charles are bad figs, the fact that the Stone of Destiny is now back in Scotland, and Scotland was seeking to secede from the United Kingdom, a bit of “throne flipping” could be in order. It would be most interesting if someday Scotland would seek to appoint a different Davidic descendant to a new throne in Scotland. And no, I am not saying that the Throne in England would cease, but I am theorizing that another possible, perhaps truer Davidic descendant could ascend to the Throne in Scotland.

Again, I doubt this will happen, but it is interesting to think about and consider its new possibilities in light of the many changes in Scotland and the Stone of Destiny. Concerning the present Queen of England, Elizabeth the 2nd, I feel assured that she is of the Davidic Royal seed, and that she may well be the last reigning monarch to rule over Great Britain. Whether Prince Charles will follow his mother to the throne remains to be seen. However, I am well aware of his One-World agenda and thinking. In no way shape or form do I do wish to see him ascend to the Throne of England. I’d rather see his mother’s dead corpse sitting on the Throne than his sorry butt (please pardon my bluntness).

STONE OF DESTINY REMINDER

The Stone of Destiny, or Stone of Scone, or Scottish Gaelic Lia Fall, is Jacob's Pillar that he laid his head upon when he dreamt of a ladder and angels descended revealing Covenant Israel Promises. For example, in Jacob's dream, it was revealed:

Genesis 28:14

And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and in thee and in thy seed shall all the families of the earth be blessed.

Genesis 28:16-22

16 And Jacob awaked out of his sleep, and he said, Surely the LORD is in this place; and I knew it not.

17 And he was afraid, and said, How dreadful is this place! this is none other but the house of God, and this is the gate of heaven.

18 And Jacob rose up early in the morning, and took the stone that he had put for his pillows, and set it up for a pillar, and poured oil upon the top of it.

19 And he called the name of that place Bethel: but the name of that city was called Luz at the first.

20 And Jacob vowed a vow, saying, If God will be with me, and will keep me in this way that I go, and will give me bread to eat, and raiment to put on,

21 So that I come again to my father's house in peace; then shall the LORD be my God:

22 And this stone, which I have set for a pillar, shall be God's house: and of all that thou shalt give me I will surely give the tenth unto thee.

There is obviously something very special and predestinated about this Stone of Jacob. Those of us who know our Israelite Heritage and God's calling upon the seed of Abraham, Isaac, and Jacob, this Stone is sacred and is anointed with a great Biblical purpose and Destiny. This sacred Stone of Jacob is indeed a holy relic that has been fought

over by the Scottish and English for over 700 years for good purpose.

Let us also take notice of Joshua's declaration concerning this anointed Stone of Israelite Destiny:

Joshua 24:26-27

26 And Joshua wrote these words in the book of the law of God, and took a great stone, and set it up there under an oak, that was by the sanctuary of the LORD.

27 And Joshua said unto all the people, Behold, this stone shall be a witness unto us; for it hath heard all the words of the LORD which he spake unto us: it shall be therefore a witness unto you, lest ye deny your God.

The fact that this Stone of Biblical Destiny is connected with the Davidic Throne and that it remains to this day, is no mere coincidence. The Scottish Nationalist Party has long made it known that what they want is, **"Scotland not to be just a symbol of power, but the substance of power."**

I just have to add, that the Jacob's Pillar, or Stone of Destiny is not the **"SUBSTANCE OF POWER,"** the Lord Jesus Christ is the real **SUBSTANCE OF POWER**, and He is the Chief Corner Stone we must honor and obey for He is, and always will be **"THE WAY, THE TRUTH, AND THE LIFE."** Jesus Christ is the King of the National House of Israel, Thy Kingdom come, Thy Will be Done.

Secession is Happening!

By Martha Barley

Recently Californians were given the opportunity to divide their state into six states, but this is not a new concept. West Virginia was originally part of Virginia and became its own state in 1861. Interestingly it seceded from Virginia during the War of Northern Aggression when the Southern States weren't allowed to secede. However, West Virginia didn't want to be a part of Confederacy, so therefore their split was supported by Lincoln's government.

However, what you may not realize is how many states and provinces around the world wish to secede from either their country or from the European Union. In Spain, the province of Catalonia voted to hold their own referendum for secession from Spain. Venice just left Rome and Crimea left Ukraine.

In England, there has always been those that wish to secede from the European Union and the UKIP (United Kingdom Independence Party) is gaining huge steam in this area. Recently, James Reckless changed parties from the Conservative Party to the UKIP party. Is God giving us a sign that people are becoming "reckless" in their pursuit of freedom from Mystery Babylon? Are they beginning to come out of her as prophesied in Revelation 18?

²And he cried mightily with a strong voice, saying, Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird.

³For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies. [The average Joe sees this now!]

*⁴And I heard another voice from heaven, saying, **Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.***

CDC Whistleblower Admits Suppressing Information Regarding Vaccines and Autism

<http://benswann.com/cdc-whistleblower-admits-suppressing-information-regarding-vaccines-and-autism/>

The story of Dr. William Thompson has been making headlines across the internet over the past few days, even as mainstream media has completely ignored the story. Thompson is a senior scientist at the Centers for Disease Control and Prevention and has been with the CDC since 1998.

A statement released on August 27th by Dr. Thompson in response to media coverage is that he and co-authors from a 2004 article published in the journal *Pediatrics* did in fact omit important information from a study on the link between vaccines and autism. Below is an excerpt from Thompson's statement.

I regret that my coauthors and I omitted statistically significant information in our 2004 article published in the journal *Pediatrics*. The omitted data suggested that African American males who received the MMR vaccine before age 36 months were at increased risk for autism. Decisions were made regarding which findings to report after the data were collected, and I believe that the final study protocol was not followed.

While Thompson goes on to explain that he believes that vaccines have saved and continue to save lives, he clearly admits that the CDC did in fact intentionally omit data that demonstrated a connection between an increased risk of autism in African American males who were giving the MMR vaccine before 36 months of age.

Thompson goes on to say that his reason for coming forward was because of conversations with Dr. Brian Hooker over the course of 10 months. Those conversations were about whether or not there is a connection between vaccines and neurodevelopmental outcomes including autism spectrum disorders. Thompson clearly states that his hand was forced by Hooker who secretly recorded the conversations.

I share his belief that CDC decision-making and analyses should be transparent. I was not however, aware that he was recording any of our conversations, nor was I given any choice regarding whether my name would be made public or my voice would be put on the internet.

According to Thompson, who remains at the CDC, documents have been turned over to the office of Congressman William Posey for review. I contacted Posey's office directly about whether documents have been turned over to the Congressman for review.

A spokesman for the Congressman tells me that the office can neither confirm nor deny whether any documents have been turned over by Dr. Thompson for review. Sources however tell Benswann.com that thousands of pages of documents are now in possession of the Congressman's staff and will be reviewed over the next few weeks.

Last year our Truth in Media Project took on a similar issue regarding vaccine court and autism. At the time we pointed out that a review of compensated cases of Vaccine-Induced Brain Injury finds that The VICP has compensated approximately 2,500 claims of vaccine injury since the inception of the program in 1986.

Since that time, despite the official ruling that there is no link between vaccines and autism, there have been at least 83 cases of autism among those compensated for vaccine-induced brain damage.

Ebola – The Truth

Many are questioning why the US Government holds a patent on a virus. Here is the the information regarding this patent.

Ebola Virus Patented by US Government in October 2009: “Invention Related to Novel Species of Human Ebola (hEbola) virus”

The present invention is based upon the isolation and identification of a new human Ebola virus species, EboBun and the sequencing of the only other known West African Ebola species EboIC.

EboBun was isolated from the patients suffering from hemorrhagic fever in a recent outbreak in Uganda.

The isolated virus is a member of the Filoviridae family, a family of negative sense RNA viruses. Accordingly, the invention relates to the isolated EboBun or EBOIC virus that morphologically and phylogenetically relates to known members filoviridae.”

Largest Liberian Newspaper: US Government Manufactured Ebola, AIDS Virus

WASHINGTON (CBS DC) – The largest newspaper in Liberia published a conspiracy theory accusing the United States of intentionally engineering the Ebola and AIDS viruses in bioterrorism research labs and infecting Africans with the virus through vaccinations.

The news article, **“Ebola, AIDS Manufactured by Western Pharmaceuticals, US DoD?”** was published by the **Liberian Daily Observer** on Tuesday. It specifically implicates the U.S government, Department of Defense, American research universities in participating in an “American Military-Medical-Industry” Cold War scheme to test bioweapons in African nations.

Dr. Cyril E. Broderick Sr. references several “reports” and the 1994 science fiction novel “The Hot Zone” to accuse the U.S. Department of Defense of testing biological weapons under the **rouse of administering vaccination to improve health concerns** of “black Africans overseas” and secretly attack the Soviet Union. One report links 1970s research that “made it obvious that the war was between countries that hosted the KGB and the CIA, and the ‘manufacture’ of AIDS-Like Viruses’ was clearly directed at the other.”

Many will call this conspiracy, but the US has a history of experimenting on its own populations. Here is just a sample of some of the well-known tests done.

1931 Dr. Cornelius Rhoads, under the auspices of the Rockefeller Institute for Medical Investigations, infects human subjects with cancer cells.

1940 Four hundred prisoners in Chicago are infected with Malaria in order to study the effects of new and experimental drugs to combat the disease. Nazi doctors later on trial at Nuremberg cite this American study to defend their own

actions during the Holocaust.

1977 Senate hearings on Health and Scientific Research confirm that 239 populated areas had been contaminated with biological agents between 1949 and 1969. Some of the areas included San Francisco, Washington, D.C., Key West, Panama City, Minneapolis, and St. Louis.

1996 Department of Defense admits that Desert Storm soldiers were exposed to chemical agents.

Many more examples listed. Cites taken from:

***Fear thou not; for I am with thee:
be not dismayed; for I am thy God:*** Isaiah 41:10

In the Bible, God tells us to ***“Fear not”*** 170 times. So do not let the enemies of Christ fill you with fear. Please realize that fear is used to control you and we have absolutely nothing to fear when Christ is with us. Look at Paul in **Acts 28**:

3 And when Paul had gathered a bundle of sticks, and laid them on the fire, there came a viper out of the heat, and fastened on his hand.

4 And when the barbarians saw the venomous beast hang on his hand, they said among themselves, No doubt this man is a murderer, whom, though he hath escaped the sea, yet vengeance suffereth not to live.

5 And he shook off the beast into the fire, and felt no harm.

6 Howbeit they looked when he should have swollen, or fallen down dead suddenly: but after they had looked a great while, and saw no harm come to him, they changed their minds, and said that he was a god.

Just as Paul was protected from the poison of the viper, so shall you be protected from these poisons. Simply refuse any shot. Exemption forms for your state can be found at: <http://www.nvic.org/Vaccine-Laws/state-vaccine-requirements.aspx>

The Christian Israel Truth

How to Introduce it Without Scaring the Judeo-Christian

By Jaye S. Torgerson

Perusing the Websites of Christian Israel teachers one does not read far before finding negative references to those masquerading as the covenant people. “*The Jews*” they say are this, “*the Jews*” are doing that. It is unfortunate that most Judeo-Christians, introduced to the Christian Israel message this way, choose not to give it a second look. A reason for this is found in the following quote.

There is a principle which is a bar against all information, which is proof against all argument, and which cannot fail to keep a man in everlasting ignorance. This principle is, contempt prior to investigation.

William Paley (1743-1805), British Christian apologist and philosopher

The Judeo-Christian has been conditioned by a secular and religious establishment to respond with contempt when seeing the word Jew in a negative context. When thus introduced to the Christian Israel truth it triggers the raising of a red flag in their mind. This red flag tells them to stop reading, to look no further when presented with arguments for Israel, correctly identified.

Why then, when multiple scripture texts (**Rom. 2:26-29; Rev. 2:9, 3:9**, etc.) tell us that certain people are not, in a religious sense, real Jews, **is it necessary to call them—Jews?** Why, when we know that most of them are not descended from the Judah portion of Israel and are not therefore Judahites (i.e. Jews) do we give them credit for the same by calling them—Jews? These, in addition to the aforementioned **red flag** response are reasons why I introduce the Christian Israel message with little or no mention of the Khazar

people, and without calling them Jews. Reserve this word for real Jews, for the Messianic Israelites in the book of Acts.

Remind your Judeo-Christian friend or relative that when the gospel was preached *to the Jew first* (Rom. 1:16; 2:9-10) it resulted in the first Christians. Remind them that already, in 33 AD there were *about five thousand* (Acts 4:4) Jews who believed. Also accepting the gospel were Jews in Berea, those who became Christians because *they received the word with all readiness of mind and searched the scriptures* (Acts 17:11) whether things were so. As you continue by repeating *Jew* in its positive context remind the Judeo-Christian that an Israelite, *a certain Jew named Apollos...mightily convinced the Jews, and that publically, showing by the scriptures that Jesus was Christ* (Acts 18:24-28). Politely remind him or her that the *many thousands of Jews there are which believe* (Acts 21:20) proves that it was *some* (Rom. 3:3), that it was not all Jews who rejected Jesus.

When They Say, “But His Own Received Him Not”

When they ask regarding John 1:11 (*he came unto his own and his own received him not*) remind them that John’s gospel is emphasizing Christ’s earthly ministry, not the decades which followed. And *his own*: this is not necessarily inclusive of all Israelites. It best describes His own tribe, Judah, not that of Benjamin in Galilee, *the Galileans received him*. (John 4:45). This is why Jesus often avoided Judea, walking mostly in Galilee (see John 7:1). Corroborating with this, is the fact that His disciples and early followers were overwhelmingly of the tribe of Benjamin, and of Galilee. Many, however, of Judah did, eventually, accept Jesus, but mostly after his earthly ministry was finished. Remind the Judeo-Christian that Scripture does not contradict Scripture that if *his own received him not* for the duration of the Bible narrative there would not have been those *thousands of Jews* who, later, believed.

Agreeing that Israelites, in general, did receive Him is the epistle to the Hebrews. Politely inform the Judeo-Christian that the title and context of Hebrews identifies these **Hebrews** as **Israelites** (most evangelicals do not know this). Explain how chapters 8-10 identify them as a people who accepted Jesus and the New Covenant. Explain also how James, an epistle **to the twelve tribes which are scattered abroad** (James 1:1) was written to Israelites, to Christian Israelites. Again, most evangelicals do not realize this. Their leaders have them focused, so focused on the idea Israel rejected Jesus that they do not see otherwise when reading these epistles.

At this point you have not told the Judeo-Christian that all first century Israelites were not located in Palestine and were not all known as Jews; neither have you told them that certain people (Ashkenazi-Khazar) are not a good representation of Judah. **They can learn this later.** Keep your introduction simple, keep them focused on the Christian Israel described in Hebrews and James, and the fact that **thousands of Jews** did not reject Jesus.

The Judeo-Christian has respect for **Jew** when used in its positive context (and so should we). For this reason they will not react with contempt when you identify today's millions of descendants of those **thousands of Jews** by explaining Isaiah's prophecy. Tell them how **Isaiah** prophesied that Israel would be called by **a new name** (62:2); by **another name** (65:15) and how fulfillment of this began when **the disciples were called Christians first in Antioch** (Acts 11:26). Tell them how this transition, from the name Jew to Christian, was complete early in the second century; how after this time the descendants of those Messianic Israelites described in **Acts, Hebrews and James**, etc., are called, not Jews, nor even, Israelites. They are known in history as Christians, the prophesied new name for God's Israel servant people. And who in history, while performing as God's servant people are also known as Christians? Is it not the Anglo-Saxon, Celtic, Germanic,

Scandinavian and related European people?

Remind the Judeo-Christian that it is wrong therefore to identify latter-day Israel based on the idea that Israel rejected Jesus. While this was true of the Judean scribes and Pharisees and those loyal to them, it does not describe the majority of Israelites, those whose descendants became known as Christians.

Jesus, before sending forth his disciples said: ***Be ye therefore wise as serpents and harmless as doves*** (Matt. 10:16). If you are tired of being looked upon with contempt, with suspicions of **“anti-Semitism”** when introducing the Christian Israel truth try the serpent and dove approach. Begin your explanation with those **Acts 21:20 *thousands of Jews***.
